The SPEAKER pro tempore. Is there objection to the request of the gentleman from Virginia?

Ms. JACKSON LEE. Reserving the right to object, and I am not going to pursue my objection. But I want to congratulate the chairman and our committee for what I think is an enormously important visa, helping people who have helped us, particularly in Iraq.

Mr. GOODLATTE. Mr. Speaker, I ask unanimous consent that Members may have 5 legislative days to revise and extend their remarks and insert extraneous materials on H.R. 3233.

## MITOCHONDRIAL DISEASE CAUCUS

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, I first heard about mitochondrial diseases, which are fatal, from my chief of staff, Art Estopinan, who, together with his lovely wife Olgita, have been caring for their baby after he was diagnosed with TK2 mitochondrial DNA depletion syndrome, which has left Arturito, Jr., unable to move his fingers and toes, as you see in this poster, putting him in constant need of mechanical support to breathe and receive nutrition.

They were informed that their baby son, Art, Jr., would live only a few months, as there were no known medications. But thanks to the experimental treatments that Arturito is receiving from Columbia University Medical Center, medical care at Johns Hopkins Pediatric Hospital, and at the Kennedy Krieger Institute, the doctors have established a discharge date for mid-October, an unimaginable expectation just a year ago.

I pray for Arturito, Jr., and babies like him every night. I urge all Members to contact our office to make sure that they can learn more about these diseases by becoming a part of the Congressional Mitochondrial Disease Caucus. Let's look at Arturito, Jr., and let's save him and the countless others.

### SIGNING UP FOR OBAMACARE

(Mr. CLYBURN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CLYBURN. Mr. Speaker, we all know that for a full day now we've been hearing all kinds of anecdotes about what may or may not have taken place on yesterday as people were signing up for the first time for the Affordable Care Act.

Now, Mr. Speaker, I want to share with you a little bit of information
