## NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 2014

### GENERAL LEAVE

Mr. McKEON. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and insert extraneous material on H.R. 1960.

The SPEAKER pro tempore (Mr. WEBSTER of Florida). Is there objection to the request of the gentleman from California?

There was no objection.

The SPEAKER pro tempore. Pursuant to House Resolution 256 and rule XVIII, the Chair declares the House in

the Committee of the Whole House on the state of the Union for the consideration of the bill, H.R. 1960.

The Chair appoints the gentleman from Arkansas (Mr. WOMACK) to preside over the Committee of the Whole.

□ 1735

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the state of the Union for the consideration of the bill (H.R. 1960) to authorize appropriations for fiscal year 2014 for military activities of the Department of Defense and for military construction, to prescribe military personnel strengths for such fiscal year, and for other purposes, with Mr. WOMACK in the chair.

The Clerk read the title of the bill.

The CHAIR. Pursuant to the rule, the bill is considered read the first time.

The gentleman from California (Mr. McKEON) and the gentleman from Washington (Mr. SMITH) each will control 30 minutes.

The Chair recognizes the gentleman from California.

Mr. McKEON. Mr. Chairman, I yield myself such time as I may consume.

Mr. Chairman, I rise in support of H.R. 1960, the National Defense Authorization Act for Fiscal Year 2014, which overwhelmingly passed the Committee on Armed Services. In keeping with the committee's tradition of bipartisanship, Ranking Member SMITH and I worked collaboratively to produce this bill and solicited input from each of our members. We've already adopted 169 amendments during markup and look forward to a robust debate the remainder of the week on the floor.

The legislation advances our national security objectives, provides support and logistical resources for our warfighters, and helps the United States confront the national security challenges of the 21st century. The bill authorizes \$552.1 billion for national defense in the base budget. It also authorizes another \$85.8 billion for Overseas Contingency Operations, consistent with the House budget, and the bill contains no earmarks.

Of critical importance, the bill takes serious and significant steps to end the crisis of sexual assault in our military. This includes stripping the commanders of their authority to dismiss a finding by a court-martial; prohibiting commanders from reducing guilty findings to lesser offenses; establishing minimum sentencing requirements for sexual assault; extending whistleblower protections to those who report rape, sexual assault, or other sexual misconduct; and other vital measures. Based on the years of work and oversight our committee has done on this critical issue, I share Senator LEVIN's reluctance to remove the commander from the decision process for crimes under the Uniform Code of Military Justice. The only way to change the culture is to hold commanders responsible and accountable for their actions and decisions.
