

To escape Hitler's Germany, Mr. Szego immigrated to the United States with his family in 1934. After he started his studies at Stanford University, his education was interrupted in 1944 when he entered the U.S. Army to serve in Europe as a dental technician until 1946. After WWII, Mr. Szego returned to the United States to finish college, undertake course work toward a Ph.D., and teach at Rice University, Houston, Texas, and Santa Clara University.

Around this time, Mr. Szego began his life-long activism for civil rights, justice, peace, and many political campaigns for candidates who stood for these causes. After doing research for over a decade and while continuing to work and publish in applied mathematics, Mr. Szego left engineering to join the staff to Mr. Dan McCorquodale, the Santa Clara County Supervisor at the time. Among other things, in 1963, Mr. Szego joined an interracial group to take part in the March on Washington. Additionally, Mr. Szego served as an advisor to U.S. Representative Phil Burton on the issue of drafting fair political districts long before computer programs were used to draw boundaries.

After his retirement from the Legislature in 1991, Mr. Szego continued to work even harder to improve the lives of people of all races, backgrounds and ages, both on the local and national levels. In fact, in recognition of his numerous years of dedicated volunteer service, Mr. Szego received the AARP's highest state honor, the California Percy Andrus Award for Community Service. Deservedly, in May, 2014, Mr. Szego received the Santa Clara County Democratic Party Don Edwards Lifetime Achievement Award.

We join Mr. Szego's family, colleagues, and our community to express our heartfelt sense of loss. Mr. Szego's service leaves our world a better place, and he will be dearly missed.

TO COMMEMORATE THE LIFE OF
SARDAR GANGA SINGH DHILLON

HON. GERALD E. CONNOLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 12, 2014

Mr. CONNOLLY. Mr. Speaker, I rise to commemorate the distinguished life of Sardar Ganga Singh Dhillon, who passed away on September 24, 2014 at the age of 86.

Ganga Singh Dhillon was born in the Sheikhpura area of West Punjab. He received his early education at Chak 19 and the Guru Nanak Khalsa High School Nanakana Sahib. He later joined the Sikh National College Lahore.

This was a time of great political and religious turmoil throughout the Indian sub-continent. The region was on the verge of being divided, and the interests of the Sikh community were not being addressed. S. Dhillon became one of the foremost original leaders of the Sikh struggle. In 1947 he was arrested in Lahore along with several other students for promoting Khalistan, a Sikh nation. That same year, his father was shot and killed by the Pakistani army while trying to resolve an issue between the Sikhs and Muslims.

Ganga Singh Dhillon then moved with his family to India where he was mentored by S. Joginder Singh Mann, an old family friend. While in India, S. Dhillon began his battle to

preserve Sikh holy sites, especially the birthplace of the first Sikh guru, Guru Nanak Dev, and to allow Sikh pilgrims the right to visit these sites. However, his cause was considered far too radical, and he was taken into custody and held in the Nabha jail for a year and a half. It would take fifty years for this battle to be won; in 1999 the President of Pakistan finally granted the Pakistan Gurdwara Parbandhak Committee the right to maintain Sikh shrines and began granting more visas so that Sikhs abroad can visit them.

With the help of S. Mann, Sardar Ganga Singh Dhillon moved to the United States in the 1960s where he continued his advocacy on behalf of Sikh concerns. S. Dhillon was committed to improving relationships and understanding between Sikhs and other cultures and religions. He discussed issues with patience, logic, and advocacy for peaceful solutions, even with his most bitter adversaries. In 1965, S. Dhillon founded the John F. Kennedy Memorial Hockey Tournament. The core mission of this tournament was to build friendship and stronger bonds through sport, and to develop better understanding and mutual respect for people of all countries, rich and poor, through competition and sportsmanship. This tournament is now one of the largest international hockey tournaments in the United States.

In 1981, S. Dhillon returned to India to deliver a Presidential Address entitled "Sikhs Are a Nation" at the 54th All India Sikh Educational Conference. Reaction to his speech was overwhelmingly hostile, forcing him to leave India immediately. He was banned from ever travelling to India as a result.

S. Dhillon was also a leader on other issues of importance to the international Sikh community. He along with others established the Nanakana Sahib Foundation, the purpose of which was to bridge the gap between Sikhs and their Pakistani Muslim brothers. This foundation is jointly funded and run by Muslim and Sikh private individuals, and houses a library, a guest house, and hospital where free medical care is provided to the poor.

Mr. Speaker, I ask that my colleagues join me in commemorating and celebrating the life of my friend, Sardar Ganga Singh Dhillon and in expressing sincere condolences to his family. Sardar Ganga Singh Dhillon rightfully belongs in a select group of very rare individuals who, through peaceful means, have truly changed the world. His efforts on behalf of the international Sikh community and in improvement of relationships between cultures will leave a lasting legacy.

RAINN'S 20TH ANNIVERSARY

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 12, 2014

Mr. POE of Texas. Mr. Speaker, it's my honor to recognize the 20th anniversary of the Rape Abuse & Incest National Network (RAINN), one of our Nation's most effective victims' organizations.

Founded by Scott Berkowitz in 1994, RAINN is the Nation's largest anti-sexual violence organization.

Their cutting edge work has changed the outcome for victims of sexual violence for years.

They have made the country more aware of the evil of sexual assault and have aided millions of victims.

RAINN created and operates the National Sexual Assault Hotline, which provides victims of sexual assault with free, confidential services around the clock and has served over 1.5 million people since 1994.

The hotline expanded its services going online in 2007 helping to reach even more victims.

In addition, RAINN operates the DOD Safe Helpline to aid victims of sexual violence in our military.

Beyond the hotline and other direct victim services, RAINN advocates for policies that change the lives of victims of sexual assault and engages the public to advocate on behalf of victims' rights bills.

They were vital in the passage of the Debbie Smith Act, its subsequent reauthorizations, the DNA Fingerprint Act, and the Kate Puzey Peace Corps Volunteer Protection Act, and the Sexual Assault Forensic Evidence Reporting Act.

I worked with RAINN on SAFER for years along with Congresswoman MALONEY and Senator CORNYN.

SAFER provides grants to states and localities with existing funds to audit their rape kit backlog and makes this information available to the public.

SAFER also mandates that more current funds go directly to test rape kits.

Despite the various barriers we encountered throughout the years since this idea was brought to me by RAINN, Scott Berkowitz and the incredible staff at RAINN never gave up.

They persevered because they knew it was right.

They knew that SAFER would bring justice to victims and put perpetrators where they belong, behind bars.

Scott's spirit is like that of a Texan, even though he's from New Jersey, but we won't hold that against him.

That is why we work together so well.

Congratulations on 20 years of making a true difference in victims' lives.

She also utilizes her considerable experience and success in the classroom to assist in the professional development of other educators throughout the area at the Chapter's Teacher Workshops, sharing best practices and stimulating lessons that can be brought back to their respective classrooms.
