

legacy. His pursuit of creative funding solutions in the face of increasing enrollment and budget constraints contributed to the university's reputation and educational mission, provided alternative revenue sources and created efficiencies at every level. New ventures with public and private entities—such as TGen North, the High Country Conference Center and the Northern Arizona Intergovernmental Public Transportation Authority (NAIPTA) transportation spine that has become central to the growth of NAU—also played a role in the university keeping up with growth.

The physical transformation of NAU—both in Flagstaff and throughout the state—is a defining aspect of President Haeger's legacy. Under his watch, dozens of new buildings have been added or renovated, the result of careful and deliberate planning and a demonstrated commitment to sustainability during economically challenging times. They include the new W.A. Franke College of Business and Engineering School, nearly a dozen new services including an expanded University Union, a Native American Cultural Center, new transportation options through NAIPTA and new parking structures, expanded opportunities statewide for NAU students with campuses in North Valley, Tucson, Yavapai and others and new residence halls to accommodate the phenomenal growth of the university.

His commitment to affordability and accessibility is intrinsically linked to NAU's mission. In 2008, President Haeger initiated the tuition pledge guaranteeing the same tuition rate for each incoming undergraduate student for four years. It's a promise of predictability that has become not only a motivating factor for choosing NAU but that also serves as an incentive for students to complete their degree in four years.

His charge has been largely devoted to fundamentally changing the way college-bound students gain access to higher education. Some of the university's most pioneering alternatives to the traditional four-year college experience also have emerged under his watch. The cost-saving model at NAU—Yavapai garnered the attention of Governor Jan Brewer, who called it "visionary" and "an example for the entire state and the nation." The award-winning 2NAU joint admission program with community colleges across the state has won a statewide award for helping students earn college degrees. Students save money by completing their first two years at the community college tuition rate.

The Personalized Learning program that launched last year is now at the forefront of the emerging competency-based movement.

Under Dr. Haeger's leadership, he helped NAU in the resurgence of athletics by hiring its first vice president for Intercollegiate Athletics. His bold leadership was critical to the effort to re-energize Lumberjack pride and draw more fans to athletic events. Fan support is at an all-time high, and a new athletics branding effort puts the focus on such ideals as strength, pride, heroism, determination and hard work.

In this effort to improve athletics, NAU has impressive standards for its student-athletes: succeed in the classroom, contribute to the community and win. NAU Athletics has twice under Haeger's leadership been honored with the prestigious Big Sky Conference Presidents' Cup, recognizing overall athletic success in competition and in academics.

Finally, from his first days leading the University, President Haeger was committed to di-

versity, first-generation students and student success. His Student Success Initiative ambitiously implemented a number of programs to increase freshman retention and, ultimately, the percentage of students who complete their degrees. The First-Year Learning Initiative is an extensive effort to boost the effectiveness of first-year courses by creating an environment that supports student effort. One of the greatest strides in this area has been the launch of University College, which brought about curricular change at the first-year level as well as a culture change to provide new students with the framework they need to thrive academically. It's a giant leap in efforts to retain students at a higher level from their freshman to sophomore years, and from there to help them graduate on time.

The Lumberjack Mathematics Center combines the sophisticated technology with enhanced personal contact from their instructors. Governor Brewer called NAU "a true pioneer of education innovation" and called the center an example of its "steadfast commitment to its students."

A tangible representation of NAU's commitment to serving Arizona tribes, the Native American Cultural Center connects students to their culture and supports them through mentoring and advising. The center also directly supports Native student organizations, recruitment and retention efforts. NAU has earned a welcome place among the best colleges in the nation for Native Americans.

NAU's Center for Military and Veteran Student Center reflects President Haeger's commitment to our veterans and active-duty soldiers. The center has earned recognition for its efforts, including 'Military Times' Best for Vets designation in the Southwest region and a military-friendly designation from 'GI Jobs.' The Veteran Student Center in the business college ranked No. 6 among public business schools, No. 10 overall and is the top business school for military veterans in Arizona.

Mr. Speaker, as you can see, President Haeger's contribution to NAU is lasting. NAU, and the Flagstaff community, will miss him but we are better for having him. His commitment to education is unheralded, yet his legacy will endure. I'm proud to call you a friend, Dr. Haeger. Thank you for your service to NAU and to providing a bold vision for our future generation of leaders.

**HON. BETTY McCOLLUM**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 9, 2014*

Ms. McCOLLUM. Mr. Speaker, on June 26, 2014, I traveled back to my district to survey the damage caused by severe flooding across Minnesota's Fourth Congressional District and missed votes. Had I been present, I would have voted against H.R. 4899.

This Republican led omnibus bill does nothing to lower gasoline prices for consumers. Instead, this bill will benefit oil and gas companies by easing not only regulations, but weakening environmental review requirements. This is nothing more than a repackaging of bills already voted on by this Congress, and which I voted against. H.R. 4899 once again demonstrates the Republicans commitment to giveaways to big oil, while families in Minnesota are paying even more at the pumps.

On Wittman's amendment, I would have voted "no."

On Lowenthal's amendment, I would have voted "yes."

On Capps' amendment, I would have voted "yes."

On Deutch's amendment, I would have voted "yes."

On Blumenauer's amendment, I would have voted "yes."

On Bishop's amendment, I would have voted "no."

On DeFazio's amendment, I would have voted "yes."

On Democratic Motion to Recommit H.R. 4899, I would have voted "yes."

HONORING MRS. JOHN W.  
WILLIAMS

## HON. BRIAN HIGGINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 9, 2014

Mr. HIGGINS. Mr. Speaker, today I rise to recognize the unmatched service of Mrs. John W. Williams, who will be honored at the 15th Pastoral Anniversary of the True Love Disciples of Christ Church for her outstanding contributions to the Eastern Star, New Zion, and Memorial Missionary Baptist Churches. Working to foster the development and education of children, Mrs. Williams began teaching at her local Sunday school at the age of sixteen. Receiving her Bachelor's Degree in Education from the University of Arkansas, she dedicated herself to the tutelage of children by working in the Indianapolis public school system for over a decade.

Mrs. Williams has exhibited unwavering commitment to her family and community, standing alongside her husband throughout his career as a Pastor in the Buffalo community. Demonstrating steadfast fortitude throughout times of adversity, she was a pillar of support for her husband during his battles. Finding comfort and strength in Philippians 4:13 ("I can do all things through Christ which strengthened me") she overcame her own battle with breast cancer in 2011, inspiring her community with her tenacity.

Devoted to her work at the Eastern Star, New Zion, and Memorial Missionary Baptist Church in Buffalo, NY above all else, Mrs. Williams has served countless hours working in the parish. Leading workshops to instill Christian values in the community, she has sought to share her passion with others in the ministry, especially the youths. Currently serving as the Supervisor of the Deaconess Board, Director of Christian Education, Office Manager, and Personal Secretary to the Pastor and Youth Director, she involves herself in the many facets of the ministry in order to further their work.

In honor of her accomplishments and dedication, she was nominated in June 2013 for the Leading Ladies Award, given to those in the Christian Community who work to make a difference in their community. On March 16, 2014, she was awarded the First Lady of Faith Award in recognition of her unwavering faith. Mr. Speaker, I thank you for allowing me a few moments to also recognize Mrs. Williams today for her remarkable service in the Buffalo community. I ask my colleagues to join me in expressing our deepest thanks and admirations to her work and accomplishments.

## HONORING GEORGE MUSHRO ON HIS RETIREMENT AS LOCKPORT TOWNSHIP CLERK AND TRUSTEE

## HON. DANIEL LIPINSKI

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 9, 2014

Mr. LIPINSKI. Mr. Speaker, I rise today to honor George Mushro, who has retired as Lockport Township Clerk, a position he held for 21 years after serving for 13 years as a Lockport Township Trustee. Mr. Mushro, a

resident of Lockport Township for 56 years, also previously served as chairman of the Will County Democratic Party.

Mr. Mushro was appointed by the Lockport Township Board as a trustee in 1980 and served there until he was elected Clerk in 1993. During his tenure Mr. Mushro helped create a bus service for seniors in Lockport Township after seeing neighboring towns implement similar transportation services. He also introduced early voting because he was adamant in making it as convenient as possible for people to have a voice and have their vote count.

In 2013 Mr. Mushro was awarded the William Z. Ahrends Award for Clerk of the Year, which is awarded by the township clerks of Illinois. He also served on Lockport's Library Board and was a member of the St. Dennis Men's Club, Old Timers Baseball Association, and the Lockport Moose Lodge. Mr. Mushro now plans to spend more time with his family, especially with his grandchildren, in his retirement.

Mr. Speaker, I ask my colleagues to join me in congratulating George Mushro, a loyal public servant and an invaluable asset to the people of Lockport Township.

## SUSPENSION OF EXIT PERMITS

## HON. GEORGE HOLDING

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 8, 2014

Mr. HOLDING. Mr. Speaker, I rise to join my colleagues in supporting H. Res. 588 and would like to thank Chairman ROYCE for moving this Resolution through the Foreign Affairs Committee in such an expedited manner.

Mr. Speaker, last year the Congolese Government put what is becoming with each passing day a definitive halt on intercountry adoptions by suspending their issuance of exit permits.

The DRC's suspension included stopping those adoptions that were finalized leaving families who had gone through the DRC's own procedure for approving an intercountry adoption and who had obtained the necessary legal clearance, paperwork, and travel visas in a heartbreaking situation.

Mr. Speaker, a family in my District has such a finalized case and with each day that this suspension continues, the emotional toll that has already weighed heavily on them since last year grows.

For this family from Wake Forest, North Carolina, there is an added sense of urgency. As is the case with many children who are awaiting their exit permit, their adopted child is in need of immediate medical care—care that is not being received in the DRC. This only further illustrates the need for quick resolution.

Mr. Speaker, H. Res. 588 sends a straightforward message to the Congolese Government and I urge my colleagues to support its passage.

## HONORING THE LIFE OF SENATOR JEREMIAH DENTON

## HON. BRADLEY BYRNE

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 9, 2014

Mr. BYRNE. Mr. Speaker, I rise today to remember and honor the life of a true American hero, Jeremiah Denton.

Jeremiah Andrew Denton, Jr. was born in Mobile, Alabama, on July 15, 1924. The oldest of three brothers, Denton attended Spring Hill College in Mobile before going on to attend the United States Naval Academy. After graduation, Denton began his 34-year naval career, where he eventually attained the rank of rear admiral.

Mr. Speaker, Jeremiah Denton made countless sacrifices throughout his life and military career, but none is greater than his steadfast courage and heroic efforts during the Vietnam War. After less than a month of service in Southeast Asia, Denton's aircraft was shot down, and he was captured on July 18, 1965.

Denton was held as a prisoner of war over the next seven years and seven months, spending time at various prisons across Vietnam, most notably the Hanoi Hilton. During his imprisonment, Denton was often held in solitary confinement, in dark, rodent infested rooms, where he was subjected to intense torture and starvation. Despite these excruciating conditions, Jeremiah Denton did not break.

In fact, Denton inspired his fellow prisoners to not succumb to the Vietnamese torture, but
