

HONORING WORLD WAR II VETERAN, ORLANDO MARTORANI, AS HE CELEBRATES HIS 100TH BIRTHDAY

HON. WILLIAM L. ENYART

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 10, 2014

Mr. ENYART. Mr. Speaker, I rise today to ask my colleagues to join me in wishing Orlando Martorani a Happy Birthday as he turns 100 years old on October 19, 2014.

Orlando Pedro Martorani was born October 19, 1914 in Bayamon, Puerto Rico. He began a career as a bookkeeper and married Mercedes Delgado Garcia in San Juan, Puerto Rico on December 14, 1941, exactly one week after the attack on Pearl Harbor.

Orlando and Mercedes began their life in Puerto Rico and their first child, their daughter, Gilda, was born in 1942. In December of 1943, Orlando answered the call to military service, joining the U.S. Army as a member of the Coastal Artillery Corps.

The Coastal Artillery Corps was responsible for the defense of the coasts and harbors of the United States during the first half of the 20th Century. As a member of that corps, Orlando was briefly assigned to duty in Inglewood and San Diego, California before being stationed in Panama, guarding the Panama Canal. He also would be stationed in Boston, Massachusetts to guard German Prisoners of War.

On being discharged in February of 1946, Orlando returned to his life in Puerto Rico where he and Mercedes raised their family. After retiring in 1980, Orlando and Mercedes came to live in Murphysboro, Illinois.

A short-wave radio enthusiast, Orlando is also a Chicago Cubs fan and, even though he has been waiting 100 years, he still has hopes of seeing the Cubs win a World Series in his lifetime.

Orlando cared for Mercedes until she passed away in 2003. He has two children, Gilda and a son, Orlando, who is also a U.S. Army veteran who served in Vietnam. He also has six grandchildren and one great-grandchild.

Mr. Speaker, I ask my colleagues to join me in wishing Orlando Martorani a Happy 100th Birthday and wishing him all the best in the future.

IN RECOGNITION OF THE CITY OF CORCORAN, CALIFORNIA

HON. DAVID G. VALADAO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 10, 2014

Mr. VALADAO. Mr. Speaker, I rise today to congratulate the City of Corcoran, California as they celebrate their 100th Anniversary this summer.

Corcoran was incorporated in 1914 and has grown tremendously over the last 100 years. The city is located in the middle of California's fertile Central Valley and has played an important role in supporting this region's vibrant agricultural economy.

At the turn of the 20th century, the area where Corcoran now stands was a major component of the state's economy as it served as a junction for the San Francisco and San Joaquin Valley Railroad. The city began when H.J. Whitley, a land developer from Southern California, purchased 32,000 acres and moved his colleague, J.W. Guiberson to the area. Guiberson and his family were responsible for building the city's first home and business and establishing the first church in the community. Agriculture was, and still is, the highlight of this area. At its infancy, the most successful crops in Corcoran were alfalfa, grains, and sugar beets.

Despite its size, the city is home to a thriving community. For example, the J.G. Boswell Company, founded in 1925, has ties in both agriculture and real estate and is one of the largest irrigated farming operations in the world. The area also offers many educational opportunities for its youth including West Hills College and College of the Sequoias. In 2009, the Technology Learning Center opened at Corcoran High School to serve students in the community. There are also many organizations that work hard to cultivate an interest in and further understanding of agriculture in our children, such as the Future Farmers of America program and the Corcoran 4-H Club. This wonderful city is rich in history and certainly has a bright future ahead.

Mr. Speaker, it is with great pride that I recognize the City of Corcoran, California in celebrating a successful and prosperous 100 years.

Upon his graduation, Kevin applied to Plumbers' Union Local 12, where he was sworn in on October 24, 1966. Recognizing his good work, several organizations have honored Kevin throughout the years. In 1991, he was the recipient of the Daniel J. HONORING THE 90TH ANNIVERSARY OF
CARY MEDICAL CENTER

HON. MICHAEL H. MICHAUD

OF MAINE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 10, 2014

Mr. MICHAUD. Mr. Speaker, I rise today to recognize the 90th Anniversary of Cary Medical Center in Caribou, Maine. Nearly a century after its founding, Cary continues to serve the people of Northern Maine with the highest quality of care, all while maintaining a special commitment to our nation's veterans.

Cary Memorial Hospital first opened to the public in September of 1924. The medical center was built on land donated to the City of Caribou by the late Dr. Jefferson B. Cary for the purpose of building a hospital. Over the next 50 years, the Hospital would welcome a number of expansions, before Caribou voters welcomed a new state-of-the-art \$7 million hospital in the mid-1970s.

Just as its namesake was a pioneer as one of the first medical professionals in Aroostook County, since its opening, the new Cary Medical Center has continued to lead the way in the future of healthcare. From the new private hospital rooms at its opening to the new Women's Imaging Center—offering the most advanced breast cancer diagnostic service in Northern Maine—the hospital has been a medical leader for the state and the region.

Perhaps closest to my heart, Cary Medical Center is known for its unwavering commitment to our nation's veterans. In 1988, Cary was the first hospital in the United States to open a VA Community-Based Outpatient Clinic. For the last several years, Cary has offered specialty care to veterans through VA's Project ARCH (Access Received Closer to Home). I was proud to help bring this program to Maine and work closely with Cary's leadership to ensure the program will continue through the Veterans Access, Choice, and Accountability Act of 2014.

Mr. Speaker, Cary is consistently recognized as one of the top hospitals in Maine and is focused on improving the health of all Mainers. As Cary nears a century of service and caring for the community and the region, I hope that you will join me in honoring the medical professionals, hospital staff, and patients who make Cary a wonderful place to provide and receive care.

Mrs. CAPITO. Mr. Speaker, I rise today to recognize and honor my friend, Anne Therese McCuskey, who died September 4, 2014, in our hometown of Charleston after a long illness. I have always been grateful that Anne was willing to work in my first Congressional campaign and serve as my District Director when I entered Congress in 2001.
