TO CONGRATULATE LANGHORNE  
BOROUGH MAYOR CHRIS BLAYDON

**HON. MICHAEL G. FITZPATRICK**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 23, 2013*

Mr. FITZPATRICK. Mr. Speaker, I rise today to congratulate Langhorne Borough's Mayor Chris Blaydon on a long career of public service. Mayor Chris Blaydon and his wife, Mary, have lived in Bucks County for 50 years. In that time, he has helped shape the community as a volunteer, borough councilman, mayor, and 30-year member of the borough Shadetree Commission. We sincerely commend him for his honorable service to our community as well as to our Nation as a U.S. Air Force pilot and later, as a Pan America pilot. Because of his appreciation for the historical significance of Bucks County, for the last 37 years, he has participated in the re-enactment of Gen. George Washington's crossing of the Delaware River on December 26, 1776 during the Battle of Trenton. Therefore, as Chris Blaydon concludes his mayoral career, we thank and wish him good health and many new adventures.

HONORING DEVLIN L. HODGES

**HON. ELIOT L. ENGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 23, 2013*

Mr. ENGEL. Mr. Speaker, Devlin L. Hodges came to Yonkers from Richmond, Va., where he was born via New York City. While in New York, in 1975, he became a Police Department Associate and was assigned to the Lower East Side of Manhattan during one of the worst times in the city's crime era. After three years he joined the New York State Department of Correctional Services and two years later joined the City's Department of Corrections.

There he blossomed, becoming a Captain in 1988, and an Assistant Deputy Warden before retiring in 1998. He currently is a Security Officer with the Jewish Home and Healthcare Organization.

He is a member of the James H. Farrell Lodge of the Masons since 1994, starting as a Junior Steward and then appointed as Secretary of the Lodge. In 2007 he was elected to the esteemed office of Worshipful Master and while serving in that capacity he was elected President of the Masters and Wardens Council of the Third Masonic District.

From there he returned to the office of Secretary of the Lodge, a position he has held since.

In 2008 he received his thirty-second degree of Freemasonry when he became a member of Pentecost Consistory #98 of the Ancient and Accepted Scottish Rite Masons, Prince Hall Affiliated of the Northern Jurisdic-

tion. In 2009 he was appointed District Deputy Grand Lecturer of the Most Worshipful Prince Hall Grand Lodge of the Most Ancient and Honorable Fraternity and Accepted Masons, serving in that position since.

He has served in many positions of responsibility in the Masons and it is through his leadership that the Luther V. Garrison, Sr. Masonic Foundation was formed. He has served as president of the Foundation from its founding in 2008.

Devlin Hodges has served his community wisely and well for many years and I am proud to join the Luther V. Garrison, Sr. Foundation in honoring him as Man of the Year.

HONORING SCARSDALE MEDICAL  
GROUP

**HON. ELIOT L. ENGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 23, 2013*

Mr. ENGEL. Mr. Speaker, the Scarsdale Medical Group began in 1957 when Kenneth Roth, MD, joined Herman Tarnower, MD, and John Cannon MD, both of whom had been associated since World War II, to start a practice of medicine in Scarsdale Village.

After his return from military service in the late 1950s, Tarnower purchased land near the "five corners" in Scarsdale and erected a two-story medical building at 259 Heathcote Road. He envisioned a six-member medical group of internists with varying subspecialties. The building was finished in 1960 and its roster of six physicians was completed by July 1961, with the addition of Roderick A. Granzen, MD, and James L. Carvelas, MD—internists who had been in practice in White Plains—and Marvin M. Lipman, MD, fresh out of a research fellowship.

That nucleus remained intact for nearly 15 years, when three more doctors joined. In 1980, tragedy struck when Tarnower, who had achieved international fame as the author of *The Scarsdale Medical Diet*, was murdered.

Over the following years five of the original members left and five others joined. Of the original members only Dr. Lipman remains.

With the start of this century SMG grew exponentially, adding 31 physicians in 10 years.

By 2007, the need for expansion was acute. Space was leased on Mamaroneck Avenue in Harrison, allowing the Heathcote Road property to be temporarily vacated for needed repairs.

SMG's growth was steered by a committee of several members of the partnership and the executive director, Maria Trusa. She joined SMG in 1987 as a medical assistant, advanced to manager by 1992, and was named Executive Director.

Over the 57 years, SMG has served Scarsdale and the surrounding community, growing from the original six physicians to its present complement of 39. SMG expanded to treat patients after hours and on weekends

and holidays. For urgent care, no appointment is necessary. SMG renders primary care, plus dermatology, neurology, nutrition and podiatry services as well as virtually all of the subspecialties of internal medicine, and obstetrics/gynecology services.

In 2012, SMG was awarded the designation of Medical Home by the Agency for Healthcare Research and Quality of the Department of Health and Human Services.

I congratulate the Scarsdale Medical Group on its decades of medical service to the community and celebrate the reopening of their Heathcote Road offices, allowing even more services for Scarsdale and its environs.

HONORING JEFFREY A. MOERDLER

**HON. ELIOT L. ENGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 23, 2013*

Mr. ENGEL. Mr. Speaker, Jeffrey A. Moerdler is being honored by the Riverdale Jewish Community Relations Council for his extraordinary work on behalf of Riverdale's Jewish community, including his 27 years of service on the Riverdale Y Board, his past service as President of the Y, more recently of the Y's President's Advisory Council, and his work as a Vice President of the Riverdale Jewish Community Council.

More significant on a basic level is his commitment to Hatzalah, the largest volunteer ambulance service in the United States, as an Emergency Medical Technician responding to 150–200 emergency medical calls per year, principally in Riverdale. He is also a Coordinator (co-president) of the Riverdale Hatzalah chapter and is a member of the Executive Board of the Citywide Hatzalah organization. He was part of the aid response when Captain "Sully" Sullenberger landed his airplane in the Hudson River. Most significantly, he has six "saves," four in cardiac arrests and two in chokings, as well as having participated in the delivery of one baby in the field.

In his day job, Mr. Moerdler is head of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C.'s Real Estate and Communications practices in New York. He has been recognized as a New York Super Lawyer for real estate in the New York Times every year since 2006 and in Best Lawyers in America for Real Estate in 2013–14.

He is a Commissioner of the Port Authority of New York and New Jersey, Vice Chair of its Audit and Security Committees and its Insurance Working Group, and takes an active role as the lead board member on many of its largest real estate transactions at the World Trade Center site.

Plus, he does a substantial amount of pro bono legal work for a variety of Jewish and community service organizations.

Jeffrey Moerdler has demonstrated an extraordinary commitment to his community and his fellow human beings for three decades. I

**HONORING WAKEFIELD TAXPAYERS & CIVIC LEAGUE 100TH ANNIVERSARY**

**HON. ELIOT L. ENGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 23, 2013*

Mr. ENGEL. Mr. Speaker, citizens groups are the backbone of a democracy, banding together to make their lives, their neighborhoods, their country a better place.

I am privileged to have one such extraordinary group in my district, the Wakefield Taxpayers and Civic League, which is celebrating its 100th anniversary. It was formed in 1913 to "maintain the integrity of the community" and is one of the oldest such organizations in New York City.

The League involves itself in improving their community by, for example, getting the outer walls of P.S.W. 1 repaired; getting the retaining wall abutting a playground on Carpenter Avenue, in danger of falling, fixed; advocated successfully for the closing of 'topless' bars in a residential neighborhood; initiated a study to change zoning regulations that allowed motels to be built in residential areas; and fought illegal construction and illegal rentals in two- and three-family homes.

The League maintains a lively and deep interest in politics and I have appeared before them many times seeking their endorsement, as have any other person seriously seeking to represent them.

Wakefield is a beautiful community because its residents work hard to keep it so. The League works closely with the District Attorney's Crime Assistance unit and has a Wakefield Civilian patrol to deter crime. It has stopped crimes in progress, alerted the Fire Department to fires, and saves lives by bringing medical attention to accident scenes.

The Wakefield Taxpayers and Civic League is a model of what citizens can accomplish by working together in their neighborhoods. I am proud to be associated with them and congratulate them for 100 years of building and maintaining a model community.

**HONORING HITCHCOCK PRESBYTERIAN CHURCH**

**HON. ELIOT L. ENGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 23, 2013*

Mr. ENGEL. Mr. Speaker, Houses of Worship have been central to American communities since the founding of our country. One such House of Worship, the Hitchcock Presbyterian Church in Scarsdale, is now celebrating its centenary.

In 1913, a group of 19 gathered to worship in a portable chapel borrowed from the Presbytery of Hudson River and set on the corner of Walworth Avenue and Fenimore Road. The Reverend George Smyth helped that group organize Hitchcock Presbyterian Church, build a sanctuary, organize the Sunday School, Women's Guild, Missionary Society and Women's Prayer Group.

en's Guild, Missionary Society and Women's Prayer Group.

In 1949 Dr. Smyth retired and the Reverend Dr. Robert W. Youngs was installed as senior pastor. By then increased attendance necessitated two worship services each Sunday.

In 1959 the Reverend James S. Stewart became senior pastor and served until 1972. During these years the Weekday School was begun and the three women's organizations merged to form the Guild, and in 1991 became the Presbyterian Women of Hitchcock.

The Reverend J. Scottie Griffin became senior pastor in July 1975 and served until 1982. The growing Asian population in this area stimulated the development of the Living in America program to serve the international community.

In September 1983 the Reverend Robert S. MacLennan became senior pastor and served until December 31, 1992. During his ministry there was increased dialogue with the local Jewish community. In 1984 Special Ministries to Japanese, an interdenominational ministry to Japanese-speaking people in the metropolitan area, began holding Japanese language worship once a month.

In 1986 a fire destroyed the sanctuary building but not the program or the mission of Hitchcock Church. The rebuilding was completed and a sanctuary dedicated on October 7, 1990.

In May, 1995 the Reverend Donald J. Steele became the pastor. During his 10 year ministry, the church became very active in mission work and supported "Beyond Borders"—a literacy program in Haiti.

The congregation called The Rev. Dr. John W. Miller of Dallas as new pastor and he began his ministry in 2008.

In congratulate the Hitchcock Presbyterian Church on the celebration of 100 years of serving its congregants. The church has contributed enormously to its worshippers and I wish it many more years in our community.

**HONORING EILEEN MASON**

**HON. ELIOT L. ENGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 23, 2013*

Mr. ENGEL. Mr. Speaker, Eileen Mason arrived in Larchmont in 1968 in pursuit of a good local school for her three year-old daughter, Alison, and later a son, Gregory. Eileen was very active in the PTA. As Health and Safety Chair at the Murray Avenue School, she spearheaded the drive which although failing to reinstall the traffic light, resulted in the school system's first school crossing guard.

From 1972 to 1983 she worked to create after school clubs for "latch-key kids" and help mainstream students with disabilities. In 1980, she was chair of the Middle States High School Evaluation team for School and Community.

Eileen became interested in the cable franchise proposals in the late 'seventies while doing publicity for several local organizations including the Girl Scouts, The Garden Club of Larchmont, the Woman's Club of Larchmont and the PTA. Offering news to the community has been the focus of her thirty years with LMC-TV.

Her own original programs started with "It's Your Community" and the establishment of water control measures at the Reservoir and coastal zone management and environmental concerns. She produced a series on Save the Sound, a Connecticut organization based in Stamford, as well as programs for the Federated Conservationists of Westchester County.

Other organizations benefitting from her coverage are the League of Woman Voters, Summit, Cancer Support Team, Girl Scouts, Kemper Memorial Park Preservation, Hispanic Resource Center, Mamaroneck Library's Children's Department and Larchmont Public Library's Friends, Rye Arts Center, Memorial Day and Holocaust Memorial events.

For the past twelve years she has produced monthly programs for Larchmont-Mamaroneck Interfaith Council. I congratulate Eileen Mason who is being awarded the Special Recognition Award for her extraordinary contributions to LMC-TV productions as a volunteer.

Mr. ENGEL. Mr. Speaker, I extend my congratulations to the Alpha Epsilon Pi International Fraternity on the celebration of its centenary. With more than 177 active chapters across the United States, Canada, the United Kingdom, France, and Israel, and over 9,000 undergraduate brothers, there is certainly much to celebrate.

The fraternity is celebrating the largest event in its history—the Centennial Celebration on August 8th honoring the first 100 years of its existence and its success in cultivating generations of Jewish leaders on college campuses across the world.
