**HONORING THE LIFE AND SERVICE  
OF NORTHWEST FLORIDA'S BE-  
LOVED REPRESENTATIVE, CLAY  
FORD, JR.**

**HON. JEFF MILLER**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 9, 2013*

Mr. MILLER of Florida. Mr. Speaker, I rise today to recognize the life and service of Northwest Florida's beloved Representative Clay Ford, Jr., who passed away on March 18, 2013 after a courageous battle with cancer. Throughout his long and distinguished career in the United States Army and public service, Representative Ford served as a mentor and an inspiration to countless individuals. All those who have been blessed by his presence mourn the loss of a great man and unparalleled public servant.

Representative Ford, an Arkansas native, studied at the University of Arkansas, where he received his Bachelor's in Finance as well as his Juris Doctorate. He continued his education at Shippensburg University, where obtained his Master's in Public Administration. He married Carol Ann DeBusk Ford, of Little Rock Arkansas, and together they raised three sons, David, Doug, and Clay.

Representative Ford served proudly for more than 30 years in the United States Army as an infantry officer rising from the rank of Private to retire as Colonel in 1988. During his faithful years of service to our nation's Armed Forces, he filled important roles in both active, reserve, and the National Guard components of the Army. He served our country with honor and distinction, and he helped to protect the freedoms we all enjoy today. His many accomplishments during service include a NRA national record for the high power rifle competition.

In addition to his dedicated service to the Armed Forces, Representative Ford will be remembered for his leadership and contributions as a dedicated public servant. Before settling in Northwest Florida, he served his native state of Arkansas as a Representative of the Arkansas State Legislature from 1975–1976. In 1990 he was elected to the Gulf Breeze City Council in Florida, where he served until his election to the Florida House of Representatives in 2007. Representative Ford was widely respected by those who knew him. He was a man of conviction and compassion.

Aside from his leadership in the Florida House of Representatives, he was involved in a myriad of civic and veterans service organizations, including the Gulf Breeze Methodist Church, Gulf Breeze Rotary Club, Pensacola Bay Area Chamber of Commerce, Gulf Breeze City Council, Florida League of Cities—where he served as president from 2004–2005, National Rifle Association, American Legion, and Military Officers Association of America.

Throughout his life, Representative Ford served his nation and community with the utmost integrity and humility. To some, he will be remembered as a dedicated public official with an unwavering commitment to serving his community. To others, he will be remembered as a patriot who served our nation with honor and distinction. To his family and friends, he will most fondly be remembered as a man of faith and a loving husband, father, grandfather, and great-grandfather. His contributions to Northwest Florida, Arkansas, and our nation were truly exceptional and his legacy will not be forgotten.

Mr. Speaker, on behalf of the United States Congress, I am privileged to honor the life of Clay Ford, Jr. My wife Vicki joins me in extending our sincerest condolences and our prayers go out to his wife, Carol; sons, David, Doug, and Clay; eight grandchildren; one great-grandchild; and the entire Ford family. He will truly be missed by all.

RECIPIENT**

**HON. TOM PRICE**

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 9, 2013*

Mr. PRICE of Georgia. Mr. Speaker, it is with great pleasure and pride that I ask all members of the House to recognize a fellow physician and Georgian, S. William Clark, III,

M.D., who has received the American Academy of Ophthalmology's 2012 Outstanding Advocate Award. This honor is bestowed upon Academy members who participate in advocacy-related efforts at the state or federal level. Recipients perform advocacy functions in their capacity as ophthalmologists and demonstrate a pattern of supporting and improving the profession of medicine over a period of years.

Dr. Bill Clark, whom I have had the privilege of knowing for nearly 30 years, is a fitting recipient of this honor. As a general ophthalmologist in Waycross, Georgia, Dr. Clark has long been a committed advocate for ophthalmology, and medicine in general, since before completing his fellowship in 1984. A second-generation ophthalmologist, he learned the importance of being an effective proponent for quality health care from his revered father. With great concern for patients and respect for the principles of the healing arts, he has shared his passion with generations of new physicians.

Dr. Clark is a Past President and Board member of the Medical Association of Georgia (MAG) and has served as Vice President and Academy Councilor representing the Georgia Society of Ophthalmology (GSO). Since 1988, he has served in the American Medical Association (AMA) House of Delegates, representing the AMA Young Physicians Section, the American Academy of Ophthalmology, and Medical Association of Georgia. He currently serves as the Vice-Chair of the Georgia AMA Delegation.

For his commitment and devotion to physicians and patients on the state and federal level, I am so very pleased to take this opportunity to recognize my friend, Dr. Bill Clark, and congratulate him on the occasion of his receiving the American Academy of Ophthalmology's 2012 Outstanding Advocate Award.

At the young age of 16, Eduardo and his brother John worked at their family's motor rewinding business. His father's work ethic and tireless commitment to satisfying his customers became the foundation for Eduardo's education in successful business practices. He was inspired by his father's work ethic and tireless commitment to satisfying his customers. Eduardo knew that his father was the ultimate perfectionist and that his business motto was, "whatever you decide to do, do it right the first time."

Eduardo is a 1983 graduate of the Illinois Institute of Technology where he earned a B.S. in electrical engineering. In 1986, the Illinois Institute of Technology awarded Eduardo a Master of Science degree in electrical engineering. Eduardo and his wife Genilie Ilaos have been married for over 24 years and they have five children: Genevieve, George, Gerilyn, John Edward, and Gemilie.

Like his father, Eduardo is an active member in our island community, participating in philanthropic organizations, government service, business associations, and professional societies. He previously served as the Chairman of the American Red Cross from 2004 to 2007. He has been a board member of the American Red Cross since 2002 and served as its Chairman from 2004 to 2007. He is the

President of the Batangas and Southern Tagalog Association (BASTA), a board member of the Guam Girl Scouts, a member of the Filipino Community of Guam, and helped in fundraising efforts for the Ajuda Foundation. He is also active in numerous government service agencies. He was previously the Vice Chairman of the Board of the Guam Power Authority, he was on the Board of Trustee for the Guam Community College (GCC), he is a board member of the GCC Endowment Foundation and he is a board member of the Port Authority of Guam. Eduardo is also a member of Guam's business associations, specifically, the Guam Chamber of Commerce, the Guam Contractors Association, and the Guam Hotel and Restaurant Association. His participation in professional societies include: National Society of Professional Engineers (NSPE), Guam Society of Professional Engineers (GSPE), Association of Energy Engineers (AEE), American Solar Energy Society (ASES), National Fire Protection Association (NFPA), and the American Association of Radon Scientists and Technologists.

Eduardo has extensive experience in the design, construction, management, financing, operation, maintenance, troubleshooting, and repairs of a wide array of Electrical Engineering projects and systems. He has expertise in Power, Computer Engineering, Control Systems, and most especially, Electro-Mechanical Machines. He is a Professional Electrical Engineer, a Certified Energy Manager, a Certified Energy Auditor, and a Licensed General and Specialty Contractor.

I congratulate Eduardo Ilaos on receiving the 2013 U.S. Small Business Administration's Family-Owned Small Business Award for Guam. I join the people of Guam in commending him for his award and thanking him for his contributions to our community.
