RECOGNIZING THE MANIGAULT-HURLEY FAMILY'S SERVICE TO THE COMMUNITY

HON. JOE WILSON

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 2, 2014

Mr. WILSON of South Carolina. Mr. Speaker, it is appropriate to recognize the Manigault-Hurley Family for their dedicated service to the Midlands community. After 90 years of dedicated service to generations of South Carolinians, the oldest family-owned funeral home in the Columbia area, closed its doors earlier last month.

Founded in 1923, by William Manigault, the Manigault-Hurley Funeral Home was a family business in every sense of the word. After William's passing his wife, Annie Rivers Manigault continued to operate the funeral home until 1954. Anna May Manigault-Hurley, daughter of William and Annie, took over the business becoming the first female licensed embalmer in the state. She managed the successful business for 50 years. Anna's son and current owner Anthony (Tony) M. Hurley grew up helping with the family business which he operated with the help of his wife, Alice Wyche Hurley, and their three children, Brian, Kelly, and Michelle.

According to The State Newspaper's March 15th article 'Nothing is Forever,' "Manigault's was one of four black undertaking establishments operating in Columbia during the late 1920's according to the Roberts photo book, 'A True Likeness.' His shot of the storefront, in the 700 block of Main, shows a street lined with black Cadillacs.

Manigault expanded into caskets. During the Depression, his Congaree Casket Co. reportedly employed more black people than any other black-owned business in South Carolina."

Nate Abraham, Jr., in Carolina Panorama on March 20 reported "We have served four generations of the Columbia community," said Mrs. [Alice] Hurley. "And we are happy with that. We will certainly miss being a part of the business community, but like everything else, life goes in stages. We are just now moving into another stage."

With its closing, the Manigault-Hurley Funeral Home leaves behind a legacy of a family business dedicated to professionalism and compassionate service. The Wilson and Johnson families know firsthand of the Hurley Family's thoughtfulness in times of grief. They

were instrumental in providing world-class arrangements. South Carolinians will offer the Manigault-Hurley family best wishes for success in future endeavors. May their lives be filled with health and happiness knowing they have made a lasting difference for so many families.

RECOGNIZING SUSAN FINN BRITA

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 2, 2014

Ms. NORTON. Mr. Speaker, I rise today to ask my colleagues to join me in recognizing Susan Finn Brita for her more than 29 years of dedicated public service, in both the legislative and executive branches. Susan was my closest committee advisor when I came to the House in 1991 and remained invaluable counsel until she became General Services Administration (GSA) Deputy Administrator in 2010.

Susan began her career in public service as Chief of Staff to then GSA Administrator Terence Golden in 1985, after earning her Master's degree in Public Administration from George Washington University. In 1992, Susan was recruited to become Staff Director for the House Transportation and Infrastructure Committee, Subcommittee on Economic Development, Public Buildings, and Emergency Management, a position she held for 15 years. In 2010, Susan was recruited by the Obama administration to become GSA Deputy Administrator.

During her 29 years of federal service, Ms. Brita has mastered all phases of federal property management, including asset acquisition through construction, leasing, purchase, and long-term financing, repair and alterations, and surplus property disposal. She also has played a key role in the implementation of federal energy policy in federal buildings, including courthouses, as well as in the implementation of policies directed at building sustainability. Ms. Brita was heavily involved in evaluating and making recommendations to improve GSA's nationwide leasing program, reforming the GSA Courthouse Construction Program, and giving GSA the authority to redevelop and sell underutilized federal property. In addition she played pivotal roles in many projects under the jurisdiction of GSA, including the redevelopment of the Old Post Office Building, the Ronald Reagan International Trade Center, the Hotel Monaco, the Southeast Federal Center, and the West Campus of St. Elizabeths.

On March 31, 2014, Susan Brita retired from the GSA. Susan's advice and counsel have been indispensable to me, to the Transportation and Infrastructure Committee, and the Congress in helping to make GSA a true partner with the private sector to construct and redevelop property across the nation, while containing cost to federal taxpayers.

Mr. Speaker, I ask my colleagues to join me in recognizing Susan Finn Brita for a life of committed service to the people of the United States and the federal government, and in congratulating her on her extraordinary achievements as she retires from the administration and federal service.

TRIBUTE TO CLARKSON UNIVERSITY DIVISION I WOMEN'S ICE HOCKEY NATIONAL CHAMPIONS

HON. WILLIAM L. OWENS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 2, 2014

Mr. OWENS. Mr. Speaker, I rise today to recognize the Clarkson University women's ice hockey team for winning the 2014 Women's "Frozen Four" NCAA Division I National Championship.

The Clarkson University women's ice hockey team also led the nation with the fewest goals allowed per game (1.12) and a top-ranked penalty kill of 92.5 percent. Their efforts earned them an impressive 31–5–5 record and the first NCAA Division I national championship in the history of Clarkson University athletics.

Numerous players on Clarkson's championship team were recognized for their individual achievements. Three players, forward Jamie Lee Rattray, defenseman Renata Fast, and goalie Erica Howe were named to the 2014 NCAA Frozen Four All-Tournament Team, with Rattray also recognized as the tournament's Most Valuable Player.

Several days before the championship, Ms. Rattray was recognized with the prestigious Patty Kazmaier Award presented annually to the top player in NCAA Division I women's ice hockey. According to the USA Hockey Foundation, selection criteria for this award include outstanding individual and team skills, sportsmanship, performance in the clutch, personal character, competitiveness, and a love of hockey. Consideration is also given to academic achievement and civic involvement.

Clarkson players also led the nation in several categories this year. Ms. Rattray finished the season leading in total points with 66 and in power-play goals with 10. Erin Ambrose led among defensemen with 50 points, 14 goals, and 36 assists. Clarkson goalie Erica Howe compiled the lowest goals against average, 1.10, and the most shutouts with 14.

This championship is an historic achievement for Clarkson University's women's ice hockey team. While I was unfortunately unable to attend the championship game, the team's success serves as an enduring example of what can be achieved through great teamwork and a shared commitment to excellence.

HON. LUKE MESSER

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 2, 2014

Mr. MESSER. Mr. Speaker, I rise today to recognize The Journey Home, a veterans homeless shelter in east-central Indiana.

On March 21, 2014, The Journey Home started serving disadvantaged veterans throughout 5 Indiana counties. The program will help veterans overcome challenges such as homelessness, addiction, alcoholism, and Post Traumatic Stress Disorder. The organization functions as a 6-month program in which veterans make a personal commitment to recovery and establish an environment of support for when they leave the shelter.

The Journey Home serves Delaware, Henry, Jay, Randolph, and Wayne Counties. I want to personally recognize Bill Davis, Linda DeHaven, and Mike Kennedy for the tremendous effort each individual contributed to make this project happen. Through passion for our veterans and dedication to seeing a positive change, these three people have helped create an organization that will benefit our veterans, their families, and their neighbors.

I ask the entire 6th Congressional District to join me in recognizing the incredible potential impact The Journey Home will have on the 5 counties it serves in Indiana. This nonprofit organization demonstrates the great work that can be done when hardworking individuals come together to improve their community and the quality of life of others.

HONORING LAURYN WILLIAMS OF HOUSTON, TEXAS: 3-TIME OLYMPIAN, RECORD-SETTING ATHLETE, AND MENTOR AND ROLE MODEL FOR YOUNG PERSONS THE WORLD OVER

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 2, 2014

Ms. JACKSON LEE. Mr. Speaker, I rise in order to not only recognize but also honor Ms. Lauryn Williams for her extraordinary Olympic achievements and leadership.

Lauryn Williams is one of the greatest athletes in the history of track and field; a three-time Olympian, the Silver Medalist in the 100 meters at the 2004 Olympic Games in Athens and a member of the team that won the Gold Medal in the 4 × 100 meters relay at 2012 Olympic Games in London.

As a collegian at the University of Miami from which she graduated with a B.A. in Fi-

nance, Lauryn Williams won the 100 meters at the 2004 NCAA Championship and followed that performance the next year by winning the Gold Medal in the 100 meters at the 2005 World Championship Games in Helsinki, Finland.

She solidified her place at the top of her sport in 2006 by winning Silver medals in the 60 meters at both the World Indoor Championships and the U.S. Championship.

In 2004, Lauryn Williams ran the fastest legal-wind time and the second fastest time in the world that year. She was named the 2004 Big East Most Outstanding Performer and honored as the 2004 Athlete of the Year by the Sports Council.

In 2007, at the World Championships in Osaka, Lauryn Williams once again showed that she is one the best. Using great form and her will to succeed, she took the Silver medal in one of the closest finishes ever seen in the history of track and field.

Lauryn Williams is one of only five persons in history to medal in both the Summer and Winter Olympic Games.

In December 2013, Lauryn Williams embarked upon the World Cup Race Circuit and won 2 silver and 1 gold medal in the four races.

In January 2014, she was named to the USA Olympic Bobsled Team representing the United States with just six (6) total months of participation in the sport.

Paired with Elana Meyers in the BMW USA-1 sled, Lauryn Williams won the Silver medal at the 2014 Winter Olympic Games in Sochi, Russia, missing out on winning the Gold Medal by a mere 0.10 second.

As a three-time Olympian, Lauryn Williams knows the hard work and dedication required to take bobsled to the next level and bring home a medal; she has a work ethic matched by few.

From an early age, her parents stressed the importance of education and the message stuck. While succeeding on the track, she also succeeded and excelled in the classroom.

She received her Bachelor of Science in Finance from the University of Miami in 2004, and even gave the commencement address at her own graduation. She also obtained a Florida Real Estate Sale Associate license in 2006.

Additionally, during the 2008 Olympic year, while training full time to make the Olympic team, she also managed to simultaneously work on a Master of Business Administration degree, which she received from the University of Phoenix, AZ in 2009.

Recently, Lauryn Williams was struck with a passion for empowering athletes with financial literacy and stability so she completed the course work for Certified Financial Planning and will soon take the exam for CFP certification.

After Lauryn Williams returned home from the Sochi Olympic Games, she turned her focus to working with Olympians and other athletes to improve their financial literacy and stability in an effort to continue making a difference in the sporting world.

Lauryn's inspiring story of hard work, dedication and perseverance will motivate and inspire people of all ages.

Mr. Speaker, Lauryn Williams has been the recipient of many honors, including: Pennsylvania Sports Woman of the Decade 2009; member Iron Arrow Honor Society, highest

honor attainable at The University of Miami; Jefferson Award for Public Service Dream Team 2009; Miami Alumni Association William R. Butler Community Service Award 2008; Women in Sports Foundation honoree 2007; Visa Humanitarian 2006; Dapper Dan Sports woman of the year 2005; Runner's World-Hero of Running 2005; University of Miami Athletic Department Community Service Award 2002–2003.

Mr. Speaker, as an athlete Lauryn Williams represented our country with skill and grace and excellence and has earned the respect and affection of millions around the world. I take pride in saluting the remarkable achievements of this remarkable woman and world class athlete.
