LIBERTY TOWNSHIP TEA PARTY.

RICHMOND TEA PARTY,
Virginia.

On behalf of the Richmond Tea Party I'd like to express both my outrage over the treatment by the IRS regarding our application for a 501C 4 tax status as well as my concern that when the investigation is over there will be just a slight slap on the wrist along with worthless promises that the IRS will do better in the future. This investigation should not be used solely as political posturing. As you know, we fear big government, from either side of the aisle, and this serves as proof that our fears are well founded. We will be watching to see if Congress will take this abuse of power by the management of the IRS seriously and take substantial corrective action or whether this will just be a political circus show.

Abuse of power is tyranny and we believe the IRS abused its power and we are seeking redress from our elected officials.

Respectfully,

BRUCE A. JAGGARD,
*Chairman of the Board,
Richmond Tea Party.*

ROCHESTER TEA PARTY PATRIOTS,
Minnesota.

The Rochester Tea Party Patriots wanted you to know that a simple application request for 501c3 took over 3 years. We started the application process on August 11, 2009, which was lost by the IRS. We resent our application and another year passed. After numerous phone calls being ignored by Mr. Ball, in Cincinnati; our CPA filled a Request for Taxpayer Advocate Service Assistance on August 10th 2011. Within a day after receiving our registered letter he returned our phone call. He advised there was nothing he could do for us, all Tea Party type organizations were being held and handled as a group. We were denied our 501c3 status and but were granted 501c4 status on September 6, 2012.

In the last year of our application process we received many requests from IRS agents requesting exceptionally inappropriate questions;

"Please submit statements regarding educational, work and philanthropic backgrounds of the organization's officers . . ."

"Names and addresses of our members"

"Other than serving as officers for the organization, please provide the names and the addresses of each individual's employer/business, the nature of their employment/business, and the number of hours devoted to their employment/business"

How these intrusive questions related to our 501c3 application has yet to be explained.

During this extended application period, our organization incurred additional expenses. We were not able to take advantage of the 501c3 discounts for our email and website accounts and ineligible to apply for a number grants.

In closing, regardless of any organizations perceived political affiliation, no one should be targeted or intimidated by its own government or agents. We ask Congress to hold the persons and organizations accountable for their actions; it was the Tea Party this time who will be next . . . You?

GREATER PHOENIX
TEA PARTY PATRIOTS,
Arizona.

The Greater Phoenix Tea Party was founded as an Arizona non-member/non-profit corporation in late 2009 to educate our fellow citizens about their birthright, and restore America's founding principles to our society and government. At the end of our first full year we filed a 501c4 application with the IRS. In January of 2011, the U.S. Treasury cashed our application check. Months went by with no word from the IRS so we tracked down and queried the agent in charge of our file who provided us with no compelling reasons the delay. In February of 2012, we got one of the infamous IRS letters requesting inapposite information. When several other Tea Party groups across the country got their letters simultaneously, we knew something was up.

In May of this year, the IRS declared that they had indeed been targeting Tea Party and conservative groups leading up to the 2012 election cycle. Ms. Lerner declared when this scandal came to light, that upon discovering the targeting of conservative groups, she ordered a halt to the practice immediately; yet here we are along with several other groups having not been approved or denied.

This harassing of ideological adversaries has vindicated the very founding of the Tea Party movement and has given all of our warnings to the American people credence regarding the dangers of big government. Because of their un-constitutional treatment we have filed suit against the IRS.

Today we are here to urge Congress to act and expose the layers of this very real scandal. We implore you to be relentless in your investigation and administration of justice; being ever mindful of your oaths to uphold the Constitution and the principles of limited government it safeguards. Do this, and all Americans will benefit from your actions, and we will stand beside you and help develop the tools necessary to fight domestic enemies and tyranny. As long as the Federal government continues to expand beyond its delegated bounds and threatens individual liberty, America's standing will continue to

shrink and we will accelerate towards an unnecessary national sunset.

Thank you,

EXECUTIVE COMMITTEE OF THE GREATER
PHOENIX TEA PARTY PATRIOTS.

CONGRESSIONAL RECOGNITION
FOR MR. ART ALMQUIST: WINNER OF A 2013 TEACHER OF THE YEAR AWARD FROM PEOPLE MAGAZINE

HON. RON BARBER

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 18, 2013

Mr. BARBER. Mr. Speaker, I rise today to honor Mr. Art Almquist, theater teacher at Tucson High Magnet School, for being awarded one of People Magazine's 2013 Teachers of the Year awards, and the first of its Readers' Choice awards.

As stated in People Magazine, "For the past 17 years, Almquist has been Tucson Magnet's drama teacher. He has built a cutting-edge theater program rarely seen on the high school level. For Almquist, known for staging productions on topics such as AIDS, environmental activism and immigration, theater offers a way to teach his students a variety of skills that go beyond acting. 'He's influenced thousands of students to find the challenge, the love, and the joy of whatever career they pursue,' says former student Julian Martinez."

I couldn't be prouder to have Mr. Almquist inspiring the students of Southern Arizona. It was the students who made this award possible, voting online thousands of times and encouraging others to join them to ensure Mr. Almquist would receive this honor.

Teaching may be the most important skill a person can share. As parents, coaches, educators, neighbors, friends and community leaders, we all are responsible for helping children learn. And if we teach correctly, we give the lifelong gift of continual learning. There is no "finish line" to education. Regardless of the formal process of elementary and higher levels of school, a great teacher endows the love of improvement that continues throughout our lives.

I am proud to recognize Art Almquist of Tucson High Magnet School and all the people who work each day to help strengthen the education system in Southern Arizona. It is our duty to thank our teachers for their significant contributions to our community and ensuring a bright future for our children.
