

In 2009, Chicken of the Sea closed its operations, outsourced more than 2,000 jobs to its parent company in Thailand, and set up a skeletal crew in Georgia USA. In 2012, Bumble Bee left Puerto Rico, also outsourced American jobs to Thailand, and now keeps a small crew in California. By choice, neither company qualifies anymore to sell canned tuna to America's school kids because by choice their tuna is no longer 100% Made in the USA.

And that's why Chicken of the Sea and Bumble Bee are having a tuna meltdown.

PERSONAL EXPLANATION

HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 2, 2014

Mr. GRAVES of Missouri. Mr. Speaker, on Monday, December 1, I missed a series of Roll Call votes. Had I been present, I would have voted "YEA" on #532 and #533.

IN RECOGNITION OF EL CATAÑO "LA CASITA" COMMUNITY GARDEN

HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 2, 2014

Mr. RANGEL. Mr. Speaker, today I rise to recognize El Cataño, affectionately known as "La Casita" Community Garden, which celebration took place on Saturday, June 7th in celebration of the 2014 National Puerto Rican Day Parade. In 1994, Jose and his sister Esther Reyes decided to look for an empty lot to start a community garden. The garden would be named after the Town of Cataño, which is located across from the bay of San Juan, Puerto Rico. The lot was a rat infested dumping ground for garbage, needles and crack vials, before Jose and Esther took on the challenge and collected over 200 signatures throughout the immediate neighborhood to acquire the lot in support of a community garden. Support grew from community organizations and businesses, which enabled Jose and Esther to acquire the lot and to clean it. In 1995, La Casita de Cataño Community Garden was born.

Traditionally, there is a Puerto Rican Day Festival held each Saturday before the parade—New York City's third largest—along Third Avenue in East Harlem, with community members transforming the El Cataño Community Garden into a celebration of Puerto Rican food and music. The presiding Mayor of Cataño often joins local residents in the festivities at the garden, where a past mayoral plaque commends the successful work of its founder Jose Reyes—who established the garden 20 years ago—in organizing tournaments between the El Cataño Community Garden's own baseball team and teams in Puerto Rico.

La Casita stood up to the Giuliani's Administration efforts to close the garden in favor of market rate and commercial development. In 2008, under the leadership of the late City Councilman Philip Reed, El Cataño Community Garden was saved. Councilman Reed enlisted the New York Restoration Project

(NYRP) to restore this 2,500-square-foot site in partnership with Denali Construction. Re-envisioned by acclaimed landscape designer Billie Cohen, the space—Cohen's tenth garden design for NYRP—features an intricate pattern of bluestone tiles in front and pavers arranged in concentric circles in the back of the garden. Additional highlights include planting beds for perennials such as roses and rhododendron. El Cataño's new design is well-suited to the garden's primary use as a community gathering space and frequent site of birthday parties, christenings and baby showers, as well as children's activities and educational workshops. In addition, local senior citizens use the garden to play cards and dominoes and, each year, NYRP partners with garden members to host a family-friendly domino tournament. This garden is situated in an area starved for open green space within blocks of 10 schools and in close proximity to five New York City Housing Authority properties. The densely populated neighborhood's residents are primarily of Hispanic, Latino and African-American descent.

The Board of Directors of the El Cataño Community Garden remain in constant contact with their counterparts in their hometown of Cataño, Puerto Rico. Every June and through the assistance of Carmen "Purca" Ruiz they are honored to receive the Honorable José A. Rosario Meléndez, Mayor of Cataño during their annual National Puerto Rican Day weekend of activities at La Casita Community Garden.

Mr. Speaker, I ask that you and my distinguished colleagues join me and the New York Congressional Delegation in paying tribute to Jose and Esther Reyes as they continue to maintain and keep the culture of Puerto Rico alive at "La Casita de Cataño".

HISTORICAL RECORD OF NATIONAL EMERGENCY GRANT FUNDING IN AMERICAN SAMOA

HON. ENI F.H. FALEOMAVAEGA

OF AMERICAN SAMOA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 2, 2014

Mr. FALEOMAVAEGA. Mr. Speaker, I rise today to include, for historical purposes, information about National Emergency Grant funding in American Samoa.

[Press Release, Oct. 20, 2009]

FALEOMAVAEGA THANKS U.S. DEPARTMENT OF LABOR FOR RELEASING OVER \$24 MILLION TO ASSIST CLEAN-UP AND RECOVERY EFFORTS IN AMERICAN SAMOA

Congressman Faleomavaega announced today that the U.S. Department of Labor has released over \$24 million in National Emergency Grant Funds to assist clean-up and recovery efforts in American Samoa.

"I want to personally thank my good friend and former colleague, U.S. Secretary of Labor Hilda Solis, for releasing more than \$24 million in National Emergency Grant funds to help American Samoa rebuild," Faleomavaega said. "The people of American Samoa are deeply appreciative of the support we are receiving from the federal government in the aftermath of the earthquake and tsunami that struck our islands on September 29, and I thank the Obama Administration, the U.S. Congress, FEMA, Secretary Solis, and all others for standing with us as we begin the long and difficult process of rebuilding our homes and lives."

"I also want to thank Senator Inouye and Senator Akaka for their unwavering support. Earlier today, we released a joint statement applauding Secretary Solis' decision to release more than \$24 million in aid and, during these trying times, I want to thank both Senators for their heartfelt words and condolences."

"With the outpouring of prayers being offered in our behalf, I have every confidence that American Samoa will rebuild but we will never be the same without the ones we have lost. This is why I continue to convey my condolences to the families and friends who have lost loved ones, and pledge to do all I can as we work to recover."

The full text of the U.S. Department of Labor's notification, which was sent to Faleomavaega, Senator Inouye, Senator Akaka, and to members of the Congressional Asian Pacific American Caucus (CAPAC), of which Faleomavaega serves as Vice-Chair, is included below:

NOTIFICATION

DEAR FALEOMAVAEGA/ INOUE/ AKAKA
STAFF AND CAPAC, Attached is a release announcing a \$24,857,608 National Emergency Grant award from the U.S. Department of Labor to assist clean-up and recovery efforts in the wake of a tsunami that struck American Samoa on Sept. 29.

This grant is for clean-up and recovery from a natural disaster. National Emergency Grants are part of the secretary of labor's discretionary fund and are awarded based on a state's ability to meet specific guidelines.

\$25 MILLION GRANT FOR AMERICAN SAMOA CLEAN-UP AND RECOVERY

U.S. Senators Daniel K. Akaka and Daniel K. Inouye (D-Hawaii) and Delegate Eni Faleomavaega (D-American Samoa) today applauded a \$24,857,608 federal grant to assist cleanup and recovery efforts in American Samoa following last month's destructive tsunami. The U.S. Department of Labor awarded the funds to American Samoa's Department of Human Resources to create more temporary jobs to assist in recovery efforts.

"I attended a memorial service in Washington this past weekend and was reminded of the tremendous toll this tsunami took: Entire villages destroyed, children and grandparents lost, livelihoods ruined," Senator Akaka said. "This grant will help American Samoa create temporary on-island jobs so residents can begin rebuilding their homes and infrastructure, surveying environmental damage, and repairing damaged industries."

"Our thoughts and prayers continue to be with those affected by the earthquakes and tsunami in American Samoa. The trauma suffered by the people dealing with the devastation and tragic loss of life is difficult to comprehend. These funds will help rebuild and restore the property that was destroyed and damaged and hopefully restore some semblance of the lifestyle that was lost," said Senator Inouye.

Delegate Faleomavaega said: "I want to personally thank my good friend and former colleague, U.S. Secretary of Labor Hilda Solis, for releasing more than \$24 million in National Emergency Grant funds to assist clean-up and recovery efforts in American Samoa. The people of American Samoa are deeply appreciative of the support we are receiving from the federal government since the earthquake and tsunami struck our islands on September 29 and, once more, I thank the Obama Administration, the U.S. Congress, FEMA, Secretary Solis and all others for standing with American Samoa as we begin the long and difficult process of rebuilding."

"Our hearts go out to the victims and survivors of the recent tsunami in American Samoa," said Secretary of Labor Hilda L. Solis. "Today's grant will support ongoing recovery efforts and help American Samoans put their lives back together."

Of the \$24,857,608 announced today, \$8,285,870 will be released initially. Additional funding up to the amount approved will be made available as the territory demonstrates a continued need for assistance, according to the Department of Labor.

On September 29, the Federal Emergency Management Agency (FEMA) declared all islands in the United States territory of American Samoa eligible for FEMA's Public Assistance Program. As a senior member of the Committee on Homeland Security and Governmental Affairs, Senator Akaka has been briefed by FEMA officials on initial recovery efforts to send food, water, cots, medical supplies, and working vehicles from the FEMA Pacific Area Office warehouse in Honolulu to American Samoa. Senator Akaka worked to establish and maintain this office beginning in 1991 in order to protect isolated Pacific island communities.

U.S. DEPARTMENT OF LABOR NOTIFIES FALEOMAVAEGA THAT OVER \$16 MILLION WILL BE RELEASED TO ASG FOR ABOUT 2,200 TEMPORARY WORKERS TO CONTINUE CLEAN-UP AND RECOVERY EFFORTS

Congressman Faleomavaega announced today that the U.S. Department of Labor (DOL) notified him this evening that it will release \$16,571,738 to ASG for about 2,200 temporary workers to continue clean-up and recovery efforts in the wake of the tsunami that struck American Samoa on September 29, 2009.

On October 19, 2009 a National Emergency Grant (NEG) was approved for up to \$24,857,608, with \$8,285,870 released initially. This incremental and final NEG award will bring total NEG funds awarded for clean-up and recovery efforts to \$24,857,608.

"I want to again thank my good friend and former colleague, U.S. Secretary of Labor Hilda Solis, for releasing more than \$24 million in NEG funds to help create about 2,200 temporary jobs in American Samoa," Faleomavaega said. "I first contacted Secretary Solis in May of 2009 regarding NEG funds in response to Chicken of the Sea's announced closure and, on May 7, 2009, I provided Governor Togiola with the contact information necessary to request assistance for our workers, noting that any request put forward must originate with the Governor."

"While that effort was underway between ASG and DOL, American Samoa was struck by a tsunami on September 29, 2009. In response to the tsunami, DOL immediately and preemptively reached out to ASG and assisted ASG in preparing and processing a disaster national emergency grant application. On October 19, 2009, ASG was then awarded over \$24 million to create about 2,200 temporary jobs for clean-up and recovery efforts."

"Discussions continue about how this grant might be more fully expanded, if necessary. For now, the American Samoa Department of Human Resources is responsible for the administration of the grant and ASG, in consultation with the DOL, determines who qualifies for temporary work."

"Again, I thank DOL for its swift response in providing temporary work for the people of American Samoa. The DOL can be assured that the people of American Samoa are appreciative of the support the federal govern-

ment is providing them, especially as we work together to rebuild and retool," Faleomavaega concluded.

[Press Release, June 28, 2012]

U.S. DEPARTMENT OF LABOR AWARDS \$500,000 IN SUPPLEMENTAL NATIONAL EMERGENCY GRANT FUNDING TO AMERICAN SAMOA DEPARTMENT OF HUMAN RESOURCES

Congressman Faleomavaega today announced that the U.S. Department of Labor (DOL) this week awarded approximately \$500,000 in supplemental National Emergency Grant (NEG) funding to the American Samoa Department of Human Resources.

According to DOL, the funding will provide for the continuation of workforce development services to workers who held temporary jobs to assist with the clean-up and recovery efforts following the earthquake and tsunami and subsequent flooding that struck American Samoa in 2009.

The initial NEG award of \$24,857,608 was approved on October 19, 2009, with \$8,285,870 released initially and a second increment of \$16,571,738 was approved and released on April 21, 2010. The supplemental funding of \$500,000 announced this week will bring the total NEG funds awarded for this project to \$25,357,608. With the supplemental funding, the project's period of performance is also extended for two quarters, so that all participants have more time to finish their full complement of reemployment services.

"I want again to thank my good friend and former colleague, U.S. Secretary of Labor Hilda Solis, for releasing more than \$25 million over the past three years in National Emergency Grant funds for American Samoa," Faleomavaega stated.

"Immediately following the devastating earthquake and tsunami that struck our islands on September 29, 2009, the Department of Labor notified my office as well as the offices of Senator Inouye, Senator Akaka, and the Congressional Asian Pacific American Caucus, informing us of the outpouring of millions of dollars of federal funding to help American Samoa with clean-up and recovery efforts. The funding also provided for needed jobs to employ American Samoans and help with our local economy," Faleomavaega added.

"I also want to thank and acknowledge the great work by our local leaders in the American Samoa Department of Human Resources, including Department Director Evelyn Langford and NEG Program Manager Tuimavave Tauapa'i Laupola, for the tremendous job they've done in managing this program as well as their tireless efforts in addressing the multifaceted needs of the Territory in the aftermath of the devastating 2009 tsunami. I have every confidence that this funding will continue to help our Territory rebuild," Congressman Faleomavaega concluded.

HONORING CLYDE HAWES

HON. JASON T. SMITH

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 2, 2014

Mr. SMITH of Missouri. Mr. Speaker, I rise today to honor Clyde Hawes from New Madrid, Missouri for his exceptional years of service as Presiding Commissioner of New Madrid County.

Mr. Hawes has set a wonderful example of public service and dedication to bettering our community. This month he will be retiring after serving as Presiding Commissioner for 36

years. Before that Mr. Hawes also served as Assessor of New Madrid County for 20 years while owning and operating his family farm. Mr. Hawes has spoken at several public events sharing his knowledge about business, agriculture, and civic matters.

Apart from his work as commissioner, Mr. Hawes is a Sunday school teacher at his church. As a devoted family man, Clyde sets a precedent for others to follow by committing to a balancing work and family.

For his years of service and all the work he has done to strengthen our community, it is my pleasure to recognize the achievements of Clyde Hawes and congratulate him on his retirement before the House of Representatives.

RECOGNIZING DR. ROBERT HEINEMAN

HON. TOM REED

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 2, 2014

Mr. REED. Mr. Speaker, I rise to pay my respects to a long time leader in higher education in my district. Dr. Robert Heineman has taught at Alfred University, my alma mater, since 1971, and was one of my professors of political science. He has shaped the thought of generations of Alfred University students and encouraged them to get involved in their communities and, specifically, to get involved in the political process.

Dr. Heineman holds a BA from Bradley University and both a MA and a Ph.D from American University. He has taught at Eastern Washington State College, Bradley University and Alfred University. He is a two time recipient of Alfred University's Excellence in Teaching Award and is the author of many book chapters and articles on the American Political System.

His activities extend beyond the classroom and into the Alfred community. Dr. Heineman served as an elected member of the Allegany County Legislature, Village of Alfred Board and as Village Justice in the Village of Alfred. He is the current chair of the advisory board of the Allegany County Youth Court. He has worked extensively to make the communities of Alfred and Allegany County better places to live.

Dr. Heineman has been married to his wife Alice for over 55 years and they have raised three children Phillip, Karen and Cheryl.

Our system of representative democracy cannot endure without each new generation of citizens being educated to appreciate its underlying philosophy and precepts. A community cannot flourish without engaged citizens of all ages participating in civic life. Dr. Robert Heineman has dedicated his life to the work of encouraging young people to love and respect the political process handed down to us by the founders and, more importantly encouraged them to not just watch from the sidelines but get in the game and be part of our democracy. It is a privilege as one of Dr. Heineman's former students to be able to praise him as a member of the House of Representatives.
