IN HONOR OF THE PATRIOT CLUB  
OF CHERRY HILL HIGH SCHOOL  
WEST

**HON. ROBERT E. ANDREWS**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, February 25, 2013

Mr. ANDREWS. Mr. Speaker, I rise today to honor the Patriot Club of Cherry Hill High School West. The Patriot Club focuses on bringing together students and members of the local community to honor current and former servicemembers through their Veteran's Day and Donations for Soldiers programs.

The Veteran's Day program gives veterans the ability to share their service experiences at schools throughout Cherry Hill. Each November, members of the Patriot Club recruit veterans to take part in the program that gives students the opportunity to gain a better understanding and appreciation for the sacrifices made by military personnel.

The two-month-long Donations for Soldiers program gathers monetary and supply donations from students, parents, teachers, administrators and local businesses of Cherry Hill to create care packages that are distributed to soldiers currently serving in Afghanistan and other parts of the world.

In 2012, the Patriot Club recruited five schools to participate in the program, raising more than \$4,000 and enough supplies to send 90 care packages overseas. This year, the club will be expanding the program to include all 18 schools in the Cherry Hill district. The goal is to raise \$10,000 and to send 200 care packages to soldiers abroad.

For the past two years, Ray Horner has served as President of the Patriot Club. Senior Sean Bivins and Junior President-Elect Eytan Gittler have served as Co-Vice Presidents. Officers include Seniors Chris Blandy, Kevin Mullarkey, Sean Mullarkey and Conor McFadden. Freshman Rebecca Horner also volunteers with the club.

NATIONAL INVASIVE SPECIES  
AWARENESS WEEK 2013

**HON. STENY H. HOYER**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Monday, February 25, 2013

Mr. HOYER. Mr. Speaker, I rise in recognition of National Invasive Species Awareness Week, which will be observed this year from March 3 through March 8.

Invasive plant and animal species are dangerous to regional ecosystems and carry with them serious negative effects on our economy. Already, they are a threat to 50% of federally endangered or threatened native species. From reduced crop yields to declines in fish populations, the consequences of invasive species are significant. In the agriculture sector alone, they have led to an annual loss in productivity worth \$7.4 billion. Researchers estimate that invasive species cost the United States more than \$130 billion in damages every year.

National Invasive Species Awareness Week, which is sponsored by the Weed Sciences Society of America, Dow AgroSciences, the National Network of Invasive Plant Centers, the Entomological Society of America, APS, and the Wildlife Habitat Council, helps raise public consciousness about this important issue. It features workshops and panel discussions at the Capitol and around Washington with experts in invasive species containment and prevention methods—as well as educational programs for students and families.

National Invasive Species Awareness Week also highlights the work of local, state, federal, and tribal agencies as well as efforts by private organizations and individuals to combat invasive species and preserve local and regional ecosystems.

In the State of Maryland, we have forged strong partnerships to try to address the problems posed by invasive species in our state. The Maryland Invasive Species Council is comprised of concerned scientists, land managers, business people and citizens. It works closely with our state agencies and the United States Department of Agriculture, particularly the Beltsville Agricultural Research Center, the United States Department of the Interior, and the University of Maryland. Committed partnerships such as these are an important part of focusing attention and sharing limited resources in an effort to reduce the spread of invasive plants, animals, and diseases.

I am proud to support the goals of National Invasive Species Awareness Week, and I join with many of my colleagues in Congress in wishing its sponsors and participants a successful program.

RECOGNIZING THE SHEETZ  
FAMILY

**HON. BILL SHUSTER**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 25, 2013

Mr. SHUSTER. Mr. Speaker, I rise today to recognize the Sheetz Family which owns a convenience store chain, based in Altoona, Pennsylvania. For more than 60 years, the Sheetz name has represented entrepreneurship, vision and innovation. And while consumer needs and lifestyles have changed over the years, one thing that has remained constant is the Sheetz Family's commitment to its customers, employees and the communities in which they operate.

Sheetz, Inc. was founded by Bob Sheetz in 1952 when he purchased one of his father's five dairy stores in Altoona. In 1961, Bob hired his brother Steve to work part-time at the store. It was not until 1963 that the second store was opened under the name "Sheetz

Kwik Shopper." In 1972, the brothers literally doubled the size of the company, expanding from seven to fourteen stores. One year later, Sheetz added gasoline pumps and introduced self-serve gasoline to Central Pennsylvania.

By 1983, Bob and Steve had opened 100 stores. The following year, Bob retired and handed over the leadership of the company to his trusted business partner and brother Steve. In 1995, Stan Sheetz, Bob's son, became president and Steve assumed the position of Chairman of the Board. To this day, Sheetz maintains a unique and successful family business with five family members serving on the Executive Committee.

Since 1952, Sheetz has grown from a small dairy/deli in Altoona, PA, to one of the fastest growing family-owned convenience stores in the world, with more than 437 locations across six states—Pennsylvania, Maryland, Virginia, West Virginia, Ohio and North Carolina—and more than 14,500 employees. The company manufactures its own unique Sheetz brand food products; it consistently is listed as one of the "Best Places to Work" in state surveys; and it donates hundreds of thousands of dollars each year to programs like the Special Olympics and Make-A-Wish Foundation through its corporate Sheetz Family Charities organization.

The Sheetz Family will be honored February 23, 2013 with the Respected Citizen Award by the Central Blair Recreation Commission and the Booker T. Washington Revitalization Committee in Altoona. I congratulate the family on this recognition, applaud them for their extraordinary contributions to the community and thank them for the positive impact their company has on the economy.

IN RECOGNITION OF THE 40TH AN-  
NIVERSARY OF FOUNDING OF  
THE MONSIGNOR FARRELL DIVI-  
SION #2 CHAPTER OF THE AN-  
CIENT ORDER OF HIBERNIANS

**HON. MATT CARTWRIGHT**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 25, 2013

Mr. CARTWRIGHT. Mr. Speaker, Saturday, February 23, marks the 40th anniversary of the founding of the Monsignor Farrell Division #2 Chapter of the Ancient Order of Hibernians, located in Carbondale, PA. I rise to congratulate this important Chapter of the Order on this high accomplishment. I also congratulate four founding members of the organization for their foresight in the formation of this Chapter and for their continued support of the work of the Ancient Order of Hibernians. In 1973, Mr. Jerome Brennan, the Honorable James Munley, Attorney Robert Munley and William Pyle founded this Chapter and dedicated it to charitable works, the preservation of Irish culture in America, and the education of the next generation of students about the contributions of Irish immigrants throughout our nation's history.

The Ancient Order of Hibernians is America's oldest Irish Catholic Fraternal Organization; it was founded concurrently in the coal-mining regions of Pennsylvania and in New York City in May 1836. The organization provided invaluable support to the vast influx of Irish immigrants fleeing the Great Hunger in

the late 1840s, offering both economic aid as well as an introduction to a new culture of opportunity in America. The members of the Order were among the first to welcome new immigrants to their communities, preserving many of the old traditions of a far-away homeland while simultaneously introducing new traditions that were part of a uniquely American experience.

The Monsignor Farrell Division #2 Chapter of the Ancient Order of Hibernians and its founders exemplify the core principles of charity, concern for our fellow man, and commitment to educating students about the sacrifices and accomplishments of prior generations. On this momentous occasion, please accept my congratulations and my gratitude for your continuing service to our community.

**INTRODUCTION OF THE CAMPUS SEXUAL VIOLENCE ELIMINATION ACT**

**HON. CAROLYN B. MALONEY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, February 25, 2013

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, today, I am proud to introduce the Campus Sexual Violence Elimination (SaVE) Act. This bill will close a gap in current law by requiring universities and colleges to spell out their policies on sexual assault, stalking, dating violence, and domestic violence generally. By requiring transparency out of these institutions, this bill will increase awareness for the victimization students face every day on our college campuses.

Sexual and dating violence is a serious problem on our college campuses. Over 13 percent of female undergrads have reported being stalked while at school and one out of every five women in college have reported being sexually assaulted. While these statistics are shocking, what’s even more shocking is that only a fraction of these incidents are reported. When these instances of abuse go unreported, our nation’s female undergraduate victims never get the support they need.

The Campus SaVE Act would close the gap in current law by requiring institutions of higher education to clearly explain their policies on dating violence, sexual assault, stalking, and domestic violence. Institutions will be required to include in their annual security reports statistics on domestic violence, dating violence, and stalking that were reported to campus police or local police agencies. It will also promote prevention and bystander responsibility by requiring these institutions to develop clear statements of policy regarding domestic violence, dating violence, sexual assault, and stalking prevention programs. Campus SaVE ensures that victims get the help they need by requiring schools to provide clear statements regarding their procedures followed when a case of domestic violence, dating violence, sexual assault, or stalking is reported and provide victims an explanation of their rights in writing.

Young people should be able to focus on finding their intellectual passion during these years, not dealing with the mental and physical exhaustion of abuse. The Campus Sexual Violence Elimination Act will help ensure our college campuses and universities are safer and I urge my colleagues to support it.

**IN REMEMBRANCE OF THE KHOJALY MASSACRE**

**HON. GENE GREEN**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, February 25, 2013

Mr. GENE GREEN of Texas. Mr. Speaker, as the United States and Azerbaijan continue

to develop closer relations—relations which have proven immensely valuable to both nations—it is important to take the time to remember the Khojaly Massacre which took place in Azerbaijan 21 years ago, on February 25–26, 1992.

In a period of less than 12 hours, 1,275 Azerbaijanis were tortured and 613 were murdered, including 106 women and 63 children, in the town of Khojaly.

Newsweek described the victims of Khojaly as “ordinary Azerbaijani men, women, and children,” separate from the on-going military conflict between Azerbaijan and Armenia.

Despite the shocking nature of these events, remembrance of the Khojaly Massacre has become nearly forgotten outside Azerbaijan’s borders. This is unconscionable for our country, which has always fought to safeguard the human rights of all people.

In the wake of the terrorist attacks of September 11, 2001, Azerbaijan shared in our grief and pledged to stand by the United States as we brought the perpetrators to justice.

True to their word, Azerbaijan has supported allied efforts against international terrorism by allowing unrestricted access to their territory for aircraft, troops, and supplies, as well as committing their own troops to fight alongside our own.

Just as Azerbaijan has supported our nation in its time of need, so too must we not let the massacre of the 613 Azerbaijani men, women, and children drift into the dim memory of history.

I urge my colleagues to commemorate this terrible tragedy and continue our nation’s support for the people of Azerbaijan, our partners in peace and prosperity for the Caspian Region.

Mr. WITTMAN. Mr. Speaker, I rise today with my distinguished colleagues from Virginia Representative RIGELL and Representative SCOTT to recognize Nancy Davenport-Ennis, of Yorktown, Virginia, on her retirement 17 years after founding the Patient Advocate Foundation and the National Patient Advocate Foundation. Nancy Davenport-Ennis founded the Patient Advocate Foundation and the National Patient Advocate Foundation in 1996 in honor and memory of her friend, Cheryl Grimmel, a breast-cancer patient who was denied coverage for her treatment. Additionally, millions of other patients were assisted through web-based informational services.

Nancy Davenport-Ennis knows first-hand of the personal battle of cancer as a two-time
