

this country. Apparently, the President thinks it's perfectly okay to just forget about the rule of law. Oh, there's a law that says I have to provide a budget. Well, I'm not doing it. I'll get around to it. But the law says he must. Is he above the law? Apparently so. Because of the 11 times in the last 90 years when the budget was late, four of them were this President.

You know, when you talk to economists and you read what economists are saying, and you're concerned about the downgrade in the credit rating because of how much more money that will put us in debt that future generations will have to pay, when you talk to them, you look at what they're saying, there are a couple of things that they point out.

Well, one of the things that helped this country is our belief and support for the rule of law, that no one is above the law. And yet you look at what this White House is doing: ah, we'll get around to the budget eventually. More insensitive to following the law than any Presidency that I can find in history.

We have a President who says, you know, yeah, I get it, the Defense of Marriage Act was duly passed into law and signed into law by a former Democratic President, but I don't like that law and I realize Congress is not going to change it, so I'm going to ignore the law. I'm going to instruct my Attorney General to ignore the law. That kind of thinking means there's no support at the highest level of this country for the rule of law.

When we have a President who makes speeches and an Attorney General who makes speeches about how they're going to go after illegal gun sales, and yet there is blood on the hands of people in this administration, and we can't even find out who they are because they are being obscured, for the death of hundreds of human beings who died because this administration forced gun dealers to sell guns that they knew and they reported should not be sold, and they were told by their Federal Government, their executive branch, you do it anyway because we're going to follow the guns, in effect. The guns were not followed. They made their way into criminals' hands, as was intended, but they weren't followed. And now the administration says they want to support the rule of law and go after these illegal gun sales? Well, they have to start with their own administration.

And then we have a President that instead of coming to Capitol Hill where most of the elected representatives of the country are, there's one down Pennsylvania Avenue, actually two, the Vice President, and there are 535 down here, and sitting down and working out a comprehensive immigration bill, instead of doing that, the President announces, you know, I don't like the laws that were duly passed by prior Congresses, Democrats, signed into law by Democrats and Republican Presidents. I realize what the law is, I don't

like the law, so as I speak, so shall the new law be.

And the mainstream just laps it up because they're too ignorant of what the rule of law means, that you don't have a monarch at the end of Pennsylvania Avenue that just espouses law as he gets ready to, because he doesn't like the law that was duly passed.

Come down here and work with us and if we can secure the border so that we can make sure that people won't get in that want to destroy our way of life, the drug cartels, the radical Islamists across the border that are working with the drug cartels now that want to destroy our way of life, we've got to make sure that we have people coming in that will continue to make the country great. And I have great hope for what the Hispanic community can do for this country because, generally speaking, those I know have strong faith in God, devotion to family, and hard work ethic. That's what made America great, in my opinion. We need that kind of input, but it's got to be legal.

The Immigration Service is an embarrassment, one of the worst in the world. You can get a visa quicker to other countries than you can here. It's embarrassing the snafus in this government.

But if we are going to get on track, we have to get back to a President and a Congress that believes the rule of law. And when the President will not follow the law, there have to be consequences.

I've talked to Democratic and Republican individuals who were part of prior Presidential administrations and I've said at different times, different individuals: tell me, when you were in the administration, when you were in the White House, is it true what I've heard that individuals would come together, both parties, both ends of the Capitol and talk to the President and say, look, you are usurping control that was given to the Congress in the Constitution, and we're going to have to shut you down if you don't get back and acting within the Constitution?

That doesn't happen under this administration, and it's time that it must. We owe it to the country. We owe it to future generations.

The President has said: If Congress in any way suggests they're going to tie negotiation to debt ceiling votes—which, by the way, we have never done in our history until we did it last year—I will not play that game.

The President needs to have someone around him that knows the truth. That poor man is being lied to. All you have to do is look back in our history. Every time there was a cut in spending, it was often tied to the debt ceiling negotiations. Go back to 1985, to 1990, 1993, 1997, 2010. Speaker PELOSI in 2010, with President Obama, tied a PAYGO provision. She did it. Why is it so wrong that the Republicans want to do that in the House like Speaker PELOSI did. Let's get responsible. But the Presi-

dent doesn't even remember 2 years ago when Speaker PELOSI did that.

Somebody has got to help this poor man understand recent and distant history before the rating agencies say, you know what, we used to think that the rule of law was going to help the U.S. economy and help the Federal Government get around to taking care of its debts, but these guys don't even follow the rule of law anymore.

And as far as what economists say, yeah, but we have economic dynamism. Well, look what ObamaCare is doing to that. Look at what overregulation is doing to that. It is hurting our economy. The economy is sitting waiting to take off if the President and the Senate, that is bogging down bills that would free up the economy to go, if they would get out of the way, this economy could go. People could get back to work. They wouldn't need unemployment. They wouldn't need to be begging to the master government. They could do it on their own as free people.

It's time to get back to following the rule of law. It's time to get back to having a government that doesn't put off the current debt on future generations because if we don't, our names will not be called blessed by future generations. Our names will be cursed.

□ 2120

Mr. Speaker, it is my prayer and desire that we can finally get to be responsible in the coming months. And the only way we can really get there is if people are honest about our history.

I yield back the balance of my time.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. The Chair will remind Members to refrain from engaging in personalities toward the President.

LEAVE OF ABSENCE

By unanimous consent, leave of absence was granted to:

Mrs. EMERSON (at the request of Mr. CANTOR) for today on account of illness.

PUBLICATION OF COMMITTEE RULES

RULES OF THE COMMITTEE ON FOREIGN AFFAIRS FOR THE 113TH CONGRESS

Mr. ROYCE. Mr. Speaker, as required by clause 2(a) of House rule XI, I respectfully submit the rules of the Committee on Foreign Affairs, which were adopted earlier today at a public meeting of the Committee.

RULES OF THE COMMITTEE ON FOREIGN AFFAIRS, 113TH CONGRESS

1. GENERAL PROVISIONS

(a) The Rules of the House of Representatives, and in particular, the committee rules enumerated in clause 2 of rule XI, are the rules of the Committee on Foreign Affairs (hereafter referred to as the "Committee"), to the extent applicable.

(b) A motion to recess and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, are privileged non-debatable motions in Committee.

(c) The Chairman of the Committee on Foreign Affairs shall consult the Ranking Minority Member to the extent possible with respect to the business of the Committee. Each subcommittee of the Committee is a part of the Committee and is subject to the authority and direction of the Committee and to its rules, to the extent applicable.

2. DATE OF MEETING

The regular meeting date of the Committee shall be the first Tuesday of every month when the House of Representatives is in session pursuant to clause 2(b) of rule XI of the House of Representatives. Additional meetings may be called by the Chairman as the Chairman may deem necessary or at the request of a majority of the Members of the Committee in accordance with clause 2(c) of rule XI of the House of Representatives. The determination of the business to be considered at each meeting shall be made by the Chairman subject to clause 2(c) of rule XI of the House of Representatives. A regularly scheduled meeting need not be held if, in the judgment of the Chairman, there is no business to be considered.

3. QUORUM

For purposes of taking testimony and receiving evidence, two Members shall constitute a quorum, and the Chairman of the full Committee or a subcommittee shall make every effort to ensure that the relevant Ranking Minority Member or another Minority Member is present at the time a hearing is convened. One-third of the Members of the Committee or subcommittee shall constitute a quorum for taking any action, except: (1) reporting a measure or recommendation; (2) closing Committee meetings and hearings to the public; (3) authorizing the issuance of subpoenas; and (4) any other action for which an actual majority quorum is required by any rule of the House of Representatives or by law. No measure or recommendation shall be reported to the House of Representatives unless a majority of the Committee is actually present. No measure or recommendation shall be reported to the full Committee by a subcommittee unless half of the subcommittee is actually present. A record vote may be demanded by one-fifth of the Members present or, in the apparent absence of a quorum, by any one Member.

4. MEETINGS AND HEARINGS OPEN TO THE PUBLIC

(a) Meetings

(1) Each meeting for the transaction of business, including the markup of legislation, of the Committee or a subcommittee shall be open to the public except when the Committee or subcommittee, in open session and with a majority present, determines by record vote that all or part of the remainder of the meeting on that day shall be closed to the public, because disclosure of matters to be considered would endanger national security, would compromise sensitive law enforcement information, or would tend to defame, degrade or incriminate any person or otherwise violate any labor rule of the House of Representatives. No person other than Members of the Committee and such congressional staff and departmental representatives as the Committee or subcommittee may authorize shall be present at any business or markup session which has been closed to the public. This subsection does not apply to open Committee hearings which are provided for by subsection (b) of this rule.

(2) The Chairman of the full Committee or a subcommittee may postpone further proceedings when a record vote is ordered on the question of approving any measure or matter, or adopting an amendment. The relevant Chairman may resume proceedings on a postponed request at any time. When exercising

postponement authority, the relevant Chairman shall take all reasonable steps necessary to notify Members on the resumption of proceedings on any postponed record vote. When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

(b) Hearings

(1) Each hearing conducted by the Committee or a subcommittee shall be open to the public except when the Committee or subcommittee, in open session and with a majority present, determines by record vote that all or part of the remainder of that hearing on that day should be closed to the public because disclosure of testimony, evidence or other matters to be considered would endanger the national security, would compromise sensitive law enforcement information, or otherwise would violate any law or rule of the House of Representatives. Notwithstanding the preceding sentence, a majority of those present, there being in attendance the requisite number required under the rules of the Committee to be present for the purpose of taking testimony—

(A) may vote to close the hearing for the sole purpose of discussing whether testimony or evidence to be received would endanger the national security, would compromise sensitive law enforcement information, or violate paragraph (2) of this subsection; or

(B) may vote to close the hearing, as provided in paragraph (2) of this subsection.

(2) Whenever it is asserted by a Member of the Committee that the evidence or testimony at a hearing may tend to defame, degrade, or incriminate any person, or it is asserted by a witness that the evidence or testimony that the witness would give at a hearing may tend to defame, degrade, or incriminate the witness—

(A) such testimony or evidence shall be presented in executive session, notwithstanding the provisions of paragraph (1) of this subsection, if by a majority of those present, there being in attendance the requisite number required under the rules of the Committee to be present for the purpose of taking testimony, the Committee or subcommittee determines that such evidence or testimony may tend to defame, degrade, or incriminate any person; and

(B) the Committee or subcommittee shall proceed to receive such testimony in open session only if the Committee, a majority being present, determines that such evidence or testimony will not tend to defame, degrade, or incriminate any person.

(3) No Member of the House of Representatives may be excluded from non-participatory attendance at any hearing of the Committee or a subcommittee unless the House of Representatives has by majority vote authorized the Committee or subcommittee, for purposes of a particular series of hearings, on a particular article of legislation or on a particular subject of investigation, to close its hearings to Members by the same procedures designated in this subsection for closing hearings to the public.

(4) The Committee or a subcommittee may by the procedure designated in this subsection vote to close one (1) subsequent day of hearing.

(5) No congressional staff shall be present at any meeting or hearing of the Committee or a subcommittee that has been closed to the public, and at which classified information will be involved, unless such person is authorized access to such classified information in accordance with rule XX of the House of Representatives.

5. CONVENING HEARINGS AND MARKUPS

(a) Hearings. Public announcement shall be made of the date, place, and subject matter of any hearing to be conducted by the Committee or a subcommittee at the earliest possible date, and in any event at least one (1) week before the commencement of that hearing. If the Chairman of the full Committee or a subcommittee, with the concurrence of the relevant Ranking Minority Member, determines that there is good cause to begin a hearing sooner, or if the Committee or subcommittee so determines by majority vote in the presence of the number of members required under the rules of the Committee for the taking of action, the Chairman of the full Committee, if concurring, shall make the announcement at the earliest possible date.

(b) Markups and Other Meetings to Transact Business

(1) Convening. The Chairman of the full Committee or a subcommittee may call or convene, as the relevant Chairman considers necessary, meetings of the Committee or subcommittee for the consideration of a bill or resolution pending before the Committee or subcommittee, as the case may be, or for the conduct of other Committee or subcommittee business.

(2) Notice. Public announcement shall be made by the Chairman of the full Committee of the date, place, and subject matter of any markup or other meeting to conduct business at the earliest possible date, and in any event at least one (1) week before the commencement of such markup or meeting, unless the relevant Chairman determines, in consultation with the relevant Ranking Minority Member, that there is good cause to begin such a markup or meeting on an earlier date. If such determination is made, the Chairman of the full Committee, if concurring in that determination, shall make the announcement at the earliest possible date.

(3) Agenda and Texts. The relevant Chairman shall provide to all Committee or subcommittee Members an agenda for each Committee and subcommittee markup or other meeting to transact business, setting out all items of business to be considered, including whenever possible a copy of any measure scheduled for markup, at least 48 hours (excluding Saturdays, Sundays, and legal holidays) before the meeting.

Bills on subjects not listed on such agenda shall be subject to a point of order unless their consideration is agreed to by a two-thirds vote of the Committee or subcommittee, or by the Chairman of the full Committee with the concurrence of the Ranking Minority Member. The text of any measure to be marked up shall be made publicly available in electronic form at least 24 hours prior to the commencement of the markup meeting, or at the time of an announcement under subparagraph (b)(2) made within 24 hours before such meeting.

(c) Publication. Public announcement of all hearings and markups shall be published in the Daily Digest portion of the Congressional Record and made publicly available in electronic form. Members shall be notified by the Staff Director of all meetings (including markups and hearings) and briefings of subcommittees and of the full Committee.

(d) Member Seating. During Committee and subcommittee hearings and markups, chairs on the dais are for Members. No staff member other than a Committee or subcommittee staff director, counsel, or professional staff member may occupy a chair on the dais, unless authorized by the Chairman of the full Committee, after consultation with the Ranking Member of the Full Committee. Only one staff member each from the majority and the minority may occupy

chairs on the dais at any time during a hearing or markup.

6. WITNESSES

(a) Interrogation of Witnesses

(1) In so far as practicable, witnesses shall be permitted to present their oral statements without interruption subject to reasonable time constraints imposed by the Chairman of the full Committee or a subcommittee, with questioning by the Committee Members taking place afterward. Members should refrain from questions until such statements are completed.

(2) In recognizing Members, the relevant Chairman shall, to the extent practicable, give preference to the Members on the basis of their arrival at the hearing, taking into consideration the majority and minority ratio of the Members actually present. A Member desiring to speak or ask a question shall address the relevant Chairman and not the witness.

(3) Subject to paragraph (4), each Member may interrogate the witness for 5 minutes, the reply of the witness being included in the 5-minute period. After all Members have had an opportunity to ask questions, the round shall begin again under the 5-minute rule.

(4) Notwithstanding paragraph (3), the relevant Chairman, with the concurrence of the Ranking Minority Member, may permit one (1) or more majority Members of the Committee designated by the relevant Chairman to question a witness for a specified period of not longer than 30 minutes. On such occasions, an equal number of minority Members of the Committee designated by the Ranking Minority Member shall be permitted to question the same witness for the same period of time. Committee staff may be permitted to question a witness for equal specified periods either with the concurrence of the Chairman and Ranking Minority Member of the full Committee or by motion. However, in no case may questioning by Committee staff proceed before each Member of the Committee who wishes to speak under the 5-minute rule has had one opportunity to do so.

(b) Testimony of Witnesses

(1) Advance Filing Requirement. Each witness who is to appear before the Committee or a subcommittee is required to file testimony with the Committee or subcommittee at least two (2) business days in advance of that appearance. For purposes of this subsection, testimony includes the written statement of a witness, as well as any video, photographs, audio-visual matter, posters, or other supporting materials that the witness intends to present or display before the Committee. Such testimony should be provided in electronic form to the extent practicable. The Committee or subcommittee shall notify Members at least two business days in advance of a hearing of the availability of testimony submitted by witnesses. In addition, each witness shall provide sufficient copies, as determined by the Chairman of the full Committee or a subcommittee, of his or her proposed written statement to be provided to Members and staff of the Committee or subcommittee, the news media, and the general public. The text of the written statement provided pursuant to this paragraph shall be considered final, and may not be revised by the witness after the Committee meeting at which the witness appears.

(2) Witness Preclusion and Waiver. The requirements of paragraph (1) or any part thereof may be waived by the Chairman of the full Committee or a subcommittee, or the presiding Member, or the Ranking Member of the Committee or subcommittee as it relates to witnesses who are called by the minority to testify, provided that the witness or the relevant Chairman or Ranking

Minority Member has submitted, prior to the witness's appearance, a written explanation to the reasons testimony has not been made available to the Committee or subcommittee. If a witness who is not an official of the U.S. Government has not submitted testimony as required by paragraph (1) and no such written explanation has been submitted, the witness shall be released from testifying unless a majority of the Committee or subcommittee votes to accept his or her testimony.

(3) Remote Witness Participation. The Chairman of the full Committee or a subcommittee shall promptly, and not later than 48 hours beforehand if possible, notify the relevant Ranking Member of any witness who is likely to present testimony other than in person, such as by video conference. A witness may not testify via telephone or other audio-only medium without the concurrence of the Chairman and Ranking Member of the Committee or subcommittee. The relevant Chairman shall make reasonable efforts to verify the identity of any witness participating remotely.

(4) 'Truth In Testimony' Disclosure. In the case of a witness appearing in a nongovernmental capacity, a written statement of proposed testimony shall, to the extent practicable, include a curriculum vitae and a disclosure of the amount and source (by agency and program) of any Federal grant (or subgrant thereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two previous fiscal years by the witness or by an entity represented by the witness, to the extent that such information is relevant to the subject matter of, and the witness' representational capacity at, the hearing. Such statements, with appropriate redactions to protect the privacy of the witness, shall be made publicly available in electronic form not later than one day after the witness appears.

(5) Witness Presentation. A witness shall limit his or her oral presentation to a brief summary of his or her written statement.

(6) Translation. A witness requiring an interpreter or translator should include in the testimony provided pursuant to paragraph (1) the identity of the interpreter or translator that the witness intends to use. Unless properly noticed as a separate witness, an interpreter or translator appearing before the Committee should not present views or statements other than those expressed by the witness.

(c) Oaths. The Chairman of the full Committee or a subcommittee, or any Member of the Committee designated by the relevant Chairman, may administer oaths to any witness appearing before the Committee.

7. PREPARATION AND MAINTENANCE OF COMMITTEE RECORDS

An accurate stenographic record shall be made of all hearings and markup sessions. Members of the Committee and any witness may examine the transcript of his or her own remarks and may make any grammatical or technical changes that do not substantively alter the record. Any such Member or witness shall return the transcript to the Committee offices within fourteen (14) calendar days (not including Saturdays, Sundays, and legal holidays) after receipt of the transcript, or as soon thereafter as is practicable.

Any information supplied for the record at the request of a Member of the Committee shall be provided to the Member when received by the Committee.

Transcripts of hearings and markup sessions (except for the record of a meeting or hearing which is closed to the public) shall be printed as soon as is practicable after receipt of the corrected versions, except that the Chairman may order the transcript of a

hearing to be printed without the corrections of a Member or witness if the Chairman determines that such Member or witness has been afforded a reasonable time to correct such transcript and such transcript has not been returned within such time.

The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with rule VII of the House of Representatives. The Chairman shall notify the Ranking Minority Member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of the rule, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination on the written request of any Member of the Committee.

The Committee shall, to the maximum extent feasible, make its publications available in electronic form.

8. EXTRANEOUS MATERIALS IN COMMITTEE HEARINGS PRINTS

No extraneous material shall be printed in either the body or appendices of any Committee or subcommittee hearing, except matter which has been accepted for inclusion in the record during the hearing or by agreement of the Chairman of the full Committee or a subcommittee and Ranking Minority Member of the Committee or subcommittee within five (5) calendar days of the hearing. Copies of bills and other legislation under consideration and responses to written questions submitted by Members shall not be considered extraneous material.

Extraneous material in either the body or appendices of any hearing to be printed which would be in excess of eight (8) printed pages (for any one submission) shall be accompanied by a written request to the relevant Chairman. Such written request shall contain an estimate in writing from the Public Printer of the probable cost of publishing such material.

9. INFORMATION ON COMMITTEE ACTION

(a) Record Votes. The result of each record vote in any meeting of the Committee outside of executive session shall be made publicly available in electronic form within 48 hours of such record vote. Such result shall include a description of the amendment, motion, order, or other proposition, the name of each Member voting for and against, and the Members present but not voting.

(b) Adopted Amendments. Not later than 24 hours after the adoption of any amendment to a measure or matter considered by the Committee, the text of each such amendment shall be made publicly available in electronic form.

(c) Hearing and Markup Attendance. Member attendance at each Committee hearing and markup shall be recorded and included in the Committee print of the transcript of that hearing or markup.

10. PROXIES

Proxy voting is not permitted in the Committee or in subcommittees.

11. REPORTS

(a) Reports on Bills and Resolutions. To the extent practicable, not later than 24 hours before a report is to be filed with the Clerk of the House on a measure that has been ordered reported by the Committee, the Chairman shall make available for inspection by all Members of the Committee a copy of the draft Committee report in order to afford Members adequate information and the opportunity to draft and file any supplemental, minority or additional views which they may deem appropriate.

With respect to each record vote on a motion to report any measure or matter of a public character, and on any amendment offered to the measure or matter, the total

number of votes cast for and against, and the names of those Members voting for and against, shall be included in any Committee report on the measure or matter.

(b) Prior Approval of Certain Reports. No Committee, subcommittee, or staff report, study, or other document which purports to express publicly the views, findings, conclusions, or recommendations of the Committee or a subcommittee may be released to the public or filed with the Clerk of the House unless approved by a majority of the Committee or subcommittee, as appropriate. A proposed investigative or oversight report shall be considered as read if it has been available to Members of the Committee for at least 24 hours (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such a day). In any case in which clause 2(1) of rule XI and clause 3(a)(1) of rule XIII of the House of Representatives does not apply, each Member of the Committee or subcommittee shall be given an opportunity to have views or a disclaimer included as part of the material filed or released, as the case may be.

(c) Foreign Travel Reports. At the same time that the report required by clause 8(b)(3) of rule X of the House of Representatives, regarding foreign travel reports, is submitted to the Chairman, Members and employees of the Committee shall provide a report to the Chairman listing all official meetings, interviews, inspection tours and other official functions in which the individual participated, by country and date. Under extraordinary circumstances, the Chairman may waive the listing in such report of an official meeting, interview, inspection tour, or other official function. The report shall be maintained in the Committee offices and shall be available for public inspection during normal business hours. Except in extraordinary circumstances, no Member or employee of the Committee will be authorized for additional Committee travel until the reports described in this subsection have been submitted to the Chairman for that person's prior Committee travel.

12. REPORTING BILLS AND RESOLUTIONS

Except in extraordinary circumstances, bills and resolutions will not be considered by the Committee unless and until the appropriate subcommittee has recommended the bill or resolution for Committee action, and will not be taken to the House of Representatives for action unless and until the Committee or a relevant subcommittee has ordered reported such bill or resolution, a quorum being present.

Except in extraordinary circumstances, a bill or resolution originating in the House of Representatives that contains exclusively findings and policy declarations or expressions of the sense of the House of Representatives or the sense of the Congress shall not be considered by the Committee or a subcommittee unless such bill or resolution has at least 25 House co-sponsors, at least 10 of whom are Members of the Committee.

For purposes of this rule, extraordinary circumstances will be determined by the Chairman, after consultation with the Ranking Minority Member and such other Members of the Committee as the Chairman deems appropriate.

The Committee or a subcommittee shall not consider a bill or resolution originating in the House of Representatives that expresses appreciation, commends, congratulates, celebrates, recognizes the accomplishments of, or celebrates the anniversary of, an entity, event, group, individual, institution, team, or government program, or that acknowledges or recognizes a period of time for such purposes, except in circumstances

determined by the Chairman with the concurrence of the Ranking Minority Member.

The Chairman is directed to offer a motion under clause 1 of rule XXII of the Rules of the House whenever the Chairman considers it appropriate.

13. STAFF SERVICES

The Committee staff shall be selected and organized so that it can provide a comprehensive range of professional services in the field of foreign affairs to the Committee, the subcommittees, and all its Members. The staff shall include persons with training and experience in foreign affairs, making available to the Committee individuals with knowledge of major countries, areas, and U.S. overseas programs and operations.

Subject to clause 9 of rule X of the House of Representatives, the staff of the Committee, except as provided in paragraph (c), shall be appointed, and may be removed, by the Chairman with the approval of the majority of the Members in the majority party of the Committee. Their remuneration shall be fixed by the Chairman, and they shall work under the general supervision and direction of the Chairman. Staff assignments are to be authorized by the Chairman or by the Staff Director under the direction of the Chairman.

Subject to clause 9 of rule X of the House of Representatives, the staff of the Committee assigned to the minority shall be appointed, their remuneration determined, and may be removed, by the Ranking Minority Member with the approval of the majority of the minority party Members of the Committee. No minority staff person shall be compensated at a rate which exceeds that paid his or her majority staff counterpart. Such staff shall work under the general supervision and direction of the Ranking Minority Member with the approval or consultation of the minority Members of the Committee.

The Chairman shall ensure that sufficient staff is made available to each subcommittee to carry out its responsibilities under the rules of the Committee. The Chairman shall ensure that the minority party is fairly treated in the appointment of such staff.

14. NUMBER AND JURISDICTION OF SUBCOMMITTEES

As detailed below, two of the regional subcommittees also shall have functional jurisdiction.

The regional subcommittees shall have jurisdiction over the following within their respective regions:
