

he was recognized as a California State Certified Fire Captain for the impacts made across the county and state. Tom continued to advocate issues at the RCFD as both the President of the Riverside County Volunteer Fire Association and Vice President of the Riverside County Fire Chiefs Association.

In the mid-1990s Tom expanded his influence when he was hired by the US Forest Service. There he was promoted to the position of Fire Crew manager for the Cleveland National Forest's Hotshot Crew. He transitioned to the Bureau of Land Management (BLM) as a seasonal Fire Prevention Technician at the Barstow District, Apple Valley Fire Center. His leadership was soon recognized, and he was promoted to Battalion Chief and permanent Fire Prevention Officer for Palm Springs and South Coast Regions. In 2003 was promoted to Division Chief and filled the position of California Desert District Fire Operations Supervisor. There, he was responsible for training, equipping, and standardizing engine crews, thus increasing professionalism of the teams and interoperability throughout the district. Most recently, Tom has acted as California Desert District Fire and Aviation Manager, where he enhanced interagency cooperation throughout the State of California, formalized federal air support to fire, and reinforced the reputation of BLM as a viable fire-fighting service.

Today, Tom and MaryAnn reside in Corona, where MaryAnn is a Librarian of 25 years at Jefferson Elementary and a member of the Corona Library Board of Trustees. Tom has also been a member of the Elks Club and supports veterans issues as an active member of the Veterans of Foreign Wars. Their son, Tom began following his father's footsteps as a volunteer firefighter until he entered the United States Air Force Academy in 1991. He is currently a Colonel-Select in the United States Air Force's Security Forces and a student at the National War College at Ft McNair. Their daughter, Nancy, is a Global Clinical Research Program Manager at City of Hope in Pasadena, California.

Throughout his career, Tom's unending love for the fire service created a drive that never ceased to encourage those around him. Fortunately, his legacy will live on through the countless firefighters he has mentored. I am proud to honor such a tremendous member of our community. Passion of this level is rare, but it is the standard that Tom has set for his family, his fellow firefighters, and his community members. I believe I speak for the countless individuals who have benefited from Tom's service when I thank him for the contributions he has made and salute him as he retires after 50 years of service.

##### HON. ELIZABETH H. ESTY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 6, 2014

Ms. ESTY. Mr. Speaker, I want to state for the record that on Wednesday, March 5, 2014, I unfortunately missed rollcall votes as I traveled to New Britain, CT, with President Barack Obama on official business.

Had I been present I would have voted:

“No” on the Previous Question (roll #93). Had a majority of the House voted no, this bill

would have allowed a vote to renew the emergency unemployment insurance to help over 35,000 jobseekers in Connecticut;

“No” on H. Res. 497 (roll #94), which prevented any amendments to H.R. 4118 from being considered;

“Aye” on H.R. 938, the U.S.-Israel Strategic Partnership Act (roll #95), which I proudly co-sponsored;

“Aye” on the Motion to Recommit H.R. 4118 (roll #96) to prevent H.R. 4118 from altering, weakening, or delaying the ACA’s prohibition of discrimination based on pre-existing conditions or gender and tax credits and rebates;

“No” on H.R. 4118 (roll #97). Back in July of last year, I was concerned that the federal marketplace would not be ready for the October 1, 2013, start date for enrollment under the Affordable Care Act. And, in fact, as we saw last fall, the federal website was not ready to handle the volume from states that didn’t set up their own exchange. The website problems were unacceptable. Based on the situation that I saw eight months ago, I believed that giving folks an extra year to learn about the benefits and responsibilities under the new law without penalty was a reasonable modification, particularly with misinformation spread about the Affordable Care Act and the uncertainty about the readiness of the marketplace.

I believe that my job is to solve problems and vote based on actual facts in my state and district, not ideology. And the facts in Connecticut in March 2014 are quite different than they were in July 2013. The exchanges have been up and running for five full months, and Connecticut is leading the way. With less than one month left in the enrollment period, over 130,000 people in Connecticut have signed up for health coverage through Access Health CT, exceeding the state and federal government’s goals. Now is not the time to retroactively delay the individual mandate. As I’ve previously stated, the individual mandate, upheld by the Supreme Court, is a critical part of the Affordable Care Act. Since July 2013, I’ve held workshops for small businesses and individuals to learn more about the Affordable Care Act and how to sign up for health insurance. I’ve heard stories from constituents about how the Affordable Care Act has helped them access affordable, quality health care. A woman from Canaan, a breast cancer survivor, is now saving over \$1,500 on her monthly premium; a former small business owner in New Britain can afford health insurance for the first time in 12 years.

The law is not perfect, and improvements can, should, and have been made. I will continue to raise concerns I’ve heard from folks in my district and to work with the Obama Administration to fix problems as they arise. But there is no question that the responsible course of action is to continue to move forward;

“Aye” on H.R. 2126, the Energy Efficiency Improvement Act (roll #98), which was a bipartisan bill to expand energy efficiency standards.

##### HON. MICHAEL M. HONDA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 6, 2014

Mr. HONDA. Mr. Speaker, on rollcall vote No. 98 on Wednesday, March 5, 2014, I was inadvertently recorded as “nay” when I intended to vote “aye” on H.R. 2126, the Energy Efficiency Improvement Act of 2014, as amended.

I’ve long been a proponent of improving energy efficiency across the board. I know the cheapest and cleanest kilowatts are the ones we don’t need to generate because we are using energy more efficiently.

I’ve even authored my own bill to improve the energy efficiency of consumer electronics, the Smart Electronics Act. I whole heartedly support the package of measures that were included in H.R. 2126, which include improving energy efficiency at federal data centers, increasing efficiency standards for grid-enabled water heaters, promoting efficiency retrofits on low-income housing, and creating incentives for landlords and tenants to boost energy savings in commercial properties.

I hope that House passage of this bill will enable progress in the Senate on energy efficiency legislation; and I want to reiterate my support for H.R. 2126, which I had intended to express through an “aye” vote.

HONORING A.H. PARKER HIGH SCHOOL AS ALABAMA’S CLASS 5A STATE BASKETBALL CHAMPIONS 2014

**HON. TERRI A. SEWELL**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 6, 2014

Ms. SEWELL of Alabama. Mr. Speaker, continuing in the tradition of the “District of Champions,” I rise today to honor the A.H. Parker High School Thundering Herd on winning the 2014 State of Alabama title in the 5A State Basketball Championship—the first state title since 1975. On behalf of the 7th Congressional District, I pay tribute to the Thundering Herd for their exemplary athleticism and teamwork as well as the outstanding leadership of Head Coach Reggie McGary and his coaching staff. We are extremely proud of these young men!

Parker’s championship victory capped off an extraordinary season of 23 wins and 6 losses. Coach McGary credited his team’s success to the leadership of his assistant coach, Randal Smith. According to McGary, Smith’s persistence in stressing the importance of defense was the team’s key to victory. Throughout the

championship game, Smith demanded that his defensive players bring their best to the court.

To earn their spot in the championship game, Parker High School dominated their opponents during the Steele City Invitational Tournament last December. The Thundering Herd faced its rival Ramsay High School to clinch the state title on March 1, 2014. During the championship game, the thundering herd played with the same skill and intensity that sustained them throughout the season. The team was celebrated for their consistent ability to defensively shutdown their opponents. Their strategy was no different when they competed for the state title as the Thundering Herd held Ramsey to just six points during the third quarter.

Although the team trailed 23–20 with 2:17 left in the first half, they would not allow their opponent to score again until the end of the third quarter. Senior Marquell Olivier led Parker with 15 points and nine rebounds while Omani Williams served as a defensive force for the team. Alontae Johnson also contributed nine points to the Thundering Herd’s 56–46 victory. The win occurred on the 50th anniversary of the Thundering Herd’s 1964 National Black High School Championship won at Tennessee State University.

As the daughter of a high school basketball coach, I know this decisive victory is the result of the tremendous efforts of both the players and coaching staff of A.H. Parker High School. The exemplary leadership and dedicated support from the coaching staff was a major factor in the success of the Thundering Herd. I commend Head Coach Reggie McGary and assistant coach Randal Smith and I am so proud of all they have accomplished.

On behalf of the 7th Congressional District, the State of Alabama and this nation, I ask my colleagues to join me in congratulating the accomplishments of the A.H. Parker High School Boys Basketball Team for their victory in the Class 5A Alabama State Championship.

Congratulations! Go Bisons!

## TRIBUTE TO ELIZABETH HEIM HASKELL

**HON. ROBERT HURT**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 6, 2014

Mr. HURT. Mr. Speaker, on behalf of myself and Representative MORGAN GRIFFITH, I sub-

mit these remarks to commemorate the life of Elizabeth Heim Haskell, who passed away February 11, 2014.

Mrs. Haskell was a pillar in her community and across the Commonwealth. She ran her own environmental consulting firm for nine years and authored many books and articles on the environment. She served on numerous boards and commissions, including the Air Pollution Control Board. She then served as Virginia’s Secretary of Natural Resources under Governor Douglas Wilder.

After completing her term, Mrs. Haskell returned to Martinsville to work in her family’s newspaper business as the director and vice president of The Martinsville Bulletin. She became involved with local civics, serving four years on the Martinsville City Council. She also was a member of the New College Planning Commission and then New College Institute’s Board of Directors, where she promoted her firm belief in the important role of higher education in the area’s economy. For her many contributions, particularly her work to further higher education in Southwest Virginia, the Virginia General Assembly named Mrs. Haskell the Outstanding Virginian in 2005.

Elizabeth Haskell exemplified commitment to bettering the lives of all Virginians. She will long be remembered for her distinguished service. She was predeceased by her husband, Robert H. Haskell III, and is survived by her son, Andrew Haskell of Morristown, N.J., three grandchildren, Chase Winn Haskell, Catherine Antoinette Haskell, and Harrison Robert Haskell, and her brother, Henry C. Heim of Gig Harbor, Washington.

Congressman GRIFFITH and I note with great sadness the loss of Elizabeth Haskell, a prominent leader in the Martinsville community and all of Virginia.

## THE OCCASION OF MAJOR ALEX CROSS’ RETIREMENT FROM THE UNITED STATES MARINE CORPS

**HON. JOHN KLINE**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 6, 2014

Mr. KLINE. Mr. Speaker, today I recognize and pay tribute to Major Alex Cross, United States Marine Corps, on the occasion of his retirement. My colleagues and I have had the pleasure of working with Major Cross over the past three years, to include his service as part of my congressional staff and later as the Deputy Director of the USMC Liaison Office in the United States House of Representatives.

From his arrival in January of 2011, Major Cross was a valuable member of my legislative team. Major Cross represented the Marine Corps with honor while providing expertise on Marine Corps programs and policies, and advising me on issues ranging from defense authorization to foreign affairs. Major Cross’s work on my personal staff culminated in his recommended changes to Department of Defense recruitment policies signed into law in the FY13 National Defense Authorization Act that resulted in expanded opportunities for students of all educational backgrounds to join the Armed Forces.

From 2012 to 2014, Major Cross served as Deputy Director of the USMC House Liaison Office. During his time in the House Liaison Office, Major Cross planned, led, and executed many of the Marine Corps’ most difficult
