HONORING ROVETA F. SIMMONS

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor Mrs. Roveta F. Simmons.

Mrs. Simmons was born in Memphis, Tennessee. She is married to James A. Simmons of Chicago, IL. They have two children: Michael A. Walker, 37 and Jamal L. Walker, 24.

In 1999 Mrs. Simmons received a Bachelor of Arts in Social Science from Virginia Wesleyan College in Norfolk, VA. That same year she received her Collegiate Professional License for the Commonwealth of Virginia Elementary Education, kindergarten through fifth grade.

Mrs. Simmons is the Director of Little Rock Child Development Center. She is assigned to the 19th Force Support Squadron, Little Rock AFB, Arkansas. She is the director over the Infant Toddler Center.

The Little Rock Child Development Centers both are NAEYC accredited programs. The CDC maximizes availability and affordability of child care to include weekly, hourly, surge and emergency care, offering early intervention and provides the highest quality childcare that meets the development needs of each child and enables military and Department of Defense (DoD) parents to fulfill their military missions.

Mrs. Simmons began her Department of Defense career as a Palace Acquire Intern with the Department of the Air Force in June 2004. She completed her two year Child Development Specialist Internship at Randolph AFB, TX and was assigned to Keesler AFB, MS as the assistant director.

After two years she was promoted to Director of Keesler Child Development Center. She has worked tirelessly to create a well oiled machine. The Keesler CDC turned a failing budget around—from a \$70,000.00 loss to a \$12,000.00 profit year to date. Mrs. Simmons also served on active duty for the United States Air Force for 21 years where she retired at the rank of MSgt. Her last assignment was the Superintendent, Wing Operations Center, 402 TFW Holloman AFB, NM.

Among her many recognitions she has received the Exemplary Civilian Service Award, the Meritorious Service Medal, 1 Bronze Oak Leaf, Air Force Commendation Medal, Air Force Outstanding Unit 3 Bronze Oak Leaf, Air Force Good Conduct Medal 1 Silver and 1 Bronze leaf. She has also received the National Defense Medal 1 Bronze, a Service Star, Air Force Overseas Long Tour, Air Force Longevity Ribbon 4 Bronze, and the NCO Professional Military Education Ribbon.

Mr. Speaker, I ask my colleagues to join me in recognizing Mrs. Roveta F. Simmons for her years of dedication and hard work.

OCCUPIED CYPRUS—FORTY YEARS OF ILLEGAL OCCUPATION, ETHNIC CLEANSING, AND DESTRUCTION OF RELIGIOUS SITES

HON. CHRISTOPHER H. SMITH

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Mr. SMITH of New Jersey. Mr. Speaker, I rise today to mark 40 years since the illegal occupation of the Republic of Cyprus by the government of Turkey. These forty years have been marked by tragedy for the Greek Cypriots, and by criminal guilt for the Turkish government. In July 1974 the Turkish army began its sneak invasion of the island—it was the beginning of a tragedy and outrage that continues today. At least one hundred eighty thousand Greek Cypriots were forced to flee the north. They lost all their property—shockingly, even today none of them have been allowed to return to their property. The Turkish government effectively “ethnically cleansed” the north of the island, where only a few hundred Greek Cypriots live in small enclaves, and even they are not allowed to worship freely.

During these forty years over five hundred Christian religious sites have been demolished, destroyed, or desecrated, for example turned into casinos or warehouses. Eighty stolen churches have been converted into mosques. Artifacts from churches and cemeteries continually show up on the international black market.

Mr. Speaker, in the current discussions about reunifying the island, the United States

must stand firm on the complete withdrawal of Turkish military forces, respect for universally-recognized human rights for all Cypriots everywhere on the island, and an independent, unified government.

RECOGNIZING KEVIN LITTLE AND KURTIS MOORE

HON. VICKY HARTZLER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Mrs. HARTZLER. Mr. Speaker, I would like to recognize and thank two outstanding men from my district for their service and sacrifice to share their time and talents to help others. Kevin Little and Kurtis Moore from Osage Valley Electric, volunteered for the National Rural Electric Cooperative Association's International Foundation in Haiti as part of the Caracol Community Electrification Project. They spent two weeks in northern Haiti building and upgrading more than a mile and a half of power lines to help communities there receive affordable, safe and reliable electricity.

Mr. Little and Mr. Moore even helped connect homes to electricity for the first time around Tru-du-Nord. To date, more than 4,800 consumers in the northern part of Haiti have access to electricity. Some homes now have TV antennas, a few towns have water treatment plants, doctors can provide better care to patients, and residents have opened their own small businesses like Internet cafés.

Electricity is a critical element in improving the quality of life. In Haiti less than 20 percent of the people there have regular access to electricity. I am blessed to represent Kevin Little and Kurtis Moore in Congress, grateful for their hard work and commitment to the community, and I wish them the best in all their future endeavors.

Tuesday, July 15, 2014

Mr. BENTIVOLIO. Mr. Speaker, I would like to congratulate the Chinese Association of Greater Detroit on 22 years of service and community outreach.

Your work has been important for fostering better relations between Metro-Detroit, China, and the Chinese-American community. In the globalized world in which we live, these relations are important for improving Michigan's economy. It is obvious from your work in the soup kitchen, to your relationship with the Metro-Detroit Chinese School that you are committed to making Michigan a better place. I am pleased that such a great organization has found its home in Michigan's 11th Congressional District.

Thank you for everything you have done to serve Metro-Detroit and the Chinese-American community.

HONORING THE LIFE AND LEGACY OF VICENTE (BEN) CABRERA PANGELINAN

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Ms. BORDALLO. Mr. Speaker, I rise today to honor the life and legacy of Vicente (Ben) Cabrera Pangelinan. Ben was a Senator of the 22nd, 23rd, 24th, 25th, 26th, 27th, 29th, 30th, 31st Guam Legislature and was currently serving in the 32nd Guam Legislature. Senator Pangelinan passed away on July 8, 2014 at the age of 58.

Senator Pangelinan moved from the island of Saipan to Guam at a very young age and grew up in the village of Barrigada. He graduated from Father Duenas Memorial School in 1974 before attending Georgetown University, where he graduated with a Bachelor's Degree in Government.

While Ben was a student at Georgetown University, he served as a staff assistant to Guam's Delegate, Congressman Antonio B. Won Pat. Upon graduating from college, Ben returned to Guam and worked under my late husband, Governor Ricardo J. Bordallo's administration.

Before beginning his public service to the people of Guam, Ben worked for an insurance company doing business in Guam, Saipan and California. He held many leadership positions at FHP/HML Guam, including Regional General Manager.

In addition to his work as a Senator in the Guam Legislature, Ben was also a respected businessman in the community. He was President and Owner of Group Pacific, Principal Consultant/President of Pacific Presence Group; Founding Director of Graphic Center, Inc. and Micronesia Graphics, Inc.; and Director of Fifth Wheel, Inc.

Senator Pangelinan served in the Guam Legislature for twenty years. He was first elected in the 22nd Guam Legislature and served as the Speaker in the 27th Guam Legislature.

Senator Pangelinan was serving as the Chairman of the Committee on Appropriations, Public Debt, Retirement, Legal Affairs, Public Parks, Recreation, Historic Preservation, and Land. Through Senator Pangelinan's leadership, the Guam Legislature was able to pass budgets in a timely manner. He took pride in the fact that these budgets reflected the priorities of the people of Guam, such as education, health and safety.

After twenty years of service in the Guam Legislature, Senator Pangelinan will be remembered for championing many issues to improve the quality of living for the people of Guam and always staying true to his convictions.

During the 30th Guam Legislature, Senator Pangelinan notably authored Public Law 30-193 which designated I Milåyan i Más Takhilo' na Sakrifisiu or the Medal of the Ultimate Sacrifice. The Medal of Ultimate Sacrifice is given to the survivors of Guam residents or service members stationed on Guam who were killed in action to recognize them for their service and sacrifice.

Ben was also a tireless advocate for Chamorro self-determination. Senator Pangelinan was a careful steward of our public funds, as well as our natural resources.

We are deeply saddened by the passing of Senator Ben Pangelinan, and I join the people of Guam in celebrating his life and recognizing his dedicated public service. My thoughts and prayers are with his family, loved ones and friends. He will be missed, and his memory will live on in the hearts of the people of Guam.

HONORING DR. VERONICA MAZ

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Ms. NORTON. Mr. Speaker, I rise today to ask the House of Representatives to join me in remembering Dr. Veronica Maz, a founder of So Others Might Eat (S.O.M.E.) in the District of Columbia, who passed away on June 24, 2014. Dr. Maz's signature achievement was the co-founding of Martha's Table in 1980, upon realizing the need for children, particularly in the 14th Street corridor Northwest neighborhood, to have a refuge from violence and drugs. Originally, Martha's Table served as a place for children to get a free meal after school. After 35 years of service, Martha's Table has developed into a multifaceted social services organization, providing services that not only address the problem of hunger in DC communities, but also the lack of quality education and affordable clothing.

Dr. Maz was born in Aliquippa, Pennsylvania on October 15, 1924. She attended the University of Pittsburgh in 1947, where she received her undergraduate and a doctorate degree in sociology. Dr. Maz began her career as an educator, teaching at Lake Erie College for Women, Skidmore College, and Georgetown University. While teaching at Georgetown University, Dr. Maz decided to change careers and become a social entrepreneur. With the help of Father Horace B. McKenna, Dr. Maz founded S.O.M.E. and House of Ruth, a home for battered women. Today, both organizations continue to be bulwarks to the residents of the District, and have expanded their reach throughout the community.

Today, Martha's Table has almost 90 employees, and has expanded its operation to include McKenna's Wagon, a daily mobile feeding program for the hungry, Martha's Markets, a free and health-conscious market in 10 locations, and Martha's Outfitters, a thrift store for families in need and the community at large. Ultimately, Martha's Table, S.O.M.E. and House of Ruth maintain Dr. Maz's legacy of community service through holistic and solution-based support for the people of the District.

Mr. Speaker, I ask my colleagues to join me in honoring Dr. Veronica Maz for a life of committed service to the District of Columbia. Her legacy continues to offer a powerful example for how we should conduct our lives and strive to serve our communities.

150TH ANNIVERSARY OF THE PEDDIE SCHOOL

HON. RUSH HOLT

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Mr. HOLT. Mr. Speaker, this year, Peddie School in Hightstown, New Jersey celebrates its 150th anniversary as one of the finest independent schools in the nation. Peddie School prides itself on the intellectual, social, and moral growth of its students.

I have been fortunate to have visited Peddie's campus and host interns who went to Peddie. Whenever I observed their work and work ethic, it was always apparent that their actions and skills reflected the values of Peddie, including respect, honesty, scholarship, balance, and courage—the same values that were also revered at its creation as a Baptist school during the Civil War. This philosophy is further evident in the uniting *Ala Viva* chant and student accomplishments in a diverse range of areas, from a dominant golf team to state poetry competition accolades.

I congratulate Peddie School for 150 years of fostering young women and men to become thoughtful and constructive members of society. May the next 150 years bring the same success and see generations of students develop into successful, upstanding citizens.

HONORING BAY VIEW HIGH SCHOOL ON ITS 100TH ANNIVERSARY

HON. GWEN MOORE

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Ms. MOORE. Mr. Speaker, I rise to pay tribute to Bay View High School celebrating its 100th Anniversary on October 4, 2014. Bay View High School opened in September, 1914 with seven teachers and 150 students. Mr. Gustav Fritzsche, a German teacher, served as its principal. The school was then a one building barrack without central heating known as "Fritzsche's Foundry". In 1922, classes were held in a new school building, still in use today and referred to as the "Castle on the Hill". The high school is a visible landmark from both the Hoan Bridge and Interstate I-43/1-94 in Milwaukee.

Bay View High School started a successful Student Government Association (SGA) in 1947 that led to unique programs such as honor study halls and building control. Many of the Bay View students involved in SGA have become politicians. Bay View High School has staged over 50 years of musicals. The high school has prepared many amateurs and professionals for a lifetime of music and the arts; they make up the current alumni choir and alumni band. Bay View High School's interscholastic sports program has developed champions after graduation who continue in their sport to set records and achieve a level of success up to and including Olympic gold.
