

By Mr. REED (for himself, Mr. WHITEHOUSE, Ms. WARREN, and Mr. COWAN):

S. 371. A bill to establish the Blackstone River Valley National Historical Park, to dedicate the Park to John H. Chafee, and for other purposes; to the Committee on Energy and Natural Resources.

Mr. REED. Mr. President, today I am reintroducing legislation with my colleagues Senators WHITEHOUSE, WARREN, and COWAN that would create the Blackstone River Valley National Historical Park. Our legislation seeks to preserve the industrial, natural, and cultural heritage of the Blackstone Valley, assist local communities by providing economic development opportunities, and build upon the foundation of the John H. Chafee Blackstone River Valley National Heritage Corridor.

In 1793, Samuel Slater began the American Industrial Revolution in Rhode Island when he built his historic mill along the Blackstone River. Today, the mills and villages found throughout the John H. Chafee Blackstone River Valley National Heritage Corridor in Rhode Island and Massachusetts stand as witnesses to this important era of American history.

Not only is the Blackstone Valley a window to our nation's past but it is also includes thousands of acres of pristine, undeveloped land and waterways that are home to a diverse ecosystem.

The combined efforts of the National Park Service and Federal, State, and local officials in our or two states, along with dedicated volunteers, have rejuvenated the communities within the Corridor and renewed interest in the rich history of the Blackstone River and valley. This kind of economic and environmental revitalization is indicative of the tradition of the valley in its successful reinvention over the past two centuries.

For example, the Ashton Mill in Cumberland is an excellent illustration of local redevelopment. With the designation of the National Heritage Corridor, the cleanup of the river, the creation of the state park, and the construction of the Blackstone River Bikeway, the property was restored for adaptive reuse as rental apartments. Once again, the mill and its village are a vital part of the greater Blackstone valley community.

I have been pleased over the years to help support the preservation and renewed development of the Blackstone River Valley.

In 2005, I cosponsored legislation with former Senator Lincoln Chafee, now our State's governor, requiring the completion of a Special Resource Study to determine which areas within the Corridor were of national significance and possibly suitable for inclusion in the National Park System. After extensive input from local stakeholders and historians, in 2011 the completed study recommended the creation of a new unit of the National Park System.

The legislation I am reintroducing today with my colleagues from Rhode Island and Massachusetts seeks to establish the two-state partnership park described in the study, with sites including the Blackstone River and its tributaries, the Blackstone Canal, the historic district of Old Slater Mill in Pawtucket, the villages of Slatersville and Ashton in Rhode Island, the villages of Whitinsville and Hopedale in Massachusetts, and the Blackstone River State Park. The National Park Service would partner with the local coordinating entity of the surrounding Heritage Corridor, the Blackstone River Valley National Heritage Corridor, Inc. That non-profit would then lead efforts with other regional and local groups to preserve the surrounding rural and agriculture landscape within the greater Blackstone River Valley.

Creating a national historic park will enable us to safeguard our cultural heritage for future generations; improve the use and enjoyment of the area's resources, including outdoor education for young people; enhance opportunities for economic development; and increase protection of the most important and nationally significant cultural and natural resources of the Blackstone River Valley.

I am proud that this park would be dedicated to my late colleague John H. Chafee, who worked tirelessly for many years, along with others in Rhode Island and Massachusetts, to protect and preserve the Blackstone River Valley.

I look forward to working with my colleagues to pass this legislation to establish the Blackstone River Valley National Historical Park.
