

fire alarm, and the President is sending in the firefighters. EPA, the Energy Department, Interior, and the State Department are all working to bring down emissions and protect this planet. But here in Congress, House Republicans are denying the science and ignoring the scientists. They are living in a fantasy land and drafting bills to tie the hands of the rescue squad.

This is willful ignorance. It is endangering the world our children and future generations will inherit. This is wrong and immoral. We must not become the last bastion of the Flat Earth Society. We need to act and we need to act now.
