

promise give up on their dreams because they do not believe success is possible.

Over the past 20 years, Pride Foundation has worked to lift up future leaders by giving over \$3 million in educational scholarships to LGBT and allied students in Washington, Alaska, Idaho, Montana, and Oregon. They have provided these students with financial support, mentorship opportunities, and a community that focuses on generosity, encouragement, and acceptance. As Pride Foundation marks the 20th anniversary of their scholarship program and honors these students at the 2013 Scholarship Celebration Reception, I wish to congratulate this year's scholars on all their achievements.

Pride Foundation's longstanding determination to help students succeed mirrors the LGBT community's tireless efforts in the fight for equality. And as we commemorate this year's Pride Month, we should look back and celebrate the tremendous strides that we have made toward equality in Washington State and across the Northwest.

I join with many in Washington State in congratulating this year's Pride Foundation Scholars on all they have achieved so far. I look forward to seeing all they will accomplish as leaders in their communities. Although we have a long way to go to move our country in the right direction, working together we have accomplished so much. I am proud to stand up and fight for the LGBT community, and I will continue to make sure that your stories are heard in the Senate. Again, congratulations to the 2013 Pride Foundation Scholars. I look forward to seeing all you will accomplish in the years to come.●

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to the stabilization of Iraq that was declared in Executive Order 13303 of May 22, 2003, is to continue in effect beyond May 22, 2013.

Obstacles to the continued reconstruction of Iraq, the restoration and maintenance of peace and security in the country, and the development of political, administrative, and economic institutions in Iraq continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United States.
