

RETIREMENT OF RICHARD
HERTLING

HON. LAMAR SMITH

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 28, 2013

Mr. SMITH of Texas. Mr. Speaker, the call to serve one's country comes to people in many different forms. Some protect our nation in the Armed Forces. Some are elected to public office. Others serve officials in the three branches of our government. But all work together to protect, preserve and uphold the founding principles of this great nation.

Richard Herding has spent the last 27 years serving his country in both the legislative and executive branches. A graduate of the University of Chicago Law School, he began his career at the U.S. Department of Justice. Since then he has worked for Senators, Congressional committees and a presidential campaign.

During the Bush Administration, he oversaw major policy decisions by the Justice Department as the Principal Deputy Assistant Attorney General for Legal Policy.

He also managed the Justice Department's communication with Capitol Hill as the Acting Assistant Attorney General of the Office of Legislative Affairs.

Most recently, he served as the Staff Director and Chief Counsel for the House Judiciary Committee, which I chaired in the last Congress. With Richard's help, the House Judiciary Committee passed more substantive bills than any other committee in the last Congress. His strategic thinking was instrumental in achieving this goal.

Today, Richard Hertling is retiring, and we in the House are losing a smart attorney and good friend. But the Senators, members of the House and staff who worked with him will also miss his tutorials in ancient history and his use of Latin in everyday conversations.

We thank him for his service to his country, and wish him the best on his well-deserved retirement.

IN HONOR OF QUEENS COUNTY EX-
ECUTIVE DISTRICT ATTORNEY
JESSE J. SLIGH

HON. GREGORY W. MEEKS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 28, 2013

Mr. MEEKS. Mr. Speaker, I stand here today to honor a respected leader in my community, Queens County Executive District Attorney Jesse J. Sligh. I have known Jesse Sligh for over 20 years and during that entire time his character and the way he conducts himself has been an example for all.

Since 1991, for twenty-two years, Mr. Sligh has served in the Queens County District Attorney's Office as an Executive of District Attorney Richard A. Brown's Special Prosecutions Division. The Special Prosecutions Division serves as a bridge between the Queens County District Attorney's office and the diverse people of Queens. The division

proactively fights crime by building strong community partnerships, tackling quality of life issues, and spearheading crime prevention and mentoring programs that educate the youth of Queens about law enforcement and provide a positive structure for children who might otherwise head down the wrong path.

Mr. Sligh, the third of thirteen children, was the first member of his family to attend college, but not only did he attend college he graduated from the Ivy League Columbia University and then he earned his juris doctorate from Georgetown Law School here in Washington D.C. After that, he served our great nation as a Captain in the U.S. Army Jag Corps and earned an exemplary trial record in the process. In 1982, he joined the Queens County District Office. Jesse Sligh's talent impressed his supervisors and continued to impress them until he reached the position of Executive District Attorney. Thirty-one years later he still serves Queens County.

On February 20, 2013 the Queen's County District Attorney office honored Jesse Sligh as a part of a Black History Month Celebration and I want to honor him today as well. Jesse, a man of great faith, is a founding member of the Erie Avenue Baptist Church in Philadelphia and he is a member of the Queens Executive Board for the Boy Scouts. Jesse has been a mentor to young and old, he is a true friend to everyone he has known, and he always offers help in times of need. I applaud Mr. Sligh for all he has accomplished and his service to our Country, his family, public service and God. I am proud that he is a member of my district.

Jesse, we thank you for your good and faithful work.

IN MEMORY OF MRS. ATHERLENE
MONROE

HON. AL GREEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 28, 2013

Mr. AL GREEN of Texas. Mr. Speaker, I would like to honor the memory of a spiritual leader and a pillar of Houston's Sunnyside community, Mrs. Atherlene Monroe. With extraordinary dedication, Mrs. Monroe devoted her life to the spiritual instruction of others and her family.

Mrs. Monroe was born in Houston, TX on February 6, 1935. Her parents instilled within her an unshakeable faith, and a desire to spiritually mentor as well as teach others. On December 20, 1953, Mrs. Monroe met and married another pillar of the Sunnyside community, Reverend Rugley Monroe, Jr., Pastor of the El Bethel Missionary Baptist Church. Together Reverend and Mrs. Monroe raised three sons as well as one daughter. They worked to serve their community as well as save the souls of a multitude of people.

Mrs. Monroe served in several roles at the El Bethel Missionary Baptist Church and the local spiritual community. Through her selfless hard work and integrity, she eventually became a member of the choir, president of the Women's Mission, as well as treasurer of the Southside's Minister's Wives Union organiza-

tion. She was also a faithful companion to her husband of 59 years in all his endeavors.

Finally, Mr. Speaker, Mrs. Monroe will be missed dearly by a host of family and friends. The family includes her husband, four children, Rugley Monroe, III, Angeline Stewart, David Monroe, Sr., and Patrick Monroe, Sr., as well as her nine grandchildren, twelve great-grandchildren, and one great-great grandchild. Mrs. Monroe will be remembered in the Sunnyside community as an exemplar of a faithful Christian lady, wife, mother, and teacher.

TRIBUTE TO JOHN DUDLEY
TERRELL, JR.

HON. JO BONNER

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 28, 2013

Mr. BONNER. Mr. Speaker, I rise today to pay tribute to the memory of an American hero and a good friend, Mr. John Dudley Terrell, Jr., who recently passed away at the age of 91.

A native and lifelong resident of Mobile, Mr. Terrell graduated from McGill Institute and attended Springhill College.

Like many Alabamians of his generation, John answered his country's call to serve during World War II. As a young lieutenant with the Army Air Corps, he flew 51 combat missions at the controls of a B24 Liberator bomber in the European Theater of Operations.

His considerable wartime experience included participation in three historic battles: Air Offensive Europe, The Rome-Arno Campaign, and the Battle of Normandy where his bravery and combat piloting skills no doubt helped to advance the Allied efforts against the Axis powers.

For his courageous service, he received the Distinguished Flying Cross, the Air Medal with two Oak Leaf Clusters and the European Theater Medal with three Bronze Stars.

After the Allied Victory in Europe, Mr. Terrell left the Army Air Corps to return to civilian life where he traded his role as an aviator for that of an Independent Insurance Agent in his hometown.

He partnered with business associates to form the Robertson, Grove and Terrell Agency. Later he joined W.K.P. Wilson and Son's, Inc. During his long and successful career in the insurance industry, he distinguished himself as exceptional businessman. Among his achievements, he was presented the Chartered Property Casualty Underwriter (CPCU) designation. He later joined TriCorp, Inc., where he worked until his well-deserved retirement.

John was a longtime member of St. Ignatius Catholic Church of Mobile. He was also an active member of numerous local community service organizations including several mystic societies.

On behalf of the people of South Alabama, I wish to extend my personal condolences to his wife of 60 years, Annunziata, their three children: Liz, John III, and Kathleen, and their 10 grandchildren. You are all in our thoughts and prayers.

STOP THE SEQUESTER

HON. ELIZABETH H. ESTY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 28, 2013

Ms. ESTY. Mr. Speaker, in Connecticut last week, I heard a lot of different fears from people in my district about sequestration. Almost everyone is worried about the economy. Small business owners and manufacturers in Torrington and Waterbury are worried about staying above water. Parents in Danbury are worried about their children's education. Social service providers in New Britain and Meriden are worried about losing funding to help seniors who need meal assistance and to help families who need housing assistance. People everywhere are worried about keeping their jobs.

And there's a question in common. With this imminent, self-inflicted threat to people's jobs and people's livelihoods, why isn't Congress doing anything about it? Why, at the very least, are we not voting on a balanced alternative?

Our constituents deserve more than an answer to that question, they deserve action. There is no reason businesses and families in Connecticut, or in any state, should be facing this catastrophe. It is entirely of our own doing but it's the folks back home that suffer the consequences.

I ask unanimous consent that the House now take up H.R. 699, the Stop the Sequester Job Loss Now Act, introduced by Mr. VAN HOLLEN to replace the sequestration with commonsense, cost-cutting policies—repealing subsidies for big oil and big gas, refocusing subsidies for big agriculture, and enacting a “Buffet Rule” so that the wealthiest are paying their fair share.

We should be allowed to vote on this bill, and we should vote to remove this threat to the well-being of folks in all of our districts who have worked so hard to get by and to bring our country back from recession.

HONORING AARON HONEYSUCKER

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 28, 2013

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor a remarkable public servant, Mr. Aaron Honeysucker. Aaron was born in Camden, Mississippi in 1948. He is the father of three adult children—Felicia A. Berry, Marcus M. Honeysucker, and Chelsie B. Coleman. Mr. Honeysucker is a retired military veteran who served during the Vietnam War.

While serving in the military, Mr. Honeysucker also worked as an insurance salesman from 1972–1980. He's currently a small business owner and sells real estate. Mr. Honeysucker graduated from Velma Jackson High School in 1967, Hinds Junior College in 1972, and Jackson State University in 1997.

Mr. Honeysucker is a member of several social & civic organizations including the Veteran of Foreign Wars, JSU Alumni Association, Blue Bengal Athletic Association, Woodhaven Homeowners Association, The Retired Active Reserve and Armed Forces Association, and Red Cross Volunteer.

Mr. Speaker, I ask my colleagues to join me in recognizing Mr. Aaron Honeysucker for his dedication to serving to our great country.

CONGRATULATING THE 2012 NATIONAL ACADEMY OF INVENTORS' CHARTER FELLOWS

HON. GUS M. BILIRAKIS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 28, 2013

Mr. BILIRAKIS. Mr. Speaker, I rise today to honor the 101 inventors who were recently recognized at the University of South Florida in Tampa and inducted as the 2012 National Academy of Inventors' Charter Fellows by the United States Commissioner of Patents, Margaret A. Focarino. In order to be named as a Charter Fellow, these men and women were nominated by their peers and have undergone the scrutiny of the NAI Selection Committee, having had their innovations deemed as making significant impact on quality of life, economic development, and welfare of society. Collectively, this elite group holds more than 3,200 patents.

The individuals making up this year's class of Charter Fellows include individuals from 56 research universities and non-profit research institutes spanning not just the United States but also the world. This group of inductees touts eight Nobel Laureates, 14 presidents of research universities and non-profit research institutes, 53 members of the National Academies, 11 inductees of the National Inventors Hall of Fame, two Fellows of the Royal Society, five recipients of the National Medal of Technology and Innovation, four recipients of the National Medal of Science, and 31 AAAS Fellows, among other major awards and distinctions.

The contributions made to society through innovation are immeasurable. I commend these individuals, and the organizations that support them, for the work that they do to revolutionize the world we live in. As the following inventors are inducted, may it encourage future innovators to strive to meet this high honor and continue the spirit of innovation.

The 2012 NAI Charter Fellows include:

Dharma P. Agrawal, University of Cincinnati; Anthony Atala, Wake Forest University; Benton F. Baugh, University of Houston; Khosrow Behbehani, University of Texas at Arlington; Raymond J. Bergeron, University of Florida; Gerardine G. Botte, Ohio University; Robert H. Brown, Jr., University of Massachusetts Medical Center; Robert L. Byer, Stanford University; Sir Roy Calne, University of Cambridge; Curtis R. Carlson, SRI International.

Nai Yuen Chen, University of Texas at Arlington; Stephen Z. D. Cheng, The University of Akron; Paul C. W. Chu, University of Houston; James J. Collins, Boston University; James G. Conley, Northwestern University; Joseph T. Coyle, Harvard University; James E. Dahlberg, University of Wisconsin-Madison; Roger J. Davis, University of Massachusetts Medical Center; Sandra J. F. Degen, University of Cincinnati; Hector F. DeLuca, University of Wisconsin-Madison.

Donn M. Dennis, University of Florida; Akira Endo, Tokyo University of Agriculture & Technology; Howard J. Federoff, Georgetown University; Thomas J. Fogarty, Fogarty Institute for Innovation; Kenneth M. Ford, Institute for Human & Machine

Cognition; Eric R. Fossum, Dartmouth College; Robert C. Gallo, University of Maryland; Alan N. Gent, The University of Akron; Morteza Gharib, California Institute of Technology; Ivar Giaever, Rensselaer Polytechnic Institute.

Barbara A. Gilchrest, Boston University; Richard D. Gitlin, University of South Florida; Leonid B. Glebov, University of Central Florida; D. Yogi Goswami, University of South Florida; Mark W. Grinstaff, Boston University; Greg Hampikian, Boise State University; Barbara C. Hansen, University of South Florida; Patrick T. Harker, University of Delaware; Martin E. Hellman, Stanford University; Nick Holonyak, Jr., University of Illinois at Urbana-Champaign.

Leroy E. Hood, Institute for Systems Biology; Richard A. Houghten, Torrey Pines Institute for Molecular Studies; Ernest B. Izevbigie, Jackson State University; Stephen C. Jacobsen, University of Utah; Eric W. Kaler, University of Minnesota; Linda P. B. Katehi, University of California, Davis; Joseph P. Kennedy, The University of Akron; Sakhrat Khizroev, Florida International University; Sung Wan Kim, University of Utah; George V. Kondraske, University of Texas at Arlington.

John J. Kopchick, Ohio University; Roger D. Kornberg, Stanford University; Max G. Lagally, University of Wisconsin-Madison; Robert S. Langer, Massachusetts Institute of Technology; Brian A. Larkins, University of Nebraska-Lincoln; Victor B. Lawrence, Stevens Institute of Technology; Virginia M.-Y. Lee, University of Pennsylvania; Jean-Marie Pierre Lehn, University of Strasbourg; Shinn-Zong Lin, China Medical University; Thomas A. Lipo, University of Wisconsin-Madison.

Barbara H. Liskov, Massachusetts Institute of Technology; Alan F. List, H. Lee Moffitt Cancer Center and Research Institute; R. Bowen Loftin, Texas A&M University; Dan Luss, University of Houston; Robert Magnusson, University of Texas at Arlington; Richard B. Marchase, University of Alabama at Birmingham; Stephen W. S. McKeever, Oklahoma State University; Craig C. Mello, University of Massachusetts Medical Center; Shyam Mohapatra, University of South Florida; Theodore D. Moustakas, Boston University.

George R. Newkome, The University of Akron; C. L. Max Nikias, University of Southern California; David P. Norton, University of Florida; Julio C. Palmaz, U. of Texas Health Science Center at San Antonio; Thomas N. Parks, University of Utah; C. Kumar N. Patel, University of California, Los Angeles; Prem S. Paul, University of Nebraska-Lincoln; David W. Pershing, University of Utah; G. P. Peterson, Georgia Institute of Technology; Leonard Polizzotto, Draper Laboratory.

Huntington Potter, University of Colorado Denver; Paul R. Sanberg, University of South Florida; Timothy D. Sands, Purdue University; Raymond F. Schinazi, Emory University; Dean L. Sicking, University of Alabama at Birmingham; Oliver Smithies, University of North Carolina at Chapel Hill; Solomon H. Snyder, Johns Hopkins University; Frank So, University of Florida; M. J. Soileau, University of Central Florida; Nan-Yao Su, University of Florida.

Jack W. Szostak, Harvard University; Esther Sans Takeuchi, Stony Brook University; H. Holden Thorp, University of North Carolina at Chapel Hill; Charles H. Townes, University of California, Berkeley; John Q. Trojanowski, University of Pennsylvania; Roger Y. Tsien, University of California, San Diego; James L. Van Etten, University of Nebraska-Lincoln; James W. Wagner, Emory University; John E. Ware, Jr., University of
