This degree gave him the expertise to support Coors' vertical integration efforts in energy exploration and production. Mr. MacDonald worked tirelessly for several decades on the energy side of Coors business and played a major role in the company's involvement with oil and gas operations, coal exploration and production and the promotion of energy efficiency.

Although, Mr. MacDonald's professional accomplishments alone are memorable, it is his personality and friendship that will be missed most by his colleagues. Mr. Speaker, it is an honor to recognize Mr. MacDonald for all the incredible work he did for Molson Coors of Colorado.

UNIVERSITY OF WISCONSIN-EAU
CLAIRE MEN'S HOCKEY TEAM
NCAA DIVISION III NATIONAL
CHAMPIONS

HON. RON KIND

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 9, 2013

Mr. KIND. Mr. Speaker, today I rise to honor the University of Wisconsin-Eau Claire men's hockey team, the Bugolds, on winning the NCAA Division III National Championship. Their 5-3 victory over Oswego State on March 16, 2013 was an exceptional display of teamwork.

In winning the team's first National Championship, the Bugolds capped off their best season in program history. Their 14-3-1 record in conference play not only placed them at the top of the standings for the Northern Collegiate Hockey Association Conference, but it also earned them their first conference championship. The Bugolds also finished the season with an overall record of 24-5-2, the best in school history. Their success during the season earned them a spot in the NCAA Championship Tournament for the second time in program history.

The success of the UW-Eau Claire Bugolds did not go unnoticed. Senior forward and captain, Jordan Singer, was named to the All-NCHA team. Head coach Matt Loen received the Edward Jeremiah Award, honoring him as the NCAA Division III coach of the year. Additionally, at the conclusion of the NCAA Division III Tournament, Kurt Weston, Jordan Singer, Drew Darwitz, and Brandon Stephenson were named to the all-tournament team, with Singer named as the Most Outstanding Player of the tournament.

The Bugolds rode the momentum of their season's success by winning their first three games of the tournament, earning an opportunity to compete in the National Champion-

ship game. Nonetheless, heading into the championship off an incredible season, the team found themselves down by two goals in the first period. The Bugolds banded together and rose to the challenge with four unanswered goals.

They tied the game by the end of the first period, with one goal from Jordan Singer during a power-play, and another goal from Andrew Wilcox with less than a minute remaining in the first period. Then, with six minutes remaining in the second period, Daniel Olszewski gave UW-Eau Claire their first lead of the game. Devin Mantha's goal in the final period increased UW-Eau Claire's lead, and although Oswego scored a goal with ten minutes left in the game, Kurt Weston's final goal clinched the title for the Bugolds. Brandon Stephenson, the goalie of the Bugolds, finished the game with 27 saves. When the final buzzer rang through Herb Brooks Arena in Lake Placid, New York, the Bugolds won their first National Championship by defeating Oswego State 5-3.

This momentous win at the end of a very successful season exemplifies the dedication, teamwork, and sportsmanship of each and every member of the UW-Eau Claire men's hockey team. Furthermore, this victory is a source of great pride for the entire Eau Claire community. Once again, I want to congratulate the University of Wisconsin-Eau Claire men's hockey team on their incredible season and hard-earned title as NCAA Division III National Champions.

RECOGNIZING ROBERT "BOB" C.
REILING

HON. TODD ROKITA

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 9, 2013

Mr. ROKITA. Mr. Speaker, I rise today to recognize and salute a remarkable Hoosier, Robert "Bob" C. Reiling, whom retired as Tippecanoe Election Board Chairman after 28 years of service. I wish to express my heartfelt gratitude and appreciation for his leadership and service to his county and the State of Indiana.

Mr. Reiling began his service to the voters of Tippecanoe County in 1984. Almost two decades later, I began working with him and the rest of the Tippecanoe County Election Board to help implement the Help America Vote Act. Under his leadership, the county actually began replacing outdated voting systems with new technologies prior to the federal and state mandate to do so. Throughout the past decade, local and state officials with both leading worked in concert to improve election administration and the election experience for voters.

I am most proud of the partnership and friendship we grew as Tippecanoe County became one of three pilot counties to implement the Vote Centers model that is now almost common in Indiana. By introducing this model to the voters of Tippecanoe County, turnout increased, voting wait times decreased, and fewer voters were disenfranchised because there is no wrong place to vote. Tippecanoe County, under the leadership of Bob and the county election board, helped develop a working model that so many other Indiana counties are now emulating.

Mr. Reiling is a family man and remains a good friend even though I am no longer Indiana's Secretary of State. I am honored to have worked with him over the years, and look forward to our continued friendship. While no longer serving on the county election board, I know he will continue to be a leader and serve the people of Tippecanoe County in other ways.

This is Mr. Robert Reiling: a man truly committed to his family, his community, and his country. I value his friendship, counsel, and most of all, his good example. Thank you for your many years of service, Mr. Reiling.

IN RECOGNITION OF FIRE CHIEF
DON DORNELL

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 9, 2013

Ms. SPEIER. Mr. Speaker, I rise to honor Fire Chief Don Dornell, who is retiring after nearly four decades of service to the people of Burlingame and San Mateo County. His dedication to public service is a credit to his community and to his character as a leader.

Don Dornell is a Peninsula native, born in San Francisco in 1951 and raised in Millbrae as the second of five children, and one of a pair of twins. He attended Capuchino High School in San Bruno, then earned his associate degree in Political Science at the College of San Mateo in 1971.

It was then that Chief Dornell's career in public service began. He served in the Army National Guard for six years, until 1977. During that time, Chief Dornell trained as a plumber, and he began working for the San Carlos Parks Department. But from his first day, he knew that the Parks Department was not for him—his real goal was serving as a firefighter.

After a brief stint in Piedmont, Chief Dornell was hired as a firefighter for the City of Burlingame in March 1977, a community he has served diligently ever since. He has risen swiftly through the ranks, earning a promotion to Fire Captain in 1985, and serving as the B-Shift Training Officer from 1985 to 1997 and co-director of the San Mateo County Fire Recruit Academy from 1996 to 1997. In January 1997, he became Assistant Chief, and he took over responsibility for training and overseeing line personnel.

More recently, Chief Dornell has worked tirelessly to ensure successful transitions as local agencies consolidate fire protection to strengthen the cohesiveness of service and promote administrative efficiency. When the City of Burlingame and the Town of Hillsborough merged fire services in 2004, becoming the Central County Fire Department, he became the first Deputy Fire Chief of the new agency. This is a role he has embraced, as he became the agency's second Fire Chief in December 2006. Last year he took over responsibility for fire departments in Millbrae and San Bruno as well.

Chief Dornell's service to the community has taken other forms as well. He is a long-standing Fire Technology Instructor at College of San Mateo, administrator of the San Mateo County Fire Recruit Academy from 1997 to 2006, and a Member of the San Mateo County

Fire Chiefs Association, where he serves as liaison to a number of adjunct groups. Chief Dornell is also the first inaugural chairman of the Burlingame Adopt-a-Unit program, which since 2004 has supported hundreds of U.S. soldiers through their deployments to Iraq and Afghanistan.

In his retirement, Chief Dornell will be relocating to Calaveras County to enjoy hiking and outdoors activities in the Central Sierra, to continue work on the home he has been rebuilding, and to spend some time travelling around the country with his wife Debra. He will also continue his work as a volunteer for the Calaveras County Sheriff's Search and Rescue Team.

Mr. Speaker, I ask you to join me in congratulating Fire Chief Don Dornell on a remarkable career. His contributions to our community are an example of the best in public service, and his leadership and dedication will be missed. We wish him the best in his retirement.

IN RECOGNITION OF RONALD LABAR FOR 40 YEARS OF DEDICATED SERVICE WITH THE BANGOR, PENNSYLVANIA FIRE DEPARTMENT

HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 9, 2013

Mr. CARTWRIGHT. Mr. Speaker, I rise today to honor and thank Ronald Labar, who was recognized on Saturday, April 6, 2013 by his fellow firefighters for 40 years of courageous service and leadership with the Second Ward Fire Company of the Fire Department of Bangor, Pennsylvania.

As part of his four decades with the Second Ward, Mr. Labar served as the Captain of the company. Ronald was also Assistant Chief for 12 years, and then Chief of the fire department. His dedication to the job always created a lasting impression on both his colleagues and the members of the public who relied on his skills.

Firefighters must remain physically and mentally fit for the job and possess the highest levels of honesty and dependability. For administrators in this field, there is also a great need to be a coordinator, budgeter, educator, reviewer, communicator, engineer and counselor—and to be good at all of these roles. Over the last few decades, firefighting has changed, and some practices once considered safe have been replaced by new methods and technologies. Public officers like Ronald Labar, who serve through many such changes, are needed to bring cohesion to our critical civic institutions.

I thank Ronald for his efforts over 40 years on behalf of my constituents, and I salute his distinguished service to his community.

In addition to this role, she is the Executive Director of the Pacific Center for Economic Initiatives and the principal owner of Strategic Organizational Solutions, a project consulting company, which provides research and strategic planning facilitation.

Dr. Enriquez grew up in a large and modest family in the southern village of Agat. She helped support her family by assisting at her mother's small grocery store. In addition, funds from the Department of the Interior Office of Insular Affairs helped to support a community and economic development forum in 2009 and to launch the "Buy Local Guam" marketing educational campaign in 2011.

Dr. Enriquez is also an active and passionate member in our island community. She believes that education is the key to sustainable economic success for Guam. In 2011, Dr. Enriquez won the "2011 GCC Alumna of the Year Award," and the Academy of Economics and Economic Education "Distinguished Research Award" for her co-authored work on "The Making of the Pacific Tiger: Lessons from the Celtic Tiger." In 2012, she was awarded the "UOG Administrator of the Year Award" and "UOG Unit of the Year Award."

I congratulate Dr. Anita Borja Enriquez on receiving the 2013 U.S. Small Business Administration's Women in Business Champion Award for Guam. I join the people of Guam in commending her for her award and thanking her for her many contributions to our island community.

RECOGNIZING NAPERVILLE, ILLINOIS

HON. BILL FOSTER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 9, 2013

Mr. FOSTER. Mr. Speaker, it is with great pride that I rise today to congratulate the city of Naperville, Illinois on its "Sunny Award" for local government transparency. Supreme Court Justice Louis Brandeis once said, "Sunlight is said to be the best of disinfectants," and I believe this statement applies to all forms of government.

The "Sunny Award," awarded by the Sunshine Review, honors the most transparent government websites in the nation. The organization found that the Naperville website contained comprehensive information on meetings, elected and administrative officials, audits, lobbying, public records, contracts, taxes, and the budget.

This honor was received by only 247 of the 7,000 government websites that were ranked during "Sunshine Week," a period of national recognition among civic organizations and the media for achievements in open government. The Naperville government earned an A+ rating.

I would also like to acknowledge the city's continued efforts to establish transparency. A portion of their website is now dedicated solely to updating citizens about how their tax dollars are being spent.

Mr. Speaker, I congratulate the City of Naperville, not only on this honor, but also on its ongoing effort to govern transparently and provide its constituents with unfettered access to information.
