

The veterans in and around the Tampa Bay area will be particularly served by this legislation. The VA recently approved a plan that would take the currently strained five existing clinics that are spread out over a large area and consolidate them into a convenient one-stop facility. This would allow the VA to better meet the growing needs of the veterans community with diverse health status. However, because of the technical issues we are solving today, this project had not been able to move forward.

By passing this bill, the House will allow for not only the consolidation of our five medical clinics in my congressional district into one property, but for 26 other equally important projects to move forward across the country improving access for our heroes. This would not have been done, Mr. Speaker, without our great chairman here, Mr. MILLER, and our ranking member, Mr. MICHAUD, so thank you so very much. I know that our true American heroes, our veterans, appreciate it very much.

I urge passage of this bill.

□ 1415

Mr. MICHAUD. Mr. Speaker, I reserve the balance of my time.

Mr. MILLER of Florida. Mr. Speaker, I yield 2 minutes to the gentleman from Louisiana (Mr. BOUSTANY), who has been an advocate for this issue for quite some time and who has two of these facilities in his district.

Mr. BOUSTANY. I thank the chairman for yielding me this time.

Mr. Speaker, I rise in support of H.R. 3521. I want to applaud Chairman JEFF MILLER and the chairman of the Budget Committee, PAUL RYAN, and their respective staffs on the House Veterans' Affairs Committee and the Budget Committee for advancing this important bill and improving veterans' access to medical care.

I also appreciate the work that the two Senators from my home State, Senators LANDRIEU and VITTER, have been doing. They have pledged their support in the Senate, and we hope to get this done before the end of the year.

This last year, more than 66 Members of Congress signed our bipartisan, bicameral letter calling for progress on the 27 major medical facility leases proposed by the Department of Veterans Affairs during the past 2 years.

Among these leases are two clinics promised by VA Secretary Eric Shinseki to Lake Charles and Lafayette in my congressional district. Without congressional authorization of these clinics, more than 3,000 south Louisiana veterans must travel in excess of 3 hours to receive medical care. A recent CBS Evening News story featured one of these wounded warriors in south Louisiana who goes without care because his family must miss work to drive him 3 hours. It is unacceptable.

The American people expect Congress to demonstrate that it can govern ef-

fectively in a bipartisan manner, and this is one way we can do it, by keeping our promise to our veterans.

The passage of this bill will improve medical access for more than 340,000 veterans in 22 States, and that's why I urge our House and Senate colleagues to send this bill to the President before the end of year.

Again, I thank the committee and Chairman MILLER for his fine work on this and for giving me the opportunity to speak.

Mr. MICHAUD. Mr. Speaker, once again I would urge my colleagues to support H.R. 3521, as amended.

I yield back the balance of my time.

Mr. MILLER of Florida. Mr. Speaker, once again I encourage all Members to support this legislation.

I yield back the balance of my time.

Mr. RYAN of Wisconsin. Mr. Speaker, today, the House will consider H.R. 3521, the Department of Veterans Affairs Major Medical Facility Lease Authorization Act of 2013, as Amended. H.R. 3521 authorizes the Secretary of Veterans Affairs to carry out major medical facility leases at twenty-seven facilities requested by the Department of Veterans Affairs in their fiscal year 2013 and 2014 budget requests.

Since 1990, CBO has scored VA's major medical facility leases as operating leases and estimated the costs as being subject to appropriation (discretionary). In 2012, after receiving additional information from the Department of Veterans Affairs, CBO concluded that VA has been entering into capital leases, or binding obligations for the full period of the lease. In accordance with OMB Circular A-11 and the Anti-Deficiency Act, VA is required to obligate the budget authority upfront for the full amount of these obligations. This includes budgeting for both the estimated total payments expected to arise under the full term of the contract or, if the contract includes a cancellation clause, an amount sufficient to cover the lease payments for the first year plus an amount sufficient to cover the costs associated with termination of the contract. Up until this point, VA has not been properly budgeting for its leases according to the law.

CBO estimates that enacting this bill would provide contract authority of about \$1.4 billion over the ten-year period.

HBC has worked closely with both HVAC and CBO on this issue and has produced lease authorization language, in addition to report language, that we believe adequately addresses the legitimate issues CBO raised with respect to how VA was budgeting for leases.

HBC believes this language forces VA to comply with budgeting laws, specifically that VA may only enter into binding commitments on behalf of the U.S. Government once funds have been appropriated for the purpose of that proposed commitment and that VA must then obligate the full cost of that commitment at the time it executes the lease. In addition, the language requires VA to submit to Congress a detailed analysis on how its leasing practices comply with these laws.

If the VA fails to faithfully execute the requirements in the bill and to comply with the longstanding laws governing obligations, we will revisit this issue in the context of future requests for leasing authority.

With these fiscal protections in place, I fully support H.R. 3521 moving forward to ensure

continued access for our veterans to the highest quality medical care.

Mr. GINGREY of Georgia. Mr. Speaker, I rise today in support of H.R. 3521, the Department of Veterans Affairs Major Medical Facility Lease Authorization Act, introduced by my good friend and Chairman of the Veterans Affairs Committee, Mr. MILLER. This legislation authorizes the Secretary of Veterans Affairs to carry out major medical facility leases at twenty-seven facilities—including a facility in Cobb County, Georgia—that were requested by the Department of Veterans Affairs in their 2013 and 2014 budget submissions.

A change in Congressional Budget Office (CBO) accounting methods made the reauthorization of these leases very difficult, but this important legislation will allow authorization while increasing transparency.

This legislation, however, is about so much more than leases and definitional changes. This legislation is about ensuring the care of our veterans, and paying them the debt of gratitude we owe them.

The VA facility in Cobb County served 6,634 unique patients outpatients in Fiscal Year 2013, providing services in outpatient treatment, mental health, and lab work. These services are critical, provide convenience, and reduce driving time for veterans, many of whom would otherwise be forced to travel 70 miles or more round-trip to visit the overcrowded Atlanta VA Medical Center. With passage of the legislation before us today, the VA could authorize a lease for an expanded facility in Cobb County, one that would serve an estimated 64,000 veterans and provide more access to a greater variety of care. While mental health services, lab work, and outpatient treatment would still be provided, the expanded facility is intended to have the capability to provide eye care, physical and occupational therapy, radiology, and more.

Mr. Speaker, this legislation is a way forward for that facility and several more like it across the country. It seeks to expand access to care for veterans, not bureaucratic federal policies.

Our men and women in uniform—who put their lives on the line to protect our freedoms—deserve the best care that we can give them. They deserve quality care that is convenient and accessible. This legislation provides us with an opportunity today to show our veterans that we are committed to those goals. I urge my colleagues to join me in supporting H.R. 3521.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Florida (Mr. MILLER) that the House suspend the rules and pass the bill, H.R. 3521, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. MILLER of Florida. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

#### GENERAL LEAVE

Mr. MILLER of Florida. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and add any extraneous materials they may have on H.R. 1402, as amended.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

Mr. MILLER of Florida. Mr. Speaker, I yield myself such time as I may consume.

I rise today in support of H.R. 1402, as amended, the VA Expiring Authorities Act of 2013. Mr. Speaker, to put it simply, this bill extends the legal authorization for several VA authorities. Without enactment of this bill before

December 31, 2013, the authorization to run certain programs and exercise certain legal authorities would end. This would be very detrimental to veterans and their families.

For example, the bill extends VA’s authority to ensure that severely disabled veterans have priority access to nursing home care, to include those who require that level of care for service-connected disabilities. It also extends VA’s adaptive sports program, which is currently run through a partnership with the U.S. Paralympic committee. I have met with veterans who have benefited from this partnership and have seen firsthand the positive impact that the activities and events have had on them and their families.

H.R. 1402, as amended, would extend other legal authorities to help veterans, including the authorization for treatment and rehabilitative services for homeless and seriously mentally ill veterans, housing assistance for homeless veterans, authorization to permit the use of contract exam providers for disability claims, and several other important extensions.

I am pleased also to report that funding for these extensions was included in both the President’s budget request and appropriation bills passed by the House and pending in the Senate.

I thank my good friend and ranking member of the full committee, Mr. MICHAUD, for his assistance to bring this piece of legislation to the floor. And again, I want to thank all of my colleagues in the Senate for reaching an agreement with us on this language, especially the Senate VA chairman, Mr. SANDERS, and the ranking member, Mr. BURR of North Carolina.

Once again, I want to encourage all Members to support the bill.

I reserve the balance of my time.

Mr. MICHAUD. Mr. Speaker, I yield myself such time as I may consume.

I rise in full support of H.R. 1402, as amended, the VA Expiring Authorities Extension Act of 2013.

Mr. Speaker, this bill, as amended, would extend a number of critical programs administered by the VA. It is a bipartisan measure. I appreciate the highly collaborative efforts of the committee staffs and the cooperative efforts of our colleagues in the other body.

H.R. 1402, as amended, would extend the authorization of appropriations for the VA to provide monthly stipends to athletes competing in large-scale adaptive sports programs and extend the authority of the VA to provide grants to entities that plan and carry out adaptive sports programs. This bill represents a bipartisan and bicameral agreement to modify the existing program and to provide more stringent oversight of the program.

H.R. 1402, as amended, would also extend to the end of next year the authority of the VA to transport certain individuals to and from VA facilities, to operate the regional office in the Philippines, and to contract with non-

VA physicians to conduct medical disability examinations.

H.R. 1402, as amended, would also extend the requirement that VA provide nursing home care to certain veterans, extend the authority to provide treatment and rehabilitation services for seriously mentally ill and homeless veterans, and extend the authority of the VA to provide housing assistance for homeless veterans.

Finally, this bill would extend the authority for two advisory committees—the Advisory Committee on Homeless Veterans and the Advisory Committee on Education—as well as extend the authority for requirements relating to the sale of vendee loans by the VA.

Mr. Speaker, we have passed many veterans bills out of the House this year. It is my hope that some of these bills will become law before the year is out. I look forward to working with our colleagues in the Senate to make sure that we get this bill passed. The job at hand today is to pass this extenders bill, send it over to the Senate for quick consideration, and get it to the President's desk before the end of the year before the authority to continue these vital programs lapses.

Mr. Speaker, I reserve the balance of my time.

Mr. MILLER of Florida. Mr. Speaker, one of the things that is necessary in order to bring a piece of legislation that has this many moving parts is somebody who has been involved very much in each of those pieces of legislation.

I yield such time as he may consume to the gentleman from Colorado (Mr. COFFMAN), chairman of the Oversight and Investigations Subcommittee.

Mr. COFFMAN. Mr. Speaker, earlier this year I introduced, along with Representative MARK TAKANO, H.R. 1402, the Veteran Paralympics Act, and I am happy to see that this legislation is now poised to pass the House floor along with other important programs for veterans.

My portion of this legislation will extend this joint program, operated by the Department of Veterans Affairs and the Olympic Committee, that funds grants to adaptive sports programs for disabled veterans all across our country.

Paralympic programs are adaptive sports for physically disabled athletes, and research has shown that Paralympic sports and other forms of physical activity are an impactful aspect for the successful rehabilitation for these wounded warriors.

The Veterans Paralympics Act will ensure that disabled veterans in local communities throughout our country will continue to have opportunities for rehabilitation, stress relief, and higher achievement through adaptive sports. Currently, there are dozens of partnership organizations in Colorado and over 300 nationwide that are helping our veterans with their rehabilitation through adaptive sports.

During committee hearings, I discussed the Veterans Paralympics Act with Charlie Huebner, the U.S. Olympic Committee's Paralympics chief. He stated that this extension would help more than 16,000 disabled veterans in communities throughout America receive adaptive sports rehabilitation.

Mr. Huebner and I both emphatically agree that participation in adaptive sports and other athletic activities can help speed the rehabilitation process for disabled veterans, and this legislation, if passed, will ensure rehabilitative opportunities for disabled veterans in local communities throughout the country. I am proud to lead this effort to extend and support this important program.

Mr. MICHAUD. Mr. Speaker, I yield 3 minutes to the gentleman from California (Mr. TAKANO).

Mr. TAKANO. Mr. Speaker, I thank the gentleman from Maine, the ranking member, for yielding me this time.

Mr. Speaker, I rise today to support the Veterans Paralympic Act, a bipartisan piece of legislation that would extend the funding for adaptive sport programs for disabled veterans.

Through the Department of Veterans Affairs and the U.S. Olympic Committee, this joint program has provided sports and other athletic activities that help speed up the rehabilitation process for our Nation's heroes. By extending the funding through 2018, and improving access to adaptive sports programs, this legislation would provide the greatest opportunity for rehabilitation through sports our veterans have ever had. The sacrifice of these heroes is immeasurable, and I believe that Congress should be doing all it can to help their rehabilitation process.

I thank the gentleman from Colorado (Mr. COFFMAN) for introducing this bill, and I look forward to its passage.

Mr. MICHAUD. Mr. Speaker, at this time I would like to yield 3 minutes to the gentlewoman from California (Mrs. NEGRETE MCLEOD).

Mrs. NEGRETE MCLEOD. Mr. Speaker, I rise in support of H.R. 1402 that extends VA housing programs for homeless veterans.

The California district which I represent is home to over 20,000 veterans. Like the Nation, homelessness among veterans is a serious problem in my district. It will take continued coordination between VA and local organizations to ensure that veterans are able to take advantage of housing assistance programs.

As a member of the House VA Subcommittee on Health, in August of this year I hosted a town hall with the VA and local organizations. Over 200 veterans attended and signed up for VA veterans benefits for the very first time. This is a great example of better coordination in helping our veterans.

Mr. MICHAUD. Mr. Speaker, I would like to once again thank Chairman MILLER for his collaborative effort in bringing both of these bills before the House today and his continued support

to make sure that we do everything we can to pass legislation that will help our veterans. I also want to thank the staffs on both the majority and the minority side for working so well together to get these bills before the floor. I urge my colleagues to support H.R. 1402, as amended.

I yield back the balance of my time.

□ 1430

Mr. MILLER of Florida. Mr. Speaker, I, too, urge my colleagues to support H.R. 1402, as amended, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Florida (Mr. MILLER) that the House suspend the rules and pass the bill, H.R. 1402, as amended.

The question was taken.

#### DEPARTMENT OF VETERANS AFFAIRS MAJOR MEDICAL FACILITY LEASE AUTHORIZATION ACT OF 2013

The SPEAKER pro tempore. The unfinished business is the vote on the motion to suspend the rules and pass the bill (H.R. 3521) to authorize Department of Veterans Affairs major medical facility leases, and for other purposes, as amended, on which the yeas and nays were ordered.
