HONORING THE LIFE OF
METROPOLITAN PHILIP SALIBA

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 2, 2014

Ms. KAPTUR. Mr. Speaker, I rise today to pay tribute to Metropolitan Philip Saliba, who led the Antiochian Orthodox Christian Church in North America for nearly 50 years and who passed from this life on March 19, 2014. Metropolitan Philip was the longest-serving bishop in any branch of Orthodoxy in the United States and leaves behind a tremendous legacy of service to the Orthodox Christian community.

Metropolitan Philip began leading Antiochian Orthodoxy in 1996 and frequently visited St. George Antiochian Orthodox Cathedral in Toledo and St. Elias Antiochian Church in Sylvania. His leadership will be greatly missed, as he played a key role in inspiring unity among Orthodox churches during his tenure. His compelling vision for unity was noted by The Toledo Blade, where he was quoted as saying: "As long as we are fragmented and known by Antiochians and Greeks and Serbians and Bulgarians and Russians, we will have no impact as a church on this country".

His eminence is remembered fondly for his personal warmth and compassion and has been described by his parishioners as a "visionary". One of the metropolitan's many accomplishments includes the founding of a church camp, Antioch Village, in Bolivar, Pennsylvania, which flourished under his direction. Indeed, he was lauded for this achievement, and for his other successful endeavors in expanding the reach of the church.

A staunch advocate for inclusion, Metropolitan Phillip welcomed converts without connections to the church's Middle Eastern roots and expanded the role of women in the church. He insisted on the creation of a women's organization and appointed women to the archdiocese's board. The metropolitan also urged the church to modernize in other capacities, by using English during liturgies and by beginning a clergy retirement program.

Under his purview, the number of parishes in the diocese quadrupled in size—a true testament to the significant impact of his leadership. Indeed, his imprint on the Orthodox Christian community will live on, as will his memory. To his brothers Nassif and Najib

Saliba, and all those whose lives he touched, we offer our heartfelt sympathy. We hope that they draw comfort in the days ahead and in the memories of this extraordinary man and the gift of his life.

HONORING MS. FLORENCE FANG

HON. MICHAEL M. HONDA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 2, 2014

Mr. HONDA. Mr. Speaker, I rise today to honor the life and contributions of my dear friend, Ms. Florence Fang, as she celebrates her 80th birthday and a lifetime of serving her community.

In her historic trip to China, First Lady Michelle Obama highlighted the work of the 100,000 Strong Foundation, a non-profit organization dedicated to strengthening US-China relations by sending American students of all economic and social backgrounds to study abroad in China as exchange students. By emphasizing foreign exchange education, programs like the 100,000 Strong Foundation are training young Americans to become global leaders in a new world where countries and economies are increasingly connected.

It comes as no surprise that the founders of the 100,000 Strong Foundation include leaders from the San Francisco Bay Area and Silicon Valley, notably the energetic and passionate Florence Fang. Ms. Fang is known internationally for her civic work, especially on building positive relationships with China, and in helping to develop our nation's future leaders.

Ms. Florence Fang was born in China and educated in Taiwan. In 1960, she immigrated to America, and was later adopted by the United States as an American citizen.

Ms. Fang and her husband, John T.C. Fang, had three sons who were born and raised in San Francisco: James, a graduate of Hastings Law School and currently serving on the Board of Directors of the Bay Area Rapid Transit system; Teddy, an Ethnic Studies graduate from UC Berkeley who was publisher of the Independent and SF Examiner newspapers; and Douglas, who received his Ph.D. in computer science from the University of Southern California and passed away in 2003.

In 1991, when the White House held a National Leadership Conference to discuss America giving China "Most Favored Nation" status, Ms. Fang was the only delegate invited to stand on the dais beside former U.S. President George H.W. Bush in the White House ceremony.

At the May 29, 1992 Asian/Pacific American Heritage Presidential Dinner, Ms. Fang shared the same stage with President George H.W. Bush, where she delivered a speech about her life in America, titled "An Asian American Story".

In 2006, she donated the priceless San Francisco Examiner newspaper archives to the UC Berkeley's Bancroft Library, where she delivered a speech and drew applause from UC Berkeley's Chancellor and professors. It is one of her most prized moments.

Also in 2006, she donated \$3 million to help build UC Berkeley's East Asian Library. And in 2008, she donated a building to Peking University for the School of Chinese as a Second

Language Department to teach the whole Chinese language and culture.

In January 2013, together with the Ford Foundation, she became a co-founder of the 100,000 Strong Foundation, which was born out of U.S. President Obama's initiative in 2008 when he visited China's then-president Hu Jintao, to send 100,000 American students to study in China.

On March 22, 2014, Ms. Fang accompanied First Lady Michelle Obama when she spoke to students in Peking University on the First Lady's trip to China.

On April 4, 2014, over 100 organizations will join together to host Ms. Fang's 80th birthday celebration. They also arranged to have two Kepler celestial bodies or stars named after Ms. Fang as recorded with the Space Telescope Science Institute.

Ms. Fang has held many local and national positions. She was appointed as National Small Business Commissioner by former U.S. President George H.W. Bush, Statute for Women Commissioner by California Governor, and San Francisco Film Commissioner by former Mayor Willie Brown Jr. Currently, she holds the titles of: Honorary Trustee of Peking University, Honorary Professor of Wuhan University, Founder and Board Member of the 100K Strong Foundation, and Chairwoman of the Florence Fang Family Foundation.

As a result of her own life experiences, Ms. Fang has particularly focused her life on education and American and Chinese cultural exchange.

When she first immigrated to the United States in 1960, Ms. Fang did not speak any English and had never had a chance to study in an American school. Then, in the early 1970s, her husband suddenly became very ill and was hospitalized in the intensive care unit. Ms. Fang was forced to make a living for her family, and she had to single handedly run her husband's printing shop business. It was during these years that she learned much of her English from reading invoices coming into the business.

Today she has achieved her American dream, and it is articulated by what former U.S. President George H.W. Bush wrote in his 1999 preface for Ms. Fang's unpublished biography:

America is a tale of immigrants who came to this land to build a nation and better their own lives.

The Florence Fang story is yet another chapter on the American experience. Her pursuit and fulfillment of the American dream serves as a reminder that America is truly the land of opportunity.

TRIBUTE TO SUNY PLATTSBURGH
DIVISION III WOMEN'S ICE HOCKEY
NATIONAL CHAMPIONS

HON. WILLIAM L. OWENS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 2, 2014

Mr. OWENS. Mr. Speaker, I rise today to recognize the Women's Ice Hockey Team of the State University of New York at Plattsburgh for winning this year's NCAA Division III National Championship.

Winning their third national title was the capstone on a remarkable season. The team finished the season with a record of 28–1–1, setting a new school record for wins and tying the NCAA Division III record. The team also set records for fewest goals allowed in a season (19), fewest goals allowed per game (0.63) and lowest goals-against average (0.63).

The team included three American Hockey Coaches Association (AHCA) All Americans: Sydney Aveson, Allison Era and Shannon Stewart. Ms. Aveson was also recognized with the AHCA Laura Hurd Award for the Division III Women's Hockey National Player of the Year.

In his 11th season with the team, Head Coach Kevin Houle was named the AHCA Division III Women's Ice Hockey Coach of the Year, his second in a row and fifth during his coaching career.

Let me also add that I attended the championship game with my wife and two friends. It was exciting to be part of such an enthusiastic crowd cheering on these tremendous student athletes.

With their record-setting season, the SUNY Plattsburgh Women's Ice Hockey Team has earned the enduring support of thousands of loyal fans in their region and a special place in NCAA history. The great character these players have shown makes them worthy ex-

amples for young athletes across northern New York and throughout the nation.

HONORING THE JACKSON ALUMNAE
CHAPTER OF DELTA SIGMA
THETA SORORITY, INCORPORATED

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 2, 2014

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor the remarkable Jackson (MS) Alumnae Chapter of Delta Sigma Theta Sorority, Incorporated, a public service sorority who is rich in its heritage and rich in its depth of leadership and services. The chapter is a member of the largest of sororities organized by African American women. Initially, the chapter was listed under the nomenclature of Alpha Chi Sigma Chapter.

The idea of organizing the chapter in Mississippi grew out of a group of close friends who had been active members of undergraduate chapters in other states: Alabama, Georgia, Louisiana, Massachusetts, Ohio and Texas. They needed eight Deltas to charter the chapter and after a long delay, on May 3, 1941; Clara Marjorie Allen, Willie Dobbs Blackburn, Elese Whitiker Blackman, Emily Johnson Hall, Thelma Weathers Johnson, Lorraine G. Crawford, Nellie Burbridge Williams, and Aurelia Norris Young made history. The chartering ceremony was held in the home of Aurelia Norris Young with the Southern Regional Director, Helen "Dolly" Work, conducting the ceremony. Aurelia Norris Young was elected the first Chapter President. Since the chapter's chartering, these ladies of vision have attracted many well-known women and outstanding students to become members of the sisterhood.

Mr. Speaker, I ask my colleagues to join me in recognizing The Jackson (MS) Alumnae Chapter of Delta Sigma Theta Sorority, Incorporated for their dedication to serving others.

RECOGNIZING BOSMA ENTERPRISES
AND THE ABILITYONE
PROGRAM

HON. LUKE MESSER

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 2, 2014

Mr. MESSER. Mr. Speaker, I rise today to recognize the work of a great Indiana organization, Bosma Enterprises. Bosma, working through the AbilityOne Program, has helped thousands of Hoosiers who are blind or visually impaired and is Indiana's largest employer of people with vision loss.

AbilityOne is an initiative to help people who are blind or have other significant disabilities. For over 75 years this critical program has helped thousands of Americans find employment by working within a network of nonprofit agencies that sell products and services to the U.S. government. More than 700 Hoosiers in 2013 alone were served through Community and Center-Based Services at Bosma. These services helped them achieve a greater level of independence and self-esteem and allowed

many people to gain employment in good paying jobs in central Indiana.

I have had the opportunity to visit Bosma Enterprises and see first-hand the impact that the AbilityOne program is having in the lives of so many Hoosiers. Nearly 60 percent of all employees at Bosma Enterprises are blind or visually impaired. One such employee is Preston Richardson. Preston lost his sight in 1988 and after several years of struggling with his disability was officially diagnosed in 1997. It was then that he found Bosma Enterprises, where he went to work in production. Preston's hardwork and dedication enabled him to excel at Bosma, becoming the first visually-impaired employee in the customer service department. Preston was then promoted to account manager with the sales team where he now manages over 300 state and national accounts.

The largest AbilityOne contracts Bosma holds are with the Department of Veterans Affairs (VA). Bosma supplies all of the VA hospitals and clinics with examination and surgical gloves. These contracts provide job opportunities to people who are blind or visually impaired while also providing the VA with the resources they need to take care of America's veterans.

I ask the entire 6th Congressional District to join me in recognizing the life changing work done every day by the men and women of Bosma Enterprises and the importance of the AbilityOne program. They have helped improve the lives of Hoosiers throughout the 6th District and central Indiana by enabling them to learn skills, find employment, and lead a more independent and fulfilling life. The dedication and commitment of AbilityOne employees is an example we can all aspire to. They have helped strengthen our communities and make the state of Indiana a better place to live.
