Whereas the United Nations Secretary-General announced a plan to eliminate cholera from the island of Hispaniola through enhanced treatment and prevention efforts and through the development of clean water and sanitation infrastructure that is accessible to all people in Haiti;

Whereas gender-based violence against women and girls in Haiti continues to be a chronic problem, and judicial barriers that have prevented victims from finding redress remain a significant issue of concern;

Whereas, in 2012 alone, Haiti faced a long drought period and 2 major tropical storms that destroyed 70 percent of agricultural crops in Haiti, impacting the lives of millions of people in Haiti facing food insecurity and further crippling the economy of Haiti;

Whereas the sustained assistance to Haiti from the United States and the international community bolsters the efforts of the Government of Haiti to confront these challenges; and
