HONORING GEORGE LES, THE OAK  
LAWN CHAMBER OF COM-  
MERCE'S BUSINESS PERSON OF  
THE YEAR

**HON. DANIEL LIPINSKI**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 29, 2014*

Mr. LIPINSKI. Mr. Speaker, I rise today to honor George Les, a longtime restaurateur and community institution in Oak Lawn, Illinois. For the last 40 years, Mr. Les and his brother, Angelo, have run the famous Les Brothers restaurant at 87th Street and Ridgeland Avenue. On January 18, Mr. Les was recognized by the Oak Lawn Chamber of Commerce as its "Business Person of the Year."

Mr. Les embodies the quintessential American success story. In 1968, when he was just 10 years old, he came to the United States with his family from Greece. He grew up in Chicago's Marquette Park community, landing his first restaurant job bussing tables at age 12. In 1974, he and Angelo went to work for their father, Bill, when he opened the original Les Brothers at the same Oak Lawn location the restaurant is at today.

Anne Marie Casey, past president of the Oak Lawn Chamber of Commerce, noted in her remarks before Mr. Les was awarded "Business Person of the Year" that Les Brothers is an "Oak Lawn institution" and "a place where George treats every customer that comes into his business like they are friends and family, even if they are first-time customers."

Through hard work and perseverance, Mr. Les has opened other Les Brothers restaurants in Hickory Hills, New Lenox and Homer Glen—all in Chicago's south suburbs.

Mr. Les and his family are active in all of the communities they serve, sponsoring and supporting many local causes and events. In Oak Lawn, he is particularly passionate about Westside Baseball, the league his sons Bill and Jim played in growing up.

THE RETIREMENT OF BISHOP  
RUDOLPH W. MCKISSICK, SR.

**HON. CORRINE BROWN**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 29, 2014*

Ms. BROWN of Florida. Mr. Speaker, I rise today to honor Bishop Rudolph W. McKissick, Sr., the Pastor of Bethel Baptist Institutional Church.

For over 50 years, Bishop McKissick has served the Bethel community as its pastor. But previous to that, he helped the community as a choral member, music director, and Deacon prior to being called to succeed Rev. Robert Wilson in 1966 as Bethel's tenth pastor.

Throughout his tenure, Bishop McKissick, Sr.'s exemplary teachings and spiritual guidance have inspired more than fifty servant leaders to accept God's calling to the ministry. Among them is his son Bishop Rudolph McKissick, Jr., Co-Pastor, Bethel Baptist Institutional Church. In addition, Bishop McKissick, Sr., demonstrating his commitment to meeting and supporting the ever-changing needs and growth of congregants, has established more than fifty ministries. A Christian Mission (The Help Center), marriage ministry, church basketball league, youth retreats, and missionary outreach program are among the initiatives long recognized for its innovation and excellence. Most notably and characteristic of the passion Bishop McKissick, Sr. and his wife of forty-nine years, Estelle Williams McKissick, share for education, is B.E.S.T. (Bethel Enhancing Students Totally) Academy, a program established in 1993 to support the academic needs of elementary and secondary students. Under their leadership, B.E.S.T. has become a valuable resource earning Bethel recognition as an approved summer school site for Duval County's most academically challenged students.

This high level of commitment to quality education is evident throughout Bishop McKissick, Sr.'s journey, as evidenced by his own educational achievements and affiliations. Bishop McKissick, Sr. holds a bachelor's degree for Edward Waters College (EWC) and has received training at a number of other leading institutions including Tuskegee Institute, the Music Institute, the Music Institute of Columbia University, Princeton University and Luther Rice Seminary. He also has conferred doctoral degrees from EWC and Bethune Cookman University. He has held membership on a number of boards and commissions including appointment to the first Board of Trustees at the University of North Florida, the Jacksonville Urban League, the YMCA James Weldon Johnson branch, and The Help Center. Bishop McKissick, Sr. has launched partnerships across the globe with Bethel's adoption of churches in South Africa and Panama.

He was chosen by Fresh Ministries to participate in a 1999 tour of South Africa, and a tour of Turkey, hosted last year by the Amity Turkish Cultural Center.

Recognized as a community stalwart, Bishop McKissick, Sr. has earned a host of awards and accomplishments. A few include recipient of the 1992 Humanitarian award presented by the National Conference for Christian and Jews; City of Jacksonville's Human Relations Award; National Association for Equal Opportunity Award; Bernard Gregory Servant Leader Award; and the Meritorious Leadership Award presented by Dr. Martin Luther King, Sr. In September 2011, was elevated to Bishop of Marriage and Family in the Full Gospel Baptist Church Fellowship International.

A member of the NAACP and Omega Psi Phi fraternity, Bishop Rudolph McKissick, Sr. is married to Estelle Williams McKissick and they have one son, Bishop Rudolph McKissick, Jr. (Kimberly) and three grandchildren; Jocelyn, Janai and Joshua.

Bishop McKissick gave his final sermon as Senior Pastor of Bethel Baptist Institutional Church on Sunday January 5, 2014. He ended the sermon saying "there is no more powerful congregation than this congregation. For 175 years, God has blessed this church."

"Lord bless you and keep you . . ."

Thank you, Bishop McKissick. May the Lord Bless you and Keep you.

CONGRATULATING EDWARD M.  
MURPHY

**HON. PETER WELCH**

OF VERMONT

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 29, 2014*

Mr. WELCH. Mr. Speaker, I rise today to congratulate Edward M. Murphy as he steps down after a decade as Chief Executive Officer of The MENTOR Network—a national network of local health and human services providers based in Boston, Massachusetts—and assumes the role of Executive Chairman. Ned has dedicated his career to leading public and private sector organizations that provide quality-of-life enhancing services to individuals with intellectual and developmental disabilities, children at-risk and their families, and people with brain and spinal cord injuries—including our nation's wounded warriors. In particular, in response to the establishment of the Veteran's Health Administration Assisted Living Pilot program by this body, Ned's leadership was instrumental in The MENTOR Network's development of innovative programs to serve Veterans with brain injury in the communities of their choosing.

Ned began his career working with young offenders in community reintegration programs and was appointed commissioner of the Massachusetts Department of Youth Services in 1979. This began a sixteen-year period during which he held senior positions in state government, including commissioner of the Department of Mental Health and executive director of the Health and Educational Facilities Authority. After a successful career in the public sector, Ned moved on to the non-profit and private sectors, where among his notable accomplishments, he founded Alliance Health, before joining The MENTOR Network as CEO in 2004.

Ned accomplished all this as he helped raise a wonderful family; Owen, Meghan, Brendon and Jay; grandchildren, Rosa, Oona, Nora and Marlo. Ned and his wife, Ann Ellen Hornidge, continued to make a positive difference in Massachusetts.

Mr. Speaker, I am grateful for Ned's contributions to enhancing the lives of our nation's most vulnerable citizens and thank him for his continued leadership on behalf of these individuals.

TRIBUTE TO KATHY SNYDER

**HON. JON RUNYAN**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 29, 2014*

Mr. RUNYAN. Mr. Speaker, I stand here today deeply saddened by the recent news of the passing of Kathy Snyder, a long-time teacher and coach at Southern Regional High School in Manahawkin, New Jersey. Kathy devoted her entire professional life to the students of Southern Regional, and was beloved by everyone throughout the community.

Kathy, a breast cancer survivor, began teaching physical education at Southern Regional in 1977 and coached both the girl's varsity basketball and field hockey teams. Before she passed away, Kathy was in the midst of her 35th season coaching the girl's basketball team, and had hit the 500-win milestone in 2010. On the field hockey field, Snyder won more than 300 games and was named The Press Coach of the Year in 2011.

Kathy was a resilient, competitive coach who fought for women's equality in sports, and it was she who helped pave the way for the thousands of female athletes who competed in the Shore Conference. Kathy's colleagues, students and athletes loved and respected her as a coach, role model, and friend.

Mrs. Snyder was a legend at Southern Regional High School and my thoughts and prayers go out to her family and friends. Kathy is survived by her husband Ken, three children—Brandon, Erin and Morgan, and granddaughter, Waverly. This is a devastating loss for the Southern Regional community.

Mr. Speaker, I urge my colleagues to join me in remembering the amazing life and legacy of Mrs. Kathy Snyder.

RECOGNIZING THE 13TH ANNUAL  
NATIONAL MENTORING MONTH

**HON. SHEILA JACKSON LEE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 29, 2014*

Ms. JACKSON LEE. Mr. Speaker, I rise to speak on the importance of recognizing January as National Mentoring Month. Since 2002, National Mentoring Month has served as an opportunity for our country to reflect on the benefits of youth mentoring and to highlight the positive impact it has on the development of our youth.

The theme of this year's mentoring month is "Mentoring Works"! It allows us to proudly and openly discuss mentoring as a vital academic and social development strategy for our youth.

The fact is that in many regions mentoring helps young people achieve academic success; it also serves to help young people make responsible decisions for their futures.

According to a recent report released by MENTOR: the National Mentoring Partnership, some of the benefits of mentoring include:

The creation of higher educational goals. It is more likely for a youth with a mentor to attend college than for a youth without a mentor.

Participation in productive and beneficial activities. It is more likely for youth with mentors to engage in leadership positions, extra-curricular activities and sports, and community service than youth without mentors.

Another added benefit of mentoring is Upward Mobility. Integrated with other national initiatives, mentoring has the capacity to reduce poverty and increase the economic mobility of young people.

NATIONAL

Youth report that formal mentoring programs provide a variety of benefits, and most com-

monly offer that they receive advice about school, get help with school issues and/or schoolwork. They also make reference to receiving help to address life problems, assistance in getting a job, choosing a career and getting into college.

Youth in informal mentoring relationships commonly offer that their mentors provided developmental, more than academic, support.

Mentoring does not only provide immediate positive effects for young people in our community, but it also fosters growth and a continuation of this type of leadership.

Nearly nine in ten respondents who were mentored report they are interested in becoming mentors. In addition to confirming the value of mentoring, this desire to become a mentor also strengthens the earlier finding that mentoring is linked with higher rates of leadership and volunteering and offers a pool of future mentors to be activated.

HOUSTON

In Houston, the Boys and Girls Club is a wonderful medium for mentoring.

The club works on supporting youth to become life-long learners by emphasizing academic success and setting goals of higher education. By providing access to tools and technology, this organization also prepares our youth for the 21st century.

Career development through literacy and tutoring is stressed as well as cultural awareness, creativity, the arts, and photography to ensure well-rounded knowledge.

This broad reaching mentoring program has yielded incredible measurable results:

Club members graduate from high school at a rate of 87 percent compared to the national average of 66 percent.

They finish college at a rate of 25 percent, exceeding the national average of 16 percent.

And they show an overall improvement of 12 percent in their grades at school.

Although we know that mentoring provides all these great benefits, 1 in 3 young people in the United States are still without a mentor. Therefore, in acknowledgement of these benefits, and in an effort to raise awareness and participation, I would like to commend all of the mentoring organizations that exist nationwide and especially those within the 18th district of Texas.

Therefore, I join the National Mentoring Month initiative to encourage local mentoring programs and organizations to plan activities in our communities that increase mentoring efforts.
