STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. REED (for himself and Mr. JOHANNIS):

S. 1387. A bill to establish a pilot program to authorize the Secretary of Housing and Urban Development to make grants to nonprofit organizations to rehabilitate and modify homes of disabled and low-income veterans; to the Committee on Banking, Housing, and Urban Affairs.

Mr. REED. Mr. President, I am proud to be once again reintroducing the Housing Assistance for Veterans Act, HAVEN Act, with my colleague, Senator JOHANNIS.

Last year, we joined forces to successfully pass this legislation as an amendment during the Senate's consideration of the National Defense Authorization Act, NDAA. Unfortunately, due to concerns by some on the Veterans' Affairs Committee, it was not included in the final version of the NDAA. Those concerns have been addressed in this version of the HAVEN Act, and I would like to thank the Veterans' Affairs Committee for working cooperatively with us to strengthen the legislation.

Our veterans have made many personal sacrifices in service to our Nation, and we must honor our commitment to provide them with the care they have earned and deserve. One such way is to ensure that they have access to adequate housing.

According to Rebuilding Together, 5.5 million of our veterans are disabled, and one and a half million are at risk of homelessness. In my home State of Rhode Island, according to the U.S. Census Bureau, there are more than 19,000 veterans with disabilities, each of whom face their own unique challenges in terms of their housing needs.

The Department of Veterans Affairs, VA, has programs that assist veterans in adapting and improving their homes, but unfortunately, these programs do not extend assistance to all veterans with disabilities. It is clear we must do more, and with this legislation, we are seeking to serve all veterans with disabilities, regardless of the severity of the disability and whether the disability is service-connected.
