CONGRATULATING SAINTS PETER
AND PAUL MACEDONIAN ORTHODOX
CATHEDRAL ON ITS 50TH
ANNIVERSARY

HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 14, 2013

Mr. VISCLOSKY. Mr. Speaker, it is with great pleasure and admiration that I congratulate Saints Peter and Paul Macedonian Orthodox Cathedral as its congregation and church leaders join together in celebration of its 50th Anniversary. The congregation, along with Parish Priest, Very Reverend Tome Stamatov, and the Church Executive Board, including President Thomas Traycoff, Vice President Alex Kutanovski, Vice President Dejan Risteovski, Treasurer Naumce Pejovski, Financial Secretary Stojan Trajkovski, Secretary Dimce Alekovski, and Diocese Delegate Nick Nochevich, will be celebrating with a weekend of events from July 12 to July 14, 2013 at the cathedral in Crown Point, Indiana.

Saints Peter and Paul Macedonian Orthodox Cathedral was consecrated on July 14, 1963 in Gary, Indiana, when a group of immigrants from Macedonia came together with the goal of preserving Macedonian culture and religious tradition. Saints Peter and Paul is known throughout the United States and Canada as the first official Macedonian church built in North America. The founders proclaimed the mission of their new church before the Indiana Secretary of State in Indianapolis, Indiana: "The purpose of this parish is to preach the word of God and take spiritual care of its members; to spread goodness, justice, brotherly love, and respect among its members."

The cathedral in Gary flourished for many years, and the congregation continued to grow. Due to an increase in membership, a new cathedral and cultural center were built in Crown Point, Indiana, in 1989, and are still in existence today. The members and leaders of Saints Peter and Paul Macedonian Orthodox Cathedral played a major role in the establishment of additional churches throughout the United States and in Canada. Their determination, focus, and commitment laid the foundation for other Macedonian churches to come to life.

Mr. Speaker, I ask that you and my other distinguished colleagues join me in honoring and congratulating Saints Peter and Paul Macedonian Orthodox Cathedral on its 50th Anniversary. Throughout many hardships and trials, the congregation and leaders of Saints Peter and Paul have dedicated themselves to

preserving Macedonian heritage, tradition, and spiritual beliefs. Their constant dedication and commitment is worthy of the highest commendation.

RECOGNIZING THE HOWARD COUNTY
LIBRARY SYSTEM FOR BEING
NAMED LIBRARY OF THE YEAR
AND MR. MATTHEW WINNER OF
COLUMBIA, MARYLAND, FOR
BEING HONORED BY THE PRESIDENT
AS ONE OF TWELVE MUSEUM
AND LIBRARY "CHAMPIONS
OF CHANGE"

HON. JOHN P. SARBANES

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Friday, June 14, 2013

Mr. SARBANES. Mr. Speaker, I rise today to recognize the Howard County Library System for being named Library of the Year, and Mr. Matthew Winner of Columbia, Maryland, for being honored by the President as one of twelve museum and library "Champions of Change."

Each year, one of the 21,000 public and academic libraries in the United States, Canada and Mexico is awarded this prestigious honor. The winning library is one that "most profoundly demonstrates creativity, leadership and innovation in developing signature events and initiatives, particularly those that can be emulated by others." I extend my congratulations to CEO and President, Valerie Gross, and to her remarkable team of educators and support staff at the Howard County Libraries. It is the first library system in the entire mid-Atlantic region to receive this award.

My parents always stressed the value of libraries as a tool for learning and enrichment. Now, as a parent myself, I have tried to do the same with my children. In this regard, the Howard County Library System and its patrons truly set an example for communities and families throughout our country. It is comprised of six branches that serve over 280,000 residents. Remarkably, 90 percent of those residents have and use library cards. The library system has the highest borrowing rate per capita in the United States, with over 7 million items checked out annually. The library is at the center of the educational, cultural and social network of Howard County.

The success of the Howard County Library System is a testament to the dedicated staff and administrators of the library system, but also the commitment of the people of Howard County to the value of education and lifelong learning. Congratulations to the Howard County Public Library System, a 21st-century library system worthy of this distinguished honor.

I would also like to congratulate Howard County resident and public school teacher and librarian, Matthew Winner of Columbia, Maryland, for being honored by the President as one of twelve museum and library "Champions of Change." Winner is the co-author of the forthcoming book, *Teaching Math with the Wii*, the "Busy Librarian" blog, and he was recently named a 2013 Library Journal "Mover & Shaker" in the category of Tech Leaders. Through his innovative thinking and dedication to captivating the attention and potential of our students through gaming and other popular technologies, Mr. Winner is a leader in his

field and making a real difference in his community. He is fully deserving of this recognition, and I offer him my thanks and congratulations.

IN RECOGNITION OF THE PASSAGE
OF THE TBI TREATMENT ACT
AMENDMENT

HON. PETE SESSIONS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, June 14, 2013

Mr. SESSIONS. Mr. Speaker, thousands of our brave servicemen and women are returning from combat with severe cases of Traumatic Brain Injury (TBI) and Post-Traumatic Stress Disorder (PTSD), resulting in an inability to hold a job, properly care for their families, or in some cases, to overcome suicidal tendencies. As a nation, we have the responsibility for their care and recovery.

Currently, private healthcare providers across the United States are helping brain injury patients with new and innovative treatments, some of which have not yet been made available in Department of Defense (DoD) treatment facilities. In an effort to fix this delinquency, I introduced H.R. 2344, the TBI Treatment Act, in the House of Representatives.

The TBI Treatment Act would establish a 5-year "pay-for-performance" pilot program, not to exceed \$10 million per year, which would help expedite some of the new and groundbreaking treatments to our nations' active duty soldiers suffering from TBI and PTSD. Healthcare providers would be able to treat active-duty soldiers at no cost to the patient. The healthcare provider would be reimbursed by the DoD for providing the treatments, but only if the treatment is proven successful based on independent pre- and post-

treatment neuropsychological testing, accepted survey instruments, neurological imaging, or clinical examinations. Currently, soldiers and veterans suffering from TBI and PTSD are paying out-of-pocket for these innovative treatments. Lastly, treatments must be approved by the Food and Drug Administration (FDA), the Secretary of Defense, and by an institutional review board operating in accordance with regulations issued by the Secretary of Health and Human Services.

In light of House consideration this week of H.R. 1960, The National Defense Authorization Act (NDAA) for fiscal year (FY) 2014, I was proud to offer the TBI Treatment Act as an amendment to the NDAA along with my friend and colleague from California, Congressman Mike Thompson. I am pleased to report that last night, the House of Representatives approved by voice vote the TBI Treatment Act amendment. This is a great victory for those suffering from TBI and PTSD and is an important step towards ensuring that our nation's soldiers receive the care and treatments they have earned and deserve. I hope that my colleagues in the Senate will also include the TBI Treatment Act when they consider defense authorization legislation.

COMBATING SEXUAL ASSAULT IN THE MILITARY

HON. ALLYSON Y. SCHWARTZ

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 14, 2013

Ms. SCHWARTZ. Mr. Speaker, for the past year, my office has worked with a young female soldier who was raped while serving her country. Active US Army, she says that when she reported the crime, she was threatened and harassed.

The military's solution was to direct her assailing to stay away from her, which he ignored.

This woman acted bravely by reporting the assault—only about 10 percent of victims do—and the military failed her.

She is now AWOL: lost, afraid, without pay, without prospects—and without her justice. Her situation is far too common. And it's unacceptable.

This year's National Defense Authorization includes important reforms. It strips commanders of their authority to change or dismiss convictions and it expands legal assistance to victims.

The military must fully implement these changes and do all it can to ensure that its culture no longer tolerates sexual violence. The military must prosecute sexual abuse offenders and ensure victims have protection and support and the assurance of justice that all victims deserve.

End this shame on America and ensure that women "can be all they can be" in the U.S. military, without discrimination, harassment or fear of sexual assault.

HONORING CLARK BOYD FOR HIS SERVICE AS PRESIDENT OF ROTARY CLUB OF LEBANON

HON. DIANE BLACK

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Monday, June 17, 2013

Mrs. BLACK. Mr. Speaker, for more than one hundred years Rotary International has made it their mission to provide service to others, promote integrity, and advance world understanding, goodwill, and peace. Today, it is my honor to recognize one of Rotary's distinguished club presidents, Mr. Clark Boyd from Lebanon, Tennessee.

A graduate of East Tennessee State University, Clark served his country for more than a decade in the Army National Guard and U.S. Army Reserve. Today, Clark makes good on the promise to be a "good neighbor" to the customers entrusted to his care as a State Farm Insurance agent in Lebanon, where he also serves as chairman of the Wilson County Republican Party and president of his local Habitat for Humanity.

Under Clark's leadership, the Rotary Club of Lebanon generously donated \$6,000 to local and international non-profits, gave \$8,000 to the noble work of Rotary International and joined members of the local Kiwanis club to create a Lebanon youth baseball league. Additionally, the club was awarded the prestigious "STAR Club Award" and "Globe Club Award."

Apart from his service to Rotary, Clark evinces his devout Christian faith as chairman of the men's ministry at Immanuel Baptist Church, where he also serves as a deacon and Sunday school teacher. Most importantly, Clark is the loving husband to his wife of eleven years, Jana, and a proud father to his two children: Wilson and Blair.

While Clark's tenure as president of Rotary Club of Lebanon will end this year, his passion for investing in the lives of others and serving his community will not. I congratulate Clark on an exceptional year as president of Rotary Club of Lebanon and honor him for his selfless example of service to others.
