OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 24, 2014*

Mr. REED. Mr. Speaker, I rise today to recognize the extensive and highly decorated career of a constituent, William "Bill" Gallow. Mr. Gallow has dedicated his life to serving his neighbors throughout the Southern Tier and Finger Lakes regions of New York.

Mr. Gallow served as a Combat Infantryman in the United States Army during World War II, under the command of General George Patton. Upon returning home, Mr. Gallow began working with the Arnold Ambulance Service, a volunteer EMT position that he held for over 25 years. In 1963, he embarked on a remarkable 60-year career with the Van Etten Volunteer Fire Company. During his tenure, Mr. Gallow held the positions of Chief, President, Secretary, Trustee, and Senior Medic. In addition, he passed down his knowledge and expertise to other first responders by teaching

courses at academic institutions, training facilities, and the New York State Fire Academy.

Bill Gallow exemplifies selfless service and true leadership. His generosity and willingness to assist anyone in need has earned him the highest level of respect within the Van Etten community and throughout all of Chemung County. He consistently goes above and beyond through his volunteer work and community service. Mr. Gallow has served as a medic at the Special Olympics and the Susan B. Komen "Race for the Cure" on multiple occasions. In recognition of his excellent and selfless service, he was awarded the Southern Tier Regional Emergency Service Award in 1997 and the Richard Habbershaw Community Service Award in 2007.

I commend Mr. Gallow for all the great work he has done at the Van Etten Volunteer Fire Company and throughout his community. He is a selfless and generous individual who has made countless positive contributions to New York's 23rd Congressional District, and I am proud to recognize him today.

#### BEN WEINDLING CONGRESSIONAL TRIBUTE

### HON. SCOTT R. TIPTON

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 24, 2014*

Mr. TIPTON. Mr. Speaker, I rise today to recognize Ben Weindling, a longtime businessman from Pueblo, Colorado. Mr. Weindling, a loving father and husband, not only created a successful men's clothing store, but was also greatly involved in the Pueblo community.

Mr. Weindling created "Burling's Clothing" with his partner Sheldon Burstein. As owner and manager, Mr. Weindling was named "Dress Apparel Retailer of the Year" in 1972. He was equally involved in his community as he was in his business, serving as president of the Pueblo Country Club, participating on many boards and clubs including Pueblo Housing Authority, the Pueblo Chamber of Commerce, and multiple-hospital boards such as Parkview. In 1977, he was appointed to the Colorado Health Facilities Authority by Governor Richard Lamm, where he served until 2013. Additionally, Mr. Weindling worked as a member of the University of Southern Colorado board of trustees and later served a term as president in 1981. He made noteworthy donations to Colorado State University—Pueblo. Above all else, Mr. Weindling found time to care of his wife, children, and grandchildren

and was heavily involved in their lives until his death on June 12, 2014.

Mr. Speaker, Ben Weindling gave his family and the Pueblo community all he had to offer and served as a selfless and dedicated public servant throughout his life. I stand with the residents of Pueblo County in giving thanks for his service to the community, and pay tribute to him for a life well lived.

#### CUSTOMER PROTECTION AND END USER RELIEF ACT

SPEECH OF

### HON. CHRIS VAN HOLLEN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 23, 2014*

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 4413) to reauthorize the Commodity Futures Trading Commission, to better protect futures customers, to provide end users with market certainty, to make basic reforms to ensure transparency and accountability at the Commission, to help farmers, ranchers, and end users manage risks to help keep consumer cost low, and for other purposes:

Mr. VAN HOLLEN. Mr. Chair, I support reauthorizing the Commodity Futures Trading Commission, CFTC, and believe a properly resourced CFTC has a critical role to play in promoting fair and transparent markets that effectively serve end users and consumers without putting taxpayers or our financial system at risk. Unfortunately, H.R. 4413 departs from this vital objective in several important ways.

First, Title II of H.R. 4413 imposes onerous new administrative burdens on the CFTC whose practical effect will be to delay the Commission's ongoing Dodd-Frank rulemaking and encourage costly litigation. We need more certainty—not less certainty—when it comes to regulating our derivatives markets, and H.R. 4413 would take us in precisely the opposite direction.

Second, Title III of H.R. 4413 would make it much more difficult for the CFTC to regulate cross-border derivatives transactions that pose a risk to the U.S. economy. The legislation creates this vulnerability by substituting foreign derivatives rules for U.S. law unless the CFTC and the Securities and Exchange Commission, SEC, jointly determine that a foreign country's regulatory regime is not broadly equivalent to our own. While I support international efforts to harmonize effective rules of the road for derivatives transactions, I do not support presuming an equivalency in this area that does not currently exist. Six years after unregulated derivatives transactions contributed to the sharpest downturn in our economy since the Great Depression, we simply cannot afford to outsource the protection of our financial system to foreign regulators.

Third, neither this legislation—nor the FY 2015 House Agriculture-FDA Appropriations bill, which proposes to slash the CFTC's budget by 22 percent below the President's request—does anything to provide the CFTC with the resources it needs to police fraud and excessive speculation in our derivatives markets on behalf of end users and consumers.

For these reasons, I urge a "no" vote on H.R. 4413.

RECOGNIZING MR. ALLEN  
MCQUARRIE

**HON. MICHAEL G. FITZPATRICK**  
OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES  
*Tuesday, June 24, 2014*

Mr. FITZPATRICK. Mr. Speaker, I rise today to recognize one of our constituents. His name is Allen McQuarrie and his contribution to our community has been invaluable. For the past fifteen years, Mr. McQuarrie has served as the Chair of the Bucks County chapter of Pro-Act, a grassroots advocacy and recovery support initiative of The Council of Southeast Pennsylvania. In 2002, Allen chaired a meeting to plan PRO-ACT's first Recovery Walk, an event attended by 125 people. Today the Recovery Walk is attended by more than 20,000 people in public view at Penn's Landing, Philadelphia, making it the nation's largest recovery walk. Furthermore, he organized a coalition to pursue state enforcement of PA Act 106, which mandates insurance coverage for addiction treatments by medical professionals.

Additionally, Mr. McQuarrie assists our veterans as they transition back to civilian life. Sadly, it has been reported that an estimated one-third of returning veterans suffer from post-traumatic stress disorder and/or traumatic brain injury. The medications used to treat these problems can lead to addiction. Without treatment, individuals may self-medicate with drugs or alcohol. PRO-ACT and Mr. McQuarrie have granted veterans a support system that allows them to maintain a healthy life after their service. Mr. McQuarrie is a strong voice for recovery in PA 08, serving as a mentor, trainer, and advocate. I am pleased to honor the achievements of Allen McQuarrie.

RECOGNIZING THE CONTRIBUTIONS  
OF MARY ANNE METAXAS

**HON. ALAN GRAYSON**  
OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES  
*Tuesday, June 24, 2014*

Mr. GRAYSON. Mr. Speaker, I rise today in honor of Lesbian, Gay, Bisexual, and Transgender (LGBT) Pride Month, to recognize Mary Anne Metaxas. Born to William and Mary Jane Metaxas in Columbus, Ohio, she is the youngest of five children. She grew up in New Jersey and spent many of her summers at the Jersey shore. Metaxas enjoyed growing up in a large family and maintains a very close relationship with all of her siblings and their respective families.

Metaxas earned a Bachelor of Arts degree in Psychology from the Florida State University and is a proud Seminoles football fan. After college, Metaxas entered the video production industry and quickly realized her passion for creating entertaining and effective media.

Metaxas soon joined i.d.e.a.s. at Disney MGM Studios, as a freelance Producer. Through this role, she worked on a variety of projects for Fortune 500 companies, theme parks, the Disney Company, museums, and broadcast television. Metaxas stayed with the company, now known as IDEAS, when it transitioned to private ownership in 2001. She has been an integral part of the IDEAS cre-

ative team since its inception, serving as producer, director, post-supervisor, and creative consultant. She currently serves as Vice President of Media Production and leads the creative team on all IDEAS media projects.

Metaxas is both a longtime supporter and volunteer for the Human Rights Campaign. As a Federal Club member, she played an integral role in creating the Orlando HRC community and continues to help nurture its growth. She has served in a volunteer capacity at a variety of local events over the years and attended the HRC National Dinner in Washington, DC with other national leaders.

Metaxas has a special place in her heart for dogs. For many years, she has volunteered for Florida Little Dog Rescue and has fostered too many puppies and dogs to count. She takes great pride in helping to rehabilitate rescued dogs, and feels great joy in seeing them recover and thrive. The care she takes in ensuring her foster dogs are adopted into great homes is commendable. As a sign of gratitude for her commitment, many of the new families keep in touch long after the adoption.

Metaxas can often be seen around Orlando on her vintage-style scooter. She has utilized this passion to help raise money for Libby's Legacy Breast Cancer Foundation's annual "Scooters for Hooters" events. She was named 2010 Fundraising Freak for raising the most donations and has served as captain of the multi-year highest fundraising team. She continues to ride in memory of her beloved mother who passed away in 2001.

Metaxas is an active member of the Orlando community and supports a variety of other local non-profit and political organizations including Hope and Help of Central Florida, Metropolitan Business Association, Planned Parenthood of Greater Orlando, and the Zebra Coalition.

Metaxas resides in Orlando, Florida with her spouse Jennifer Foster. On their 10-year anniversary in 2013, the couple was honored to be able to legally marry. They live happily with their three dogs (Matti, Maci, and Patrick), and two cats (Graci and Kevin).

I am happy to honor Mary Anne Metaxas, during LGBT Pride Month, for her professional and civic contributions to the Central Florida community.

*Tuesday, June 24, 2014*

Mr. THOMPSON of California. Mr. Speaker, I rise today in memory of Philmore Graham, who passed away on June 12, 2014, after 75 remarkable years.

Born in North Carolina, Mr. Graham went on to graduate from Tennessee State University, serve our country in the Air Force and finally, build a career at the Mare Island Naval Shipyard. Notably, he was the first, and to this day remains the only, African American to hold the position of supervisor at Mare Island's Department of Nuclear Energy. Throughout his life, Mr. Graham was steadfastly dedicated to bettering the lives of young people in our community, particularly the lives of young African-American men.

Mr. Graham founded the Continentals of Omega Boys and Girls Club in Vallejo, California, in 1966. What began as six young boys meeting in Mr. Graham's garage has become a thriving organization that enriches the lives of approximately 300 boys and girls today. He mentored scores of young people, offering them support and encouragement and instilling in them the values and principles they needed to succeed. Mr. Graham provided academic support, encouraged involvement in sports and taught young people the importance of perseverance, hard-work and self-respect. Mr. Graham's unwavering passion and dedication to ensuring that our youth had every opportunity to succeed is an inspiration to all. And in turn, Mr. Graham was beloved by all those who were fortunate enough to have known him.

For his good work, Mr. Graham was named the NAACP's Outstanding Citizen of the Year, was awarded the Good Neighbor Award, Salute to America Lifetime Merit Award, Profile of Excellence Award, Martin Luther King Jr. Humanitarian Award, the "Who's Who" among Black Americans and was repeatedly named the Omega Man of the Year and Citizen of the Year.
