

devastating disease, as well as supporting research to improve treatments, find cures and receive early diagnosis. The MPS families are encouraged to reflect and support each other and to reach out to those families who have lost loved ones to MPS. By wearing their purple ribbons and sharing these ribbons within their community, they are increasing public awareness about this disease. This date is also the start of the National MPS Run/Walk season along with other local community activities to raise awareness along with money for research and for family assistance programs. I commend the National MPS Society and their many volunteers for an unwavering commitment to bring about awareness of this disease and to continue to advocate for federal legislation to streamline the regulatory processes and to speed effective treatments and cures for their loved ones. More must be done to find cures and effective treatments, but let us reflect on the importance of this day. I ask that all of my colleagues join me in commemorating National MPS Awareness Day.

Also, on his day, we may reflect on the generations of firefighters and company officers who answered the call. They are an integral part of the great history of the Point Pleasant Fire Co. and their service will be remembered as an example of the true spirit of first responders everywhere. Today's firefighters continue to set an example of public service and volunteerism for others to follow and the community is grateful to those who contribute to this effort.

AMERICA LOSES WAR HERO WITH PASSING OF EARL BROWN FLATT

HON. CHARLES W. BOUSTANY, JR.

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 8, 2014

Mr. BOUSTANY. Mr. Speaker, I rise today with a heavy heart to commemorate the passing of a great man in our community who served his country as a United States Marine and later as a community leader in South Louisiana.

Earl Brown Flatt joined the Marine Corps in 1941 at the ripe old age of 17. Earl knew from Day One he wanted to serve his country and make a lasting impact for future generations. He accomplished that goal. Participating in the Iwo Jima campaign during World War II, Earl was a proud member of the Marine Corps exemplifying its core values of honor, courage, and commitment.

After his distinguished career in the Marine Corps, Earl took a leading role in the organization of State Farm Agencies in the State of Louisiana. He was a State Farm Insurance Manager for 44 years and retired in 1994. Earl made sure to give back to his community and worked tirelessly to improve it. He helped establish the Crime Stoppers of Lafayette and was very active in the Republican Party of Louisiana. In addition, he was a charter member of the Oakbourne Country Club. But Earl never wandered very far from the armed services as he served as the President of the Honor Air and arranged 22 flights to Washington, D.C., to visit the memorials. He attended countless funerals throughout Acadiana to honor the lives of fallen soldiers. His patriotism was only matched by his devotion to his family.

Earl is survived by his wife of 62 years, Darlene Storey Flatt of Broussard; two sons, Pat Flatt of Broussard and Jon Flatt of Austin, Texas; two brothers, Wayne Flatt of Dallas, Texas, and Estle Flatt of Nashville, Tennessee; five grandchildren, Rachel, Wesley, Alys, Leigh Anne, and Olivia; and one great grandson, Cooper.

CONDEMNING CHINA FOR VIOLATING VIETNAM'S SOVEREIGNTY IN THE SOUTH CHINA SEA

HON. ENI F. H. FALEOMAVAEGA

OF AMERICAN SAMOA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 8, 2014

Mr. FALEOMAVAEGA. Mr. Speaker, as Ranking Member of the House Foreign Affairs Subcommittee on Asia and the Pacific, which has broad jurisdiction for U.S. policy affecting the region, including Vietnam and China, I rise today to strongly condemn China for violating Vietnam's sovereignty in the South China Sea and to call upon the U.S. to issue a clear and decisive statement of response.

On May 2, 2014, China anchored HD981 rig in Vietnamese waters and deployed dozens of naval vessels to support its provocative actions. On May 3 and May 5, China issued notices banning all vessels from entering the area and stating that HD981 rig will conduct exploratory drilling. HD981 is anchored totally within the Exclusive Economic Zone (EEZ) and continental shelf of Vietnam, about 120 nautical miles from Ly Son island of Vietnam.

I thank U.S. Senator JOHN MCCAIN for his leadership in unequivocally stating that China's territorial claims to the waters have no basis in international law. Simply put, China's provocative actions are an escalation of its intent to threaten peace and maritime security in the East Sea.

Since 2009, China has escalated its claims of the "nine-dash line", cut the ship cables of the "Binh Minh II" and "Viking II (May and June 2011), established "Sansha City" (June 2012), implemented "measures to enforce 'Fishery Law of the People's Republic of China' (entering into force since January 2014), enhanced oil explorations in disputed areas, attacked Vietnamese fishing vessels, launched patrol boats, and conducted military exercises in the South China Sea to flex its power and deter other claimants.

All the while the U.S. response has been negligible, although the House Foreign Affairs Subcommittee on Asia and the Pacific has held hearings on the matter and several Members, including myself, have introduced Resolutions to promote a peaceful and collaborative resolution to any and all disputes in the South China Sea.

I am especially disappointed by the State Department's weak response to China's recent aggression. U.S. Department of State spokeswoman Jen Psaki stated, "Vietnam has declared a 200-nautical-mile exclusive economic zone based on its coast line in accordance with the law of the sea. Then we call on China because China has a different view on that. That's why we continue to call on both sides not to take provocative or unilateral actions given this is occurring in disputed waters near those islands and these events, of course,

point to the need for claimants to clarify, their claims in accordance with international law and reach agreement of what types of activities should be permissible within disputed areas such as these waters."

I call upon the State Department to issue a more clear, definitive, and concise statement than this. Once more, as Senator MCCAIN stated, China's claims have no basis in international law, and the U.S. State Department should not shirk from saying so. I join with Senator MCCAIN in calling upon China's leaders to take immediate steps to de-escalate tensions, and I call upon the U.S. to lead the way. For historical purposes, I have submitted this statement with supporting documentation so that there is no dispute about the facts or about where I stand.

[As of May 5, 2014]

FACTSHEET ON OPERATIONS OF CHINA'S HD-981 OIL RIG IN VIETNAM'S WATERS

On May 2, 2014, Vietnamese authorities announce that at 5:22 am on May 1, 2014, the drilling rig HD-981 and 3 oil service vessels of China were spotted as going south from the northwest of Tri Ton island which belongs to Vietnam's Hoang Sa Archipelago (Paracels). At 4:00 pm May 2, 2014, the drilling rig RD-981 was set afloat at the location of 15°29'58" North latitude and 111°12'06" East longitude of Tri Ton island with 27 protecting ships. This location is about 130 nautical miles off Vietnam's coast and 119 nautical miles off Vietnam's Ly Son island. To date, the number of Chinese vessels has gone up to more than 50. The location of the rig lies well within the oil block No. 143 of Vietnam, undeniably within Vietnam's exclusive economic zone and continental shelf.

2. In the last few days, Vietnam has continuously communicated with China expressing its serious concerns. Vietnam has reiterated and stressed that "the location that the Chinese drilling rig HD-981 and protecting vessels operate is undeniably within Vietnam's exclusive economic zone and continental shelf; the operations of this drilling rig and protecting vessels have seriously violated Vietnam's sovereignty, sovereign rights, and national jurisdiction as stipulated by the 1982 United Nations Convention on the Law of the Sea (1982 UNCLOS), the 2002 Declaration of the Conduct of Parties in the South China Sea (DOC), other related agreements between the two countries' leaders, and Vietnam-China basic principles on settlement of sea issues. Vietnam asks China to immediately withdraw the drilling rig and protecting vessels out of Vietnam's waters".

Viet Nam has sufficient historical evidence, legal basis, and de facto administration over Hoang Sa to assert its sovereign rights and national jurisdiction over its exclusive economic zone and continental shelf in accordance with the 1982 United Nations Convention on the Law of the Sea. Vietnam requests that China respect Vietnam's exercise of sovereignty over Hoang Sa, sovereign rights and jurisdiction over its exclusive economic zone; and concurrently proposes to China to settle the disputes over Hoang Sa and other disputes related to Vietnam's sovereignty, sovereign rights and jurisdiction through negotiations and other peaceful means in accordance with international law, including the United Nations Charter and the United Nations Convention on the Law of the Sea.

Vietnam totally rejects and resolutely protests China's arguments that the "operation of drilling rig HD-981 is an ordinary activity south of Zhongjian island (Tri Ton) of Xisha (Hoang Sa) islands", and has nothing to do with Vietnam's continental shelf and exclusive economic zone; this is "an area of the
