

Gorman. He has provided excellent stewardship of the State Veterans Home, including overseeing plans to construct a new facility. On November 11, 1889, the cornerstone for the first State Home was laid in Hot Springs. The much-anticipated groundbreaking for a new South Dakota Veterans Home was held in late September 2013. Thousands of veterans and their families have enjoyed the services of the State Veterans Home over these many years. Aging veterans have found solace on the beautiful, aesthetic grounds of the State Veterans Home and have benefited from the dedicated medical care and support services provided.

Larry has played a major role in providing consistent and superior levels of care and comfort to veterans at the State Home during his time as superintendent. He has been passionate about providing the highest degree of compassionate care, understanding and service to the residents. Larry is a strong advocate for the Veterans Home, promoting the importance of the Veterans Home to the general public and making sure the congressional delegation is aware of any challenges veterans may face. Over the years I have appreciated Larry's insight on issues and the open line of communication between our offices.

I thank Larry for all he has done for veterans in South Dakota and wish him all the best in his retirement.●

NORTHWEST NAZARENE UNIVERSITY

● Mr. RISCH. Mr. President, on behalf of myself and Senator CRAPO, I wish to recognize the 100-year anniversary of Northwest Nazarene University in the city of Nampa in the great State of Idaho.

On September 13, 1913, this education institution began as an elementary school—the Idaho Holiness School. With a strong and unstoppable vision for the future, the founders quickly developed it into a secondary school and then a university. Highly respected in the community and, indeed, all across the great State of Idaho and in several other States in the region, Northwest Nazarene University has conferred degrees upon thousands of college graduates since 1917.

Dr. David Alexander, who began his association with NNU as a member of the faculty and in 2008 became its 12th president, continues to carry out the early vision of growth, excellence and the Great Commission. The university offers a world-class, multi-discipline education, which now serves more than 2,000 undergraduate and graduate students; more than 6,000 continuing education students; and 2,300 high school students through its concurrent credit program. On its 90-acre campus in Nampa, 60 education disciplines are offered as well as 11 graduate-level programs. The university also offers programs of study in other Idaho cities including nearby Boise, Twin Falls and

Idaho Falls, and works in cooperation with education programs in 10 countries.

NNU, a nonprofit Christian school, is affiliated with the Church of the Nazarene and is one of the premiere universities in our State. Through education and spiritual development, students become leaders in business, public service, education and in faith-based careers. At NNU, they have become students of scholarship, strong in character and robust contributors to their communities.

As Governor, Lieutenant Governor and State Senator, I have had a long and good working relationship with NNU, which I tremendously value. I mark their achievements and continued growth as terrific highlights for the Treasure Valley and the State of Idaho. Their commitment to their original vision and the foundations of their beliefs as they recognize changing times has made NNU an institution of stability and a vital resource for Idahoans.

I remember well participating in the dedication of the Thomas Family Health and Science Center, which further moves NNU into the ranks of a competitive university with state-of-the-art laboratories and researchers. In addition, I am proud to have had their participation on the Nursing Task Force, which I initiated as governor, and which continues to make a significant impact on reducing the shortage of nurses in Idaho and beyond.

For 100 years, Northwest Nazarene University has proved itself a strong asset to our community and state. It is a proverbial shining light, making a positive difference on its campus, in nearby neighborhoods and across oceans. We are very proud to have this institution serving our young people and those continually updating their skills and education. Our country stands stronger because NNU goes the extra mile, perseveres and stays the course.

May God bless Northwest Nazarene University with another 100 years of being a top-rated institution of higher learning.●
