LEGISLATIVE HISTORY ON HOUSE
PASSAGE OF FALEOMAVAEGA'S
BILL TO COMBAT TOBACCO
SMUGGLING IN AMERICAN
SAMOA AND OTHER U.S. TERRITORIES

HON. ENI F.H. FALEOMAVAEGA

OF AMERICAN SAMOA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 3, 2014

Mr. FALEOMAVAEGA. Mr. Speaker, I rise today to include, for historical purposes, information about a bill I introduced to combat tobacco smuggling in American Samoa and other U.S. Territories.

[Press Release, June 14, 2012]

FALEOMAVAEGA INTRODUCES LEGISLATION TO COMBAT TOBACCO SMUGGLING IN AMERICAN SAMOA AND OTHER U.S. TERRITORIES

Congressman Faleomavaega today announced that he has introduced the Stop Tobacco Smuggling in the Territories Act of 2012 (H.R. 5934) to add American Samoa, the Commonwealth of the Northern Marianas and Guam to the current Contraband Cigarette Trafficking Act which makes it illegal to knowingly ship, transport, receive, possess, sell, distribute, or purchase 10,000 or more contraband cigarettes that do not have a state or territorial tax stamp. Violators of the act will face fines and criminal penalties.

"This legislation will provide law enforcement an additional tool to combat tobacco smuggling in American Samoa. According to a 2011 Feasibility Study commissioned by American Samoa Community Cancer Network on a Cigarette Tax Stamp Program in American Samoa, an estimated 5.8 million cigarettes were smuggled into American Samoa in 2010; this represents an estimated revenue loss of over \$724,000 to the American Samoa government." Faleomavaega said.

"Furthermore, the study reported that cigarettes are smuggled into American Samoa by individual travelers, who do not declare cigarettes that are in excess of the amount of tax-free cigarettes allowed for personal use (up to 200 per trip) and also by boats that evade Customs inspections. Contraband cigarettes are also obtained when a purchaser buys them at the Post Exchange (PX) in Tafuna and sold to local merchants who in turn resell them to members of the public. The purchase of cigarettes at a PX is only legal when they are purchased for personal consumption and not for resale."

"Besides depriving American Samoa of much needed tax revenues, cigarette smuggling contributes to a growing health crisis on our island. There are many health risks associated with cigarette smoking. Smoking causes many different types of cancer such lung, pancreatic, bladder, kidney and throat cancer. Smoking also causes coronary heart disease and is a factor in sudden infant death syndrome (SIDS)."

According to the Centers for Disease Control and Prevention (CDC), "The adverse health effects from cigarette smoking cause an estimated 443,000 deaths or nearly one of every five deaths, each year in the United States. Additionally, tobacco related ill-

nesses cost nearly \$100 billion in health care costs each year in the United States."

"Currently, on the federal level there are only civil penalties that can be enforced on smugglers in American Samoa pursuant to the Prevent All Cigarette Trafficking Act (the PACT Act). The PACT Act only applies to internet and mail order cigarette smuggling and it only imposes civil penalties while the Contraband Cigarette Trafficking Act imposes criminal penalties."

"As cigarette smuggling continues in American Samoa, the Stop Tobacco Smuggling in the Territories Act of 2012 will help local authorities combat the growing cigarette smuggling in our territory," Faleomavaega concluded.

AIR FORCE CAPTAIN WILLIAM H.
DUBOIS

HON. SCOTT R. TIPTON

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 3, 2014

Mr. TIPTON. Mr. Speaker, I rise today in honor of Air Force Captain William H. DuBois, whose life was tragically lost in support of Operation Inherent Resolve on December 1, 2014.

Captain DuBois grew up in New Castle, Colorado, where he attended Rifle High School. After high school, he studied Aeronautical Engineering at the University of Colorado in Boulder, later joining the United States Air Force.

As a member of the 77th Fighter Squadron out of Shaw Air Force Base in South Carolina, Captain DuBois was a specialist aviator in air-to-ground attacks against enemy forces. On

Monday, December 1, 2014, Captain DuBois took off from a U.S. Coalition air base for a combat mission in Operation Inherent Resolve, when his F-16 aircraft began to experience mechanical problems. Captain DuBois attempted to return to the air base and was unable to eject before his airplane crashed.

Captain DuBois was only 30 years old and recently married to his wife Ashley (Jones) DuBois. According to those who knew him, there was rarely a moment when he didn't have a smile on his face, and his selfless and encouraging personality was contagious to anyone who had the pleasure of meeting him. The numbers of lives touched by this courageous young man are innumerable and the love and memories he shared with his friends and family will live on through them.

The death of Captain DuBois is an unfortunate reminder of the dangers our service men and women face every day as they defend our country, as well as of the many sacrifices they make to protect our freedoms and way of life. Captain DuBois served his country with great pride and honor, doing what he had dreamed of since he was a boy. He will be greatly missed by his family, friends and squadron.

Mr. Speaker, it is an honor to recognize Captain William H. DuBois. His dedication to our country, and the way he selflessly lived his life, serve as an inspiration to a grateful nation, as well as to the State of Colorado.

RECOGNIZING ROMANIA'S GREAT UNION DAY AND ITS 25TH ANNIVERSARY OF INDEPENDENCE

HON. MICHAEL R. TURNER

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 3, 2014

Mr. TURNER. Mr. Speaker, as President of the North Atlantic Treaty Organization Parliamentary Assembly and co-Chairman Congressional Romania Caucus, I congratulate Romania on its Great Union Day, celebrating the anniversary of its unification on December 1, 1918, and its 25th anniversary of independence following the fall of communism.

Romania is a stalwart U.S. and NATO ally. Romania and the United States work closely together to confront a host of global challenges, including through our joint efforts to bolster regional defense, halt nuclear proliferation, and increase energy security. For example, the Permanent Forward Operating Site at Mihail Kogalniceanu Air Base not only enables a vital U.S. forward presence in the region, but also provides essential opportunities for joint training with NATO allies. With the signing of the U.S.-Romania Ballistic Missile Defense Agreement in September 2011, Romania established itself as a key strategic partner in NATO's emerging missile defense capabilities effort. The Missile Defense Interceptor site at Deveselu Air Base near the Bulgarian border will provide missile defense protection to our allies in Europe and the Middle East.

Tragically, ongoing events in Ukraine are unsettling the region and testing the transatlantic alliance. As you know, Russia seeks to once again destabilize much of Eastern Europe and restore influence over territories lost

following the collapse of the Soviet Union. That is why it is critically important for the United States, Romania, and other European allies to continue to work together to strengthen the transatlantic alliance and bolster regional security.

The strategic partnership between the United States and Romania has greatly advanced our common interests in promoting transatlantic and regional security and free market opportunities, and should continue to foster greater economic and cultural exchanges, trade and investment, and social contacts.

Mr. Speaker, I urge all of my colleagues to join me in celebrating Romania's Great Union Day and its 25th anniversary of independence since the fall of communism.

HONORING ROBERTS TREE FARM

HON. TODD C. YOUNG

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 3, 2014

Mr. YOUNG of Indiana. Mr. Speaker, Indiana's economic engine is driven by Hoosier innovation and entrepreneurship. Our state's small businesses are a source of pride for towns and cities across the state for the high quality goods and services they provide and the jobs they support. One such small business is the Roberts Tree Farm.

Each year, Americans look forward to Christmastime as a season that brings back memories of family and long-held traditions, as well as offering the promise of creating new memories with our loved ones. The look and smell of a freshly-cut pine tree is something I and others will always associate with the holiday season. Every year, hundreds of families around the state rely on Roberts Tree Farm of Seymour, Indiana to help keep these traditions alive.

Located on 25 acres owned by the same family since 1852, Roberts Tree Farm has been in operation for four decades. Working out of an authentic log cabin that originally housed Roberts Grocery Store, Jerry and Libby Roberts offer services that keep customers coming back year after year.

Jerry oversees the planting and maintenance of thousands of trees throughout the year, taking special care to ensure that they grow to become full and healthy. During the farm's business hours on Fridays, Saturdays and Sundays starting in late November, the Roberts provide much more than just rows of mature trees to choose from. Customers are driven around the grounds on a wagon, provided help in cutting and loading their favorite tree, and even get to enjoy Libby's homemade cookies along with a cup of hot chocolate or apple cider.

Family-owned small businesses are the backbone of Indiana's economy. However, Roberts Tree Farm is about more than just dollars-and-cents: They have helped make the holidays special for one generation after another. I wish the Roberts family—along with all the other holiday themed Hoosier small businesses—all the best, and most importantly, a Merry Christmas!

RECOGNIZING JIM ADAMS

HON. LINDA T. SÁNCHEZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 3, 2014

Ms. LINDA T. SÁNCHEZ of California. Mr. Speaker, I rise today to recognize the life and career of Jim Adams. Mr. Adams serves as the Orange County Council Representative for the Los Angeles/Orange Counties Building and Construction Trades Council. A longtime resident of Anaheim, Mr. Adams has worked tirelessly to increase work opportunities for local union members. He has represented the Council in negotiations with corporate entities, local governments, schools and college boards, and politicians to ensure workers and their families have a shot at achieving the American dream.

Originally from Cameron, Oklahoma, Mr. Adams came to Los Angeles on a Greyhound bus in 1959 and entered the floor covering trade. He joined Local 1247 in 1962 and was initiated in 1963. Since then, Mr. Adams has worked hard to help the Trades turn jobs and keep a prevailing wage.

After 50 years as a loyal union member, Mr. Adams is set to retire at the end of this year. His retirement is a great loss to the community and the California Trades. I thank him for his service to my constituents and my union colleagues and wish him and his family the best as he enters this new chapter in his life.
