

It's people like Teresa Nelson and organizations like Support our Soldiers who embody the American spirit of gratitude and generosity. Our nation is free today because of the selfless sacrifices of thousands of brave men and women who have answered the call of duty. We owe these troops and their families abundant support, whether it's food, shelter, clothing, or comfort. I commend SOS for their commitment to providing this much-needed support, and I am proud to know the wonderful leaders and volunteers of this great organization.

God bless our troops and God bless America.

HONORING THE LIFE OF JILLIAN DAGON ANDOLINA

HON. TOM REED

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 23, 2013

Mr. REED. Mr. Speaker, I rise today to celebrate the life of a truly courageous young woman, Jillian Dagon Andolina. Jill, 26, passed away on May 11, 2013 after a two-and-a-half-year battle with leukemia. She always carried a bright smile with her and was an inspiration for her parents, Dr. Richard and Molly Andolina, and for all those in our community who had the fortune of meeting her.

A resident of Arkport, New York, Jill graduated from Arkport Central School in 2005. She received an associate's degree from SUNY Alfred before continuing on to SUNY Geneseo where she earned a bachelor's degree in psychology in 2009. The diagnosis of leukemia interrupted her plan to acquire a master's degree in November of 2010.

Despite this setback, Jill persevered through chemotherapy and bone marrow transplants to remain an active member of the community. She was a member of the Hornell Association and the Arkport American Legion Post 1248 Auxiliary. The Hornell Humane Society and Relay for Life were also graced with her time and efforts.

Jill Andolina will be missed by all, but her legacy will continue to inspire. She touched the lives of hundreds of people and her spirit and determination motivate each and every one of us every day.

TRIBUTE TO PROVIDENCE HOSPITAL

HON. JAMES E. CLYBURN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 23, 2013

Mr. CLYBURN. Mr. Speaker, I rise today to pay tribute to a hospital system that has served as a beacon for 75 years in Columbia, South Carolina. Providence Hospital in the Palmetto State's capital city has provided extraordinary care and healing for three quarters of a century, earning it the appreciation and admiration of a grateful community.

Providence Hospital was founded in 1938 as an act of faith and charity. The vision behind the hospital came from Father Martin C. Murphy of St. Peter's Church, who wanted to bring the quality care that Catholic hospitals

provide to the Columbia area. With a generous donation from local businessman James B. Younginer, he was able to put a downpayment on an 18-acre tract of land. The final piece of the puzzle fell into place when the Sisters of Charity of St. Augustine in Ohio mortgaged their motherhouse in Cleveland in order to finance the new hospital. This was extraordinary considering the sisters had never been to Columbia.

Today Providence Hospital operates under the auspices of the Sisters of Charity Health System. Over the last 75 years, the non-profit organization has grown to provide 304 beds in four hospitals: Providence Hospital, Providence Heart & Vascular Institute, Providence Hospital Northeast and Providence Orthopaedic & Neuro Spine Institute. Providence Hospital is a faith-based health care facility that employs more than 1,900 caring individuals.

Providence Hospital is renowned as South Carolina's "heart hospital." Since 1974, Providence Heart & Vascular Institute physicians and staff have performed more cardiovascular procedures than any medical team in the state. It is recognized statewide as a referral center for the prevention, diagnosis and treatment of cardiovascular disease.

In 1985, Providence Hospital added a helicopter service to help bring critically ill patients to the facility to be treated. Today LifeNet South Carolina is a 24 hour a day airborne intensive care unit serving Providence and other facilities in the Carolinas and Georgia.

In 1999, Providence Hospital established a 46-bed community hospital in the Northeast area of Columbia. This facility offers a range of medical services in surgery, emergency care, women's and children's services and rehabilitation. Also located on this campus is the Providence Orthopaedic & Neuro Spine Institute, which offers an integrated continuum of care for orthopaedic and neurosurgical patients throughout the region.

Mr. Speaker, I ask that you and my colleagues join me in congratulating Providence Hospital for its 75 years of compassionate health care. As the facility continues to grow and expand, I commend Providence for its commitment to improving the delivery of quality health care to the people of South Carolina and maintaining its focus on faith. Providence Hospital has become synonymous with exceptional patient care and embodying the values of respect, compassion, collaboration, courage and justice. I look forward to its continued service to the community and the Creator.

5-YEAR ANNIVERSARY OF PARKERSBURG TORNADO

HON. BRUCE L. BRALEY

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 23, 2013

Mr. BRALEY of Iowa. Mr. Speaker, May 25th, 2008, a devastating tornado ripped through northeastern Iowa. This was the strongest to hit Iowa in 32 years and the most powerful tornado in the United States that year, leaving a path of devastation throughout Iowa's First District. Five communities—Dunkerton, Hazelton, New Hartford, Lamont, and Parkersburg, Iowa—suffered massive damage. Eight people lost their lives, 50 busi-

nesses were destroyed, and thousands of homes were severely damaged.

Five years later, the memory of the tornado is still fresh in the minds of many Iowans. But tremendous progress has been made since then. Parkersburg is a model for recovery after a natural disaster. Through community service the town has rebuilt and come together to improve the lives of its citizens and its community.

I also want to acknowledge the tragic events in Oklahoma. The people of Iowa stand in solidarity with those affected by the devastation caused by the tornado. Our hearts and prayers go out to them. We take solace in knowing that if communities like Parkersburg can rebuild after such tragedy, then there is hope for the people of Oklahoma.

These communities have shown incredible strength and resolve in the face of such a terrible catastrophe. As we look to the future, we must never forget the service and sacrifice made by those who have rebuilt and revitalized Parkersburg.

HONORING OUR TROOPS AND VETERANS ON MEMORIAL DAY

HON. MICHELLE LUJAN GRISHAM

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 23, 2013

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, with Memorial Day just around the corner, I rise to honor the memory of our brave men and women in uniform who have sacrificed their lives for our country in what Abraham Lincoln called "the last full measure of devotion."

At this weekend's parades, festivals, and barbecues, let's all pause for a moment to recognize the sacrifices of those who put themselves in harm's way so we don't have to.

Let's continue to support our troops on the battlefield, and let's make sure to support our veterans and their families when they return home. That means ensuring quality health care for the 61,000 veterans in New Mexico's First Congressional District, ending the unconscionable backlog of disability claims at the VA, and providing our veterans with good-paying jobs.

Our national heroes deserve nothing less.

HONORING ANDREW REID BRYAN

HON. RALPH M. HALL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 23, 2013

Mr. HALL. Mr. Speaker, I rise today to honor Andrew Reid Bryan, who will be graduating from Patriot High School in Nokesville, VA on June 13, 2013.

Andrew is a member of the National Honor Society and Future Business Leaders of America, a two-time Varsity Boy's Lacrosse team captain, and has earned All District Athletic Honors as well as All District Academic Honors. Andrew also made the academic honor roll for both his junior and senior years. He plans to continue his education at Stevenson University in Baltimore, Maryland, where

he will study Business Administration and play for the Men's Lacrosse team.

Andrew's achievements set a wonderful example for his peers around him, and I am confident he will have continued success. I wish him the best of luck in all his endeavors, both on and off the field. Mr. Speaker, I ask those present today to join me in honoring Andrew Reid Bryan.

PEACE FOR THAILAND

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 23, 2013

Mr. POE of Texas. Mr. Speaker, at 1.8 million people, Thailand is home to the third largest ethnic Malay population in the world. Since 2004, extremists in the country have been fighting the government for an independent state for the ethnic group. This has been one of the bloodiest conflicts in Southeast Asia and has left nearly 5,000 people dead.

According to the Combating Terrorism Center at West Point, in the past four years alone, more than 1,400 people have died and 3,200 have been wounded. The violence has killed indiscriminately. Fatalities have included soldiers, policemen, village leaders, monks, teachers, and innocent civilians. While most of those killed were the victims of shootings, there have also been nearly 600 improvised explosive device attacks and 40 beheadings since January 2009.

Thankfully, it is possible this cycle of violence could be coming to an end.

With the help of Malaysian mediators, the chairman of the Thai National Security Council and a representative of one of the Malay separatist groups active in the region, Barisan Revolusi Nasional (BRN), signed an agreement in February to formally begin peace talks. Reports indicate former Thai Prime Minister Thaksin Shinawatra's started talks behind the scenes years ago that helped lead to this milestone agreement. He should be commended for those efforts.

Public peace talks between the government and the rebels will be a big step forward in solving the conflict in southern Thailand. While previous attempts have been made, this marks the first time that both sides have agreed in writing to hold talks.

Mr. Speaker, the progress that is slowly being achieved in southern Thailand is significant, and we should hope that it continues until there is lasting peace throughout the country. And that's just the way it is.

RECOGNIZING THE ROTARY CLUB OF NORTH CHICAGO AND THEIR 2013 HUMANITARIAN PATRIOT HONOREES

HON. BRADLEY S. SCHNEIDER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 23, 2013

Mr. SCHNEIDER. Mr. Speaker, I rise today to pay tribute to the outstanding community service of the Rotary Club of North Chicago and to recognize this year's recipients of their Humanitarian Patriot Award.

Each year the Rotary Club in North Chicago, home of Naval Station Great Lakes, recognizes their Humanitarian Patriot honorees for their service to veterans. This year's recipients have all demonstrated an incredible sense of commitment to the men and women of our armed forces. They understand that veterans have sacrificed greatly for this country and deserve nothing but our highest gratitude and respect.

The Rotary Club was founded on the principle of service, and the Humanitarian Patriot Award is an inspiring extension of that original mission.

It is entirely fitting that this year's ceremony will be held at the Lovell Federal Health Care Center—an institution dedicated to caring for the brave members of our armed forces, veterans and their families.

Mr. Speaker, I congratulate this year's recipients: Alan Belcher; Ken Duffy; Patricia Jones; Alain H. Oller, Donna E. King; Tom Marks; John Mrocza; the Navy League of the United States, Lake County Council; Paula Caraballido; William R. Beiersdorf; Gregory Padovani; Eli Williamson; Thomas Zengeler; and Jim Dolan.

But much more than that, I thank them for the incredible work they have done. Their service strengthens our communities, and I am grateful for the work of the Rotary Club of North Chicago and all of this year's honorees.

REMEMBERING THE LIFE OF ARLENE BILLAK

HON. TIM RYAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 23, 2013

Mr. RYAN of Ohio. Mr. Speaker, I rise today to remember the extraordinary life of my friend and supporter Arlene Billak who sadly passed away on April 21, 2013. Arlene was born January 13, 1949, in Sharon, Pennsylvania to her loving parents Stan and Marie Izenas. Arlene was a graduate of Sharon High School and retired from State Farm Insurance as an office manager.

Arlene was a devoted wife and mother who provided constant love and support and was always willing to sacrifice her all for her family. Arlene was a woman of strength and humility who never refused to give up after being diagnosed with cancer. She courageously fought until her final days, always making sure that she had a smile on her face. Her loving heart and spirit will continue to be felt everyday by those who loved her and those she loved.

I would like to extend my deepest and heartfelt sympathies to Arlene Billak's family: her husband Rick, her son Damian, her two brothers Paul and Bob Izenas, and her two sisters Kathy and Irene. Rest assured the love and devotion she had for her family and friends will never be forgotten.

I have known Arlene and Rick for many years. They have been active in politics for decades. They were always there to support and push their candidates and those issues that improve the quality of life for those who have the least. Arlene believed that politics could make a positive difference in people's lives, and she showed us all how one person can make a difference. I will always remember the example she set and how she constantly

shared her upbeat and positive demeanor with the world. Our community, and all that knew her, are better because we crossed paths with Arlene Billak.

PERSONAL EXPLANATION

HON. JIM BRIDENSTINE

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 23, 2013

Mr. BRIDENSTINE. Mr. Speaker, I wish to inform the House of Representatives that on May 21, 2013, I was unable to participate in three recorded votes due to my participation, along with the entire Oklahoma delegation, in a tour of tornado affected areas in and around Moore, Oklahoma.

I wish to submit for the record a summary of these bills, as well as statement on how I would have voted on each had I been present. I would also like to note that these are the only votes I have missed so far as a Member of Congress.

H.R. 1412, the Improving Job Opportunities for Veterans Act of 2013, passed the House by a vote of 416–0. Had I been present, I would have voted for H.R. 1412. The bill incentivizes private sector companies to participate in Veterans Administration (VA) on-the-job-training (OJT) training programs by reducing the level of employer contributions. It also requires the VA to enter into OJT agreements with other federal departments and agencies, which will encourage the federal government to hire veterans by fully leveraging available authorities. Finally, H.R. 1412 offsets any additional costs by extending for one month the VA's authority to pay reduced pensions to veterans using Medicaid-approved nursing facilities. According to the Congressional Budget Office (CBO), H.R. 1412 would reduce direct spending about \$14 million from FY14–FY18 and produce an "insignificant effect on discretionary spending."

H.R. 1344, the Helping Heroes Fly Act, passed the House by a vote of 413–0. Had I been present, I would have voted for this bill. H.R. 1344 directs the Department of Defense to develop processes to expedite airport screening for severely injured and disabled service members and veterans.

H.R. 324, to grant the Congressional Gold Medal, collectively, to the First Special Service Force, in recognition of its superior service during World War II, passed the House by a vote of 415–0. I co-sponsored this bill and I would have voted for it had I been present. The bill authorizes two Congressional Gold Medals for the First Special Service Force, a joint Canadian-U.S. special operations unit that served with distinction during WWII. The First Special Service Force was the precursor unit for both the U.S. and Canadian Special Operations forces.

IN RECOGNITION OF EXERCISE IS MEDICINE MONTH

HON. RON KIND

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 23, 2013

Mr. KIND. Mr. Speaker, I rise today to recognize May as Exercise is Medicine Month.
