

was finally and justifiably successful in 1996, working across the aisle with leaders like Dick Arme y and the chairman of the Ways and Means Committee, Bill Archer; but also signed by and supported by President Clinton.

Since that time, millions of American children have benefited from their stay-at-home parents, and their parents have benefited from Senator Hutchison's magnificent work to bring some retirement fairness to these wonderful families.

Therefore, I join with my colleagues to urge them to vote in support of renaming the Spousal IRA section of the Tax Code the Kay Bailey Hutchison Spousal IRA. It is an honor much reserved for the one person most responsible for its existence.

Mr. DOGGETT. I reserve the balance of my time.

Mr. SAM JOHNSON of Texas. Mr. Speaker, I yield 2 minutes to the gentleman from Texas (Mr. BURGESS), a member of the Energy and Commerce Committee.

Mr. BURGESS. Mr. Speaker, I thank the gentleman for yielding. It is a pleasure to join my friends from Texas on the floor today to honor Senator Kay Bailey Hutchison and the work that she did with creating the Spousal IRA.

Look, back in the 1990s, I was just a regular guy practicing medicine back home in Texas. What did I know about this stuff? Well, not much. But what I did know was that for the 15 years that I had been in private practice, my wife and I had shared our contribution to our IRAs every year. That meant each of us was able to deposit \$1,100 every year into the IRA account.

Well, I've got to tell you, it's pretty frustrating to try to save for retirement when every year your contribution is limited to that rather austere amount. So it was a very big day, and I remember that day when we actually both were able to make the full contribution to our IRA accounts, and it was because of the hard work done by Senator Hutchison.

She never forgot her constituents back in Texas. She never forgot women—yes, women in the workforce, but also those women who were exercising their option to spend all of their energies raising their children and raising their families. It was a great day for Texas, for Texas constituents when that tax bill was passed, and we are very grateful to Senator Hutchison for her leadership. It is appropriate that we honor her tonight with the naming of the Spousal IRA in her honor.

Mr. DOGGETT. Mr. Speaker, to close briefly, last fall Senator CORNYN hosted a memorable bipartisan dinner honoring Senator Hutchison appropriately in the LBJ Room here in the Capitol, where all of us who are gathered here today, and a number of our colleagues, joined in honoring Senator Hutchison. At about the same time, Senator MIKULSKI introduced a resolution in the Senate to accomplish the same objec-

tion as this resolution. I hope the Senate will act promptly to approve this legislation. It has strong bipartisan support because this is an important measure to ensure more retirement security provided by a Texas leader of which those of us of both parties can take pride.

I yield back the balance of my time.

Mr. SAM JOHNSON of Texas. I want to thank my colleague, Mr. DOGGETT, for his words.

Mr. Speaker, I urge my colleagues to support this bill in honor of Senator Hutchison's commonsense effort to make it easier for families to save for retirement.

I yield back the balance of my time.

Mr. MARCHANT. Mr. Speaker, I rise today in support of renaming the "Spousal IRA" so that it carries the name of its champion—my friend and fellow Texan—Senator Kay Bailey Hutchison.

This bill was a product of Senator Hutchison's personal experience before joining the Senate. After putting aside money for her retirement as a single working woman, Senator Hutchison found that she could only put aside \$250 in an IRA once she married her husband.

When Senator Hutchison was elected to the Senate in 1993, she led the effort to change this discriminatory part of our tax code, and worked to pass the "Spousal IRA".

Senator Hutchison has said that, over the course of her 19 years in the U.S. Senate, this law is the accomplishment she is most proud of. I think it is therefore fitting that we should amend the tax code so that women in America know that they're benefitting from the Kay Bailey Hutchison Spousal IRA.

Mr. GENE GREEN of Texas. Mr. Speaker, today I rise to support H.R. 2289, introduced by Representative SAM JOHNSON (R-TX).

This bill amends the Internal Revenue Code to rename the section heading of provisions relating to the individual retirement accounts (IRAs) of married individuals as the Kay Bailey Hutchison Spousal IRA.

Senator Hutchison, from Texas, along with Senator MIKULSKI, co-authored the now 15-year-old law that allows homemakers to make the same deductible contributions to their IRA as salaried workers. The Spousal IRA was one of Senator Hutchison's proudest achievements while in Congress.

I thank Senator Hutchison for her years of service to the U.S. Senate. I believe this is a fitting tribute for her championing of this issue. I urge my colleagues to support H.R. 2289 to honor Senator Hutchison.

Mr. OLSON. Mr. Speaker, it's a pleasure to recognize my colleague and friend, former Senator Kay Bailey Hutchison, for her efforts to help women. Her many contributions include her success in changing federal law to help women save for retirement. Her efforts expanded the availability of Individual Retirement Accounts for women, regardless of their family or work status, to set aside money for retirement.

Senator Hutchison's success in changing the tax code to help stay-at-home spouses underscores the family values that are critical to our nation. Americans should not be limited by federal law when they work at home to raise children and help their families.

Senator Hutchison deserves recognition for her support of American families. I was a co-

sponsor of H.R. 2289, to rename section 219(c) of the Internal Revenue Code of 1986 as the Kay Bailey Hutchison Spousal IRA. I applaud Senator Hutchison and thank her for the exceptional work she has done on behalf of the State of Texas.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Texas (Mr. SAM JOHNSON) that the House suspend the rules and pass the bill, H.R. 2289.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.
