TRIBUTE TO MARY "JOSIE" CUDÁ

**HON. SHELLEY MOORE CAPITO**

OF WEST VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 29, 2014*

Mrs. CAPITO. Mr. Speaker, I rise today to recognize Mary "Josie" Cuda for her three decades of service in community and housing development, from Bolivia to Elkins, West Virginia.

Josie started her career serving others thirty years ago as a community organizer in Bolivia, followed by jobs as a flood relief worker and a position in human services. She spent seventeen years with the Randolph County Housing Authority and her final fourteen years as the agency's Executive Director. During Josie's time with the Randolph County Housing Authority, she developed a reputation as an innovative leader, using creativity and imagination to maximize her agency's footprint, serving moderate to low income hard-working West Virginians. She used funds from the West Virginia Housing Development Fund, the HOME Investment Partnerships Program, and money from the Federal Home Loan Bank to develop over one hundred homes and thirty apartment units during her tenure as Executive Director of the Randolph County Housing Authority. In addition, independent non-profit partners Woodlands Development Group and the Home Ownership Center were both started during Josie's tenure, in order to make safe, decent, affordable housing more accessible.

Since leaving the Randolph County Housing Authority, Josie's attention has remained focused on community and housing development. She has worked with CommunityWorks and the West Virginia Community Development Hub to bring Achieving Excellence in Community Development to West Virginia, a program which helps provide training to non-profit organizations working to improve their communities. So far, ten housing organizations and sixteen community groups have utilized this program in West Virginia.

On May 1, 2014, Mary "Josie" Cuda will be inducted into the Affordable Housing Hall of Fame by Habitat for Humanity of West Virginia. Mrs. Cuda is truly deserving of such an honor, as countless West Virginians have her to thank for a better quality of life, better housing, and better communities.

Josie is married to Frank Cuda, a family nurse practitioner. Together they have twin sons and three grandchildren, with a fourth on the way!

Mr. Speaker, Randolph County, as well as the State of West Virginia, owe Mary "Josie"

Cuda a debt of gratitude for her many years of devoted community service. I am proud to call her a friend and fellow West Virginian.

IN RECOGNITION OF LI MOON

**HON. JACKIE SPEIER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 29, 2014*

Ms. SPEIER. Mr. Speaker, I rise to honor Li Moon, an outstanding educator with the Hillsborough City School District for 22 years, who has changed the lives of hundreds of children, including my own daughter. Mrs. Moon is being honored with the Community Care Award from the Associated Parents Group.

Mrs. Moon is a Resource Specialist and the Data Advisor at North Elementary School. She served as Teacher-in-Charge for twelve years. I can say without fear of contradiction that she is one of the most effective, empathetic and innovative educators I have known. She believes that all children can succeed and will not stop until she finds what will make a student succeed. Her patience and compassion are inexhaustible.

Li Moon, a native of New York City, was a University Scholar at New York University. She received her BA in English in 1971, graduating cum laude and earning a membership in the Phi Beta Kappa Society. While teaching at Rivendell School, a small alternative school in San Francisco, she attended San Francisco State University, graduating in 1991 with her Multiple Subject Teaching Credential, MA in Special Education and Educational Therapist Certificate. The following year she started her teaching career at North School as a Resource Specialist, simultaneously continuing her private practice as an Educational Therapist for several years. She has also taught several courses and led numerous workshops in the Special Education Department at San Francisco State University and has been a Guest Lecturer at UC Berkeley Extension.

Mrs. Moon has a long and impressive list of training and credentials, including a Behavior Intervention Case Manager Certificate (BICM), Autism Authorization Training and English Language Development (ELD) and Specially Designed Academic Instruction in English (SDAIE) Certification. Her professional development includes training through Intel Math, the Columbia Math Camp, summer institutes at the Harvard Graduate School of Education (including Data Wise), IEP Skills Facilitation, TEACCH, Schools Attuned Profile Advisor training, Lindamood-Bell Phonological Sequencing Training, Project Read Phonology and Junior Great Books Discussion Leader Training. She received her Board Certification in Educational Therapy in 2001, is a former editor of The Educational Therapist and is currently the Chair of the San Francisco Association of Educational Therapists Study Group.

As you can surmise from this list, Mrs. Moon is always working on improving and expanding her skills so that she can use them to make her students thrive and succeed.

Her talents have not gone unnoticed in our community. Mrs. Moon deservedly received the school district's TONY and Teacher Leadership awards in 2001.

Mrs. Moon and her husband of 40 years, Jason Stillwater, live in San Francisco. They

have four children—Zachary Howard, Randall Conner, Moonwater and Tai Stillwater—and six grandchildren. In her spare time, Mrs. Moon enjoys reading, yoga, traveling and playing the flute.

Mr. Speaker, I ask the House of Representatives to rise with me to honor Li Moon, who has dedicated her life and career to make Hillsborough's school the best they can be for our children. Plato once said, "The direction in which education starts a man will determine his future life." Mrs. Moon has put hundreds of men and women on the path to success. My daughter today is a vibrant and successful sophomore, thanks in part to Mrs. Moon, an exceptional teacher and human being.

#### COMMEMORATING THE ARMENIAN GENOCIDE

### HON. JOHN P. SARBANES

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 29, 2014*

Mr. SARBANES. Mr. Speaker, on April 24th we commemorate the Armenian Genocide—the deportation, forced march and massacre of 1.5 million innocent Armenians at the hands of the Ottoman Turks nearly a century ago. In what has become a bitter annual ritual for Armenian-Americans and those who stand with them, we once again call upon the Obama Administration and the United States Congress to formally and officially recognize the Armenian Genocide as a tragic and unambiguous fact of history. Such recognition is critical to fortifying America's moral standing in the international community and, as we prepare in the coming year to mark the 100th anniversary of this tragedy, is long and painfully overdue.

#### CONGRATULATING MIKE JAWSON ON HIS RETIREMENT FROM USGS

### HON. RON KIND

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 29, 2014*

Mr. KIND. Mr. Speaker, I rise today to congratulate Mike Jawson on his retirement from the United States Geological Survey (USGS). Mike has served as Center Director for the USGS Upper Midwest Environmental Sciences Center in La Crosse, WI for the past nine years. During this time, Mike has repeatedly shown his dedication to his field and his strong leadership capabilities.

Mike's background is indicative of both his strong ties to Wisconsin, and his commitment to his field. Mike earned a Bachelor's degree in Chemistry from the University of Wisconsin-La Crosse, a Master's degree from the University of Wisconsin-Madison, and a Ph.D. from Washington State University. In the past, Mike has worked for the Dept. of Defense as a Chemist, for the USDA-ARS as a Soil Scientist, for the University of Nebraska-Lincoln as an associate professor, for the EPA-Kerr Research Center as Branch Chief, and for the George Washington Carver Center as a National Program Leader and working with the National Climate Change Office.

In 2005, Mike returned to Wisconsin to become Center Director at USGS in La Crosse.

In this capacity, Mike managed the multi-disciplinary program of biological research, directing 11 different science teams, each with dynamic personalities and varied skill sets. As a leader of the science component of the Upper Mississippi River Restoration's Long Term Resource Monitoring Program, Mike was able to secure and implement funding for facility improvements and several new restoration projects. Additionally, Mike was able to host the first Center visits of U.S. Senators AMY KLOBUCHAR and TAMMY BALDWIN, and then-Governor Jim Doyle. Mike's accomplishments with the USGS will not soon be forgotten and his hard work and dedication will be missed.

As the Representative of western and central Wisconsin, I care deeply about issues related to the environment, natural resources, and the Mississippi River. I would like to express my sincere gratitude to Mike for his passionate work addressing natural resource management and science information needs for the Great Lakes and Upper Mississippi ecosystems.

#### RECOGNIZING JOSEPH J. WENDA

### HON. MICHAEL G. FITZPATRICK

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 29, 2014*

Mr. FITZPATRICK. Mr. Speaker, Joseph J. Wenda, a Middletown Township resident and former township supervisor, passed away on April 24, 2014 after a long illness. He was 55 years old, a father and brother, who also will be remembered fondly by his relatives and many friends. Joe was soft-spoken and humble in his demeanor, but strongly dedicated to public service and his community. An elected township supervisor who served with distinc-

tion, he was respected and admired for his hard work and thoughtful decision-making. He was a man of integrity who treated his associates with equal and sincere interest and respected all points of view. He was first elected supervisor in 1996 and held office until 2001. Although he was often asked to seek re-election or a higher office, he chose to remain active in community and civic affairs, serving with equal dedication. Joe Wenda will be remembered throughout the community he loved for his contribution and his service—and he will be missed.

IN RECOGNITION OF DARYL IDLER, HENRY GAMBOA AND ROBERT RODRIGUEZ OF EL CAJON, CALIFORNIA

### HON. DUNCAN HUNTER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 29, 2014*

Mr. HUNTER. Mr. Speaker, I rise today to commemorate the unselfish contribution of Henry Gamboa, Robert Rodriguez and Daryl Idler and to recognize their tireless support of the patients of Balboa Naval Medical Center San Diego.

For eight consecutive years, the ownership of the Cottonwood Golf Club, 3121 Willow Glen Road, El Cajon, CA, has consistently and generously donated their two 18-hole golf courses, golf carts, equipment, staff and their time for the success of the annual Duncan L. Hunter Wounded Marines Golf Classic. Their contribution represents as much as \$15,000 annually in lost revenue, employee salaries and miscellaneous expenses for the day of the tournament, as well as the weeks and months of preparation prior to the actual event.

Because of their dedication to the patients at Balboa, more than a quarter million dollars have been raised during the eight-year history of the tournament. This year's classic is the largest to date in terms of numbers participating and in dollars raised, expected to exceed \$75,000.

Always family oriented, Cottonwood Golf Club has the same small-town values that make the course such a great place to play. Some of the biggest events in East San Diego County that are inspired by their family values include the previously mentioned Duncan L. Hunter Wounded Marines Tournament, the Mother Goose Parade Tournament, the Jack-a-Lopes Classic and a wide variety of local and regional community and charitable events.

What makes the Duncan L. Hunter Wounded Marines Golf Classic truly unique is the fact that every dollar raised goes directly for patient's care. Armed Services, YMCA, a 501c3 not-for-profit organization, administer the Restricted fund, meaning every penny goes for the patient's creature comforts.

As the Congressman whose district includes the Cottonwood Golf Club, I am proud to have the honor and privilege of representing these businessmen and their great business. I ask my colleagues to join me in saluting Henry, Robert, Daryl and everyone at Cottonwood Golf Club for continuing to demonstrate to all of us that caring for those who defend our freedom is more than words, it's a commitment to following through on what needs to be done.
