

CONGRATULATING THE WINNERS
OF THE COUNCIL FOR THE ARTS
OF HERNDON'S 10TH ANNUAL
TECHNOLOGY AND THE ARTS
COMPETITION AWARDS

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 17, 2014

Mr. CONNOLLY. Mr. Speaker, I rise to recognize and congratulate the participants and winners from the Council for the Arts of Herndon's Tenth Annual Technology and the Arts Competition.

The Technology and the Arts program grew out of a desire to offer computer savvy teens a way to showcase their abilities in an artistic format. The innovative program challenges students in all Fairfax and Arlington county high schools to create works of animation, digital art, digital music, and digital photography by blending technology and artistry into one cutting-edge masterpiece. Students submit entries at their schools, and teachers select which works will be entered into the contest. Works are judged by professionals and experts in the field, and awards are given in each category. Additionally, this program also showcases how creativity extends beyond the arts into a crucial component of our local and national economies. Technology has been the driving force behind Fairfax County's economic expansion for the past two decades. Knowledge-based enterprises directly employ more than 140,000 people in Fairfax County and some of the world's leading technology firms are headquartered here. America remains the world's leader in technology innovation primarily because of the creativity and ingenuity of these companies. This event is not just about art, it is also about laying the foundation for America's competitiveness in a global market place.

I am pleased to congratulate the following winners of the 2014 Technology and the Arts Competition:

CONGRATULATIONS TO MINNETONKA GIRLS STATE TRACK CHAMPIONS

HON. ERIK PAULSEN

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 17, 2014

Mr. PAULSEN. Mr. Speaker, I rise today to congratulate the Minnetonka Girls State Track team on winning their second consecutive high school state championship.

Last June, the Minnetonka Skippers overcame the odds and defeated the favored team for the State Title. The girls knew a repeat wouldn't be easy with many strong contenders such as Cretin-Derham Hall, Lakeville South, Alexandria, and Prior Lake. But they remained focused on their goal and came out on top once again.

Seniors Elizabeth Endy, who won the 800 meter title and contributed to the 4x800 gold medal and 4x400 silver medal and Senior Mia Barron, who set all-time state high school records in both the long jump and triple jump events at the State Tournament. Their leadership and athleticism will be missed at Minnetonka next year.

The team sailed to victory due to the energy and vigor of the athletes throughout the season as well as at the State Tournament, where many strong performances had a hand in the win. The team emerged mid-season with strength in middle distance, relays and jumps. Key to the Skippers success is head Coach Reimer-Morgan, who has coached track at the school for 30 years.

Mr. Speaker, I applaud the dedication of both Coach Reimer-Morgan and the members of the Girls Skipper Track Team. Winning a State Title is no easy feat, especially defending the title for a consecutive second year. This win is a testament to the power of teamwork and perseverance of the student athletes.

Once again, congratulations to the Minnetonka Girls Track Team on becoming state champions.

RECOGNIZING CONSTITUENT MICHAEL J. PARSONS, DEPARTING CHAIRMAN OF NAFCU'S BOARD OF DIRECTORS

HON. RICHARD L. HANNA

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 17, 2014

Mr. HANNA. Mr. Speaker, I rise today to recognize Michael J. Parsons, President and CEO of First Source Federal Credit Union, in New Hartford, NY, as he completes his tenure as Chairman of the Board at the National Association of Federal Credit Unions (NAFCU). First elected to the Board in 2006, Mike has been a devoted and effective leader in the credit union industry. Having known Mike for many years, I have always been able to turn to him for his expert analysis with respect to any credit union issue being debated in Congress.

Given the regulatory landscape facing the credit union industry in recent years, Mike's responsibilities as Chairman have been particularly daunting. Still, he has done an incredible job balancing his time as Chairman of the NAFCU Board and his responsibilities at First Source Federal Credit Union. Mike has over thirty-eight years' experience in the financial services industry, with 20 years at First Source Federal Credit Union, having served as President and CEO since 1999.

In addition to helping the credit union industry navigate the new Consumer Financial Protection Bureau, Mike has also been proactive in educating lawmakers in Congress, the National Credit Union Administration, and White House officials on a number of issues impacting credit unions including: regulatory relief, housing finance reform, and lending standards.

In addition to his career accolades, Mike has gone above and beyond giving back to his local community as a trustee at Utica College, and a Board Member of Mohawk Valley Economic Development, and Utica Industrial Development Corporation.

Mr. BACHUS. Mr. Speaker, on rollcall No. 294, on June 10, 2014, I inadvertently voted "aye" on the amendment to H.R. 4745 offered by Mr. SESSIONS of Texas. My intention was to vote "no."

HONORING RONDA R. CLAYTON,
RN, BSN

HON. MICHELLE LUJAN GRISHAM

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 17, 2014

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise today to honor Ronda R. Clayton, the 2011 recipient of the New Mexico Center for Nursing Excellence's Rural Practice Nurse of the Year Award.

In 1991, Ronda completed her Bachelor of Science and began her honorable career as a healthcare practitioner in New Mexico. For over 20 years, Ronda has dedicated this time to serving the people of Artesia, New Mexico through her tireless work at Artesia General Hospital, a small, 49-bed, rural hospital.

Serving as a healthcare provider in a rural community invariably means becoming a "jack of all trades" and Ronda exemplifies this characteristic every day she walks through the Artesia General Hospital doors. As the Director of Pharmacy she provides clinical expertise in pharmacy to hospital nurses and medical staff, she develops strategies to move the Department's skill base and technology forward, and she works with patients in the Intensive Care Unit, following up on patients long after they are discharged from the hospital.

With a singular commitment to patient-focused care Ronda took the initiative to develop a program in which patient medication, laboratory and microbiology values, and diagnosis are assessed repeatedly to ensure efficiency. Ronda is everything to everyone—as a co-worker she shows genuine interest in staff development, as a practitioner she takes extra measures to ensure patients, physicians, and

staff are well taken care of, and as a respected member of her hospital, she values the opinions of others and looks for ways to contribute back to her community.

Mr. Speaker, I would like to extend my appreciation to Nurse Clayton for spending so much of her career inspiring young nurses and other healthcare professionals to continue serving rural communities with the same level of passion and commitment that she has shown throughout her years. Ronda is an exemplary New Mexico healthcare success story, and serves as a role model for future generations of healthcare professionals. Ronda's receipt of the Rural Practice Nurse of the Year Award was not only well-deserved, but long overdue.

NATIONAL MEN'S HEALTH WEEK

HON. JOHN C. CARNEY, JR.

OF DELAWARE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 17, 2014

Mr. CARNEY. Mr. Speaker, as co-chair of the Congressional Men's Health Caucus I am pleased to celebrate National Men's Health Week. This year marks the 20th anniversary of National Men's Health Week, which was started by Congress and signed into law by President Clinton in 1994.

National Men's Health Week was legislation sponsored by Senator Bob Dole and Congressman Bill Richardson and is celebrated each year during the week that ends on Father's Day. Recognizing that many health problems that affect men can be prevented, the week was designed to encourage men, boys and their families to develop positive health habits, engage in preventive behaviors, lead healthy lifestyles, and seek timely medical advice and care. As co-chair of the Congressional Men's Health Caucus, I am proud to celebrate this week and help raise awareness of health issues that affect men, boys, and their families.

I've seen first-hand the importance of health education and awareness for men in particular. As a member of the Delaware Cancer Consortium, a statewide organization dedicated to reducing the impact of cancer in my state, I helped to implement a successful colorectal cancer screening program that dramatically increased screening rates for Delaware men. Colorectal cancer is the third most common cancer affecting men; however, Delaware's screening program has helped reduce the rate of colorectal cancer by 41 percent among Delawareans and allowed Delaware to become the first state to eliminate disparities in colorectal cancer screening between Caucasian and African American men. But there is still progress to be made. We need to do a better job addressing the disparity in mortality rates of African American men with prostate cancer, providing early screening for lung cancer, and continuing our commitment to research.
