SUBMITTED RESOLUTIONS

SENATE RESOLUTION 128—EXPRESSING THE SENSE OF THE SENATE THAT SUPPORTING SENIORS AND INDIVIDUALS WITH DISABILITIES IS AN IMPORTANT RESPONSIBILITY OF THE UNITED STATES, AND THAT A COMPREHENSIVE APPROACH TO EXPANDING AND SUPPORTING A STRONG HOME CARE WORKFORCE AND MAKING LONG-TERM SERVICES AND SUPPORTS AFFORDABLE AND ACCESSIBLE IN COMMUNITIES IS NECESSARY TO UPHOLD THE RIGHT OF SENIORS AND INDIVIDUALS WITH DISABILITIES IN THE UNITED STATES TO A DIGNIFIED QUALITY OF LIFE

Mr. HARKIN (for himself, Mrs. MURRAY, and Mrs. GILLIBRAND) submitted the following resolution; which was referred to the Committee on Health, Education, Labor, and Pensions:

S. RES. 128

Whereas the aging of the baby boom generation will cause the number of individuals in the United States who are 65 years of age or older to increase from 40,000,000 to 70,000,000 during the next 2 decades;

Whereas 12,000,000 adults, nearly half of whom are under 65 years of age, need long-term services and supports due to functional limitations;

Whereas the decision of the Supreme Court in *Olmstead v. L.C.*, 527 U.S. 581 (1999), mandates the end of unnecessary segregation of individuals with disabilities in institutions, and requires that individuals with disabilities receive services in the most integrated setting appropriate to their needs;

Whereas the vast majority of individuals in the United States prefer to receive long-term services and supports in their homes so that they may continue to live independently and with dignity;

Whereas the costs of long-term services and supports for seniors and individuals with disabilities are high;

Whereas the great expense of long-term services and supports can affect all individuals, regardless of income;

Whereas 70 percent of individuals who are 65 years of age or older will need some form of long-term services and supports;

Whereas the number of individuals who need long-term services and supports is projected to grow from 12,000,000 to 27,000,000 by 2050;

Whereas there are approximately 3,200,000 workers in the direct care workforce, leaving a huge gap between the services needed and the size of the current workforce;

Whereas the United States is experiencing a jobs crisis, as 25,000,000 individuals are unemployed or underemployed;

Whereas home care is one of the fastest growing industries in the United States economy, providing critical daily care, services, and supports to millions of individuals and families across the country;

Whereas an estimated 1,800,000 additional home care workers will be needed during the next decade to serve the growing population of seniors and individuals with disabilities;

Whereas the quality of home care jobs is poor, with low wages, few benefits, high turnover, and a high level of job stress and hazards;

Whereas home care and personal assistance workers earn a median hourly wage of \$9.53, and nearly half of such workers live in households that also rely on public assistance;

Whereas approximately 55 percent of home care workers work part-time, and approximately 44 percent of those part-time workers would prefer to work more hours;

Whereas nearly 21 percent of the individuals who provide home care services were born outside the United States;

Whereas a stabilized home care workforce would lead to improved continuity and quality of long-term services and supports;

Whereas the issue of long-term services and supports is a critical issue for women, as 70 percent of individuals who need such care are women 65 years of age or older, 90 percent of paid caregivers are women, and 85 percent of family members and friends who informally provide care are women who often have to leave the paid workforce to provide such care, and thus are at a financial disadvantage during their working years and face a reduction in Social Security benefits when they retire; and

Whereas a comprehensive approach that focuses on job creation and job quality, workforce training, pathways to citizenship and career advancement, and support for individuals and families is necessary to build a strong home care workforce and make quality long-term services and supports affordable and accessible for all individuals in the United States: Now, therefore, be it

Resolved, That it is the sense of the Senate that a comprehensive approach to expanding and supporting a strong home care workforce and making long-term services and supports affordable and accessible in communities is necessary to uphold the right of seniors and individuals with disabilities in the United States to a dignified quality of life.

SENATE RESOLUTION 129—RECOGNIZING THE SIGNIFICANCE OF MAY 2013 AS ASIAN/PACIFIC AMERICAN HERITAGE MONTH AS AN IMPORTANT TIME TO CELEBRATE THE SIGNIFICANT CONTRIBUTIONS OF ASIAN AMERICANS AND PACIFIC ISLANDERS TO THE HISTORY OF THE UNITED STATES

Ms. HIRONO (for herself, Mr. HELLER, Mrs. BOXER, Mrs. MURRAY, Mr. WARNER, Mr. SCHATZ, Mr. BEGICH, and Mr. CARDIN) submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 129

Whereas the United States joins together each May to pay tribute to the contributions of generations of Asian Americans and Pacific Islanders who have enriched the history of the United States;

Whereas the history of Asian Americans and Pacific Islanders in the United States is inextricably tied to the story of the United States;

Whereas the Asian-American and Pacific Islander community is an inherently diverse population comprised of more than 45 distinct ethnicities and more than 100 language dialects;

Whereas, according to the Bureau of the Census, the Asian-American population grew faster than any other racial or ethnic group in the United States during the last decade, surging nearly 46 percent between 2000 and 2010, which is a growth rate 4 times faster than that of the total population of the United States;

Whereas the 2010 decennial census estimated that there are approximately 17,300,000 residents of the United States who identify as Asian and approximately 1,200,000 residents of the United States who identify themselves as Native Hawaiian or other Pacific Islander, making up nearly 6 percent of the total population of the United States;

Whereas the month of May was selected for Asian/Pacific American Heritage Month because the first immigrants from Japan arrived in the United States on May 7, 1843, and the first transcontinental railroad was completed on May 10, 1869, with substantial contributions from immigrants from China;

Whereas 2013 marks 70 years since the repeal of the Act of May 5, 1892 (27 Stat. 25, chapter 60) (commonly known as the “Geary Act” or the “Chinese Exclusion Act”), and 25 years since the passage of the Civil Liberties Act of 1988 (50 U.S.C. App. 1989b et seq.) that granted reparations to Japanese Americans interned during World War II, both cases in which Congress acted to address discriminatory laws that targeted people of Asian descent;

Whereas section 102 of title 36, United States Code, officially designates May as Asian/Pacific American Heritage Month and requests the President to issue an annual proclamation calling on the people of the United States to observe the month with appropriate programs, ceremonies, and activities;

Whereas, in 2013, the Congressional Asian Pacific American Caucus, a bicameral caucus of Members of Congress advocating on behalf of Asian Americans and Pacific Islanders, is composed of 40 Members, including 13 Members of Asian or Pacific Islander descent;

Whereas, in 2013, Asian Americans and Pacific Islanders are serving in State legislatures across the United States in record numbers, including in the States of Alaska, Arizona, California, Connecticut, Colorado, Georgia, Hawaii, Idaho, Maryland, Massachusetts, New York, Pennsylvania, Texas, Utah, Vermont, Virginia, and Washington;

Whereas the number of Federal judges who are Asian Americans or Pacific Islanders more than doubled between 2009 and 2013, reflecting a commitment to diversity in the Federal judiciary that has resulted in the confirmations of high caliber Asian-American and Pacific Islander judicial nominees;

Whereas there remains much to be done to ensure that Asian Americans and Pacific Islanders have access to resources and a voice in the Government of the United States and continue to advance in the political landscape of the United States; and

Whereas celebrating Asian/Pacific American Heritage Month provides the people of the United States with an opportunity to recognize the achievements, contributions, and history of Asian Americans and Pacific Islanders, and to appreciate the challenges faced by Asian Americans and Pacific Islanders: Now, therefore, be it

Resolved, That the Senate—

(1) recognizes the significance of May 2013 as Asian/Pacific American Heritage Month as an important time to celebrate the significant contributions of Asian Americans and Pacific Islanders to the history of the United States; and

(2) recognizes that the Asian-American and Pacific Islander community enhances the

rich diversity of and strengthens the United States.
