**PAYING TRIBUTE TO HAMILTON
COUNTY SHERIFF'S OFFICE SER-
GEANT KIMBERLY JAYNE
JOWITT**

HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 10, 2014

Mrs. BROOKS of Indiana. Mr. Speaker, I rise today to honor the life of Hamilton County Sheriff's Office Sergeant, Kimberly Jayne Jowitt. Sadly, after a more than three-year battle with cancer, Sergeant Jowitt passed away on July 27, 2014. For more than three decades, she served the people of Hamilton County with a dedication that our community and the entire state of Indiana owe a debt of eternal gratitude.

Born on August 2, 1955 in Indianapolis, IN, Sergeant Jowitt was a lifelong Hoosier. After graduating from Heritage Christian School and Indiana University Kelley School of Business, she was hired as a civilian employee by the Hamilton County Sheriff's Office in 1978.

During her career with the Sheriff's Office, which spanned an admirable 37 years, Sergeant Jowitt held several positions serving Hamilton County; most recently as an administrative sergeant handling special assignments. A career public servant, she worked tirelessly to make Hamilton County a better place to live.

Although Sergeant Jowitt had many ups and downs during her battle against cancer, she remained faithfully optimistic and never lost her will to fight. She brought this same tenacity to her career serving Hamilton County becoming the first female officer, investigator and supervisor in the history of the Hamilton County Sheriff's Office. I am proud to represent a community with a legacy of female public servants as dedicated as Kim Jowitt.

As a member of the House Homeland Security Committee and Chairwoman of the Subcommittee on Emergency Preparedness, Response and Communications, I know firsthand the important role that public servants like Sergeant Jowitt play every day. Without people like Kim Jowitt, who are willing to dedicate their entire career to public safety and

service, Hamilton County would not be the safe, prosperous and vibrant community it is today.

Sergeant Jowitt is survived by her husband, Noblesville Police Chief Kevin Jowitt, and her daughter, Crystal. My condolences and well wishes go out to Sergeant Jowitt's entire family and the Hamilton County law enforcement community. My thoughts and prayers are with them.

**INTERNATIONAL PLASMA
AWARENESS WEEK**

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 10, 2014

Ms. MENG. Mr. Speaker, I rise to commemorate International Plasma Awareness Week, which will occur October 12 to 18, 2014. During this time, there will be observances throughout the United States and Europe designed to raise global awareness of the need for plasma to create lifesaving therapies, recognize the value that plasma donors contribute in saving and improving lives, and increase understanding of rare diseases and plasma protein therapies.

Raising awareness about plasma protein therapies is vitally important for the following reasons:

Plasma-derived therapies and recombinant blood clotting factors, collectively known as plasma protein therapies, are unique, biological products for which no substitutes or alternative treatments exist. They save and improve lives of individuals throughout the world;

Plasma protein therapies are used to treat bleeding disorders, primary immune deficiency diseases, alpha-1 antitrypsin deficiency, and certain rare, neurological disorders;

These therapies are also used in emergency and surgical medicine to save and improve lives;

Plasma protein therapies have significantly improved the quality of life of, markedly improved patient outcomes for, and extended the life expectancy of individuals with rare, chronic diseases and conditions;

Healthy, committed donors provide plasma essential to manufacture these lifesaving therapies; and

There are over 430 plasma collection centers in the U.S. that have demonstrated their commitment to plasma donor and patient safety and quality by earning International Quality Plasma Program (IQPP) certification.

I ask that my colleagues in the House of Representatives join me and rise in commemoration of International Plasma Awareness Week, a time dedicated to raising awareness about crucial, lifesaving therapies attained through using plasma proteins.

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 10, 2014

Mrs. CAPITO. Mr. Speaker, I rise today to recognize Teays Valley Christian School, lo-

cated in Scott Depot, Putnam County, West Virginia, who is celebrating the 30th anniversary of its first graduating class with a Gala on October 18, 2014. I am happy to say that, under the direction of Principal Jack Davis, teachers and staff, Teays Valley Christian School has become one of the finest private, Christian schools in the state of West Virginia.

Founded in 1979, Teays Valley Christian School started in converted Sunday school classrooms at Scott Depot Christ Fellowship, offering kindergarten through 8th grade classes to approximately 65 students. The school expanded, offering kindergarten to 12th grade and currently, 351 students are enrolled from Putnam, Kanawha, Mason and Cabell counties. In addition, the student body represents 83 churches which support the school's emphasis on "unity of spirit across denominational lines."

The school's mission statement reflects the core values of the school and the reason for its formation: "Teays Valley Christian School is dedicated to working in partnership with the family to provide a high quality, balanced, Bible-based education that develops the essential knowledge, skills, and character traits necessary for students to make a lifelong commitment to Jesus Christ and to fulfill God's purposes in their lives."

Teays Valley Christian School is accredited through the Association of Christian School International (ACSI) and the North Central Association (NCA). It is affiliated with the Association of Christian Schools International, North Central Association, ACSI Ohio River Valley, West Virginia Christian Athletic Tournament, and the West Virginia Department of Education.

The school is proud of its rigorous academic curriculum and qualified staff that have provided an education to over 600 students, 90 percent of which have attended and completed college. The school's college entrance exam scores are consistently higher than state and national averages. The school is proud of two national merit scholars who have graduated over the past 5 years. A well rounded program is offered to students including programs in the fields of music, fine arts, drama, as well as athletics.

Since its humble startup, Teays Valley Christian School has evolved into a full scale academic institution offering students a well rounded faith based academic curriculum. The emphasis on hard work and academic achievement with a Christian foundation has proven to be a successful formula for the school, its students and alumni.

Mr. Speaker, in closing I would like to Congratulate Teays Valley Christian School on its success and on the occasion of the 30th anniversary of its first graduating class. I wish the school great success with its upcoming Gala celebrating all graduates of this special academic institution. Hopefully, this will be the beginning of the next 30 years of academic excellence at Teays Valley Christian School. I am truly privileged to serve such a distinguished group of West Virginians.

Mr. ENYART. Mr. Speaker, I rise today to ask my colleagues to join me in wishing Orlando Martorani a Happy Birthday as he turns 100 years old on October 19, 2014.

Orlando Pedro Martorani was born October 19, 1914 in Bayamon, Puerto Rico. He began a career as a bookkeeper and married Mercedes Delgado Garcia in San Juan, Puerto Rico on December 14, 1941, exactly one week after the attack on Pearl Harbor.

Orlando and Mercedes began their life in Puerto Rico and their first child, their daughter, Gilda, was born in 1942. In December of 1943, Orlando answered the call to military service, joining the U.S. Army as a member of the Coastal Artillery Corps.

The Coastal Artillery Corps was responsible for the defense of the coasts and harbors of the United States during the first half of the 20th Century. As a member of that corps, Orlando was briefly assigned to duty in Inglewood and San Diego, California before being stationed in Panama, guarding the Panama Canal. He also would be stationed in Boston, Massachusetts to guard German Prisoners of War.

On being discharged in February of 1946, Orlando returned to his life in Puerto Rico where he and Mercedes raised their family. After retiring in 1980, Orlando and Mercedes came to live in Murphysboro, Illinois.

A short-wave radio enthusiast, Orlando is also a Chicago Cubs fan and, even though he has been waiting 100 years, he still has hopes of seeing the Cubs win a World Series in his lifetime.

Orlando cared for Mercedes until she passed away in 2003. He has two children, Gilda and a son, Orlando, who is also a U.S. Army veteran who served in Vietnam. He also has six grandchildren and one great-grandchild.

Mr. Speaker, I ask my colleagues to join me in wishing Orlando Martorani a Happy 100th Birthday and wishing him all the best in the future.
