

ideology and you will readily understand the ferocity of Islamic resistance to American efforts to promote democracy in the Middle East—not merely jihadist resistance but broad Islamic resistance.

Yet, in a propaganda campaign reminiscent of those waged by the Nazis and the Soviets, Islamists and their fellow travelers (Brennan-types who might be thought of as “ant-anti-Islamists”) purport to be champions of human rights. When it suits them, they even feign reverence for individual liberties (particularly when it comes to the rights of Muslim in America . . . but don’t you dare ask them how non-Muslims fare in, say, Saudi Arabia).

The counter to such a propaganda campaign is a job for intelligence agencies. The point of having a sprawling intelligence community on which American taxpayers annually lavish \$55 billion—far more than the vast majority of countries spend on national defense—is precisely to see through the deceptions of those who mean us harm, to perceive the threats against us for what they are. That the competent performance of this essential function may be fraught with political complications is supposed to be a challenge for our politicians, not our intelligence agents. The latter’s mission of unearthing hidden and often excruciating truths is hard enough.

Brennan’s agenda is the antithesis of the intelligence mission. His goal has been to portray our enemies as a small, unthreatening fringe of charlatan “violent extremists,” who kill wantonly and are unconnected to any “legitimate” Islam. Thus, he maintains for example that the only “legitimate” interpretation of the “tenet of Islam” known as jihad is: a “holy struggle . . . to purify oneself or one’s community.”

Even taken at face value, Brennan’s assertion is absurd. There is between Islam and the West no common understanding of the good, and thus no consensus about “purity.” In Islam, to “purify” something means to make it more compliant with sharia, Islam’s legal code and societal framework. Sharia is anti-freedom and anti-equality, so to purify oneself in an Islamic sense would necessarily mean something very different from what we in the West would think of as struggling to become a better person.

But there is an even more fundamental reason not to take Brennan’s remarks at face value: they run afoul of what mainstream Islam itself says about jihad. Have a look at *Reliance of the Traveller*, the popular sharia manual (it is available on Amazon). It is quite straightforward on the matter: “Jihad means to war against non-Muslims.” Reliance, you should know, has been expressly endorsed by al-Azhar University in Egypt (Islam’s center of learning since the tenth century) and the International Institute of Islamic Thought (the Brotherhood’s America-based Islamist think-tank). It is a lot more authoritative than John Brennan’s wishful meanderings. Maybe the president actually thinks Brennan knows more about Islam than do these scholars who have spent their lives steeped in Islamic doctrine and jurisprudence. I have my doubts . . . and, judging from the profound influence of these scholars, so do many millions of Muslims.

In Brennan’s world we’re to believe that holy war is not much different from the struggle to remember to brush after every meal. In Brennan’s world, there is also no need to fret over * * *

Mr. Speaker, with that, I yield back the balance of my time.
