

Mrs. BLACKBURN. Madam Chairman, I demand a recorded vote.

The Acting CHAIR. Pursuant to clause 6 of rule XVIII, further proceedings on the amendment offered by the gentleman from Tennessee will be postponed.

AMENDMENT OFFERED BY MR. BARLETTA

Mr. BARLETTA. Madam Chair, I have an amendment at the desk.

The Acting CHAIR. The Clerk will report the amendment.

The Clerk read as follows:

At the end of the bill (before the short title), insert the following:

SEC. \_\_\_\_\_. None of the funds made available under the heading "Departmental Management and Operations—Departmental Operations—Office of the Secretary and Executive Management" may be used for official reception and representational expenses until the Secretary of Homeland Security complies with section 7208 of the Intelligence Reform and Terrorism Prevention Act of 2004 (8 U.S.C. 1365b).

The Acting CHAIR. The gentleman from Pennsylvania is recognized for 5 minutes.

Mr. BARLETTA. My amendment is simple.

The amendment would say that none of the funds from the Office of the Secretary may be used for official reception expenses until the Secretary of Homeland Security fully implements the biometric entry and exit data system.

A biometric exit system is already required by law. In 2004, Congress mandated the establishment of this system to track foreigners leaving our country. The 9/11 Commission recommended creating a biometric exit system as well. The creation of an effective exit system would keep our country safe because we would have a more effective way of tracking people who may pose a risk to our national security.

Oftentimes, people speak of the illegal immigration issue as involving the northern, southern, and coastal borders; but as Boston showed us plainly, it involves much more than that. Nearly half of the illegal immigrants currently in the United States did not cross a traditional border. Rather, they arrived here on a legitimate visa, saw the visa expire, and never returned home. The truth is, if your State is home to an international airport, you effectively live in a border State. We know that 40 percent of illegal immigrants are visa overstays; but since we do not have an effective way of tracking who leaves our country, that number may be different. This amendment would withhold funds from the Secretary's reception expenses until the biometric exit system is fully implemented.

I yield back the balance of my time. Mr. CARTER. I move to strike the last word.

The Acting CHAIR. The gentleman from Texas is recognized for 5 minutes.

Mr. CARTER. We will accept this amendment, and I yield back the balance of my time.

The Acting CHAIR. The question is on the amendment offered by the gentleman from Pennsylvania (Mr. BARLETTA).

The amendment was agreed to.

Mr. CARTER. Before I make a motion, Madam Chairman, I would like to thank all of the employees of the House for being willing to extend the time tonight so that we could get those Members who have been waiting for 4 or 5 hours finished. I want to apologize for the inconvenience, but we appreciate the efficiency that it allowed us.

Madam Chairman, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. BARLETTA) having assumed the chair, Ms. FOXX, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 2217) making appropriations for the Department of Homeland Security for the fiscal year ending September 30, 2014, and for other purposes, had come to no resolution thereon.
