

memorializing the United States Congress to take whatever actions necessary to encourage and support reunification of Ireland; to the Committee on Foreign Relations.

#### SENATE CONCURRENT RESOLUTION NO. 21

Whereas, Ireland is an ancient and distinct land, an island-nation artificially rendered in two in 1922; partitioned by the Government of Ireland Act as an independent Irish state and Northern Ireland which remained a dominion of the United Kingdom; and

Whereas, the partition divided the nation into Northern Ireland, which is composed of six counties and is one of the four constituent countries of the British Crown, and Southern Ireland, which consists of the remaining twenty-six counties and which eventually became the Republic of Ireland in 1949; and

Whereas, the Belfast Agreement, also known as the Good Friday Agreement, was ratified by the Irish and British governments on April 10, 1998, as was successfully negotiated with support from the United States; and

Whereas, the Good Friday Agreement represents a fundamental political advance that created a framework and a mechanism for further political development toward the final resolution of the issue and reunification; and

Whereas, today with self determination, the Irish Republic enjoys an unencumbered economic future as a viable member of the European Union; and

Whereas, the time has come to bring about a seamless resolution of the partition of Ireland in favor of a more united, sovereign nation that guarantees equal rights and equal opportunities for all of its citizens; and

Whereas, in every area that affects the overall well-being of the Irish people, including their economy, education, health, governance, and social interaction, a united Ireland proffers the best opportunity for peace and prosperity for a divided Irish population; Now, therefore, be it

*Resolved*, That the Legislature of Louisiana memorializes the Congress of the United States to take whatever actions necessary to encourage and support the reunification of Ireland, and be it further

*Resolved*, That a copy of this Resolution shall be transmitted to the secretary of the United States Senate and the clerk of the United States House of Representatives and to each member of the Louisiana delegation to the United States Congress.

POM-25. A concurrent resolution adopted by the Legislature of the State of Louisiana memorializing the Congress of the United States to enact legislation to provide additional funding for research in order to find a treatment and a cure for Amyotrophic Lateral Sclerosis; to the Committee on Health, Education, Labor, and Pensions.

#### SENATE CONCURRENT RESOLUTION NO. 14

Whereas, amyotrophic lateral sclerosis, or ALS, is more commonly known as Lou Gehrig's disease; and

Whereas, ALS is a fatal neurodegenerative disease characterized by degeneration of cell bodies of the lower motor neurons in the gray matter of the anterior horns of the spinal cord; and

Whereas, the initial symptom of ALS is usually weakness of the skeletal muscles, especially those of the extremities; and

Whereas, as ALS progresses, the patient typically experiences difficulty in swallowing, talking, and breathing; and

Whereas, ALS eventually causes muscles to atrophy and the patient becomes a functional quadriplegic; and

Whereas, ALS does not affect mental capacity of the patient, such that the patient

remains alert and aware of surroundings and aware of the loss of motor functions and the inevitable outcome of continued deterioration and death; and

Whereas, on average, patients diagnosed with ALS survive only two to five years from the time of diagnosis; and

Whereas, despite the catastrophic consequences of a diagnosis of ALS, the disease currently has no known cause, means of protection, or cure; and

Whereas, research indicates that military veterans are at a sixty percent greater risk of developing ALS than those who have not served in the military; and

Whereas, the United States Department of Veterans Affairs has promulgated regulations to establish a presumption of service connection for ALS thereby presuming that the development of ALS was incurred or aggravated by a veteran's service in the military; and

Whereas, a national ALS registry, administered by the Centers for Disease Control and Prevention, is currently identifying cases of ALS in the United States and may become the largest ALS research project ever undertaken; and

Whereas, Amyotrophic Lateral Sclerosis Awareness Month increases the awareness of the circumstances of living with ALS and acknowledges the terrible impact this disease has not only on the patient, but also on the family and community of anyone receiving such a diagnosis; and

Whereas, Amyotrophic Lateral Sclerosis Awareness Month also increases awareness of research being done to eradicate this dire disease; Now, therefore, be it

*Resolved*, That the Legislature of Louisiana does hereby recognize May 2013 as Amyotrophic Lateral Sclerosis Awareness Month, and be it further

*Resolved*, That the Legislature of Louisiana does hereby memorialize the Congress of the United States to enact legislation to provide additional funding for research in order to find a treatment and a cure for Amyotrophic Lateral Sclerosis, and be it further

*Resolved*, That a copy of this Resolution shall be transmitted to the secretary of the United States Senate and the clerk of the United States House of Representatives and to each member of the Louisiana delegation to the United States Congress.

POM-26. A resolution adopted by the Georgia State Senate requesting that Georgia's Congressional delegation, Congress as a whole, and President Obama immediately resolve our national debt crisis with a bipartisan, balanced, comprehensive, long-term solution; to the Committee on the Judiciary.

#### SENATE RESOLUTION NO. 423

Whereas, our national debt is more than 70 percent of our economy (\$11.1 trillion) and is on track to exceed 100 percent of the economy next decade; and

Whereas, rising national debt threatens to stunt the strength of our economy and eventually lead to an economic crisis; and

Whereas, our national debt threatens the solvency of Social Security and medicare; and

Whereas, if Congress and President Obama fail to avoid the looming fiscal cliff and find a comprehensive solution to our national debt, Georgia could lose up to 50,000 jobs due to federal spending cuts; and

Whereas, continued missed opportunities for resolution and successive manufactured crises add to economic uncertainty, preventing business development and investment; and

Whereas, failing to resolve our national debt crisis imperils the economic and financial security of future generations; and

Whereas, smart and gradual debt reduction can reverse all of the negative economic and generational consequences of elevated and rising debt; and

Whereas, a credible plan could help strengthen our fragile economic recovery by improving confidence and reducing uncertainty; and

Whereas, fixing the debt could restore public faith in Washington's ability to solve problems; and

Whereas, our national debt can only be resolved through a bipartisan, comprehensive solution that reins in spending, raises revenues, and reforms entitlements: Now, therefore, be it

*Resolved by the Senate*, That the members of this body request that Georgia's Congressional delegation, Congress as a whole, and President Obama immediately resolve our national debt crisis with a bipartisan, balanced, comprehensive, long-term solution, and be it further

*Resolved*, That the Secretary of the Senate is authorized and directed to transmit an appropriate copy of this resolution to Georgia's Congressional delegation, all Congressional members, and President Obama.
