THE UNIVERSITY OF SCRANTON

• Mr. CASEY. Mr. President, today I wish to honor the University of Scranton on the occasion of the 125th anniversary of its founding. For more than a century, this esteemed institution of higher education has made invaluable contributions to the City of Scranton, the Commonwealth of Pennsylvania and, most importantly, the lives of its many alumni.

Founded in 1888 as Saint Thomas College by Most Reverend William G. O'Hara, the first Bishop of Scranton, the college was staffed by diocesan priests and seminarians until 1896, and then briefly by the Xaverian Brothers. From 1897 until the arrival of the school's first Jesuit administration in 1942, the college was administered for the Diocese by the Christian Brothers. Renamed the University of Scranton in 1938, it is today "a community dedicated to the freedom of inquiry and personal development fundamental to the growth in wisdom and integrity of all who share its life."

I am proud that my hometown is host to an academic institution of the caliber of the University of Scranton. An anchor of the city's Hill Section, the university has grown well beyond its roots as a commuter school into a nationally recognized and respected university with a total enrollment of over 6,000 students in undergraduate, graduate and nontraditional programs.

As a Senator representing the Commonwealth of Pennsylvania, and a member of the Senate Committee on Health, Education, Labor and Pensions, ensuring that our Nation's children and young adults have access to high quality educational opportunities is one of my highest priorities. I firmly believe that anyone with the drive, fortitude and desire to pursue the opportunities afforded by higher education should be able to realize that dream. Throughout its history, the University of Scranton has enabled countless students to further their education and become productive members of society.

It is with great pride, as both a Senator from Pennsylvania and as a native of Scranton, that I honor the University of Scranton today. The contributions that this institution has made to both our Commonwealth and to our Nation are commendable, and I wish them all the best.●

2013 STENNIS CONGRESSIONAL INTERNS

• Ms. BALDWIN. Mr. President, 2013 is the 11th year in which summer interns working in Congressional offices have benefitted from a program run by the John C. Stennis Center for Public Service Leadership. This 6-week program is designed to enhance their internship experience by giving them an inside look at how Congress works and a deeper appreciation for the role that

Congress plays in our democracy. Each week, the interns meet with senior congressional staff and other experts to discuss issues such as the legislative process, power of the purse, balancing governing and campaigning, political polarization, foreign affairs, and more.

Interns are selected for this program based on their college record, community service experience, and interest in a career in public service. This year, 29 outstanding interns, most of them juniors and seniors in college who are working in Republican and Democratic offices in both the House and Senate have taken part.

I congratulate the interns for their participation in this valuable program and I thank the Stennis Center and the Senior Stennis Fellows for providing such a meaningful experience for these interns and for encouraging them to consider a future career in public service.

I ask unanimous consent that a list of 2013 Stennis Congressional Interns and the offices in which they work be printed in the RECORD.

REMEMBERING DAVID VANBUSKIRK

• Mr. HELLER. Mr. President, the State of Nevada mourns the loss of Las Vegas Metropolitan Police Department Search and Rescue Officer David Vanbuskirk. Officer Vanbuskirk was a true hero who lost his life during a search and rescue operation at Mt. Charleston. His inspiring legacy of public service will be long remembered.

Officer Vanbuskirk began his service with the Las Vegas Metropolitan Police Department 13 years ago, and was one of only seven commissioned officers charged with conducting rescues for the department. On Monday, July 22, 2013, he responded to a call for help from a stranded hiker who needed emergency assistance. It was during this dangerous rescue mission that Officer Vanbuskirk nobly gave his life in the line of duty.

Officer Vanbuskirk represented the very best of Nevada, and his sacrifice is exemplary of the highest standards of public service. His commitment to service above self is the definition of heroic, as is his willingness to place the safety and welfare of others before his own. His actions remind us that there are brave and fearless Americans who put their lives on the line every day to keep us safe, and we owe them all a profound debt for their service.

While the State of Nevada will dearly miss this dedicated officer, his memory and legacy of courage will continue to live on in our hearts. I urge my colleagues to join me in honoring this fallen Nevadan, and I offer my deepest condolences to Officer Vanbuskirk's family and loved ones during this difficult time.●

KRAFT FOODS 50TH ANNIVERSARY

• Mr. KIRK. Mr. President, I stand today to honor the Kraft Foods Group, Inc. plant and its dedicated employees in Champaign, IL, as they celebrate its 50th anniversary.

This Champaign plant has the unique distinction of being Kraft's flagship facility, employing more than 1,100 of my

fellow citizens of Illinois, and proudly producing more than any other Kraft plant in the country. From the time it opened in 1963, this facility has grown in both size and production. For generations, millions of Americans have enjoyed the products made in Champaign, from Miracle Whip and Velveeta, to Kraft Singles and Cheese Whiz. The plant continues to expand its output, with new varieties of pasta, dressing and cheese being added to their production line in 2012, and earlier this year, Kraft chose to dedicate their entire Velveeta production to this single facility.

The Kraft Foods Group has called Illinois home since its founding in 1903, and Champaign has been a critical part of this company for more than half of that time. Kraft has so greatly contributed to Champaign's economic climate, helping to make the city this plant calls home a great place to live and work. Likewise, the people of Champaign helped make Kraft great. Our State is proud of all that Kraft produces, but we are especially proud of the ingenuity, industry, and drive that this plant's workers have embodied for 50 years. It is clear that because Kraft's Champaign employees have been dedicated to achieving success, this plant has continued to thrive after half a century.

In closing, I ask all my colleagues to join me in congratulating the Kraft Foods Group on reaching this incredible milestone and honoring the employees at their acclaimed flagship plant.●

REMEMBERING "AUNTY" MARY BOURDUKOFSKY

● Ms. MURKOWSKI. Mr. President, I would like to take a moment to pay my respects to an Aleut elder and spiritual leader, "Aunty" Mary. It is with a heavy heart I say that Mary-Nicolai Bourdukofsky, age 90, passed away on June 2, 2013 in Anchorage, AK.

"Aunty" Mary was a dedicated leader and fought to preserve the Aleut culture, language and traditions by the formation of the Aleut Dancers, sharing her knowledge of Aleut songs and stories, and native food preparation. She participated in educating youth and leaders in various venues including the Pribilof, Unalaska and Sand Point Aleut Culture Camp and the Anchorage Aleut culture camp. She worked with the Alaska Federation of Natives, AFN, Youth and Elders and served as an AFN delegate for many years. "Aunty" Mary also assisted with developing the Aleut culture exhibits at the Alaska Native Heritage Center and the Smithsonian Institution's Alaska Native Collections. Additionally she was honored as 2004 Aleut Corporation Elder of the Year. As a lifelong educator of traditional knowledge, she understood the importance of western education; she was one of the first women on the school board in St. Paul Island and later taught at the Univer-

sity of Alaska (both Fairbanks and Anchorage) and at Alaska Pacific University. "Aunty" Mary was a positive role model for all. She was the heart and soul of the family and the Aleut Community of St. Paul Island. She was also a proud shareholder of TDX, the St. Paul Village Corporation.

Mary Bourdukofsky was born January 9, 1923 on St. Paul Island to Nicolai and Olga Kozloff. Her role as natural leader began at an early age when she lost her own mother during childbirth and stepped up to help raise her three siblings. In 1939 she married George Bourdukofsky, and they had seven beautiful children. Despite being stricken by TB at birth and losing one of her sons to polio, she pressed on and grew into a well-respected community leader, advocating for equal rights and fair treatment of her fellow Aleut people.

During World War II, her family and the rest of the Aleut Community of St. Paul Island were forced from their homes and placed in internment at Funter Bay, AK. While all the Aleut men left as they volunteered to join the war effort, she led female advocates in filing a petition with the U.S. Government about the inhumane and unlivable conditions they were being forced to live in, knowing all the while that the Island managers had threatened them all with expulsion from their homes back on St. Paul forever if they complained. Some 50 years later she testified before the U.S. Congress, seeking an apology and retribution for how she and her fellow Aleut U.S. citizens were mistreated during WWII.

On behalf of the Senate I extend condolences to Mary's family, the Aleut community and every life she touched through her tireless advocacy. "Aunty" Mary was a truly remarkable individual, and I am proud to honor her as the outstanding leader that she was.●
