

Furloughed workers face personal and professional challenges, lost income and less time to get the same amount of work done.

From the Associated Press:

Civilian employees, ranging from top-level policy advisers to school teachers and depot workers, will not be answering their phones or responding to emails for 1 day a week.

There is no doubt those who wish harm upon the United States are pleased with these cuts. The administration had flexibility to make other choices and avoid furloughs.

Further, this unfortunate choice may not be over on September 30. Yesterday, Secretary Hagel suggested furloughs may continue under certain circumstances.

Compounding budget cuts are devastating military readiness. I urge the administration to make better choices and for the Congress to work the will of the American people and support our Nation's defense to the fullest.

THE IMPACT OF FURLONGHS AND SEQUESTRATION

(Mrs. BUSTOS asked and was given permission to address the House for 1 minute.)

Mrs. BUSTOS. Mr. Speaker, I rise today to speak out once again against the sequestration-caused furloughs that are punishing workers whom I represent in Illinois.

Sequestration cuts were designed to be so painful and terrible that they would never even take place, but this week they will begin unnecessarily hurting working families across the country. I have repeatedly called on the Defense Department to use the flexibility that Congress gave it, without resorting to furloughs.

As I travel around my district of Illinois, I hear story after story of families who are impacted by these cuts: people like Tom and Michelle Vetter, who both work at the Rock Island Arsenal, and will see a 30 percent cut in their expected income. They now fear being able to pay their mortgage and even sending their son to college;

And people like Darlene Nimmers, who has worked at the Rock Island Arsenal for more than three decades, who now worries about having to put off her well-deserved retirement.

We need to get our fiscal house in order; there's no doubt about that. But it should not be at the expense and the jobs of our hardworking citizens and their ability to support their families.

Please let's come together to cut spending without harming our Nation's economy and our workers.

MR. PRESIDENT, GOVERNMENT DOESN'T KNOW BEST

(Mr. WALBERG asked and was given permission to address the House for 1 minute.)

Mr. WALBERG. Mr. Speaker, the President's decision last week to delay ObamaCare's employer mandate under-

scored how this law is far too complicated and expensive. Worse yet, it fails Michigan families and businesses.

While this will certainly help our job creators in the short term, without a delay or, better yet, a repeal of the individual mandate, the administration deliberately chose to leave the American people out in the cold. This delay creates even more confusion for Michigan families who are wondering if they will lose their current coverage, be forced into choosing different providers, or be burdened with new high costs.

It becomes clearer and clearer that, without repeal, this law will continue to destroy jobs and slow down our economy. Instead, we need to return to patient-centered care and not the government-knows-best health care system.

I look forward to continuing to work with my colleagues in the House to revive our economy, create jobs, and put people first so they can make their own health care decisions.

SHAME ON THE REPUBLICAN MAJORITY

(Mr. BUTTERFIELD asked and was given permission to address the House for 1 minute.)

Mr. BUTTERFIELD. Mr. Speaker, shame on the Republican majority. Shame on you.

The Rules Committee met last night and is sending us a rule today that has attached to it a bill that we have not seen and have not been able to read. They call it the farm bill. But it appears that, in this farm bill, they have stripped away the nutrition title from the bill.

Mr. Speaker, for years and years we have combined nutrition assistance with support for farmers and ranchers, but this is a rush job. Democrats and the Congressional Black Caucus are appalled that the Republicans are determined to defund food stamps and place vulnerable Americans in a position of not being able to feed their families.

Shame on you. You have removed food stamps, the SNAP program, from this legislation. I don't know where it's going to go. It looks like it's going to die a slow death. It is despicable.

What is it about poor people that you don't like? What is it? Tell us today.

What is it about poor people that you don't like and you don't want to feed their families?

I have the fourth poorest district in the Nation. We do not like it.

OBAMACARE

(Mr. WILLIAMS asked and was given permission to address the House for 1 minute.)

Mr. WILLIAMS. Nervous, concerned, complex, train wreck, Third World experience. These are the words used by the Democratic authors of ObamaCare to describe their very own creation.

Mr. Speaker, these aren't new concerns. These are concerns shared by

families and businesses across the Nation ever since then-Speaker NANCY PELOSI rushed the bill through Congress so we could "see what's in it."

Now that the Democrats and the President can see what's in it, they don't like it either.

As a business owner and job creator of over 42 years, I know businesses can no longer hire or take risks that would grow the economy.

The President's 1-year delay of the employer mandate isn't what businesses or the economy needs. This only delays the meltdown that this complex government overhaul will cause. Business owners, parents, young professionals, senior citizens—all Americans deserve protection from this law and its mandates, its skyrocketing premiums, and its rapidly shrinking selection of coverage plans, not for 1 year, but permanently.

Let's fully repeal the nightmare of ObamaCare. It doesn't work, and it won't work.

SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM AND THE FARM BILL

(Ms. WILSON of Florida asked and was given permission to address the House for 1 minute.)

Ms. WILSON of Florida. Mr. Speaker, SNAP, food stamps, however you phrase it, is fundamental to the nutrition that will supplement millions of Americans: Blacks, Whites, feeble seniors, struggling mothers, disabled veterans, and hungry children.

Mr. Speaker, it was reported to me that there are seniors in my district who eat dog food when their food stamps run out. I was appalled and went to see for myself, and I was dumbfounded. I fixed the situation, but I'm sure that somewhere in America today some poor soul is relying on dog food to take them through the month.

Mr. Speaker, please do not hurt or destroy what is a mainstay in the lives of so many Americans who are just trying to get by. Do not remove nutrition, including the food stamp program, from the farm bill. It's wrong, it's punitive, and it's cruel.

ALL CHILDREN ARE EQUAL ACT

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, today I rise to inform my colleagues of an important piece of bipartisan legislation that will be introduced later today called the All Children Are Equal Act, or ACE Act. The ACE Act corrects a gross inequity in the way funding formulas are calculated under title I of the Elementary and Secondary Education Act. Title I was designed to improve the achievement of disadvantaged children.

In order to allocate more funding per title I student to local education agencies, or LEAs, with higher concentrations of poverty, the funding formula weighs the count of eligible students in an LEA. However, the formulas have the perverse effect of directing funds away from all smaller school districts, both urban and rural, towards larger LEAs, regardless of the poverty rate. The ACE Act would gradually decrease the effects of number weighting and return the focus to areas with the highest concentration of poverty, as originally intended under the law.

Mr. Speaker, I'm proud to have Representative SLAUGHTER of New York join me in introducing this important bill. I encourage my colleagues to join us in correcting this fundamental injustice.

STAND FOR SNAP

(Mrs. BEATTY asked and was given permission to address the House for 1 minute.)

Mrs. BEATTY. I stand here today in dismay and in disgust. I stand here on this same floor where we have the words, "In God we trust," where we say the Pledge of Allegiance, where my Republican colleagues dare come to this podium and use words like "train wreck" and "work in a bipartisan fashion" in the same minute, and then today we are confronted with removing SNAP dollars from the farm bill.

I came here to work on a compromise. Members of this great Congressional Black Caucus and Democratic Caucus stand together because we want America to know that we stand for poor families: Black, White, urban, suburban, and, yes, rural.

We ask you to take note today, Mr. Speaker, that Republicans dare come to this floor and tell us that we want to serve the people. Aren't our children, our mothers, and families part of the people? Yes.

We stand for SNAP.

REPEAL OBAMACARE

(Mr. JOHNSON of Ohio asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. JOHNSON of Ohio. Mr. Speaker, last week, the President quietly decided to delay a major part of what many media pundits consider his crowning achievement: ObamaCare. The President is telling businesses that they will be given a year reprieve from complying with ObamaCare's onerous and costly employer mandate. The President is once again picking which laws his administration enforces and which ones he chooses not to. He's also picking winners and losers again. Employers will have another year to comply with the employer mandate, but President Obama has decided that individuals—the middle class—will not be given more time to comply with the individual mandate.

Meanwhile, the economy continues to limp along with businesses, large and small, afraid to hire more workers because the cost of doing business continues to go up without a clear end in sight. High taxes, enormous tax burdens, and the specter of ObamaCare continue to hang over them like a storm cloud. For the good of our Nation, ObamaCare must be repealed and replaced.

INCLUDE NUTRITION ASSISTANCE IN THE FARM BILL

(Ms. SEWELL of Alabama asked and was given permission to address the House for 1 minute.)

Ms. SEWELL of Alabama. Mr. Speaker, I rise today to express great disappointment in my Republican colleagues for bringing a version of the farm bill that does not include nutrition assistance.

When I joined this great, august body, I was a member of the Agriculture Committee. The Agriculture Committee, time and time again, reauthorized the farm bill. Bipartisanship was always the hallmark. And this is not the hallmark of what we as Americans stand for.

Our minister today just stood up here with us in prayer and said that we would walk justly, that we would do and love mercifully, and that we would be humbled before God. If we are to truly have those words mean something in America, we must take care of our working families, our needy families, our children, in addition to our farmers.

The farmers that I represent in Alabama do not want a farm bill that does not include nutrition assistance. We cannot provide government subsidies to farmers without providing government assistance to people in poverty. It is not what we as Americans stand for.

If we have no further business in this august body this week, we should go home.

MOTION TO ADJOURN

Ms. SEWELL of Alabama. Mr. Speaker, I move that the House do now adjourn.

The SPEAKER pro tempore. The question is on the motion to adjourn.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Ms. SEWELL of Alabama. Mr. Speaker, on that I demand the yeas and nays. The yeas and nays were ordered.

The vote was taken by electronic device, and there were—yeas 125, nays 260, not voting 49, as follows:
