

VVMF had to raise all of this \$100 million without the ability to recognize their donors because current law did not allow donor recognition.

Mr. Speaker, I think we can agree that it is ridiculous to force any organization to fund-raise without the ability to recognize donors. How are we supposed to raise any money? Even the National Park Service understands the importance of donor recognition. I personally have seen hundreds of benches in national parks all across this country that have little metal plaques on them thanking people for their generous donations.

In spite of current law and this donor recognition handicap, VVMF has raised over 25 percent of the nearly \$100 million needed to build this education center. My bill, H.R. 588, will give them the extra pulling power they need to quickly complete their fund-raising and finally cross the \$100 million finish line.

Overall, my bill is very straightforward. It merely provides VVMF the ability to recognize their donors. This recognition will lead to larger donations, a faster fund-raising pace, and quick and timely construction of the education center. It will also make the act of giving more personal and more rewarding. Put simply, every donor deserves a "thank you," and my bill will finally allow VVMF to give the "thank you" their donors so rightly deserve.

□ 1710

Also, in order to ensure that appropriate standards for donor recognition were met, I made sure that H.R. 588 dovetailed exactly with existing Parks Service guidelines. This regulatory overlap ensures that any donor recognition will be discreet, unobtrusive, and will not contain any advertising or company logos.

Mr. Speaker, H.R. 588 is supported by numerous veterans' organizations, including the VFW, the American Gold Star Mothers, the Iraq and Afghanistan Veterans of America, and the Military Order of the Purple Heart, among many others. I urge my colleagues to support the quick passage this bill.

I reserve the balance of my time.

Mr. GRIJALVA. Mr. Speaker, I yield myself such time as I may consume.

(Mr. GRIJALVA asked and was given permission to revise and extend his remarks.)

Mr. GRIJALVA. Mr. Speaker, I want to thank Congressman YOUNG for his work on this legislation, and I am very proud to be a cosponsor.

H.R. 588 allows the Vietnam Veterans Memorial Fund to acknowledge donor contributions to the Vietnam Veterans Memorial Visitor Center. The Memorial Fund has raised \$45 million in private funds and anticipates the cost of the center to be approximately \$85 million. This legislation is specific to the Vietnam Veterans Memorial Visitor Center and deserves immediate attention.

I am hopeful that subcommittee Chairman BISHOP and I might explore

whether a broader amendment to the Commemorative Works Act, setting standards for donor acknowledgment for all memorials covered under the act, makes sense, but that project should not slow down this legislation.

Again, I thank Congressman YOUNG for his leadership, the leadership of the foundation, and others who have worked very hard on this issue for the past 2 years.

Mr. Speaker, I yield back the balance of my time.

Mr. YOUNG of Alaska. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Alaska (Mr. YOUNG) that the House suspend the rules and pass the bill, H.R. 588.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. GRIJALVA. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

GENERAL LEAVE

Mr. YOUNG of Alaska. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous materials on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Alaska?

There was no objection.

Mr. YOUNG of Alaska. Mr. Speaker, I yield such time as she may consume to the gentlewoman from South Dakota (Mrs. NOEM), the author of the bill, to explain the bill.

Mrs. NOEM. Mr. Speaker, I thank the chairman for his work on these important issues. I appreciate it.

Today I rise in support of H.R. 291, the Black Hills Cemetery Act. This bill is of great importance to the communities of the Black Hills area of South Dakota. The Black Hills of South Dakota are home to a number of historic cemeteries. Many of these originated in old mining towns dating back to the 1800s, and they have unique significance to the communities surrounding them. These include the Englewood, Galena, Hayward, Mountain Meadows, Roubaix, Nemo, Rockerville, Silver City, and the Cold Springs cemeteries.

These cemeteries are currently being managed by local cemetery associations and community groups in the

surrounding areas, but have been technically owned by the U.S. Forest Service since the 1900s. This causes unnecessary liability for the U.S. Forest Service because of the responsibility for upkeep and dealing with possible vandalism or damage to property in these cemeteries.

At almost no cost to taxpayers, the Black Hills Cemetery Act would simply transfer ownership of these cemeteries and up to 2 acres of adjacent land to the caretaking communities. They have managed them for generations under special use permits issued by the Forest Service. It also makes clear that these cemeteries will continue to be used for the same purpose as they always have been in the past.

I sponsored this bill at the request of these communities and the current caretakers of the cemeteries, and in consultation with the U.S. Forest Service. In fact, this bill was introduced and passed last year by the House with broad, bipartisan support. I look forward to seeing this bill pass again this year, and pass through the Senate this time so we can resolve this matter for the communities in South Dakota.

I would like to thank the communities and local residents for their help in working with my office and for advocating for this bill. I would also like to thank Chairmen HASTINGS and BISHOP and their staffs for pushing this bill forward for the second time. These communities have been asking for a solution to this situation for a number of years, and as their Representative, I'm glad that we have the opportunity to pass this bill again in the House today.

I want to thank Chairman YOUNG for his leadership as well, and I urge my colleagues to support and pass this bill for these communities in South Dakota.

Mr. GRIJALVA. Mr. Speaker, I yield myself such time as I may consume.

H.R. 291 conveys cemeteries, currently on Forest Service lands, to communities in South Dakota. These local communities already manage and maintain these cemeteries and the legislation requires that these lands continue to be used for cemetery purposes. We have no objections to the legislation.

With that, I reserve the balance of my time.

Mr. YOUNG of Alaska. Mr. Speaker, I have no further speakers.

Mr. GRIJALVA. Mr. Speaker, I yield back the balance of my time.

Mr. YOUNG of Alaska. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Alaska (Mr. YOUNG) and the gentleman from Arizona (Mr. GRIJALVA) each will control 20 minutes.

The Chair recognizes the gentleman from Alaska.

GENERAL LEAVE

Mr. YOUNG of Alaska. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous materials on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Alaska?

There was no objection.

Mr. YOUNG of Alaska. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 507 directs the Secretary of the Interior to take two 10-acre parcels into trust for a tribe in Arizona. These two parcels are both completely surrounded by either the tribe's reservation or by fee lands owned by the tribe. Before the parcels can be taken into trust, however, the Tucson Unified School District will first need to relinquish its possessory interest in one parcel. The school district no longer needs the land, which it had previously received under the Recreation and Public Purposes Act.

The Secretary of the Interior will also need to approve a lease agreement between the tribe and the school district for the construction and operation of a regional transportation facility on the tribe's land.

Both parcels would be utilized as part of a golf course that is currently under construction. Neither parcel is necessary for the construction of the golf course, but if the tribe does not acquire and use these parcels, they will be orphaned and of relatively no use to either the tribe or to the United States.

As has become customary when taking land into trust, the bill includes language that prohibits any gaming on the two parcels to be taken into trust.

Finally, I would like to commend the gentleman from Arizona for his bill, and I urge its adoption.

I reserve the balance of my time.
