

Holder's misinterpretation of federalism and his disregard for our system of checks and balances.

The Supreme Court was clear in *Shelby v. Holder* that States have the ability to run fair elections. Did anybody tell Attorney General Holder?

I can't say it better than Texas Governor Rick Perry, whose efforts to implement commonsense election standards are under attack from Mr. Holder:

Once again, the Obama administration is demonstrating utter contempt for our country's system of checks and balances, not to mention the U.S. Constitution.

If Holder continues to go unchecked and if he is not held accountable, what sort of precedent does that set? As Supreme Court Justice Brandeis said:

In a government of laws, the existence of the government will be imperiled if it fails to observe the law scrupulously. If government becomes a lawbreaker, it breeds contempt for law; it invites every man to become a law unto himself. It invites anarchy.

So I ask you, has the Attorney General invited anarchy? I will continue to make my case here in the people's House at the people's pulpit.

I will be back.

LET THE PEOPLE DRAW THE LINES ACT

(Mr. LOWENTHAL asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LOWENTHAL. Mr. Speaker, I come to the House floor today to introduce my first bill as a Member of Congress. It's Let the People Draw the Lines Act, or H.R. 2978.

My bill does exactly what that title says: it lets people, not politicians, draw the district lines for the United States House of Representatives. My bill empowers the States to create independent redistricting commissions, much like we have in my home State of California.

The Let the People Draw the Lines Act will remove redistricting from the political process. It will provide clear and uniform redistricting criteria that give all communities a fair and equal voice in the political process. This entire process will be transparent and open to the public, the way it should be.

If my bill becomes law, Mr. Speaker, political gerrymandering will finally become a closed chapter in our Nation's journey towards a more perfect democracy.

Let the people draw the lines, Mr. Speaker. America deserves true representation.

DEFUNDING OBAMACARE

(Mr. PALAZZO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PALAZZO. Mr. Speaker, I'm not a fan of government mandates, and neither are my constituents in Mis-

issippi. There is one mandate that the people of Mississippi sent me to Washington with: to repeal, replace, dismantle, delay, and defund ObamaCare.

I've heard from families, small businesses, and hardworking Americans across my district who all have the same message—this law is a train wreck.

That is why one of my very first votes in Congress was to repeal ObamaCare. That's why I've voted to repeal it nearly 40 times over the last 3 years. That is why I introduced a constitutional amendment to restore the right of the American people to refuse this bad law. That is also why I firmly believe we must defund ObamaCare in a continuing resolution this body will take up later this year.

I believe this is a fight worth fighting for Mississippi, and I believe it's a fight worth fighting for the American people.

I'm calling on my colleagues to join me in this fight to stand strong, to stand together, and let's defund ObamaCare.

CONGRESS SHOULD NOT ADJOURN

(Ms. SHEA-PORTER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. SHEA-PORTER. Mr. Speaker, here we are Friday afternoon. We have a lot of people around the country who are going home for the weekend, but expecting to go back to their workplace on Monday. Congress is not coming back until September.

Did we get everything done? No, we did not. We did manage to vote against ObamaCare 40 times, and basically that means we have voted against the people of this country and their right to health insurance 40 times.

We did not cancel the sequester, which is hurting people. I delivered meals last week to a 101-year-old man who has had his meals cut because of sequester. We didn't pass any jobs bill, not one, not a single jobs bill. All we've managed to do in this body is to try to take health care away from American citizens.

I urge Congress to stay here. I urge the Speaker to call us back and make us do the job the American public sent us here to do.

IRS: LAWS FOR THEE, BUT NOT FOR ME

(Mr. POE of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POE of Texas. Mr. Speaker, every year, millions of Americans across the fruited plains send their tax returns to the IRS. Some claim exemptions so they can keep more of their money; now the IRS wants an exemption of its own.

IRS employees want an exemption from participating in—guess what—

ObamaCare. That's right. The IRS workers have asked for an exemption from ObamaCare. They like their current health plan, and they just want to keep it.

These are the same people in charge of enforcing ObamaCare and penalizing Americans that are forced to be under ObamaCare. This is the same abusive, scandalous IRS that uses power to punish political opponents.

The IRS taxocrats don't want the law to apply to them; they want it to apply to us. More arrogance of power. Their policy is: laws for thee, but not for me. Ironic, don't you think?

The real truth, to be clear, Mr. Speaker, is the IRS wants to be exempted from ObamaCare and so do Americans.

And that's just the way it is.

CALLING FOR THE RESIGNATION OF ATTORNEY GENERAL ERIC HOLDER AND DIRECTOR OF NATIONAL INTELLIGENCE JAMES CLAPPER

(Mr. FLORES asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. FLORES. Mr. Speaker, I rise today to address the delicate yet much-needed balance between our national security and the constitutionally protected liberties of our citizens. In order to maintain those liberties, I call for the immediate terminations of Director of National Intelligence James Clapper and Attorney General Eric Holder. To that extent, I am sending a letter to President Obama asking that he immediately call for their terminations and/or resignations.

Mr. Speaker, I do believe that our Nation's surveillance programs have helped thwart terrorist attacks because of the NSA and FBI personnel that work on these security activities every day and who are working hard to comply with the law to protect our constitutional liberties and to keep America safe.

In contrast to the efforts of those hardworking, law-abiding personnel, Americans have serious reservations about Attorney General Holder and DNI Clapper, who are ultimately responsible for the management of these programs. We remain gravely concerned about their lack of commitment to follow the law, to be forthright with the American people and with Congress, and their commitment to protect our constitutionally guaranteed liberties.

Continued congressional oversight coupled with the terminations of Clapper and Holder will help restore trust in these important programs to fight terrorism without compromising our liberties or creating gaps in our intelligence structure. In addition, their removal may start the healing process to restore American trust in our Federal Government.

TRIBUTE TO STAFF SERGEANT
SONNY C. ZIMMERMAN

(Mr. JORDAN asked and was given permission to address the House for 1 minute.)

Mr. JORDAN. Mr. Speaker, I rise today to honor the life of a brave young Ohio soldier who made the ultimate sacrifice in defense of this great country, Army Staff Sergeant Sonny C. Zimmerman.

Sonny graduated from Waynesfield-Goshen High School in 2005 and served his first tour in Afghanistan 2006. His fellow soldiers knew him as a leader and spoke freely of the times he helped them, stood up for them, and sacrificed for them.

Chaplain Brian Fruchey mentioned how Sonny always said, "I have to bring my guys home," and noted that he always put himself last.

Sonny Zimmerman was a decorated hero who served with courage and honor. He died on Tuesday, July 16, 2013, in Afghanistan. He is survived by his wife, Morgan; daughter, Riley; parents, Chris and Michelle; stepfather, David; two sisters; and other loving family.

I was touched to see how many of Sonny's friends, family, and neighbors came together in his hometown of Waynesfield to honor his life and sacrifice.

He volunteered to serve. He loved the Army, loved his country, and fought to promote freedom. For this, each and every American owes him and his family a debt of gratitude.

Sonny Zimmerman will be deeply missed, but the strength of his character and the courage he demonstrated through his service will live on.

WORKING TOGETHER FOR
SOLUTIONS

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Mr. Speaker, the American people want us to work together. You can poll any one of them that is coming through these halls as tourists, as Americans, and I know they want us to work together.

I think it is important that we announce to the American people that we will immediately get rid of sequester and stop the laying off of valuable Defense Department workers and Health and Human Services workers, people who help generate the economy because of the work that they do in places beyond the beltway, government workers who are servants of the people.

We need to get rid of sequester and begin to fund those child care seats that have been lost, those Meals on Wheels, and Medicare resources for our seniors. We need to stop playing around with the budget.

We need to insist that the bills of the American people be paid through raising the debt ceiling, and not in an

angry manner, but recognizing our responsibilities.

We know that the NSA has been looked at. I stand here as someone who will stand on behalf of the civil liberties and civil rights of Americans. I have introduced an intelligence bill to review the enormous number of contractors that are being used to give top secret credibility and, as well, to do our outsourcing of our work.

I have introduced a bill dealing with the FISA Court, to release the FISA Court opinions, because I believe it is important for the American people to know and be protected in their civil liberties.

Finally, ObamaCare is one that I am proud to be supporting because it helps small businesses. It helps those who don't have care, and it provides for young people to have health coverage. ObamaCare serves the American people.

SUPPORT HELPING HEROES FLY
ACT

(Mr. HUDSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HUDSON. Mr. Speaker, I recently heard a story about one of our wounded soldiers being forced to participate in a lengthy and uncomfortable security screening at the airport. I immediately contacted the head of the TSA to express my outrage and disappointment that one of our Nation's heroes would be forced to go through such an ordeal.

I believe one of the most solemn responsibilities of our government is to care for our veterans and those who have been injured in the line of duty. We must remember that even little things can be cumbersome and difficult. The last thing our heroes need is to face a long line or be forced to answer endless questions about their conditions when all they want to do is board a plane and fly home to be with their loved ones.

As chairman of the Transportation Security Subcommittee, I've had an active role in working with TSA, the administrator, and my colleague, Ms. GABBARD, the author of this legislation, to adopt protocols that will increase accessibility and privacy and offer less invasive screening for those with severe combat-related injuries.

I urge my colleagues to help pass the Helping Heroes Fly Act, as amended, by unanimous consent today. I am proud of this legislation because it shows an example of Republicans and Democrats working together to find solutions for the American people.

REINS ACT

(Mr. WENSTRUP asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WENSTRUP. Mr. Speaker, we are at a point where an unannounced, un-

planned, and largely unconstitutional fourth branch of government has taken root. Dominated by unelected bureaucrats, these Federal departments and agencies are churning out rules and regulations at an unprecedented pace.

According to one study, Federal agencies finalized nearly 3,000 rules and over 60 major regulations in 2007. That same year, Congress enacted 138 public laws.

To this end, one of the first bills I co-sponsored upon being sworn in as a Member of Congress was the REINS Act, H.R. 367, and I'm pleased to have voted for it today. The bill increases accountability and creates transparency in the Federal regulatory process by requiring Congress to approve all new major regulations. With the REINS Act, no longer will bureaucrats in the fourth branch go unchecked, and the constitutional balance our Founders deliberately drafted would be restored.

I will continue to fight for a government that is smaller, more efficient, more streamlined, and more responsive to hardworking taxpayers.

HELPING HEROES FLY ACT

Mr. HUDSON. Mr. Speaker, I ask unanimous consent to take from the Speaker's table the bill (H.R. 1344) to amend title 49, United States Code, to direct the Assistant Secretary of Homeland Security (Transportation Security Administration) to provide expedited air passenger screening to severely injured or disabled members of the Armed Forces and severely injured or disabled veterans, and for other purposes, with the Senate amendment thereto, and concur in the Senate amendment.

The Clerk read the title of the bill.

The SPEAKER pro tempore (Mr. RICE of South Carolina). The Clerk will report the Senate amendment.

The Clerk read as follows:

Senate amendment:

Strike all after the enacting clause and insert the following:

SECTION 1. SHORT TITLE.

This Act may be cited as the "Helping Heroes Fly Act".

SEC. 2. OPERATIONS CENTER PROGRAM FOR SEVERELY INJURED OR DISABLED MEMBERS OF THE ARMED FORCES AND SEVERELY INJURED OR DISABLED VETERANS.

(a) IN GENERAL.—Subchapter I of chapter 449 of title 49, United States Code, is amended by adding at the end the following:

"§44927. Expedited screening for severely injured or disabled members of the Armed Forces and severely injured or disabled veterans

"(a) PASSENGER SCREENING.—The Assistant Secretary, in consultation with the Secretary of Defense, the Secretary of Veterans Affairs, and organizations identified by the Secretaries of Defense and Veteran Affairs that advocate on behalf of severely injured or disabled members of the Armed Forces and severely injured or disabled veterans, shall develop and implement a process to support and facilitate the ease of travel and to the extent possible provide expedited passenger screening services for severely
