RECOGNIZING W.T. WOODSON HIGH
SCHOOL'S 50TH ANNIVERSARY
YEAR

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 16, 2013

Mr. CONNOLLY. Mr. Speaker, I rise to congratulate W.T. Woodson High School on the occasion of its 50th Anniversary. Since the school opened its doors in September of 1962, W.T. Woodson High School has been known for being one of the top public high schools, not only in Virginia but also in the nation. The school was named for Mr. Wilbert Tucker Woodson, who served as superintendent of Fairfax County Public Schools from 1929 to 1961.

Woodson excels in every area including academics, athletics, music, and student clubs and activities. Year after year, Woodson is featured in the top 100 list of U. S. public schools in Newsweek and U. S. News & World Report, and it continually ranks near the top in Fairfax County in the numbers of National Merit Scholars. Academic awards have included grand prizes at the county Science Fair, and numerous scholarships. In 2011, teacher Sam Gee led his team to the first ever win on "It's Academic." A recent study by the Organization for Economic Co-operation and Development found that Woodson's students outperform students in every country and region in the world except Shanghai—China in reading.

In the 1980s, Woodson received The Washington Post Athletic All-Around (all sports) Award. Athletics continues to be a part of the "Woodson Way"—the school has won 177 District Titles, 65 Regional Titles, and 30 State Titles in all areas of athletic competition.

Music has also had a strong tradition at Woodson. The choral music department presents a mammoth production each February known as "Dessert on Broadway." The Cavalier Band has won top honors in national competitions. The orchestra is renowned for its talented musicians. The choral group traveled to Vienna, Austria, and Paris, where students performed at Notre Dame. In 2011, The Chamber Ensemble had the honor of being chosen to perform at the White House. The Cavalier (yearbook), The Cavalcade (newspaper) and the P.A.G.E. Literary Magazine annually take top awards in state and national publications competitions.

Finally, Woodson's vision includes academic excellence for all members of the community. Woodson is now home to a center for students who are deaf or hard-of-hearing and a center for students with emotional and learning disabilities. The building is one of the most used in Fairfax County, as it houses both Adult Education and Night School.

On a personal note, as the father of a Woodson graduate, I can speak firsthand to the high-quality educational experience and supportive atmosphere cultivated by the Woodson staff and community. Mr. Speaker, I ask that my colleagues rise to join me in con-

gratulating W. T. Woodson High School on its 50th Anniversary and in thanking the dedicated educators, administrators, and families for their shared commitment to our youth.

IN HONOR OF ISRAEL'S 65TH
INDEPENDENCE DAY

SPEECH OF

HON. LOUISE MCINTOSH SLAUGHTER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, April 15, 2013

Ms. SLAUGHTER. Mr. Speaker, it is my esteemed honor and privilege to recognize and commemorate the 65th anniversary of the State of Israel's independence. Sixty-five years ago, America became the first nation to recognize Israel, an event that symbolizes the closeness of the relationship between our two countries and our two peoples.

Since its founding in 1948, the Jewish state has faced many challenges, and America has been proud to be at Israel's side to meet these challenges. Our nation's ongoing commitment to Israel is unparalleled and I have been proud to spend my career in Congress working to promote the many economic, political, and cultural and security ties that bind our nations together.

On this day, Israel has much to celebrate and be proud of. Their nation and people have been leaders in the development of groundbreaking and transformative technology affecting millions of people around the globe.

Israelis have led the world in scientific research and advancements in medicine and have produced ten Nobel laureates in their short history. They have also built a world-class economy based in large part on their remarkable ability to educate their citizens and encourage freethinking and an entrepreneurial spirit.

While the Middle East continues to face challenges, our nation is comforted that Israel stands as a stable model for democracy in the region. The United States also stands ready and willing to help our strongest ally continue to meet the many challenges it faces in the region while working to promote peace and freedom in Israel and the Middle East. I look forward to the day when Israel and her neighbors can enjoy a prosperous and secure peace and will continue to do all that I can to make that a reality.

Mr. Speaker, I ask my colleagues to join me in wishing all Israelis a happy independence day and affirming America's resolute commitment to the future success and stability of the State of Israel.
