30TH ANNIVERSARY OF THE NATIONAL COALITION FOR THE HOMELESS

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 18, 2013

Ms. EDDIE BERNICE JOHNSON. Mr. Speaker, I rise today in recognition of the National Coalition for the Homeless as they celebrate their 30th Anniversary this month. The National Coalition is a network of homeless individuals, advocates, and service providers who are dedicated to meeting the needs of our most vulnerable segments of the population: homeless individuals and families.

The National Coalition was originally formed in 1982, in conjunction with various local and statewide homeless coalitions. Since the beginning, the National Coalition has worked tirelessly to increase access to safe, affordable, and adequate housing for any individual who so desires. While combating homelessness is a constant struggle, the National Coalition has fought diligently to facilitate a fundamental shift in our approach to addressing homelessness.

Under the leadership of Mr. Neil Donovan, Executive Director, the National Coalition has grown to become a leading organization in the fight to end homelessness. Mr. Donovan has used his knowledge and expertise in serving homelessness individuals to expand the reach of the organization, in order to meet the growing needs of those experiencing homelessness. The National Coalition has also been a strong advocate for the Congressional Homelessness Caucus by supporting its work in Congress to educate and mobilize Members of Congress and their staff.

Mr. Speaker, as co-chair and co-founder of the Congressional Homelessness Caucus, I am proud to honor the National Coalition for the Homeless for its worthy efforts to defend homeless individuals across the country. The National Coalition has made tremendous gains since its inception, and I truly believe in the goals that the National Coalition is trying to accomplish. I would like to congratulate the organization once again for achieving this historic milestone, and I look forward to maintaining our invaluable partnership.

CYBER INTELLIGENCE SHARING AND PROTECTION ACT

SPEECH OF

HON. MIKE ROGERS

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 17, 2013

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 624) to provide for the sharing of certain cyber threat intelligence and cyber threat information between the intelligence community and cybersecurity entities, and for other purposes:

Mr. ROGERS of Michigan. Madam Chair, I submit the following letters.

CONGRESS OF THE UNITED STATES,
HOUSE OF REPRESENTATIVES, COMMITTEE ON THE JUDICIARY,

Washington, DC, April 10, 2013.

Hon. MIKE ROGERS,
Chairman, House Permanent Select Committee on Intelligence, Washington, DC.

DEAR CHAIRMAN ROGERS: I am writing concerning H.R. 624, the "Cyber Intelligence Sharing and Protection Act," which is scheduled for consideration in your Committee today. This bill contains provisions that fall within the Rule X jurisdiction of the Committee on the Judiciary.

As a result of your having made mutually agreed-upon changes to the provisions in question, and in order to expedite the House's consideration of H.R. 624, the Committee on the Judiciary will not assert its jurisdictional claim over this bill by seeking a sequential referral. The Committee takes this action with our mutual understanding that by foregoing consideration of H.R. 624 at this time, we do not waive any jurisdiction over subject matter contained in this or similar legislation, and that our Committee will be appropriately consulted and involved as the bill or similar legislation moves forward so that we may address any remaining issues in our jurisdiction. Our Committee also reserves the right to seek appointment of an appropriate number of conferees to any House-Senate conference involving this or similar legislation, and requests your support for any such request.

I would appreciate your response to this letter confirming this understanding with respect to H.R. 624, and would ask that a copy of our exchange of letters on this matter be included during floor consideration.

Sincerely,

BOB GOODLATTE,
Chairman.

HOUSE OF REPRESENTATIVES, PERMANENT SELECT COMMITTEE ON INTELLIGENCE,

Washington, DC, April 11, 2013.

Hon. BOB GOODLATTE,
Chairman, Committee on the Judiciary, House of Representatives, Washington, DC.

DEAR CHAIRMAN GOODLATTE: Thank you for your letter regarding H.R. 624, the Cyber Intelligence Sharing and Protection Act. As you noted, elements of the bill fall within the jurisdiction of the Committee on the Judiciary. As you also noted, mutually agreed upon changes to the provisions in question were adopted by the Permanent Select Committee on Intelligence during its consideration of the bill, and we will be glad to continue to work with you on these provisions. We will also support the request of the Committee on the Judiciary for conferees in any conference that may occur on the bill.

I appreciate your willingness to forego consideration of the bill in the interest of expediting this legislation for floor consideration. I acknowledge that by agreeing to waive consideration of the bill, the Committee on the Judiciary does not waive any jurisdiction it may have over provisions of the bill or any matters under your jurisdiction. I will include a copy of your letter and this response in our Committee's report on H.R. 624 and the Congressional Record during consideration of the legislation on the House floor.

Thank you for your assistance in this matter.

Sincerely,

MIKE ROGERS,
Chairman.

HOUSE OF REPRESENTATIVES, COMMITTEE ON HOMELAND SECURITY
Washington, DC, April 11, 2013.

Hon. MIKE ROGERS,
Chairman, House Permanent Select Committee on Intelligence, Washington, DC.

DEAR CHAIRMAN ROGERS: On April 10, 2013, the House Permanent Select Committee on Intelligence ordered H.R. 624, the "Cyber Intelligence Sharing and Protection Act", reported favorably to the House with certain provisions in the legislation that fall within the Rule X jurisdiction of the Committee on Homeland Security. Specifically, this legislation identifies the Department of Homeland Security's National Cybersecurity and Communications Integrations Center (NCCIC) as a principal entity for sharing cybersecurity information with the Federal government and amongst stakeholders.

The NCCIC partners with all Federal departments and agencies, State, local, Tribal, and territorial governments, as well as private sector and international entities. The Center works with critical infrastructure owners and operators to reduce risk, coordinates national response efforts to significant cyber incidents, and shares cybersecurity threat and vulnerability assessment information throughout the Federal government. These actions, along with the cybersecurity information provided through the NCCIC, trigger the jurisdiction of the Committee on Homeland Security over functions of the Department of Homeland Security relating to integration, analysis, and dissemination of homeland security information.

In the interest of permitting your committee to proceed expeditiously with consideration of this important legislation, the Committee on Homeland Security will not request a sequential referral over provisions within our jurisdiction. However, I do so with the mutual understanding that the Committee's jurisdictional claims over subject matters contained in this and similar legislation are in no way diminished or altered. I request that you urge the Speaker to name members of this Committee to any conference committee for consideration of provisions that fall within the jurisdiction of the Committee on Homeland Security in the House-Senate conference on this bill or similar legislation.

Finally, I ask that you place this letter and your response into the committee report on H.R. 624 and into the CONGRESSIONAL RECORD during consideration of the measure on the House floor. Thank you for your consideration of this matter.

Sincerely,
MICHAEL T. MCCAUL,
Chairman.

HOUSE OF REPRESENTATIVES, PERMANENT SELECT COMMITTEE ON INTELLIGENCE,
Washington, DC, April 12, 2013.

Hon. MICHAEL T. MCCAUL,
Chairman, Committee on Homeland Security, Washington, DC.

DEAR CHAIRMAN MCCAUL: This responds to your letter dated April 11, 2013 concerning H.R. 624 the Cyber Intelligence Sharing and Protection Act (CISPA). Specifically, you noted the provision contained in the legislation relating to the Department of Homeland Security's National Cybersecurity and Communications Integration Center (NCCIC).

I appreciate your decision to forego requesting referral of H.R. 624 to the House Homeland Security Committee in the interest of expediting floor consideration of this legislation. I also acknowledge that this decision will not diminish or alter the Homeland Security Committee's jurisdictional claims over subject matters contained in this and similar legislation. I will also sup-

port your request that the Speaker name members of the Homeland Security Committee to any conference committee for consideration of provisions that fall within the jurisdiction of the Committee on Homeland Security in the House-Senate conference on this bill. Finally, I will include a copy of your letter and this response letter in the Committee's report on H.R. 624 and in the Congressional Record during consideration of H.R. 624 on the House Floor.

Sincerely,
MIKE ROGERS,
Chairman.

HOUSE OF REPRESENTATIVES, COMMITTEE ON ARMED SERVICES,
Washington, DC, April 18, 2013.

Chairman MIKE ROGERS,
House Permanent Select Committee on Intelligence, House of Representatives, Washington, DC.

DEAR CHAIRMAN ROGERS: I am writing to raise concerns relating to amendment #42 to the Cyber Intelligence and Sharing Protection Act (CISPA), H.R. 624, as modified and introduced by you, Chairman McCaul, and Ranking Members Ruppertsberger and Thompson.

First, I am concerned about the possible impact of this amendment on current cyber threat information sharing programs with the Department of Defense (DOD). Based on the short amount of time we have had to review and comment on the amendment, we have not had an opportunity to fully assess the potential effects on DOD activities. In particular, we must ensure that there is no "chilling effect" on sharing between the Defense Industrial Base and DOD that is so critical to our national security.

Second, I am also seeking to clarify the intent behind a specific change proposed by the modified amendment. The amendment would alter the current text, which states that a cybersecurity provider may share cyber threat information "with the express consent of a protected entity" with any entity, "including, if specifically designated, the Federal Government." The amendment would change the reference from "Federal Government" to the Departments of Homeland Security and Justice. I seek to confirm that the intent of the amendment is not to preclude sharing of cyber threat information with the Department of Defense when a cybersecurity provider has received the consent of a protected entity.

More generally, we must ensure that there is no time delay or other obstructions to passing cyber threat information critical for our national defense to DOD.

I am seeking a commitment from you to work with the Armed Services Committee to determine if any further changes to the legislation might be needed, and if possible incorporate those changes when this bill is conferred with the Senate.

Sincerely,
HOWARD P. "BUCK" MCKEON,
Chairman.

HOUSE OF REPRESENTATIVES, PERMANENT SELECT COMMITTEE ON INTELLIGENCE,
Washington, DC, April 18, 2013.

Hon. BUCK MCKEON,
Chairman, Committee on Armed Services, Washington, DC.

DEAR MR. CHAIRMAN: This responds to your letter about an amendment I co-sponsored with Chairman McCaul, and Ranking Members Ruppertsberger and Thompson during floor consideration of H.R. 624, The Cyber Intelligence Sharing and Protection Act (CISPA).

I understand you have concerns about a possible "chilling effect" of this amendment

on current cyber threat information sharing programs with the Department of Defense, and about changing the reference to "Federal Government" to the Departments of Homeland Security and Justice. I confirm that the amendment is not intended to, and does not, preclude sharing of cyber threat information with the Department of Defense when a cybersecurity provider has received the consent of a protected entity.

Additionally, I understand your concerns about the application of (b)(3)(A) and section 941(c)(3) of the National Defense Authorization Act for Fiscal Year 2013. I commit to working with you in an effort to identify a mutually agreeable approach to this matter.

Sincerely,
MIKE ROGERS,
Chairman.
