“302. Prohibition on funding for health benefits plans that cover abortion.

“303. Limitation on Federal facilities and employees.

“304. Construction relating to separate coverage.

“305. Construction relating to the use of non-Federal funds for health coverage.

“§302. Prohibition on funding for health benefits plans that cover abortion

“None of the funds authorized or appropriated by Federal law, and none of the funds in any trust fund to which funds are authorized or appropriated by Federal law, shall be ex-

pendent for health benefits coverage that includes coverage of abortion.

“§303. Limitation on Federal facilities and employees

“No health care service furnished—

“(1) by or in a health care facility owned or operated by the Federal Government; or

“(2) by any physician or other individual employed by the Federal Government to provide health care services within the scope of the physician’s or individual’s employment, may include abortion.

“§304. Construction relating to separate coverage

“Nothing in this chapter shall be construed as prohibiting any individual, entity, or State or locality from purchasing separate abortion coverage or health benefits coverage that includes abortion so long as such coverage is paid for entirely using only funds not authorized or appropriated by Federal law and such coverage shall not be purchased using matching funds required for a federally subsidized program, including a State’s or locality’s contribution of Medicaid matching funds.

“§306. Non-preemption of other Federal laws

“Nothing in this chapter shall repeal, amend, or have any effect on any other Federal law to the extent such law imposes any limitation on the use of funds for abortion or for health benefits coverage that includes coverage of abortion, beyond the limitations set forth in this chapter.

“§307. Construction relating to complications arising from abortion

“Nothing in this chapter shall be construed to apply to the treatment of any infection, injury, disease, or disorder that has been caused by or exacerbated by the performance of an abortion. This rule of construction shall be applicable without regard to whether the abortion was performed in accord with Federal or State law, and without regard to whether funding for the abortion is permissible under section 308.

“§308. Treatment of abortions related to rape, incest, or preserving the life of the mother

“The limitations established in sections 301, 302, and 303 shall not apply to an abortion—

“(1) if the pregnancy is the result of an act of rape or incest; or

“(2) in the case where a woman suffers from a physical disorder, physical injury, or physical illness that would, as certified by a physician, place the woman in danger of death unless an abortion is performed, including a life-endangering physical condition caused by or arising from the pregnancy itself.

“§309. Application to District of Columbia

“In this chapter:

“(1) Any reference to funds appropriated by Federal law shall be treated as including any amounts within the budget of the District of Columbia that have been approved by Act of Congress pursuant to section 446 of the District of Columbia Home Rule Act (or any applicable successor Federal law).
