RECOGNIZING BRIAN BOATRIGHT,  
RECIPIENT OF THE BOY SCOUT  
HONOR MEDAL

**HON. DANIEL WEBSTER**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 4, 2013*

Mr. WEBSTER of Florida. Mr. Speaker, today I am pleased to commend the heroic actions of a young member of our Central Florida community. In recognition of his swift and decisive action in a moment of life or death, Brian Boatright has been awarded the Boy Scout's Honor Medal.

On the fifth day of a tough hike up Big Red, a rugged New Mexico mountain, one of Brian's troop leaders suffered an apparent heart attack and collapsed. Stranded without cell phone reception 11,000 feet up the mountain, Brian and his fellow scouts acted on the skills and knowledge learned during scouting.

While others in the group searched for cell reception and applied CPR, Brian led several of his fellow Scouts as they navigated four miles to the nearest staffed camp. From the camp, a helicopter was called to the site and the leader was evacuated to a hospital where he underwent successful heart bypass surgery. For his actions on Big Red that day, Brian was awarded the Boy Scout's Honor Medal, one of the highest honors awarded by the Boy Scouts.

The Honor Medal is bestowed on scouts who demonstrate unusual heroism and skill or

resourcefulness in saving or attempting to save life at considerable risk to self. In the 90-year history of the Boy Scouts, only 2,302 other scouts have been awarded the Honor Medal. Brian is a sophomore at Bishop Moore High School and a member of Troop 6 in Orlando.

I commend Brian for his quick thinking and decisive actions under great pressure. His deeds are a credit to the Boy Scouts and he is well deserving of this recognition.

Mr. COFFMAN. Mr. Speaker, on January 3, 2009, the day I took office, the national debt was \$10,627,961,295,930.67.

Today, it is \$16,433,791,850,294.04. We've added \$5,805,830,554,363.37 to our debt in 4 years. This is \$5.8 trillion in debt our Nation, our economy, and our children could have avoided with a Balanced Budget Amendment. We must stop this unconscionable accumulation of debt.

IN HONOR OF THE UNI-CAPITOL  
WASHINGTON INTERNSHIP PRO-  
GRAM

**HON. SAM FARR**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 4, 2013*

Mr. FARR. Mr. Speaker, I rise today to pay tribute to the Uni-Capitol Washington Internship Program. Since its inception 14 years ago, the program has placed some of Australia's best and most passionate university students with House and Senate offices for two-month full-time internships annually. These internships have enabled me and my staff, who have participated since the program's inception, to share in our common values and ideals while at the same time learning more about the culture and people of Australia.

This year, I am delighted to welcome Elizabeth Flora into my Washington, DC office. I am thrilled to have the opportunity to participate in this valuable exchange program, meeting Australian students that have a passion for American politics. Since its commencement, the program has seen more than 130 young Australians walk the halls of Congress in various capacities and it is with the utmost pride that I recognize the importance of the Uni-Capitol Washington Internship Program in the United States House of Representatives.

Elizabeth joined my office on January 2, 2013 from the University of Canberra where she is pursuing her B.A. in Communications and Media. During her time in my office, Elizabeth has proven herself to be a caring, humorous, intelligent and dedicated intern and I am honored to host her. In addition to serving my constituents with professionalism and respect, she has attended hearings and briefings, drafted legislative correspondence and has assisted my staffers with a variety of important research projects.

In addition to working in offices throughout Congress, all Uni-Capitol Washington interns are given the opportunity to explore our brand of democracy through panel discussions with political correspondents, Members of Congress and representatives from various government offices as well as professionals at non-government agencies.

Founded and directed by former House and Senate staffer, Eric Federer, the program fosters cultural and educational exchanges between the United States and Australia. Mr. Federer deserves distinguished praise for his efforts and dedication in coordinating this program, and the support and opportunities he provides to all participants is truly incredible.

Mr. Speaker, I cannot fully express how critical this program is to strengthening ties with America's allies and offering inspiration for the students of today that may become the leaders of tomorrow. Participating in this program has been a remarkable experience that has inspired Elizabeth for her future endeavors and gave my office the sincere pleasure of having an Australian working among us. I extend my sincere appreciation to Mr. Federer for developing and organizing this program, to my fellow Members of Congress and their dedicated staff for hosting, to Elizabeth for grasping this opportunity with an open heart and a curious mind and to all participants for engaging in public service. I ask my colleagues to join with me in recognizing the contributions of the Uni-Capitol Washington Internship Program and, again, thanking Elizabeth Flora for her admirable participation and diligent work.

#### IN REMEMBRANCE OF BLACK JANUARY

#### HON. GENE GREEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 4, 2013*

Mr. GENE GREEN of Texas. Mr. Speaker, I rise in remembrance of the over 130 innocent men, women, and children who were killed by the Red Army in the days following its invasion of Azerbaijan 23 years ago.

On January 20, 1990, the Soviet Union, in a brutal attempt to end the growing independence movement in Azerbaijan, sent in 26,000 troops under the pretext of restoring public order, while actually aiming to forcefully end peaceful demonstrations for independence.

The invasion and subsequent massacre, which resulted in over 130 killed, 611 injured, and 841 arrests, is remembered as "Black January" in the Republic of Azerbaijan today and has left an indelible mark on that nation's memory.

It was the overt oppression of innocent people by the Soviet government that further inspired the Azerbaijani people to regain its independence after 70 years of foreign rule.

Less than two years later, on October 18, 1991, Azerbaijan gained its independence from the Soviet Union and was soon recognized by the international community.

Today, the United States and Azerbaijan enjoy a close and important relationship, built on trust, understanding, and mutual support. It is important on this day that America remembers the trials and tribulations our friends in Azerbaijan have had to endure for the cause of freedom and continue to support their vital role as a beacon of democracy and prosperity in the Caspian Region.

Mr. Speaker, I ask the House of Representatives to please join me in remembering the tragic events of Black January and honor those who gave their lives in order to give birth to their country.
