

witnesses, three members of the committee or subcommittee shall constitute a quorum: provided, with the concurrence of the chairman and ranking minority member of the committee or subcommittee, a single member may hear subpoenaed witnesses or take sworn testimony.

(c) The committee may, by a majority vote, delegate the authority to issue subpoenas to the chairman of the committee or a subcommittee, or to any member designated by such chairman. Prior to the issuance of each subpoena, the ranking minority member of the committee or subcommittee, and any other member so requesting, shall be notified regarding the identity of the person to whom it will be issued and the nature of the information sought and its relationship to the authorized investigative activity, except where the chairman of the committee or subcommittee, in consultation with the ranking minority member, determines that such notice would unduly impede the investigation. All information obtained pursuant to such investigative activity shall be made available as promptly as possible to each member of the committee requesting same, or to any assistant to a member of the committee designated by such member in writing, but the use of any such information is subject to restrictions imposed by the rules of the Senate. Such information, to the extent that it is relevant to the investigation shall, if requested by a member, be summarized in writing as soon as practicable. Upon the request of any member, the chairman of the committee or subcommittee shall call an executive session to discuss such investigative activity or the issuance of any subpoena in connection therewith.

(d) Any witness summoned to testify at a hearing, or any witness giving sworn testimony, may be accompanied by counsel of his own choosing who shall be permitted, while the witness is testifying, to advise him of his legal rights.

(e) No confidential testimony taken or confidential material presented in an executive hearing, or any report of the proceedings of such an executive hearing, shall be made public, either in whole or in part or by way of summary, unless authorized by a majority of the members of the committee or subcommittee.

Rule 18.—Presidential nominees shall submit a statement of their background and financial interests, including the financial interests of their spouse and children living in their household, on a form approved by the committee which shall be sworn to as to its completeness and accuracy. The committee form shall be in two parts—(I) information relating to employment, education and background of the nominee relating to the position to which the individual is nominated, and which is to be made public; and,

(II) information relating to financial and other background of the nominee, to be made public when the committee determines that such information bears directly on the nominee's qualifications to hold the position to which the individual is nominated.

Information relating to background and financial interests (parts I and II) shall not be required of nominees for less than full-time appointments to councils, commissions or boards when the committee determines that some or all of the information is not relevant to the nature of the position. Information relating to other background and financial interests (part II) shall not be required of any nominee when the committee determines that it is not relevant to the nature of the position.

Committee action on a nomination, including hearings or meetings to consider a motion to recommend confirmation, shall not

be initiated until at least five days after the nominee submits the form required by this rule unless the chairman, with the concurrence of the ranking minority member, waives this waiting period.

Rule 19.—Subject to statutory requirements imposed on the committee with respect to procedure, the rules of the committee may be changed, modified, amended or suspended at any time; provided, not less than a majority of the entire membership so determine at a regular meeting with due notice, or at a meeting specifically called for that purpose.

Rule 20.—When the ratio of members on the committee is even, the term "majority" as used in the committee's rules and guidelines shall refer to the party of the chairman for purposes of party identification. Numerical requirements for quorums, votes and the like shall be unaffected.

Rule 21.—First degree amendments must be filed with the chairman at least 24 hours before an executive session. The chairman shall promptly distribute all filed amendments electronically to the members of the committee. The chairman may modify the filing requirements to meet special circumstances with the concurrence of the ranking minority member.

Rule 22.—In addition to the foregoing, the proceedings of the committee shall be governed by the Standing Rules of the Senate and the provisions of the Legislative Reorganization Act of 1946, as amended.

GUIDELINES OF THE SENATE COMMITTEE ON HEALTH, EDUCATION, LABOR, AND PENSIONS WITH RESPECT TO HEARINGS, MARKUP SESSIONS, AND RELATED MATTERS

HEARINGS

Section 133A(a) of the Legislative Reorganization Act requires each committee of the Senate to publicly announce the date, place, and subject matter of any hearing at least one week prior to the commencement of such hearing.

The spirit of this requirement is to assure adequate notice to the public and other Members of the Senate as to the time and subject matter of proposed hearings. In the spirit of section 133A(a) and in order to assure that members of the committee are themselves fully informed and involved in the development of hearings:

1. Public notice of the date, place, and subject matter of each committee or subcommittee hearing should be inserted in the Congressional Record seven days prior to the commencement of such hearing.

2. At least seven days prior to public notice of each committee or subcommittee hearing, the majority should provide notice to the minority of the time, place and specific subject matter of such hearing.

3. At least three days prior to the date of such hearing, the committee or subcommittee should provide to each member a list of witnesses who have been or are proposed to be invited to appear.

4. The committee and its subcommittee should, to the maximum feasible extent, enforce the provisions of rule 9 of the committee rules as it relates to the submission of written statements of witnesses twenty-four hours in advance of a hearing. Witnesses will be urged to submit testimony even earlier whenever possible. When statements are received in advance of a hearing, the committee or subcommittee (as appropriate) should distribute copies of such statements to each of its members. Witness testimony may be submitted and distributed electronically.

EXECUTIVE SESSIONS FOR THE PURPOSE OF MARKING UP BILLS

In order to expedite the process of marking up bills and to assist each member of the

committee so that there may be full and fair consideration of each bill which the committee or a subcommittee is marking up the following procedures should be followed:

1. Seven days prior to the proposed date for an executive session for the purpose of marking up bills the committee or subcommittee (as appropriate) should provide written notice to each of its members as to the time, place, and specific subject matter of such session, including an agenda listing each bill or other matters to be considered and including:

(a) a copy of each bill, joint resolution, or other legislative matter (or committee print thereof) to be considered at such executive session; and

(b) a copy of a summary of the provisions of each bill, joint resolution, or other legislative matter to be considered at such executive session including, whenever possible, an explanation of changes to existing law proposed to be made.

2. Insofar as practical, prior to the scheduled date for an executive session for the purpose of marking up bills, the committee or a subcommittee (as appropriate) should provide each member with a copy of the printed record or a summary of any hearings conducted by the committee or a subcommittee with respect to each bill, joint resolution, or other legislative matter to be considered at such executive session.

TRIBUTE TO ARIZONA VA MEDICAL STAFF

Mr. HARKIN. Mr. President, on January 31, one of the most unique and interesting individuals I have ever known passed away while receiving hospice care at the Southern Arizona VA Health Care System. He was my brother-in-law, Joe McQuaid, a 92-year-old veteran of the Second World War.

I will have more to say about this unique individual at a later date. But, today, I want to express my deep gratitude to all of the wonderful professionals at the Southern Arizona VA Health Care System for the extraordinary care they gave to him in the last 2 months of his life.

Joe McQuaid was a strapping 6 feet 4 inches. He was healthy all of his life until last November 15. On that day, after his daily exercise, he fell in a freak accident and broke his hip. He was operated on at the Tucson VA hospital, and his hip seemed to be healing just fine. But after being transferred to a local rehabilitation facility, Joe fell again and re-broke his hip. He was readmitted to the VA hospital, but his condition deteriorated rapidly and he passed away on January 31.

The personnel at the VA medical center in Tucson could not have been more professional, skilled, and compassionate in the care they gave to Joe McQuaid in those final two months. They did everything possible to treat his injury and help him to recover. But once it became clear that recovery was not possible, they took wonderful care of him, admitting him to hospice care, attending to his needs, and ensuring that he had a gentle passing.

As a veteran myself, during all my years in Congress I have always been very supportive of our VA system and

our veterans. I have long believed that our nation has a sacred obligation to those who have borne the burdens of battle and national defense, and we must ensure that they have access to first-rate health care.

So it was with great pride that I had this opportunity to witness firsthand the extraordinary care and attention that staff members at the Tucson VA center were giving to this 92-year-old veteran.

At the risk of leaving out the names of others who cared for my brother-in-law, I specifically want to thank and salute Jonathan Gardner, the director of the Southern Arizona VA Health Care System, for his leadership of that institution and for his many years of distinguished service to the VA system. Also Julianne French, a registered nurse and administrative assistant to the chief medical officer, who was so responsive to my inquiries and calls. Also Dr. David Emelity, the acting chief of staff, Dr. Richard Hoffman, and Dr. Joao Ferreira, all of who took a deep personal interest in Joe's medical condition.

And a special thank you to Glenda Riggs, clinical nurse leader in the intensive care unit, who cared for Joe and went out of her way to keep me and members of Joe's family informed at every step of his treatment and care. I can't speak too highly of Nurse Riggs' skill and compassion, and her tireless attention to all of her patients and their families.

The Southern Arizona VA Health Care System has a wonderful team, with great leadership from Jonathan Gardner. It is clear to me that any veteran who comes through the doors of that center is going to get superb treatment.

I am proud of all the people who work in America's VA system, and I am grateful for the care they give to our veterans. My recent experience, seeing firsthand the quality of care and the quality of staff at the center in Tucson, reaffirms my faith in the VA system and my respect for the great work they do.

Again, I just want to thank the entire team at the Southern Arizona VA Health Care System. Thank you for all you did for this 92-year-old World War II veteran, Joe McQuaid. And thank you for the same high-quality care you give to all of the veterans at the Tucson center.
