The Honorable John Boehner
Speaker
U.S. House of Representatives
Washington, D.C. 20515

Dear Mr. Speaker:

I have enclosed copies of the resolutions adopted by the Committee on Transportation and Infrastructure on February 28, 2013. Pursuant to section 3307 of Title 40, United States Code, the Committee on Transportation and Infrastructure met in open session to consider resolutions to authorize 16 lease prospectuses included in the General Services Administration's FY2012 and FY2013 Capital Investment and Leasing Programs and 2 resolutions to authorize alteration projects for space consolidations and exigent needs.

Our Committee continues to work to cut waste and the cost of federal property and leases. The resolutions approved by the Committee will save the taxpayer \$27.6 million annually or \$357 million over the terms of the leases. These resolutions ensure savings through lower rents, shrinking the space requirements of agencies, and efficiencies created through consolidation. In addition, the Committee has included space utilization requirements in each of the resolutions to ensure agencies are held to appropriate utilization rates.

Sincerely,

Bill Shuster
Chairman

LEASE
U.S. DEPARTMENT OF AGRICULTURE
FOREST SERVICE
NORTHERN VIRGINIA
PVA-07-WA12

James H. Zola, Democrat Staff Director

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for a replacement lease of up to 106,000 rentable square feet of space, including eight parking spaces, for the Department of Agriculture, Forest Service, currently located at 1601 and 1621 N. Kent Street, Arlington, Virginia, at a proposed total annual cost of \$4,134,000 for a lease term of up to 15 years, a prospectus for which is attached to and included in this resolution.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, the Administrator of General Services and tenant agencies agree to apply an overall utilization rate of 182 square feet or less per person.

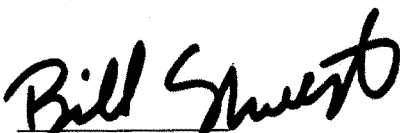

Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in an overall utilization rate of 182 square feet or higher per person.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

Adopted: February 28, 2013

Bill Shuster, M.C.
Chairman

**PROSPECTUS – LEASE
U.S. DEPARTMENT OF AGRICULTURE
FOREST SERVICE
NORTHERN VIRGINIA**

Prospectus Number: PVA-07-WA12

Congressional District: 8

Executive Summary

The General Services Administration (GSA) proposes a replacement lease of up to 106,000 rentable square feet for the U.S. Department of Agriculture, Forest Service (USDA-FS), currently located in adjacent buildings at 1601 and 1621 N. Kent Street in Arlington, VA under three leases. USDA-FS elements housed in these buildings have mission requirements that result in regular interaction with FS headquarters operations housed in the Sidney Yates Building in Washington, DC.

The proposed increase in the annual cost of leasing space to meet USDA-FS requirements reflects the adjustment to current market rent of expiring leases that have been in effect since the 1998 to 2000 time frame. The proposed maximum RSF does not represent expansion space but the amount of space needed to provide 87,192 USF as indicated on the housing plan in buildings having an RSF/USF as high as 1.2 in order to maximize competition.

The maximum proposed rental rate in this prospectus is a projected rate for lease transactions with a future effective (rent start) date consistent with the expiration of the current lease on December 31, 2013. GSA will conduct the procurement using prevailing market rental rates as a benchmark for the evaluation of competitive offers and as a basis for negotiating with offerors to ensure that lease award is made in the best interest of the Government.

GSAPBS

**PROSPECTUS – LEASE
U.S. DEPARTMENT OF AGRICULTURE
FOREST SERVICE
NORTHERN VIRGINIA**

Prospectus Number: PVA-07-WA12

Congressional District: 8

Description

Occupants:	USDA-FS
Lease Type:	Replacement
Current Rentable Square Feet (RSF):	101,234 (Current RSF/USF=1.15)
Proposed Maximum RSF:	106,000 (Market RSF/USF=1.2)
Expansion Space ¹ :	None
Current Usable Square Feet/Person:	182
Proposed Usable Square Feet/Person:	182
Proposed Maximum Leasing Authority:	15 years
Expiration Date of Current Leases:	December 31, 2013
Proposed Delineated Area:	Northern, VA
Number of Official Parking Spaces:	8
Scoring:	Operating lease
Maximum Proposed Rental Rate ² :	\$39.00
Proposed Total Annual Cost ³ :	\$4,134,000
Current Total Annual Cost:	\$3,568,095 (leases effective 1998 and 2000)

Background

The Rosslyn Plaza C and Rosslyn Plaza E Buildings, located at 1601 and 1621 N. Kent Street in Arlington, VA, were constructed in 1965 and originally occupied by USDA-FS under leases with effective dates between September 1998 and December 2000.

Justification

USDA-FS must vacate the space it occupies at 1601 and 1621 N. Kent Street by the December 31, 2013, expiration of the current leases and requires continued housing to carry out its long-term mission requirements.

¹ The RSF/USF at the current location is approximately 1.15.

² This estimate is for fiscal year 2014 and may be escalated by 1.75 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced including all operating expenses whether paid by the lessor or directly by the Government.

³ Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs.

GSAPBS

**PROSPECTUS – LEASE
U.S. DEPARTMENT OF AGRICULTURE
FOREST SERVICE
NORTHERN VIRGINIA**

Prospectus Number: PVA-07-WA12
Congressional District: 8

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Solicitation for Offers and other documents related to the procurement of space for which this prospectus seeks authorization. GSA encourages offerors to work with energy service providers to exceed minimum requirements set forth in the procurement and to achieve an energy Star performance rating of 75 or higher.

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

Interim Leasing

GSA will execute such interim leasing actions as are necessary to ensure continued housing of the tenant agency prior to the effective date of the new lease. It is in the best interest of the Government to avert the financial risk of holdover tenancy.

**PROSPECTUS – LEASE
DEPARTMENT OF THE TREASURY
FINANCIAL MANAGEMENT SERVICE .
SUBURBAN MARYLAND**

Prospectus Number: PMD-05-WA12
Congressional District: 8

Executive Summary

The General Services Administration (GSA) proposes a lease extension of up to 327,000 rentable square feet (rsf) for the Department of the Treasury, Financial Management Service (FMS) currently located at Metro II, 3700 East West Highway, Hyattsville, MD. The current lease at Metro II expires September 30, 2012, and GSA is seeking a five year lease extension to allow FMS sufficient time to develop and budget for their long-term space requirements. The government will have termination rights after the third year of the extension period.

Description

Occupants:	Financial Management Service/Treasury
Lease Type:	Lease Extension
Current Rentable Square Feet (RSF):	393,000 (Current RSF/USF=1.1)
Proposed Maximum RSF:	327,000 (Proposed RSF/USF=1.1)
Expansion Space:	Reduction of 66,000 rsf
Current Usable Square Feet/Person:	299
Proposed Usable Square Feet/Person:	249
Proposed Maximum Leasing Authority:	5 Years
Expiration Date of Current Lease:	September 30, 2012
Delineated Area:	3700 East West Highway Hyattsville, Maryland
Number of Official Parking Spaces:	30
Scoring:	Operating Lease
Maximum Proposed Rental Rate: ¹	\$26.00
Proposed Total Annual Cost: ²	\$8,502,000
Current Total Annual Cost:	\$8,168,218 (lease effective 1992)

¹ This estimate is for fiscal year 2013 and may be escalated by 1.75 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced including all operating expenses whether paid by the lessor or directly by the Government.

² Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs.

GSAPBS

**PROSPECTUS – LEASE
DEPARTMENT OF THE TREASURY
FINANCIAL MANAGEMENT SERVICE
SUBURBAN MARYLAND**

Prospectus Number: PMD-05-WA12

Congressional District: 8

Background

FMS provides central payment services to Federal Program Agencies and operates the federal government's collections and deposit systems. FMS provides government-wide accounting and reporting services, and manages the collection of delinquent debt owed to the government.

Justification

FMS has asked to extend its current leasehold tenancy in order to plan for its longer term space requirements. To that end, it has commissioned a study which will serve as the basis for developing a prospectus to be submitted in a future fiscal year program. The lease extension proposed in this current prospectus will give FMS time to work out the details of its housing requirements and budget for associated costs. In the interim, FMS will reduce their square footage within the building by 66,000 RSF, consisting of two floors they currently occupy, at the expiration of the current lease.

GSA will attempt to negotiate termination rights into the lease agreement to provide a flexible transition to FMS' long-term housing solution.

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Solicitation for Offers and other documents related to the procurement of space for which this prospectus seeks authorization. GSA encourages offerors to work with energy service providers to exceed minimum requirements set forth in the procurement and to achieve an energy Star performance rating of 75 or higher.

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

**PROSPECTUS – CONSOLIDATION INTO FEDERALLY OWNED SPACE
VARIOUS LOCATIONS**

Prospectus Number: PCO-0001-VA13
Congressional Districts: Multiple

Prospectus Summary:

The General Services Administration (GSA) proposes interior space alterations to the Daniel Patrick Moynihan U.S. Courthouse, New York, NY and the Peachtree Summit Federal Building, Atlanta, GA, to allow for the consolidation of various government agencies from existing lease locations into federally owned space. The proposed projects will recapture vacant Government-owned space, resulting in the avoidance of costly future year lease obligations and improved utilization of owned assets.

Proposed Buildings:

Daniel Patrick Moynihan U.S. Courthouse.....\$13,800,000
New York, NY

Peachtree Summit Federal Building\$2,300,000
Atlanta, GA

Authorization Requested\$16,100,000

Schedule

FY 2013	Construction Start
FY 2014	Project Completion

Summary of Energy Compliance

This project will integrate and implement sustainable design principles and energy efficiency effort as seamlessly as possible into all aspects of both the design and construction process.

Alternatives Considered (30-year, present value cost analysis)

There are no feasible alternatives to these projects.

Recommendation

ALTERATION and CONSOLIDATION INTO FEDERALLY OWNED SPACE

GSA

PBS

**PROSPECTUS – CONSOLIDATION INTO FEDERALLY OWNED SPACE
VARIOUS LOCATIONS**

Prospectus Number: PCO-0001-VA13
Congressional Districts: Multiple

Proposed Projects:

Daniel Patrick Moynihan U.S. Courthouse.....\$13,800,000
500 Pearl Street
New York, NY
Tenant agencies: Judiciary and GSA

In support of the building-wide modernization project currently underway at the Thurgood Marshall U.S. Courthouse, New York, NY, it was necessary to relocate Probation and Pretrial Services from the Moynihan Courthouse to leased space in order to provide temporary chambers for the District judges displaced from the Thurgood Marshall Courthouse. When the District judges move back into the Thurgood Marshall Courthouse in 2012, approximately 138,000 rentable square feet (rsf), will become vacant in the Moynihan Courthouse. This project proposes alterations to restore and re-align the space currently configured as judge's chamber to space that will allow for the relocation of Probation, Pretrial Services and other Judiciary functions into the Moynihan Courthouse. The reconsolidation of these Judiciary functions will allow the Government to release costly leased space reducing the Government's rental payment by \$7,100,000 annually.

Peachtree Summit Federal Building\$2,300,000
401 W. Peachtree Street
Atlanta, GA
Tenant agencies: Multiple tenants. This project will relocate the Department of Housing and Urban Development into the Federal building.

The Peachtree Summit FB currently has 115,000 rsf of vacant space providing for an opportunity to consolidate Government operations within Federally owned space. HUD operations within Atlanta are currently housed in multiple locations – in both leased space and federally-owned space. By consolidating HUD operations into the vacant space in the Peachtree Summit FB, HUD will reduce their overall footprint space by 18,970 rentable square feet and reduce their annual lease costs by \$1.8 million by eliminating their leased space in Atlanta. In addition to the cost savings, occupancy in Federally owned space will address poor configuration, security issues, and other concerns that HUD has experienced in their current leased location. Relocating HUD to the Peachtree Summit FB will also make more efficient use of vacant federally-owned space, accommodate HUD's requirements allowing for in-house conference and training space, reduce HUD's costs, and address agency security concerns.

James H. Zoia, Democrat Staff Director

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for critical needs projects to improve building safety systems, abate hazardous materials, and repair structural deficiencies within Government-owned buildings during fiscal year 2013, at a proposed cost of \$122,936,000, a prospectus for which is attached to and included in this resolution.

Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

Adopted: February 28, 2013

**PROSPECTUS – ALTERATION
EXIGENT NEED PROJECTS
VARIOUS BUILDINGS**

Prospectus Number:	PEX-00001
Congressional Districts	Multiple

Description:

This prospectus is submitted to seek authorization to undertake critical need projects during fiscal year 2013.

Justification:

GSA is seeking authority to undertake critical needs projects improving building and safety systems, including elevators, fire and life safety, electrical and heating and ventilation systems; abating hazardous materials; and repairing structural deficiencies.

Alternatives:

STATUS QUO - Continued operation of systems and facilities that are antiquated, unsafe and unreliable as well as the underutilization of owned space which results in costly lease space obligations is not an acceptable alternative.

ALTERATION – Reliable and safe building systems and fully utilized government owned space is essential to the management and operation of these facilities.

Recommendation:

Authorize construction funding in the amount of \$122,936,000 for the projects described below.

Authority Requested in this Prospectus.....\$122,936,000

Project Descriptions

Baltimore, MD
G. H. Fallon Federal Building \$5,158,000

The project would replace aging and original bus ducts at the Fallon Federal Building. The bus ducts are in poor operating condition, deteriorated, unreliable, and unsafe, posing a potentially severe danger to the building tenants if they fail. The insulation is worn and peeling, exposing live conductors that frequently malfunction. The bus ducts are critical primary electrical distribution devices that supply high voltage electrical power throughout the building. The severe and continued deterioration of the ducts' insulation increases the likelihood of catastrophic electrical failures, leading to building shutdowns.

New York, NY
Ted Weiss Federal Building \$11,700,000

The project would modernize the elevators in the 34 story Ted Weiss Federal Building. The elevators have reached the end of their useful life with interrupted service being a constant problem. Necessary repairs to the elevators will improve safety and ensure reliability.

New York, NY
Conrad B. Duberstein U.S. Bankruptcy Courthouse..... \$5,000,000

The project would stabilize the terra cotta vaulted ceiling above the drop ceiling and remediate the lead paint covered plaster at the Conrad B. Duberstein Bankruptcy Courthouse which was constructed in 1892. The plaster ceiling has fallen through the drop ceiling on several occasions, which poses safety concerns. A temporary measure has been put in place to protect building occupants, however the falling debris needs to be addressed in a permanent manner.

EXIGENT NEED PROJECTS
VARIOUS BUILDINGS**

Prospectus Number:	PEX-00001
Congressional Districts	Multiple

Chamblee, GA

Chamblee IRS Annex.....	\$3,400,000
-------------------------	-------------

The Internal Revenue Service Annex parking deck is experiencing excessive slab deflections, cracking and distress at both elevated slabs and multiple other serviceability and strength issues. This project will complete repair of all strength and serviceability issues including strengthening the existing elevated slabs and their supporting columns, repairing all concrete/CMU cracks and spalls, adding additional lateral force resisting shearwalls with supporting foundations, and adding a steel support frame with supporting foundation along the length of the cantilever portion of the slabs. These repairs will allow for the utilization of all of the structure's 778 parking spaces, including the approximately 115 which have been shut down due to these deficiencies.

Denver, CO

U.S. Customs House.....	\$3,200,000
-------------------------	-------------

The project includes repairs to the HVAC system, mold remediation, asbestos abatement and incidental preservation of historic features for the Customs House in affected areas. Mold remediation activities include repair of the subfloor from leaking induction units, and asbestos abatement of floor tile and floor replacement. Renovations to the restrooms will be undertaken to comply with ADA compliance and to remedy existing health and safety hazards.

Missoula, MT

Missoula Federal Building Post Office and U.S. Courthouse.....	\$5,000,000
--	-------------

The project for the Missoula, MT Federal Building-Post Office and U.S. Courthouse would install a new ADA compliant elevator, replace the electrical panels and switches, install an emergency power generator; upgrade restrooms to ADA compliance, upgrade the HVAC system, repair exterior masonry and replace the hot water distribution system. The current cooling towers have passed their useful life and are in need of replacement. An EMS system will control the entire building conditioning system to provide energy savings and improve tenant comfort. A new elevator will meet ADA standards and provide access to every floor. The electrical system will be brought up to current standards. Repairs to the exterior masonry will stop water penetration and further damage to interior paint and plaster and prevent the possibility of mold growth.

San Francisco, CA
Phillip Burton Federal Building & Courthouse..... \$5,500,000

The project includes raising existing air intakes to the third floor level from the current ground level location, reducing the level of ground contaminants entering into the ventilation system.

Portland, OR
Bonneville Power Administration Building..... \$8,500,000

The building requires upgrading of elevator controls and the relocation of HVAC outside air intakes from the street level to the third floor. Elevators are experiencing reliability issues. New elevator controls will use more energy efficient equipment. The existing air intakes, which are at street level will be raised to reduce the amount of ground contaminant particles entering the ventilation system. .

Portland, OR
911 Federal Building \$7,000,000

The project includes the replacement of the electrical service and distribution equipment and the addition of a lightning protection system to the 911 Federal Building. Nearly all of the electrical equipment is original to the 1953 office building. The electrical system is beyond its useful life and has serviceability issues as a result of parts for repair and maintenance becoming more difficult to obtain. The building does not have a lightning protection system and a facility condition assessment indicated that the building has a moderate to high risk per National Fire Protection Association (NFPA) standards.

Anderson, SC

G. Ross Anderson Jr. Federal Building Courthouse

Dublin, GA

Roy Rowland Federal Courthouse

Charleston, SC

U.S. Customs House

Owensboro, KY

Federal Building \$3,000,000

The fire alarm systems in the G. Ross Anderson Jr. Federal Building Courthouse, the Roy Rowland Federal Courthouse, the U.S. Customs House and the Federal Building are outdated and need to be replaced. The manufacturers can no longer maintain the systems because spare parts are not available. The buildings have only a single open stair for egress from the upper floors. To increase the life safety of the building and the occupants, a sprinkler system will be installed with a booster fire pump to accommodate the low water pressure and new underline water systems will be installed. The new alarm systems will include voice evacuation systems to comply with the current requirements of the NFPA 72, National Fire Alarm Code.

Washington, DC

Sidney Yates Building..... \$11,000,000

The exterior envelope of the historic Sidney Yates Building requires repairs to ensure pedestrian safety due to the hazard of falling masonry and to combat the effects of water infiltration. The project includes re-pointing of exterior masonry walls and projecting bands, repairing damaged stone and masonry in the moat retaining walls, repairing railings around the building, caulking of exterior facing windows, repair/replace of built-in gutter lines, replace counter flashing above the gutter lines and installation of drain bodies in all rain leaders.

Washington, DC

GSA Headquarters Building..... \$3,200,000

The elevators at the General Services Administration Headquarters Building are in need of upgrades to ensure reliability. These elevators are not a part of the first phase of the current modernization project and have passed their useful life and need to be replaced. Numerous problems have been and continue to be reported, and expensive and sustained outages are common due to difficulty finding parts.

Washington, DC
Frances Perkins Building\$15,000,000

The fire alarm system in the Frances Perkins Building is outdated and needs to be upgraded to provide emergency communication features and to comply with the National Fire Alarm Code and current GSA requirements. The manufacturer is no longer maintaining this type of system and spare parts are not available and must be fabricated at significant cost to Government. If the system fails, the building and occupants will be without a centralized way to be notified in the event of a fire emergency. In addition, the system does not have a voice component which would permit its use for other types of non-fire emergencies.

Washington, DC
Robert C. Weaver Building.....\$12,000,000

The existing fire alarm system in the Robert C. Weaver Building, has failed several times over the past few years leaving the building without an alarm and vulnerable on multiple occasions. The system does not provide reliable service or voice communication to the building and needs to be upgraded. While there have been minor modifications and additions to the system, the antiquated hardwired system is no longer supported by manufacturers. Any failure of a major component will result in inoperable conditions since replacement parts are no longer available. In addition, the current system does not comply with the National Fire Alarm Code or GSA requirements.

Washington, DC
Harry S. Truman (Main State) Building.....\$9,000,000

Approximately 22 elevators in the Harry S. Truman (Main State) Building need to be renovated. Since 1988, approximately one-half of the building has been part of an ongoing modernization project. However, the proposed elevator renovation is not part of the current project. The elevators are susceptible to reliability problems as the operational life of the equipment is unknown and continued availability of the parts is uncertain.

James H. Zoia, Democrat Staff Director

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for a replacement lease of up to 183,000 rentable square feet of space, including 15 parking spaces, for the Department of the Interior Fish and Wildlife Service, currently located at 4301, 4401, and 4501 North Fairfax Drive, Arlington, Virginia, at a proposed total annual cost of \$7,137,000 for a lease term of up to 15 years, a prospectus for which is attached to and included in this resolution.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, the Administrator of General Services and tenant agencies agree to apply an overall utilization rate of 189 square feet or less per person.

Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in an overall utilization rate of 189 square feet or higher per person.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

GSAPBS

**PROSPECTUS – LEASE
DEPARTMENT OF THE INTERIOR
FISH AND WILDLIFE SERVICE
NORTHERN VIRGINIA**

Prospectus Number: PVA-09-WA13
Congressional District: 8, 10, 11

Executive Summary

The General Services Administration (GSA) proposes a replacement lease of up to 223,000 rentable square feet for the Department of the Interior (DOI) Fish & Wildlife Service (FWS) currently located at 4301, 4401, and 4501 North Fairfax Drive, Arlington, VA.

Replacement of the current leases at multiple locations will enable DOI-FWS to provide continued housing for current personnel and also to accommodate projected increases in staffing needed to launch a new initiative to track the effects of climate change on wildlife. In meeting both its current and proposed mission requirements, DOI-FWS will significantly improve its utilization of space, resulting in the improvement of its office utilization rate from 164 USF to 129 USF per person and its overall utilization rate from 243 USF to 190 USF per person. The end product of improved space utilization is the prospectus proposal to house both current personnel and new hires in 35,000 RSF less space than the total of current occupancies.

The maximum proposed rental rate in this prospectus is a projected rate for lease transactions with a future effective (rent start) date consistent with the expiration of the current leases in 2013 and 2014. GSA will conduct the procurement using prevailing market rental rates as a benchmark for the evaluation of competitive offers and as a basis for negotiating with offerors to ensure that lease award is made in the best interest of the Government.

Acquisition Strategy

In order to maximize the flexibility in acquiring space to house the Department of Interior, Fish and Wildlife elements, GSA may issue a single, multiple award solicitation that will allow offerors to provide blocks of space able to meet requirements in whole or in part.

GSAPBS

**PROSPECTUS – LEASE
DEPARTMENT OF THE INTERIOR
FISH AND WILDLIFE SERVICE
NORTHERN VIRGINIA**

Prospectus Number: PVA-09-WA13
Congressional District: 8, 10, 11

Description

Occupant:	FWS
Lease Type	Replacement
Current Rentable Square Feet (RSF)	258,373 (Current RSF/USF = 1.2)
Proposed Maximum RSF:	223,000 (Proposed RSF/USF = 1.2)
Expansion Space:	Reduction of 35,373 RSF
Current Usable Square Feet/Person:	243
Proposed Usable Square Feet/Person:	190
Proposed Maximum Leasing Authority:	15 years
Expiration Dates of Current Leases:	1/2/2013, 9/11/2013, 9/30/2013 and 4/14/2014
Delineated Area:	Northern Virginia
Number of Official Parking Spaces:	15
Scoring:	Operating Lease
Maximum Proposed Rental Rate ¹ :	\$39.00
Proposed Total Annual Cost ² :	\$8,697,000
Current Total Annual Cost:	\$8,942,741 (leases effective 1/3/03, 8/12/02, 10/1/08, 4/15/04)

Background

The FWS headquarters was established on North Fairfax Drive approximately 24 years ago. Currently, staff occupies all or portions of three adjacent buildings. Due to this adjacency, FWS has installed a secure, underground fiber optic network connecting the buildings. The existing housing solution for FWS indicates that multiple adjacent buildings as well as a single building can meet the agency's requirements for an integrated headquarters operation. This is reflected in the acquisition strategy indicated above.

¹This estimate is for fiscal year 2014 and may be escalated by 1.75 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced including all operating expenses whether paid by the lessor or directly by the Government.

²Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs.

GSAPBS

**PROSPECTUS – LEASE
DEPARTMENT OF THE INTERIOR
FISH AND WILDLIFE SERVICE
NORTHERN VIRGINIA**

Prospectus Number: PVA-09-WA13

Congressional District: 8, 10, 11

Justification

FWS is currently housed in multiple building under multiple leases that will expire in 2013 and 2014. In addition, FWS has established a new initiative to track the effects of climate change on wildlife and their habitats. New hires coming on board between 2010 and 2013 will support this new initiative. The leasing strategy proposed in this prospectus will provide housing for all current FWS personnel as well as new hires to ensure continuing performance of the FWS mission.

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Request for Proposals and other documents related to the procurement of space for which this prospectus seeks authorization. GSA encourages offerors to work with energy service providers to exceed minimum requirements set forth in the procurement and to achieve an energy Star performance rating of 75 or higher.

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

Interim Leasing

GSA will execute such interim leasing actions as are necessary to ensure continued housing of the tenant agency prior to the effective date of the new lease. It is in the best interest of the Government to avert the financial risk of holdover tenancy

**PROSPECTUS – LEASE
NATIONAL LABOR RELATIONS BOARD
WASHINGTON, DC**

Prospectus Number: PDC-05-WA13

Executive Summary

The General Services Administration (GSA) proposes a replacement lease of up to 155,000 rentable square feet of space for the National Labor Relations Board (NLRB) in Washington, DC. NLRB is currently located in the Franklin Court Building at 1099 14th St., NW, Washington, DC.

NLRB will significantly improve its utilization of space, resulting in the improvement of its office utilization rate from 179 USF to 130 USF per person and its overall utilization rate from 307 USF to 200 USF per person. The end product of improved space utilization is the prospectus proposal to house NLRB personnel in approximately 92,000 RSF less space than the current occupancy.

The maximum proposed rental rate in this prospectus is a projected rate for lease transactions with a future effective (rent start) date consistent with the expiration of the current lease in June 2013. GSA will conduct the procurement using prevailing market rental rates as a benchmark for the evaluation of competitive offers and as a basis for negotiating with offerors to ensure that lease award is made in the best interest of the Government. Lease award shall not exceed the maximum rental rate as specified in this prospectus.

Description

Prospectus Number: PDC-05-WA13

Maximum Proposed Rental Rate ¹ :	\$50.00
Proposed Total Annual Cost ² :	\$7,750,000
Current Total Annual Cost:	\$11,264,352 (lease effective 6/25/08)

Background

The National Labor Relations Board is an independent federal agency vested with the power to safeguard employees' rights to organize and to determine whether to have unions as their bargaining representative. The agency also acts to prevent and remedy unfair labor practices committed by private sector employers and unions.

Justification

The current lease at 1099 14th Street, NW, Washington, DC expires on June 24, 2013. NLRB has been housed at this location since 1993. NLRB requires continued housing to carry out their mission and plans to do so in a more efficient real estate footprint. NLRB will be transitioning from a traditional workplace environment to one which is more flexible and conducive to a mobile work environment. Innovative approaches to space management and alternative workplace arrangements such as telework are under consideration. These strategies will increase NLRB's space efficiencies, reduce their footprint, and generate increased real estate cost savings long term.

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Request for Lease Proposals and other documents related to the procurement of space based on the approved prospectus. GSA encourages offerors to work with energy service providers to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rating of 75 or higher.

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

¹ This estimate is for fiscal year 2013 and may be escalated by 1.75 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced including all operating expenses whether paid by the lessor or directly by the Government.

² Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs.

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for a replacement lease of up to 135,000 rentable square feet of space, for the Department of Commerce, Bureau of Economic Analysis, currently located at 1441 L Street, NW, Washington, DC, at a proposed total annual cost of \$6,750,000 for a lease term of up to 15 years, a prospectus for which is attached to and included in this resolution.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, the Administrator of General Services and tenant agencies agree to apply an overall utilization rate of 197 square feet or less per person.

Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in an overall utilization rate of 197 square feet or higher per person.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

**PROSPECTUS — LEASE
DEPARTMENT OF COMMERCE
BUREAU OF ECONOMIC ANALYSIS
WASHINGTON, DC**

Prospectus Number: PDC-12-WA13

Executive Summary

The General Services Administration (GSA) proposes a replacement lease of up to 135,000 rentable square feet for the Department of Commerce (DOC), Bureau of Economic Analysis (BEA) currently located at 1441 L Street, NW, in Washington, DC. BEA has occupied space in this building under the current lease since 1993.

In meeting its mission requirements, BEA will improve its office utilization rate from 132 USF to 124 USF per person and its overall utilization rate from 226 USF to 197 USF per person. This will result in a 12,960 RSF space reduction in relation to its current occupancy.

Description

Occupants:	DOC-BEA
Lease Type:	Replacement
Current Rentable Square Feet (RSF)	147,960 (Current RSF/USF=1.13)
Proposed Maximum RSF ¹ :	135,000 (Proposed RSF/USF=1.2)
Expansion Space:	Reduction of 12,960 RSF
Current Usable Square Feet/Person	226
Proposed Usable Square Feet/Person	197
Proposed Maximum Leasing	15 years
Authority: ²	
Expiration Date of Current Lease:	June 12, 2013
Proposed Delineated Area:	Washington, DC Central Employment Area,
Number of Official Parking Spaces:	None
Scoring:	Operating lease
Maximum Proposed Rental Rate ³ :	\$50.00 per rentable square foot
Proposed Total Annual Cost ⁴ :	\$6,750,000
Current Total Annual Cost:	\$4,378,732 (lease effective 6/13/1993)

¹ The RSF/USF at the current location is approximately 1.13; however, to maximize competition, a RSF/USF ratio of 1.2 is used for the proposed maximum RSF as indicated on the housing plan.

² In order to provide flexibility for BEA to consolidate into federally owned space, the procurement of space will be for a 10-year term and 5-year option.

³ This estimate is for fiscal year 2013 and may be escalated by 1.75 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced including all operating expenses whether paid by the lessor or directly by the Government.

⁴ Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs.

GSAPBS

**PROSPECTUS – LEASE
DEPARTMENT OF COMMERCE
BUREAU OF ECONOMIC ANALYSIS
WASHINGTON, DC**

Prospectus Number: PDC-12-WA13

Background

Some of the widely used statistical measures produced by BEA include gross domestic product (GDP), personal income and outlays, corporate profits, GDP by state and by metropolitan area, balance of payments, and GDP by industry. These statistics are used by Federal, state, and local governments for budget development and projections; by the Federal Reserve for monetary policy; and by the business sector for planning and investment.

Justification

The current lease at 1441 L Street, NW, Washington, DC expires on June 12, 2013, and BEA requires continued housing to carry out its mission.

The maximum proposed rental rate in this prospectus is a projected rate for lease transactions with a future effective (rent start) date consistent with the expiration of the current lease in June 2013. GSA will conduct the procurement using prevailing market rental rates as a benchmark for the evaluation of competitive offers and as a basis for negotiating with offerors to ensure that the lease award is made in the best interest of the Government. Lease award shall not exceed the maximum rental rate as specified in this prospectus.

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Request for Lease Proposals and other documents related to the procurement of space based on the approved prospectus. GSA encourages offerors to work with energy service providers to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rating of 75 or higher.

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

GSAPBS

**PROSPECTUS — LEASE
DEPARTMENT OF COMMERCE
BUREAU OF ECONOMIC ANALYSIS
WASHINGTON, DC**

Prospectus Number: PDC-12-WA13

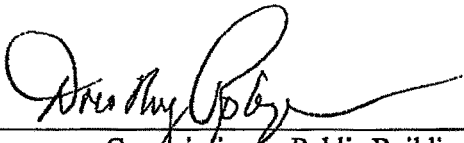

Interim Leasing

GSA will execute such interim leasing actions as are necessary to ensure continued housing of the tenant agency prior to the effective date of the new lease. It is in the best interest of the Government to avert the financial risk of holdover tenancy.

Certification of Need

The proposed project is the best solution to meet a validated Government need.

GSA**PBS**

**PROSPECTUS – LEASE
DEPARTMENT OF HEALTH AND HUMAN SERVICES
ADMINISTRATION FOR CHILDREN AND FAMILIES
WASHINGTON, DC**

Prospectus Number: PDC-11-WA13

Executive Summary

The General Services Administration (GSA) proposes a replacement lease of up to 214,000 rentable square feet (RSF) for the Department of Health and Human Services (HHS) Administration for Children and Families (ACF). ACF is currently located at 901 D Street, SW, and at 1250 Maryland Avenue, SW, Washington DC.

Replacement of the current leases will enable HHS ACF to provide continued housing for current personnel and future staff members. In meeting its current mission requirements, HHS ACF will significantly improve its utilization of space, resulting in the improvement of its office utilization rate from 150 USF to 118 USF and its overall utilization rate from 209 USF to 170 USF per person. The end product of improved space utilization is the prospectus proposal to house both current personnel and new personnel in 27,980 RSF less than the total of current occupancies.

Acquisition Strategy

Although ACF has expressed a preference to be located in one building, that preference must be evaluated in the context of a competitive procurement that may result in one or more locations. GSA may issue a single, multiple award lease solicitation that will allow offerors to provide blocs of space able to meet these requirements in whole or in part. All offers must provide space consistent with the delineated area defined by this prospectus in the description that follows.

Description

Occupant:	HHS-ACF
Lease Type:	Replacement
Current Rentable Square Feet (RSF):	241,980 (current RSF/USF = 1.16)
Proposed Maximum RSF ¹ :	214,000 (market RSF/USF = 1.2)
Expansion Space RSF:	Reduction of 27,980 RSF
Current Usable Square Feet/Person:	209
Proposed Usable Square Feet/Person:	170
Proposed Maximum Leasing Authority:	15 years

¹The average RSF/USF at the current locations is approximately 1.16, however to maximize competition, a RSF/USF ratio of 1.2 is used for the proposed maximum RSF as indicated in the housing plan.

Number of Official Parking Spaces:	3
Scoring:	Operating lease
Maximum Proposed Rental Rate ² :	\$50.00
Proposed Total Annual Cost ³ :	\$10,700,000
Current Total Annual Cost:	\$11,299,045 (leases effective 12/1/09 and 1/1/10)

Background

ACF is responsible for federal programs that promote the economic and social well-being of families, children, individuals, and communities. Actual services are provided by state, county, city and tribal governments, and public and private local agencies. ACF assists these organizations through funding, policy direction, and information services.

Justification

ACF is currently housed at 901 D Street, SW, and at 1250 Maryland Avenue, SW, Washington, DC, under leases that expire December 31, 2014, and November 30, 2014, respectively. ACF requires continued housing to carry out its mission.

The maximum proposed rental rate in this prospectus is a projected rate for lease transactions with a future effective (rent start) date consistent with the expiration of the current leases on November 30 and December 31, 2014. GSA will conduct the procurement using prevailing market rental rates as a benchmark for the evaluation of competitive offers and as a basis for negotiating with offerors to ensure that lease award is made in the best interest of the Government. Lease award shall not exceed the maximum rental rate as specified in this prospectus.

² This estimate is for fiscal year 2015 and may be escalated by 1.75 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced including all operating expenses whether paid by the lessor or directly by the Government.

**PROSPECTUS – LEASE
DEPARTMENT OF HOMELAND SECURITY
OFFICE OF THE INSPECTOR GENERAL
WASHINGTON, DC**

Prospectus Number: PDC-02-WA13

Executive Summary

The General Services Administration (GSA) proposes a replacement lease of up to 110,000 rentable square feet (RSF) of space for the Department of Homeland Security (DHS), Office of the Inspector General (OIG), currently located under multiple leases at 1120 Vermont Avenue, NW, Washington, DC.

In meeting its mission requirements, DHS-OIG will improve its office utilization rate from 143 usable square feet (USF) to 114 USF per person and its overall utilization rate from 256 USF to 211 USF per person. This will result in a 13,976 RSF space reduction in relation to its current occupancy of 123,976 RSF.

Description

Occupant:	DHS / OIG
Lease Type:	Replacement
Current RSF:	123,976 (Current RSF/USF = 1.12)
Proposed Maximum RSF ¹ :	110,000 (Proposed RSF/USF = 1.2)
Expansion Space:	Reduction of 13,976 RSF
Current USF/Person:	256
Proposed USF/Person:	211
Proposed Maximum Leasing Authority:	15 years
Expiration Dates of Current Leases:	09/15/13, 01/21/14 and 03/31/14
Delineated Area:	Washington, DC Central Employment Area
Number of Official Parking Spaces:	None
Scoring:	Operating lease
Maximum Proposed Rental Rate:	\$50.00 per RSF
Proposed Total Annual Cost ² :	\$5,500,000
Current Total Annual Cost ³ :	\$5,403,856 (lease effective dates 9/16/03, 1/22/98, and 4/1/04)

¹ The RSF/USF at the current location is approximately 1.12; however, to maximize competition, a RSF/USF ratio of 1.2 is used for the proposed maximum RSF as indicated on the housing plan.

² This estimate is for fiscal year 2014 and may be escalated by 1.75 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced including all operating expenses whether paid by the lessor or directly by the Government.

³ Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs.

GSAPBS

**PROSPECTUS – LEASE
DEPARTMENT OF HOMELAND SECURITY
OFFICE OF THE INSPECTOR GENERAL
WASHINGTON, DC**

Prospectus Number: PDC-02-WA13

Justification

The current leases are expiring as noted above, and DHS OIG requires continued housing to carry out its mission. A replacement lease will provide the opportunity to improve the agency's utilization of space and reduce the overall rsf leased.

The maximum proposed rental rate in this prospectus is a projected rate for lease transactions with a future effective (rent start) date consistent with the expiration of the current leases from September 2013 to March 2014. GSA will conduct the procurement using prevailing market rental rates as a benchmark for the evaluation of competitive offers and as a basis for negotiating with offerors to ensure that the lease award is made in the best interest of the Government. Lease award shall not exceed the maximum rental rate as specified in this prospectus.

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Request for Lease Proposals and other documents related to the procurement of space based on the approved prospectus. GSA encourages offerors to work with energy service providers to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rating of 75 or higher.

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

Interim Leasing

GSA will execute such interim leasing actions as are necessary to ensure continued housing of the tenant agency prior to the effective date of the new lease. It is in the best interest of the Government to avert the financial risk of holdover tenancy

LEASE
DEPARTMENT OF JUSTICE
WASHINGTON, DC
PDC-01-WA13

James H. Zoia, Democrat Staff Director

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for a lease extension of up to 77,000 rentable square feet of space, including three parking spaces, for the Department of Justice Civil Division, currently located at 20 Massachusetts Avenue, NW, Washington, DC, at a proposed total annual cost of \$3,850,000 for a lease term of up to five years, a prospectus for which is attached to and included in this resolution.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, the Administrator of General Services and tenant agencies agree to apply an overall utilization rate of 323 square feet or less per person.

Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in an overall utilization rate of 323 square feet or higher per person.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

**PROSPECTUS – LEASE
DEPARTMENT OF JUSTICE
WASHINGTON, DC**

Prospectus Number: PDC-01-WA13

Executive Summary

The General Services Administration (GSA) proposes a lease extension of up to 77,000 rentable square feet (rsf) for the Department of Justice (DOJ) Civil Division. DOJ is currently located at 20 Massachusetts Avenue, NW, Washington, DC under a lease that expires September 23, 2012.

DOJ requires continued housing at this location while undertaking a full scale re-evaluation of its current space allocation standards. This review will provide DOJ with a strategy to significantly improve their space utilization while reducing their office space requirement. Space realignment and utilization rate improvement is not cost-effective or feasible for the proposed short-term lease extension at the current location.

In addition, space realignment and utilization rate improvement would be highly disruptive to DOJ's continuing performance of its mission. This location houses DOJ's Civil Division, Federal Programs Branch. The Federal Programs Branch represents virtually the entire Executive Branch in sensitive and high-profile civil litigation matters. Some Federal Program Branch attorneys and paralegals must work in special space secured for the processing of large volumes of classified information. As some of this specialized litigation winds down, it is anticipated that 9,500 usable square foot of secure space will be released from the DOJ inventory at this location. The Federal Programs Branch must remain in the space at 20 Massachusetts Ave as currently configured. DOJ Civil Division Federal Programs will also accommodate all general growth within this footprint for the extension period.

Description

Occupant:	DOJ Civil Division
Lease Type:	Extension
Current Rentable Square Feet (RSF):	121,300 (Current RSF/USF = 1.15)
Proposed Maximum RSF:	77,000 (Proposed RSF/USF = 1.15)
Expansion Space RSF:	Reduction of 44,300
Current Usable Square Feet/Person:	344
Proposed Usable Square Feet/Person:	323
Proposed Maximum Leasing Authority:	5 years
Expiration Dates of Current Lease(s):	9/23/2012
Delineated Area:	20 Massachusetts Ave, NW, Washington, DC
Number of Official Parking Spaces:	3
Scoring:	Operating Lease

GSA

PBS

**PROSPECTUS – LEASE
DEPARTMENT OF JUSTICE
WASHINGTON, DC**

Prospectus Number: PDC-01-WA13

Maximum Proposed Rental Rate ¹ :	\$50.00
Proposed Total Annual Cost ² :	\$3,850,000
Current Total Annual Cost:	\$6,186,334(lease effective 9/24/02)

Justification

The mission of the DOJ Civil Division is to litigate on behalf of the U.S. Government; attorneys constitute 90 percent of the staff. The current leases for DOJ at 20 Massachusetts Avenue, NW, in Washington, DC expired on September 23, 2012 and DOJ Civil Division requires continued housing to carry out its mission.

This prospectus seeks authority to house the continued need of the Civil Division of DOJ at 20 Massachusetts Ave. The U.S. Trustees Division, which currently occupies a portion of the space in 20 Massachusetts Avenue, NW, will be relocating to another federally owned property in January 2013.

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Request for Lease Proposals and other documents related to the procurement of space based on the approved prospectus. GSA encourages offerors to work with energy service providers to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rating of 75 or higher.

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

Interim Leasing

GSA will execute such interim leasing actions as are necessary to ensure continued housing of the tenant agency prior to the effective date of the new lease. It is in the best interest of the Government to avert the financial risk of holdover tenancy.

¹ This estimate is for fiscal year 2013 and may be escalated by 1.7 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced including all operating expenses whether paid by the lessor or directly by the Government.

² Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs.

GSA

PBS

**PROSPECTUS – LEASE
DEPARTMENT OF VETERANS AFFAIRS
1800 G STREET, NW
WASHINGTON, DC**

Prospectus Number: PDC-08-WA13

Executive Summary

The General Services Administration (GSA) proposes a lease extension of up to 170,868 rentable square feet (RSF) of space for Department of Veterans Affairs (VA), Veterans Benefits Administration (VBA) and Office of Information Technology (OIT) currently located at 1800 G Street NW, Washington, DC. Currently, VA has two leases expiring on April 30, 2014, and GSA is seeking a five-year lease extension to meet VA's space needs until their planned move to the federally owned Lafayette Building, currently undergoing modernization.

Description

Occupants:	VA (VBA and OIT)
Lease Type:	Lease Extension
Current Rentable Square Feet:	170,868 RSF (Current RSF/USF = 1.2)
Proposed Maximum RSF:	170,868 RSF (Market RSF/USF = 1.2)
Expansion Space:	None
Current Usable Square Feet/Person:	135
Proposed Usable Square Feet/Person:	135
Proposed Maximum Leasing Authority:	5 years
Expiration Date of Current Leases:	April 30, 2014
Delineated Area:	1800 G Street, NW, Washington, DC
Number of Official Parking Spaces:	1
Scoring:	Operating lease
Maximum Proposed Rental Rate ¹ :	\$50.00
Proposed Total Annual Cost ² :	\$8,543,400
Current Total Annual Cost:	\$6,233,879 (leases effective May 1, 1994)

Background

VA operates the nation's largest integrated health care system with more than 1,400 sites of care, including hospitals, community clinics, community living centers, domiciliary, readjustment counseling centers, and various other facilities. In addition, VA provides a variety of benefits

¹ This estimate is for fiscal year 2014 to and may be escalated by 1.7 percent annually to the effective date of the lease to account for inflation.

² Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs.

GSAPBS

**PROSPECTUS – LEASE
DEPARTMENT OF VETERANS AFFAIRS
1800 G STREET, NW
WASHINGTON, DC**

Prospectus Number: PDC-08-WA13

including education and training, life insurance, dependent and survivor benefits, vocational rehabilitation, and burial services.

Justification

VA has asked to extend its current leasehold tenancy at 1800 G Street NW for five years to be positioned to move to the Lafayette Building for its longer term space requirements. The multi-phase Lafayette modernization is currently underway. VA still has a need for space to complete its mission; however, GSA and VA currently plan to consolidate all VA leases currently at 1800 G Street NW into Lafayette as part of the housing strategy for the building's renovation project.

The maximum proposed rental rate in this prospectus is a projected rate for lease transactions with a future effective (rent start) date consistent with the expiration of the current leases on April 30, 2014. GSA will conduct the procurement using prevailing market rental rates as a benchmark for the evaluation of competitive offers and as a basis for negotiating with offerors to ensure that lease award is made in the best interest of the Government. Lease award shall not exceed the maximum rental rate as specified in this prospectus.

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

Interim Leasing

GSA will execute such interim leasing actions as are necessary to ensure continued housing of the tenant agency prior to the effective date of the new lease. It is in the best interest of the Government to avert the financial risk of holdover tenancy.

PROSPECTUS - LEASE
DEPARTMENT OF HOMELAND SECURITY
U.S. CUSTOMS AND BORDER PROTECTION
QUEENS, NY

Prospectus Number: PNY-02-QUI3
Congressional District: 06

Executive Summary

The General Services Administration (GSA) proposes a replacement lease of up to 146,000 rentable square feet (RSF) for the Department of Homeland Security (DHS) U.S. Customs and Border Protection (CBP) in support of their operations at JFK Airport. DHS-CBP's current leased location, Building 77, has been occupied since June, 1992. The lease expired on June 18, 2012.

This proposed replacement lease will provide DHS-CBP with the opportunity to improve space utilization efficiency while accommodating 98 additional personnel in field operations, internal affairs, and the regulatory office.

Description

Occupant:	DHS – CBP
Lease Type:	Replacement
Current Rentable Square Feet (RSF):	146,000 (Current RSF/USF=1.15)
Proposed Maximum RSF:	146,000 (Proposed RSF/USF=1.15)
Expansion Space:	None
Current Usable Square Feet/Person:	236
Proposed Usable Square Feet/Person:	200
Proposed Maximum Leasing Authority:	15 years
Expiration Date of Current Lease:	6/18/12
Proposed Delineated Area:	North: Intersection of Lefferts Blvd. and S. Conduit Rd. heading east to Rockaway Blvd. then heading east to Brookville Blvd; West: Lefferts Blvd; East: Head of Bay; South: Jamaica Bay
Number of Official Parking Spaces:	217
Scoring:	Operating Lease
Maximum Proposed Rental Rate ¹ :	\$46.00 per rsf
Proposed Total Annual Cost ² :	\$6,716,000
Current Total Annual Cost:	\$8,500,685(lease effective 6/19/92)

¹ This estimate is for fiscal year 2014 and may be escalated by 1.75 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced, including all operating expenses, whether paid by the lessor or directly by the Government.

² Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs. Parking is included in the proposed rent.

GSAPBS

**PROSPECTUS - LEASE
DEPARTMENT OF HOMELAND SECURITY
U.S. CUSTOMS AND BORDER PROTECTION
QUEENS, NY**

Prospectus Number: PNY-02-QU13
Congressional District: 06

Background

DHS-CBP currently occupies approximately 146,000 rsf of space in Building 77 at JFK Airport, Queens, NY. The DHS-CBP operation at JFK Airport monitors half the cargo imported into the United States as well as 10.2 million passengers a year. JFK Airport consists of six passenger processing facilities, a mail facility, 39 airline warehouses, 82 container stations, 15 bonded warehouses and 2 Foreign Trade Zones located on or around the airport. The current lease at Building 77 expired on 6/18/2012. GSA will execute an interim leasing action necessary to ensure continued housing until the effective date of the new lease.

Justification

A location on or near the JFK Airport property is essential to CBP's mission of servicing the broker community in a timely manner on the airport premises. Close access to the airport tarmac is essential to the agency's law enforcement mission.

CBP will improve its utilization of space, resulting in the improvement of its office utilization rate from 134 usable square feet (USF) to 113 USF per person and its overall utilization rate from 236 USF to 200 USF per person. The end product of improved space utilization is the prospectus proposal to house an additional 98 personnel in the same amount of space as the current occupancy.

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Request for Lease Proposals and other documents related to the procurement of space based on the approved prospectus. GSA encourages offerors to work with energy service providers to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rate of 75 or higher.

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

**PROSPECTUS – LEASE
DEPARTMENT OF DEFENSE
ZACHARY TAYLOR BUILDING
NORTHERN VIRGINIA**

Prospectus Number: PVA-04-WA13

Congressional District: 8,10,11

Executive Summary

The General Services Administration (GSA) proposes a replacement lease of up to 585,000 rentable square feet (RSF) for the Department of Defense (DOD), currently located at the Zachary Taylor Building, 2530 Crystal Drive, Arlington, Virginia. DOD has a continuing, long-term need for space to meet its mission requirements in Northern Virginia. It will continue to maintain a highly efficient office space utilization rate of 108 and an overall space utilization of 163 usable square feet per person.

Acquisition Strategy

In order to maximize the flexibility in acquiring space to house the DOD, GSA may issue a single, multiple award solicitation that will allow offerors to provide blocks of space able to meet the requirements in whole or in part. All offers must provide space consistent with the delineated area defined by this prospectus in the description that follows.

Description

Occupant:	Department of Defense
Lease Type	Replacement
Current Rentable Square Feet (RSF)	549,317 (Current RSF/USF = 1.13)
Proposed Maximum RSF ¹ :	585,000 (Market RSF/USF = 1.2)
Expansion Space RSF:	None
Current Usable Square Feet/Person:	163
Proposed Usable Square Feet/Person:	163
Proposed Maximum Leasing Authority:	15 years
Expiration Dates of Current Leases:	4/30/13, 12/9/14
Delineated Area:	Northern Virginia
Number of Official Parking Spaces ² :	10
Scoring:	Operating Lease

¹ The RSF/USF at the current location is approximately 1.13. The proposed maximum RSF does not represent expansion space but the amount needed to provide 487,019 USF as indicated on the housing plan in buildings having an RSF/USF as high as 1.20 in order to maximize competition.

² DOD security requirements may necessitate control of the parking at the leased location. This may be accomplished as a lessor-furnished service, under an operating agreement with the lessor, or as part of the Government's leasehold interest in the building(s).

Current Total Annual Cost:	\$20,020,180 (leases effective 5/1/03 and 12/1004)

Justification

The leases at 2530 Crystal Drive, Arlington, VA expire on April 30, 2013 (524,867 RSF) and December 9, 2014 (24,450 RSF), and DOD requires continued housing to carry out its mission.

The maximum proposed rental rate in this prospectus is a projected rate for lease transactions with a future effective (rent start) date consistent with the expiration of the current leases on April 30, 2013 and December 9, 2014. GSA will conduct the procurement using prevailing market rental rates as a benchmark for the evaluation of competitive offers and as a basis for negotiating with offerors to ensure that lease award is made in the best interest of the Government. Lease award shall not exceed the maximum rental rate as specified in this prospectus.

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Request for Lease Proposals and other documents related to the procurement of space based on the approved prospectus. GSA encourages offerors to work with energy service providers to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rating of 75 or higher.

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

³ This estimate is for fiscal year 2013 and may be escalated by 1.75 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced including all operating expenses whether paid by the lessor or directly by the Government.

⁴ Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs.

GSAPBS

**PROSPECTUS — LEASE
DEPARTMENT OF DEFENSE

Interim Leasing

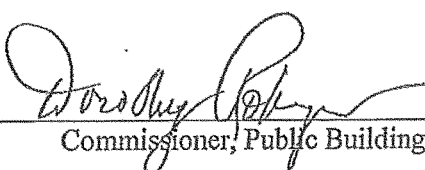

GSA will execute such interim leasing actions as are necessary to ensure continued housing of the tenant agency prior to the effective date of the new lease. It is in the best interest of the Government to avert the financial risk of holdover tenancy.

Certification of Need

The proposed project is the best solution to meet a validated Government need.

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for a replacement lease of up to 448,000 rentable square feet of space, including 11 parking spaces, for the Department of Defense, Department of the Army, currently located at 200 Stovall Street, Alexandria, Virginia, at a proposed total annual cost of \$17,472,000 for a lease term of up to 15 years, a prospectus for which is attached to and included in this resolution.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, the Administrator of General Services and tenant agencies agree to apply an overall utilization rate of 176 square feet or less per person.

Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in an overall utilization rate of 176 square feet or higher per person.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

**PROSPECTUS – LEASE
DEPARTMENT OF DEFENSE
HOFFMAN II
NORTHERN VIRGINIA**

Prospectus Number: PVA-06-WA13

Congressional District: 8,10,11

Executive Summary

The General Services Administration (GSA) proposes a replacement lease of up to 448,000 rentable square feet (RSF) of space for the Department of Defense (DoD) Department of the Army, located at Hoffman II, 200 Stovall St, Alexandria, VA. The two leases for DoD, effective in 2000 and 2004 expire April 19, 2014.

DoD will improve its utilization of space, resulting in the improvement of its office utilization rate from 178 usable square feet (USF) to 111 USF per person and its overall utilization rate from 261 USF to 176 USF per person. As a result, this prospectus proposes to house DoD personnel in approximately 158,000 RSF less space than their current occupancy of 606,575 RSF.

Description

Occupants:	DoD
Lease Type:	Replacement
Current RSF:	606,575 (Current RSF/USF = 1.09)
Proposed Maximum (RSF):	448,000 (Proposed RSF/USF = 1.20)
Expansion Space: ¹	Reduction of 158,575 RSF
Current USF/Person:	261
Proposed USF/Person:	176
Proposed Maximum Leasing Authority:	15 years
Expiration Dates of Current Leases	4/19/14
Delineated Area:	Northern Virginia
Number of Official Parking Spaces ² :	11
Scoring:	Operating lease
Maximum Proposed Rental Rate ³ :	\$39.00
Proposed Total Annual Cost ⁴ :	\$17,472,000

¹ The RSF/USF at the current location is approximately 1.09, however to maximize competition a RSF/USF ratio of 1.2 is used for the proposed maximum RSF as indicated in the housing plan.

² The Department of Defense security requirements may necessitate control of the parking at the leased location. This may be accomplished as a lessor-furnished service, as a separate operating agreement with the lessor, or as part of the Government's leasehold interest in the building.

³ This estimate is for fiscal year 2014 and may be escalated by 1.75 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced including all operating expenses whether paid by the lessor or directly by the Government.

⁴ Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs.

GSAPBS

**PROSPECTUS – LEASE
DEPARTMENT OF DEFENSE
HOFFMAN II
NORTHERN VIRGINIA**

Prospectus Number: PVA-06-WA13

Congressional District: 8,10,11

Current Total Annual Cost:	\$17,660,326 (leases effective 3/3/00 and 4/20/04)
----------------------------	---

Justification

The current leases at Hoffman II, 200 Stovall St in Alexandria, VA, expire on April 19, 2014, and DoD requires continued housing to carry out its mission. The proposed replacement lease(s) will significantly improve the utilization of space to house this DoD requirement.

The maximum proposed rental rate in this prospectus is a projected rate for lease transactions with a future effective (rent start) date consistent with the expiration of the current leases on April 19, 2014. GSA will conduct the procurement using prevailing market rental rates as a benchmark for the evaluation of competitive offers and as a basis for negotiating with offerors to ensure that lease award is made in the best interest of the Government. Lease award shall not exceed the maximum rental rate as specified in this prospectus.

Acquisition Strategy

In order to maximize the flexibility in acquiring space to house the DoD, GSA may issue a single, multiple award solicitation that will allow offerors to provide blocks of space able to meet the requirements in whole or in part. All offers must provide space consistent with the delineated area defined by this prospectus in the description that follows.

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Request for Lease Proposals and other documents related to the procurement of space based on the approved prospectus. GSA encourages offerors to work with energy service providers to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rating of 75 or higher.

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

Executive Summary

The General Services Administration (GSA) proposes a consolidation and expansion lease of 169,000 rentable square feet (RSF) for the U.S. Customs and Border Protection (CBP), National Targeting Centers (NTC) currently housed at 12825 Worldgate Plaza, Reston, VA and 12379 Sunrise Valley Drive, Herndon, VA. The new lease will provide a facility that accommodates NTC's programmatic and personnel growth and functionally integrates NTC's two operational units – NTC Passenger and NTC Cargo.

Description

Occupant:	DHS / CBP / NTC
Lease Type:	Consolidation
Current RSF	90,574 (Current RSF/USF=1.11)
Proposed Maximum RSF	169,000 (Proposed RSF/USF=1.2)
Expansion Space: ¹	78,426 RSF
Current USF/ Person:	166
Proposed USF/ Person:	207
Proposed Maximum Leasing Authority:	15 years
Expiration Dates of Current Leases:	4/9/13 and 3/11/17
Delineated Area:	Northern Virginia / Dulles Corridor, (Rte 7 to the North / Rte 267 to the East / Rte 50 to the south / Rte 28 to the West)
Number of Official Parking Spaces: ²	33
Scoring:	Operating lease
Maximum Proposed Rental Rate: ³	\$39.00
Proposed Total Annual Cost: ⁴	\$6,591,000
Current Total Annual Cost:	\$2,683,842 (leases effective 12/26/02 and 3/12/07)

¹ Expansion space is required to accommodate additional seats and special space detailed in the housing plan.

² Security requirements may necessitate control of available parking at the location leased. This may be accomplished as a lessor-furnished service, as a separate operating agreement with the lessor, or as part of the Government's leasehold interest in the building.

³ This estimate is for fiscal year 2016 and may be escalated by 1.75 percent annually to the effective date of the lease to account for inflation.

⁴ Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs.

GSAPBS

**PROSPECTUS – LEASE
DEPARTMENT OF HOMELAND SECURITY
U.S. CUSTOMS AND BORDER PROTECTION
NATIONAL TARGETING CENTERS
NORTHERN VIRGINIA**

Prospectus Number: PVA-07-WA13
Congressional Districts: 8, 10, 11

Background

NTC is currently housed in two locations along the Dulles Corridor of Northern Virginia. NTC's mission is to screen inbound and outbound airline passengers and shipping cargo to protect the United States from terrorist threats.

NTC-Passenger unit (NTC-P) was established in November 2001 and has been in its current Reston location since 2003. Its primary function is to support CBP's priority mission to prevent terrorists and terrorist weapons from entering or exiting the United States, while simultaneously facilitating legitimate trade and travel. Working relationships include the Coast Guard, U.S. Immigration and Customs Enforcement (ICE), Transportation Security Administration (TSA) including the Federal Air Marshal Service, Federal Bureau of Investigation, the Department of State, and international organizations such as Interpol, the Canadian National Risk Assessment Centre, and the Joint Border Operations Centre – United Kingdom.

NTC-Cargo unit (NTC-C) was created to target high risk cargo shipments that may pose a threat to the internal security of the United States. Its primary function is similar to NTC-P in support of CBP's mission. The unit partners internationally with customs units in other countries around the world as well as many other federal agencies such as the TSA, the Food and Drug Administration and ICE.

The NTC operational mission supports the White House initiative on Travel and Tourism in its work with Visa Application vetting. The NTC consolidation also supports the White House initiative on Global Supply Chain Security to promote the efficient and secure movement of goods, protecting the supply chain from exploitation and reducing its vulnerabilities to disruption.

Justification

This proposed lease action will house the expanded and consolidated NTC consisting of NTC-P and NTC-C. It will accommodate NTC's expected personnel growth as a result of programmatic expansion and growth in special space that is required for the increased programs.

The consolidation of these two units into a single location is intended to provide greater efficiencies for each group and provide additional space to accommodate programmatic growth. The special space currently occupied by the centers is insufficient for NTC to effectively fulfill its mission. NTC-C does not currently have immediate access to certain types of space located

Congressional Districts: 8, 10, 11

within NTC-P; this inhibits the sharing of data between the two organizations. Also, the NTC-P has grown from its initial complement of 20 personnel in 2001 to the current level of 307; NTC-C has also grown from approximately 40 personnel in 2007 when it was established to the current level of 407. From FY2011 through FY2013, both units of the NTC are expected to grow to a total of 1,132 employees, 680 of whom will be on shift work at any given time as noted in the Housing Plan. The additional personnel require increased special space for certain operations, security areas, fitness center and locker rooms for law enforcement personnel, and LAN (Local Area Network) rooms for both classified and unclassified material. All of these are in direct support of the time sensitive nature of operations at the NTC. Both units have been given increasingly greater responsibility during the past two years in response to incidents such as the Northwest Airlines passenger with explosive materials in his clothing in December 2009, the attempted bombing of Times Square in May 2010, and the explosives shipped in printer cartridges in October 2010, but thwarted in the United Kingdom and the UAE due to international partnerships established by the NTC.

Housing NTC-P and NTC-C in separate facilities increases the risk that a passenger or cargo related terrorist threat will not be discovered in time enough to protect our national security. Interdicting terrorist travelers or cargo requires time sensitive operations. A passenger threat often leads to a cargo threat that must immediately be evaluated. Consolidating NTC-P and NTC-C will enable NTC to more quickly pursue potential links between passenger and cargo cases. In its current state NTC-C has to travel to NTC-P when it needs to use certain space not currently available to it. For emergent events minutes can be critical.

The proposed Dulles Corridor delineated area allows the NTC to remain in proximity to other intelligence and targeting groups of the Federal government and maintain proximity to telecommunications trunk lines in the Dulles Corridor, and Dulles Airport.

The maximum proposed rental rate in this prospectus is a projected rate for lease transactions with a future effective (rent start) date of the proposed new lease. GSA will conduct the procurement using prevailing market rental rates as a benchmark for the evaluation of competitive offers and as a basis for negotiating with offerors to ensure that lease award is made in the best interest of the Government. Lease award shall not exceed the maximum rental rate as specified in this prospectus.

Executive Summary

The General Services Administration (GSA) proposes a lease extension for 133,895 rentable square feet of space the Department of Health and Human Services (HHS), Agency for Healthcare Research and Quality (AHRQ). AHRQ is currently located at 540 Gaither Road, Rockville, Maryland, under a lease that expires March 22, 2013. AHRQ is planning to move to the Parklawn Building, located at 5600 Fishers Lane, Rockville, MD, which is scheduled to be ready for occupancy between August 2015 and 2017. AHRQ is scheduled to move to the Parklawn Building between January and March 2017. GSA is seeking a five-year lease extension to allow AHRQ to remain in place prior to the move and to provide flexibility in the event of schedule delays at Parklawn. GSA will attempt to negotiate termination rights into the lease agreement to accommodate the long term housing solution at the Parklawn Building.

The proposed space utilization rate at 540 Gaither Road is higher than the HHS overall space utilization standard of 170 USF/person. Space realignment and utilization rate improvement is not cost-effective or feasible for the proposed short-term lease extension at the current location. It would also be highly disruptive to AHRQ's continuing performance of its mission. However, the agency's planned occupancy of the Parklawn Building will be fully consistent with the applicable HHS space utilization standard.

Description

Occupant:	HHS-AHRQ
Lease Type:	Extension
Current Rentable Square Feet (RSF):	133,895 (Current RSF/USF = 1.07)
Proposed Maximum RSF:	133,895 (Proposed RSF/USF = 1.07)
Expansion Space RSF:	None
Current Usable Square Feet/Person:	278
Proposed Usable Square Feet/Person:	268
Proposed Maximum Leasing Authority:	5 years
Expiration Date(s) of Current Lease(s):	3/22/13
Delineated Area:	540 Gaither Road, Rockville, MD
Number of Official Parking Spaces:	7
Scoring:	Operating lease

GSAPBS

**PROSPECTUS – LEASE
DEPARTMENT OF HEALTH AND HUMAN SERVICES
AGENCY FOR HEALTHCARE RESEARCH AND QUALITY
SUBURBAN MARYLAND**

Prospectus Number: PMD-04-WA13

Congressional District: 8

Maximum Proposed Rental Rate ¹ :	\$35.00
Proposed Total Annual Cost ² :	\$4,686,325
Current Total Annual Cost:	\$3,762,143 (Lease effective 3/23/2003)

Background

AHRQ's mission is to improve the quality, safety, efficiency, and effectiveness of health care for all Americans. As one of 12 agencies within the Department of Health and Human Services, AHRQ supports research that helps people make more informed decisions and improves the quality of health care services. AHRQ was formerly known as the Agency for Health Care Policy and Research.

Justification

The current AHRQ lease at 540 Gaither Road, Rockville, Maryland expires on March 22, 2013. AHRQ plans to move to the Parklawn Building which is currently under renovation. AHRQ will require continued housing to carry out its mission prior to this move. GSA will extend AHRQ's current leasehold tenancy and attempt to negotiate termination rights into the lease agreement to accommodate the long term housing solution at the Parklawn Building.

The maximum proposed rental rate in this prospectus is a projected rate for lease transactions with a future effective (rent start) date consistent with the expiration of the current lease in March 2013. However, this proposed short-term lease extension does not require new tenant space build-out or upgrades needed for a long-term occupancy. GSA will conduct the procurement using prevailing market rental rates as a benchmark and basis for negotiating with the current lessor to ensure that lease award is made in the best interest of the Government. Lease award shall not exceed the maximum rental rate as specified in this prospectus.

¹ This estimate is for fiscal year 2013 and may be escalated by 1.65 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced including all operating expenses whether paid by the lessor or directly by the Government.

² Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs.

GSAPBS

**PROSPECTUS – LEASE
DEPARTMENT OF HEALTH AND HUMAN SERVICES
AGENCY FOR HEALTHCARE RESEARCH AND QUALITY
SUBURBAN MARYLAND**

Prospectus Number: PMD-04-WA13
Congressional District: 8

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

Interim Leasing

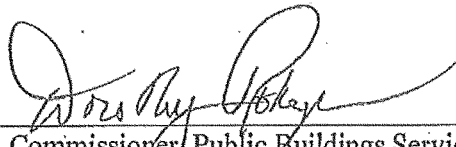

GSA will execute such interim leasing actions as are necessary to ensure continued housing of the tenant agency prior to the effective date of the new lease. It is in the best interest of the Government to avert the financial risk of holdover tenancy.

Certification of Need

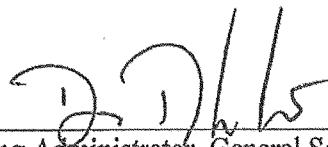

The proposed project is the best solution to meet a validated Government need.

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for a lease extension of up to 228,020 rentable square feet of space, including eight parking spaces, for the Department of Health and Human Services, Substance Abuse and Mental Health Services Administration, currently located at 1 Choke Cherry Road, Rockville, Maryland, at a proposed total annual cost of \$7,980,700 for a lease term of up to two years, a prospectus for which is attached to and included in this resolution.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, the Administrator of General Services and tenant agencies agree to apply an overall utilization rate of 242 square feet or less per person.

Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in an overall utilization rate of 242 square feet or higher per person.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

Executive Summary

The General Services Administration (GSA) proposes a lease extension of up to 228,020 rentable square feet for the Department of Health and Human Services (HHS), Substance Abuse and Mental Health Services Administration (SAMHSA). SAMHSA is currently located at 1 Choke Cherry Road, Rockville, Maryland under a lease that expires August 26, 2014. SAMHSA is planning to move to the Parklawn Building, located at 5600 Fisher's Lane, Rockville, MD, which is scheduled to be ready for occupancy between August 2015 and 2017. SAMHSA is scheduled to move to the Parklawn Building between July and September 2015. GSA is seeking a two-year lease extension to allow SAMSHA to remain in place prior to the move and to provide flexibility in the event of schedule delays at Parklawn. GSA will attempt to negotiate termination rights into the lease agreement to accommodate the long term housing solution at the Parklawn Building.

The proposed space utilization rate at 1 Choke Cherry Road is higher than the HHS overall space utilization standard of 170 USF/person. Space realignment and utilization rate improvement is not cost-effective or feasible for the proposed short-term lease extension at the current location. It would also be highly disruptive to SAMHSA's continuing performance of its mission. However, the agency's planned occupancy of the Parklawn Building will be fully consistent with the applicable HHS space utilization standard.

Description

Congressional District: 8

Proposed Total Annual Cost ² :	\$7,980,700
Current Total Annual Cost:	\$5,329,954 (Lease effective 8/27/2004)

Background

SAMHSA is responsible for improving the delivery and effectiveness of substance abuse and mental health services to the American public. SAMHSA is a national leader in advancing effective services to persons with addictive and mental disorders and has stewardship over important interventions affecting personal, community, institutional, and social values.

Justification

The current lease at 1 Choke Cherry Road, Rockville, Maryland expires on August 26, 2014. SAMHSA plans to move to the Parklawn Building which is currently under renovation. SAMHSA will require continued housing to carry out its mission prior to the Parklawn move. GSA will attempt to negotiate termination rights into a lease agreement to provide a flexible transition for SAMHSA's long-term housing solution.

The maximum proposed rental rate in this prospectus is a projected rate for lease transactions with a future effective (rent start) date consistent with the expiration of the current lease in August 2014. However, this proposed short-term lease extension does not require new tenant space build-out or upgrades needed for a long-term occupancy. GSA will conduct the procurement using prevailing market rental rates as a benchmark and basis for negotiating with the current lessor to ensure that lease award is made in the best interest of the Government. Lease award shall not exceed the maximum rental rate as specified in this prospectus.

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

GSAPBS

**PROSPECTUS – LEASE
DEPARTMENT OF DEFENSE
NORTHERN VIRGINIA**

Prospectus Number: PVA-04-WA12
Congressional District: 8,10,11

Executive Summary

The General Services Administration (GSA) proposes a replacement lease of up to 281,000 rentable square feet for the Department of Defense (DOD), currently located in the Suffolk Building, 5611 Columbia Pike, Falls Church, VA. DOD has a continuing, long-term need for space to meet its mission requirements in Northern Virginia. Notwithstanding a highly efficient office space utilization rate of 114 usable square feet per person, DOD requires a significant amount of critical special space, resulting in the overall space utilization of 264 usable square feet per person. The space is required due to the unique needs of DOD including 48,000 usf of Sensitive Compartmented Information Facility (SCIF) space.

The proposed total annual cost indicated below reflects the adjustment to current market conditions of a lease that will be almost 10 years old at expiration. GSA anticipates that a competitive procurement will result in a lower actual total annual cost. The proposed maximum RSF does not represent expansion space but the amount of space needed to provide 233,925 USF as indicated on the housing plan in buildings having an RSF/USF as high as 1.2 in order to maximize competition.

The maximum proposed rental rate in this prospectus is a projected rate for lease transactions with a future effective (rent start) date consistent with the expiration of the current lease on June 30, 2013. GSA will conduct the procurement using prevailing market rental rates as a benchmark for the evaluation of competitive offers and as a basis for negotiating with offerors to ensure that lease award is made in the best interest of the Government.

Description

Occupants:	DOD
Lease Type:	Replacement
Current Rentable Square Feet (RSF):	258,248 (Current RSF/USF=1.1)
Proposed Maximum RSF:	281,000 (Market RSF/USF=1.2)
Expansion Space ¹ :	None
Current Usable Square Feet/Person:	264
Proposed Usable Square Feet/Person ² :	264
Proposed Maximum Leasing Authority:	15 years
Expiration Date of Current Lease:	06/30/13
Proposed Delineated Area:	Northern Virginia
Number of Official Parking Spaces:	51

¹ The RSF/USF at the current location is approximately 1.10.

² The proposed usable square feet/person metric is consistent with recent DOD prospectus-level requirements in GSA's Fiscal Year 2011 program.

Maximum Proposed Rental Rate ³ :	\$39.00
Proposed Total Annual Cost ⁴ :	\$10,959,000
Current Total Annual Cost:	\$7,006,091 (lease effective 2003)

Background

The Suffolk Building, was constructed in 1964 and renovated in 2003. DOD has occupied space in this building under the current lease since December 16, 2003.

Justification

The current lease for space in the Suffolk Building expires June 30, 2013, and DOD requires continued housing to carry out its mission.

Summary Of Energy Compliance

GSA will incorporate energy efficiency requirements into the Solicitation for Offers and other documents related to the procurement of space for which this prospectus seeks authorization. GSA encourages offerors to work with energy service providers to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rating of 75 or higher.

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

³This estimate is for fiscal year 2013 and may be escalated by 1.75 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced including all operating expenses whether paid by the lessor or directly by the Government. Operating rate would include a standard one shift operation, minimum 10 hours.

⁴Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs. The proposed total annual cost is based on the Northern Virginia program rental rate of \$39/RSF multiplied by the proposed maximum 281,000 RSF, as discussed in footnote 1, above.

There was no objection.

PRESERVING THE RIGHT TO BEAR ARMS

(Mr. WILLIAMS asked and was given permission to address the House for 1 minute.)

Mr. WILLIAMS. Mr. Speaker, I am a proud supporter of the right to keep and bear arms. I am appalled by the President's attempts to erode our constitutional freedoms and impress his will by executive order. Our Founding Fathers would not have imagined that the right they listed second in the Bill of Rights, the right to bear arms, would be systematically attacked.

My opposition to what the President has proposed is based on the fact that his plan is not only unconstitutional, it is not effective. The Federal Government has tried a ban on these weapons before, and it did not work.

The National Institute of Justice states that "there has been no discernible reduction in the lethality and injuriousness of gun violence" due to the 1994 assault weapons ban. Gun control laws do not make our communities safer. They do not take firearms from criminals but, rather, from law-abiding citizens.

Second, the phrase "assault weapons ban" is a term of art. These are semi-automatic guns that essentially shoot the same kind of bullets as small-game hunting rifles. Simply put, these are hunting rifles made to look like a military gun. Banning it for cosmetic reasons doesn't make sense and won't save any more lives.

Third, banning large capacity magazines will do little to stop criminals. Any gun that uses a magazine can use a magazine of any size. That's true of rifles and handguns. So-called "assault weapons" are not any different.

In the end, if the President wants to begin a national dialogue about stopping violence, he shouldn't start by taking away our rights as citizens. I am willing to work with the President and my colleagues on both sides of the aisle to find a real solution to the challenges we face, but that solution will have to look at all the issues involved. But perhaps the most important part of the solution is restoring a culture of life in this country again.

May God bless America.

□ 1900

THE ACHIEVEMENTS OF WOMEN

(Ms. FUDGE asked and was given permission to address the House for 1 minute.)

Ms. FUDGE. Mr. Speaker, on Sunday, March 3, 2013, the women of Delta Sigma Theta Sorority, Incorporated, and other women's organizations led the reenactment of the historic Women's Suffrage march down Pennsylvania Avenue. In March 1913, Delta Sigma Theta's 22 founders engaged in their first public act by joining other

women in a "spirit of protest against the political organization of society from which women were excluded."

While we have achieved a great deal in the last 100 years, it is quite evident that our journey is not complete. Women still deserve equal pay for equal work. Women deserve to control their own reproductive rights.

We still have to fight for the rights of all Americans to participate in the electoral process. The struggle continues.

MS. MORGAN—THE TEACHER; KARA ALEXANDER—THE STUDENT

(Mr. POE of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POE of Texas. "Thank a Teacher." Mr. Speaker, we have all seen that bumper sticker.

I come from a family of teachers. My mother, mother-in-law, wife, and three of my four kids are teachers by profession.

When a special little girl, Kara, was in the third grade, she and her parents noticed her difficulty in processing words. Her speech pattern affected her self-esteem, her self-worth, and even her weight. Some kids made fun of her. Mrs. Morgan, the third grade teacher, was determined to help the little girl speak better.

With hard work, the little girl and teacher overcame the word problem. The student graduated as high school valedictorian. She obtained her bachelor's and master's degrees. She also obtained a Ph.D.

There is more. Today, that little girl received notice that she is tenured as an associate professor at Baylor University in the department of, yes, English. For you see, Kara Poe Alexander, our daughter, the little girl that had trouble talking, has a Ph.D. in English rhetoric, the study of words.

Congratulations, Kara, on being tenured faculty. And thank you, Mrs. Morgan, a teacher.

And that's just the way it is.

RECOGNIZING FRANCES PERKINS

(Ms. SCHAKOWSKY asked and was given permission to address the House for 1 minute.)

Ms. SCHAKOWSKY. Mr. Speaker, 80 years ago today, Frances Perkins was sworn in as Secretary of Labor. This is Women's History Month, and Frances Perkins certainly made history.

She was the first woman member in the history of the United States to be part of the Cabinet, and still holds the record as the longest serving Secretary of Labor. She brought us the Fair Labor Standards Act, giving working women and men fair wages, limits on overtime, and the right to organize. She was the architect of the Social Security Act.

Frances Perkins helped bring us out of the Great Depression. And as we

come out of the Great Recession, we need to ask what Frances Perkins would do today.

She would fight to raise the minimum wage. Almost two-thirds of all minimum-wage workers are women. Many are the sole breadwinners for their families. She would defend Social Security against those who want to cut its very modest benefits.

So today, we take time to remember Frances Perkins. Her message is still relevant today. Our Nation is stronger if we give working women—and men—fair opportunities and treatment.

PASSING THE SAFE SCHOOLS ACT

(Mr. STOCKMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. STOCKMAN. Mr. Speaker, the first high-profile school shooting in modern memory occurred in Stockton, California, where a gunman took the lives of five innocent children and injured 29 others.

Robert Young, just 7 years old at that time, was one of the injured. He came up here last week to talk about gun control. This is part of his testimony:

I remember what it sounded like, as the bullets flew past my body. I remember the feeling of my feet literally being swept out from under me as a round traveled through my right foot. I remember the slap of the round that hit the pavement an inch or so in front of me, prior to lodging itself in the left side of my chest.

Today, Rob is a sworn law enforcement officer in the State of California. He came to Washington, not to urge Congress to pass more gun control, but to exhort this body to protect the Second Amendment.

In the 22 years prior to the 1990 enactment of federally dictated "gun-free school zones," there were only two mass shootings on school or university campuses. In the 22 years since, there have been 10, a five-fold increase. Not only have so-called "gun-free school zones" proven not to be "gun free," they appear to have placed our children in even greater danger.

The time has come to end this very deadly experiment of disarming peaceable, law-abiding citizens near schools. That's why I introduced H.R. 35, the Safe Schools Act, to repeal these deadly, so-called "gun-free school zones."

Law-abiding adults, including parents, teachers, and administrators who are allowed in their States to carry a firearm, should not be required to be disarmed. Our children are too precious to be turned into unprotected, soft targets for dangerous people. Passing the Safe Schools Act is the first step toward protecting our children.

COMMEMORATING THE LEGACY OF JEANNETTE RANKIN

(Ms. EDWARDS asked and was given permission to address the House for 1 minute.)
