TEXT OF AMENDMENTS

SA 741. Mr. REID (for Mr. ENZI (for himself, Mr. DURBIN, Mr. ALEXANDER, and Ms. HEITKAMP)) proposed an amendment to the bill S. 743, to restore States' sovereign rights to enforce State and local sales and use tax laws, and for other purposes; as follows:

Beginning on page 2, line 10, strike "if the Streamlined" and all that follows through page 11, line 5, and insert the following:

if any changes to the Streamlined Sales and Use Tax Agreement made after the date of the enactment of this Act are not in conflict with the minimum simplification requirements in subsection (b)(2). A State may exercise authority under this Act beginning 180 days after the State publishes notice of the State's intent to exercise the authority under this Act, but no earlier than the first day of the calendar quarter that is at least 180 days after the date of the enactment of this Act.

(b) **ALTERNATIVE.**—A State that is not a Member State under the Streamlined Sales and Use Tax Agreement is authorized notwithstanding any other provision of law to require all sellers not qualifying for the small seller exception described in subsection (c) to collect and remit sales and use taxes with respect to remote sales sourced to that State, but only if the State adopts and implements the minimum simplification requirements in paragraph (2). Such authority shall commence beginning no earlier than the first day of the calendar quarter that is at least 6 months after the date that the State—

(1) enacts legislation to exercise the authority granted by this Act—

(A) specifying the tax or taxes to which such authority and the minimum simplification requirements in paragraph (2) shall apply; and

(B) specifying the products and services otherwise subject to the tax or taxes identified by the State under subparagraph (A) to which the authority of this Act shall not apply; and

(2) implements each of the following minimum simplification requirements:

(A) Provide—

(i) a single entity within the State responsible for all State and local sales and use tax administration, return processing, and audits for remote sales sourced to the State;

(ii) a single audit of a remote seller for all State and local taxing jurisdictions within that State; and

(iii) a single sales and use tax return to be used by remote sellers to be filed with the single entity responsible for tax administration.

A State may not require a remote seller to file sales and use tax returns any more frequently than returns are required for nonremote sellers or impose requirements on remote sellers that the State does not impose on nonremote sellers with respect to the collection of sales and use taxes under this Act. No local jurisdiction may require a remote seller to submit a sales and use tax return or to collect sales and use taxes other than as provided by this paragraph.

(B) Provide a uniform sales and use tax base among the State and the local taxing jurisdictions within the State pursuant to paragraph (1).

(C) Source all remote sales in compliance with the sourcing definition set forth in section 4(7).

(D) Provide—

(i) information indicating the taxability of products and services along with any product and service exemptions from sales and use tax in the State and a rates and boundary database;

(ii) software free of charge for remote sellers that calculates sales and use taxes due on each transaction at the time the transaction is completed, that files sales and use tax returns, and that is updated to reflect rate changes as described in subparagraph (H); and

(iii) certification procedures for persons to be approved as certified software providers.

For purposes of clause (iii), the software provided by certified software providers shall be capable of calculating and filing sales and use taxes in all States qualified under this Act.

(E) Relieve remote sellers from liability to the State or locality for the incorrect collection, remittance, or noncollection of sales and use taxes, including any penalties or interest, if the liability is the result of an error or omission made by a certified software provider.

(F) Relieve certified software providers from liability to the State or locality for the incorrect collection, remittance, or noncollection of sales and use taxes, including any penalties or interest, if the liability is the result of misleading or inaccurate information provided by a remote seller.

(G) Relieve remote sellers and certified software providers from liability to the State or locality for incorrect collection, remittance, or noncollection of sales and use taxes, including any penalties or interest, if the liability is the result of incorrect information or software provided by the State.

(H) Provide remote sellers and certified software providers with 90 days notice of a rate change by the State or any locality in the State and update the information described in subparagraph (D)(i) accordingly and relieve any remote seller or certified software provider from liability for collecting sales and use taxes at the immediately preceding effective rate during the 90-day notice period if the required notice is not provided.

(c) **SMALL SELLER EXCEPTION.**—A State is authorized to require a remote seller to collect sales and use taxes under this Act only if the remote seller has gross annual receipts in total remote sales in the United States in the preceding calendar year exceeding \$1,000,000. For purposes of determining whether the threshold in this section is met, the gross annual receipts from remote sales of 2 or more persons shall be aggregated if—

(1) such persons are related to the remote seller within the meaning of subsections (b) and (c) of section 267 or section 707(b)(1) of the Internal Revenue Code of 1986; or

(2) such persons have 1 or more ownership relationships and such relationships were designed with a principal purpose of avoiding the application of these rules.

SEC. 3. LIMITATIONS.

(a) **IN GENERAL.**—Nothing in this Act shall be construed as—

(1) subjecting a seller or any other person to franchise, income, occupation, or any other type of taxes, other than sales and use taxes;

(2) affecting the application of such taxes; or

(3) enlarging or reducing State authority to impose such taxes.

(b) **NO EFFECT ON NEXUS.**—This Act shall not be construed to create any nexus or alter the standards for determining nexus between a person and a State or locality.

(c) **NO EFFECT ON SELLER CHOICE.**—Nothing in this Act shall be construed to deny the ability of a remote seller to deploy and utilize a certified software provider of the seller's choice.

(1) licensing or regulating any person;

(3) subjecting any person to State or local taxes not related to the sale of products or services; or

(4) exercising authority over matters of interstate commerce.

TITLE II—DIGITAL GOODS AND SERVICES TAX FAIRNESS

SEC. 201. SHORT TITLE.

This title may be cited as the “Digital Goods and Services Tax Fairness Act of 2013”.

SEC. 202. MULTIPLE AND DISCRIMINATORY TAXES PROHIBITED.

No State or local jurisdiction shall impose multiple or discriminatory taxes on the sale or use of a digital good or a digital service.

SEC. 203. SOURCING LIMITATION.

Subject to section 206(a), taxes on the sale of a digital good or a digital service may only be imposed by a State or local jurisdiction whose territorial limits encompass the customer tax address.

SEC. 204. CUSTOMER TAX ADDRESS.

(a) **SELLER OBLIGATION.**—

(1) **IN GENERAL.**—Subject to subsection (e)(2), a seller shall be responsible for obtaining and maintaining in the ordinary course of business the customer tax address with respect to the sale of a digital good or a digital service, and shall be responsible for collecting and remitting the correct amount of tax for the State and local jurisdictions whose territorial limits encompass the customer tax address if the State has the authority to require such collection and remittance by the seller.

(2) **CERTAIN TRANSACTIONS.**—When a customer tax address is not a business location of the seller under clause (i) of section 207(2)(A)—

(A) if the sale is a separate and discrete transaction, then a seller shall use reasonable efforts to obtain a customer tax address, as such efforts are described in clauses (iii), (iv), and (v) of section 207(2)(A), before resorting to using a customer tax address as

determined by clause (vi) of such section 207(2)(A); and

(B) if the sale is not a separate and discrete transaction, then a seller shall use reasonable efforts to obtain a customer tax address, as such efforts are described in clauses (ii), (iii), (iv), and (v) of section 207(2)(A), before resorting to using a customer tax address as determined by clause (vi) of such section 207(2)(A).

(b) RELIANCE ON CUSTOMER-PROVIDED INFORMATION.—A seller that relies in good faith on information provided by a customer to determine a customer tax address shall not be held liable for any additional tax based on a different determination of that customer tax address by a State or local jurisdiction or court of competent jurisdiction, except if and until binding notice is given as provided in subsection (c).

(c) ADDRESS CORRECTION.—If a State or local jurisdiction is authorized under State law to administer a tax, and the jurisdiction determines that the customer tax address determined by a seller is not the customer tax address that would have been determined under section 207(2)(A) if the seller had the additional information provided by the State or local jurisdiction, then the jurisdiction may give binding notice to the seller to correct the customer tax address on a prospective basis, effective not less than 45 days after the date of such notice, if—

(1) when the determination is made by a local jurisdiction, such local jurisdiction obtains the consent of all affected local jurisdictions within the State before giving such notice of determination; and

(2) before the State or local jurisdiction gives such notice of determination, the customer is given an opportunity to demonstrate in accordance with applicable State or local tax administrative procedures that the address used is the customer tax address.

(d) COORDINATION WITH SOURCING OF MOBILE TELECOMMUNICATIONS SERVICE.—

(1) IN GENERAL.—If—

(A) a digital good or a digital service is sold to a customer by a home service provider of mobile telecommunications service that is subject to being sourced under section 117 of title 4, United States Code, or the charges for a digital good or a digital service are billed to the customer by such a home service provider; and

(B) the digital good or digital service is delivered, transferred, or provided electronically by means of mobile telecommunications service that is deemed to be provided by such home service provider under section 117 of such title,

then the home service provider and, if different, the seller of the digital good or digital service, may presume that the customer's place of primary use for such mobile telecommunications service is the customer tax address described in section 207(2)(B) with respect to the sale of such digital good or digital service.

(2) DEFINITIONS.—For purposes of this subsection, the terms “home service provider”, “mobile telecommunications service”, and “place of primary use” have the same meanings as in section 124 of title 4, United States Code.

(e) MULTIPLE LOCATIONS.—

(1) IN GENERAL.—If a digital good or a digital service is sold to a customer and available for use by the customer in multiple locations simultaneously, the seller may determine the customer tax addresses using a reasonable and consistent method based on the addresses of use as provided by the customer and determined in agreement with the customer at the time of sale.

(2) DIRECT CUSTOMER PAYMENT.—

(A) ESTABLISHMENT OF DIRECT PAYMENT PROCEDURES.—Each State and local jurisdic-

tion shall provide reasonable procedures that permit the direct payment by a qualified customer, as determined under procedures established by the State or local jurisdiction, of taxes that are on the sale of digital goods and digital services to multiple locations of the customer and that would, absent such procedures, be required or permitted by law to be collected from the customer by the seller.

(B) EFFECT OF CUSTOMER COMPLIANCE WITH DIRECT PAYMENT PROCEDURES.—When a qualified customer elects to pay tax directly under the procedures established under subparagraph (A), the seller shall—

(i) have no obligation to obtain the multiple customer tax addresses under subsection (a); and

(ii) not be liable for such tax, provided the seller follows the State and local procedures and maintains appropriate documentation in its books and records.

SEC. 205. TREATMENT OF BUNDLED TRANSACTIONS AND DIGITAL CODES.

(a) BUNDLED TRANSACTION.—If a charge for a distinct and identifiable digital good or a digital service is aggregated with and not separately stated from one or more charges for other distinct and identifiable goods or services, which may include other digital goods or digital services, and any part of the aggregation is subject to taxation, then the entire aggregation may be subject to taxation, except to the extent that the seller can identify, by reasonable and verifiable standards, one or more charges for the nontaxable goods or services from its books and records kept in the ordinary course of business.

(b) DIGITAL CODE.—The tax treatment of the sale of a digital code shall be the same as the tax treatment of the sale of the digital good or digital service to which the digital code relates.

(c) RULE OF CONSTRUCTION.—The sale of a digital code shall be considered the sale transaction for purposes of this title.

SEC. 206. NO INFERENCE.

(a) CUSTOMER LIABILITY.—Subject to the prohibition provided in section 202, nothing in this title modifies, impairs, supersedes, or authorizes the modification, impairment, or supersession of any law allowing a State or local jurisdiction to impose tax on and collect tax directly from a customer based upon use of a digital good or digital service in such State.

(b) NON-TAX MATTERS.—This title shall not be construed to apply in, or to affect, any non-tax regulatory matter or other context.

SEC. 7. SENSE OF THE SENATE REGARDING RETIREMENT SAVINGS.

(a) FINDINGS.—Congress makes the following findings:

(1) The Social Security Board of Trustees projects that the combined Old-Age and Survivors Insurance (OASI) and the Disability Insurance (DI) trust funds will be exhausted by 2033.

(2) The Social Security Board of Trustees also projects that after the OASI and DI trust funds are exhausted, incoming receipts will only be able to cover around 75 percent of the scheduled annual benefits in 2033.

(3) Employer-based retirement savings, personal savings, and Social Security can combine to provide Americans with meaningful income replacement upon retirement.

(4) Defined contribution plans have a substantial impact on interstate commerce and are affected with a national interest.

(5) 67,000,000 participants are currently covered by approximately 670,000 private sector-defined contribution plans.

(6) The President’s budget proposal for fiscal year 2014 seeks to “limit an individual’s total balance across tax-preferred accounts to an amount sufficient to finance an annuity of not more than \$205,000 per year in retirement, or about \$3,000,000 for someone retiring in 2013.”.

(7) The President’s proposal targets private sector-defined contribution plans while providing no cap on government-defined benefit and pension plans.

(8) Savings in traditional retirement accounts are invested and grow tax free, but the money is fully taxed during the withdrawal phase.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that the Government of the United States—

(1) should not endeavor to define reasonable levels of retirement savings for individuals and their families;

(2) should not limit the balances of traditional IRA, Roth IRA, 401(k), and defined contribution plans; and

(3) should encourage individuals to responsibly save and invest for their retirement.
