

Angeles' Department of Building and Safety as well as its Health Department and local police. The city eventually built a new municipal building, and the old stone structure was boarded up in 1957. For the next twenty years, members of the newly-formed Little Landers Historical Society and others fought to save the historic building from demolition and worked toward restoration. Starr Von Fluss, past president of the Little Landers Historical Society served as campaign chairwoman to raise funds for the restoration. With the acquisition of additional funds by Roberta Stewart and L.A. City Councilman Robert Ronka, the campaign to save and restore the building was a success, with restoration work beginning in February of 1980 and its official re-opening celebration held on June 27, 1981.

Today artifacts, photographs, documents and memorabilia of Sunland, Tujunga and the foothill areas are displayed, ranging historically from the village of the Tongva Indians, through the Mission and Mexican Land Grant periods, to the development of Sunland Tujunga and the rescue of Bolton Hall. The building also serves as the office for the Little Landers Historical Society. Along with John Steven McGroarty's home, now the McGroarty Cultural Art Center, Bolton Hall is one of ten historical monuments in the Sunland Tujunga area and is also included in the National Register of Historic Places.

I ask all Members of Congress to join me today in recognizing Bolton Hall's historical importance and celebrating its one-hundredth anniversary.

RECOGNIZING THE MINOA FIRE DEPARTMENT'S 100TH ANNIVERSARY

HON. DANIEL B. MAFFEI

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 12, 2013

Mr. MAFFEI. Mr. Speaker, I rise to extend my congratulations to the Minoa Fire Depart-

ment on the occasion of its Centennial Celebration. I am honored to join the community in celebrating the Department on this historic occasion.

The Minoa Fire Department operates out of 2 stations. Station 1, located at 238 North Main S in the village, and station 2, located at 7036 Manlius Center Rd in Fremont. The Department currently operates two engines, two rescue pumpers, one brush truck, and one squad with a staff of 45 volunteers.

The Minoa Fire Department provides many emergency and non-emergency services including but not limited to, fire prevention, fire suppression, hazardous incident and material management, vehicle and other extrication and rescue, swift water rescue, ice water rescue, residential lock-outs, emergency vehicle lock-outs, commercial fire inspections and basic life support emergency medical services. Some members of the Minoa fire Dept. are specially trained and belong to special operations teams in Onondaga County including, Dive/Rescue, High Angle/Rope Rescue, Wilderness Search and Rescue and Hazardous Materials Response Teams.

So much has changed over the past 100 years. In 1913, Woodrow Wilson was inaugurated as the 28th President of the United States, the 17th amendment calling for the direct election of Senators was adopted, and the first automobile road across the United States, the Lincoln Highway, was dedicated. In 1953, Mack Model 85 was the first green fire truck to come to Minoa, setting the precedence for a full fleet of green fire apparatus. In fact, Mack Model 85 was fully restored in 2009 and is currently used by the Department in ceremonies and parades. Minoa Fire Department's uniquely green fleet continues to this day and continues to be a source of pride for local residents.

Despite the dramatic changes that have taken place over the past 100 years, a few things remain the same. The Minoa Fire Department continues to this day to take great pride in being an all-volunteer department. The Fire Department continues to be a central part of life for residents. Furthermore, for 100 years Minoa's finest have dedicated themselves to protecting their fellow citizens and making the community a safer place to live.

We are grateful for the extraordinary service that the volunteers of Minoa Fire Department have provided to residents of our community over the past century. Once again, congratulations to the members and supporters of the Minoa Fire Department and good luck in the next 100 years!

CELEBRATING THE 100TH ANNIVERSARY OF THE GROVER CLEVELAND MEMORIAL BIRTHPLACE ASSOCIATION

HON. RODNEY P. FRELINGHUYSEN

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 12, 2013

Mr. FRELINGHUYSEN. Mr. Speaker, I rise today to honor the Grover Cleveland Memorial Birthplace Association, located in Caldwell, New Jersey, as they celebrate their Centennial this year.

The Grover Cleveland Birthplace Memorial Association was incorporated in 1913 as a non-profit organization "to honor and perpetuate the memory of Grover Cleveland". Stephen Grover Cleveland rose from humble beginnings as the fifth of nine children to a Presbyterian minister in Caldwell, New Jersey. After serving several years as an apprentice clerk in a local law firm, Grover Cleveland passed the bar and opened his own firm in 1859. He soon became a rather prominent lawyer and Democratic politician, and in 1881, was elected mayor of Buffalo, New York. Grover Cleveland's career continued to ascend, and during his gubernatorial term in New York from 1883 to 1884, interest in preserving his birth site kindled. He then served a presidential term beginning 1885, and again beginning 1892, becoming the only president to serve two non-consecutive terms. The political prestige fueled the interest in the preservation of his Caldwell birthplace.

The site was originally erected as a manse by the First Presbyterian Church at Caldwell on the north side of Newark Turnpike. It housed Reverend Richard Falley Cleveland, his wife, Ann Neal Cleveland, and their ever-expanding family, when their fifth child was born on March 18, 1837. He was named for the church's first minister, Stephen Grover. During the ensuing years, the house and barn were enlarged and "modernized" to accommodate the family. In 1902, the Church began negotiations for the sale of the property at \$18,000, to only be used as a CFO COI memorial to Grover Cleveland, and in 1907, a committee of friends installed a bronze tablet in the room where he was born. The then 70-year-old Grover Cleveland wrote that he was profoundly moved by this event. Finally, in 1913, the Grover Cleveland Birthplace Memorial Association was incorporated with four officers and thirty-nine trustees, all prominent citizens throughout the country. The Association purchased the house and lot, as well as the lot along Arlington Avenue. However, they faced financial difficulties during the depression, and the State of New Jersey assumed ownership. Governor Moore appointed twenty trustees to oversee the property. Fortunately, in 1936 the house was restored to its 1870 appearance under a government Works Progress Administration program, and was placed under the Bureau of Historical Monuments (subsequently under the Department of Environmental Protection and Energy, Division of Parks and Forestry). The house is listed on both the National and New Jersey Register of Historic Places.

The Grover Cleveland Birthplace Memorial Association was reactivated in 1986 for the Sesquicentennial of Grover Cleveland's Birth (1887), and still functions today as a voluntary

auxiliary working in full cooperation with the state. It is an officially recognized Friends Organization. In 1990, the Mayor of Caldwell appointed a liaison with the birthplace, a GCBMA trustee, establishing direct contact with the Borough. The Association continues to promote greater interest and use of this national historic site, which hosts several period exhibits and activities from the lifetime of Grover Cleveland. Throughout their long history, they have worked to bring awareness to the site and the great history surrounding Grover Cleveland.

Mr. Speaker, I ask you and my colleagues to join me in congratulating the Grover Cleveland Memorial Birthplace Association as they celebrate their Centennial.
